The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

# Why Coballoy ?

Quite simply, Coballoy sets new standards in the manufacture of Chromium-Cobalt-Alloy implants. It is manufactured in the most modern factory in Europe, and enables Surgeons to obtain implants of the quality traditionally associated with Downs.
