Faith Lutheran Church
Calumet, Michigan 49913

Dear Rev. Lanseth:

Our collecting team spent last week in the Calumet-Hancock area meeting with our informants again. It was great to get back up there. Joel Glickman and I even had a chance to hear the American Wind Symphony!

The project continues to go well. We met with Eva K. again - such an interesting life she has and what a great cook. I tried to meet Mollie U., but she was just too busy. When we come up again in a month or so, I plan to visit her. We're having an enjoyable and worthwhile time recording the five accordion players we're working with too.

Hope all goes well with your church and the many activities with which you're involved.

Sincerely,
