The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

For Over 28 Years

Amsterdam Bros. have served the orthopaedic branch of surgery in a satisfactory manner.

We aim to continue to serve with the same experienced craftsmen, the same conscientious attention, and the same distinctive AMSTERDAM quality in appliances. The only current change has been the assignment of

JULE J. AMSTERDAM

to personally supervise the New York City fitting rooms. Mr. Amsterdam, one of the founders of the company, is well qualified for this important post to assure maintaining the high standards and policies of Amsterdam Bros.

We look forward to your valued patronage in the future and your continued faith in our ability.
