DR. H. L. RUSSELL,

NEW DEAN AND DIRECTOR OF THE WISCONSIN COLLEGE OF AGRICULTEURE.

CONSTITUTION.

We, the undersigned, graduates of the Short Course in Agriculture, University of Wisconsin, realizing the advantages of organization, and believing that by organizing ourselves into an alumni we may strengthen the ties of friendship which have been formed by many months of close associations; knowing that our ambitions, our hopes and our aims are one; believing that we will be able to realize the greatest benefits from our education and training by working in harmony together; realizing the advantages that are to be derived from an exchange of our various experiences, our trials and our failures; feeling that the State which has so grandly furnished us with the opportunities of acquiring so much valuable information in the science of agriculture has a just and binding claim upon us, a right to expect that we will be benefited by our opportunities and that we will reflect credit and honor to her fair name and her College of Agriculture; and believing that we will be the most successful in accomplishing these purposes as an organized body, we hereby subscribe the following constitution:

ARTICLE I.

NAME.

This association shall be known as the Wisconsin Short Course Alumni.

ARTICLE II.

OBJECTS.

To promote the science of agriculture and agricultural education.

ARTICLE III.

OFFICERS.

The officers shall consist of president, vice-president and a secretary-treasurer.

ARTICLE IV.

DUTIES OF OFFICERS.

SECTION 1. It shall be the duty of the president to appoint all committees and preside at the regular meetings of the society.

SECTION 2. He shall enforce due observance of all rules.

SECTION 3. In the absence of the president, the vice-president shall preside.

SECTION 4. The secretary-treasurer shall keep the records of all meetings and proceedings of the society, also the names of all members and their addresses. He shall also keep the funds of the society, collect all fees, pay all debts, and shall submit a written statement of all moneys received and paid out by him, and shall balance his books and accounts not earlier than one month before the annual meeting.

SECTION 5. It shall be the duty of the executive committee to examine and audit accounts of the treasurer and provide funds in case of a depleted treasury and procure a place for to hold meetings and make all necessary preliminary arrangements for such meetings.

ARTICLE V.

ELECTION OF OFFICERS.

All officers shall be elected by ballot at the regular annual meeting of the alumni, and their terms of office shall consist of one year, or from annual meeting to annual meeting.

ARTICLE VI.

QUALIFICATION OF MEMBERS.

SECTION 1. Any person holding a short course certificate, or who has completed a course of two winters in the College of Agriculture, is entitled to membership.

SECTION 2. Students having completed a one winter course at the time when one winter constituted the full Short course, are entitled to full membership.

SECTION 3. Honorary membership may be conferred upon the faculty of the College of Agriculture and graduates of all courses.

ARTICLE VII.

AMENDMENT.

This constitution can be amended at any regular meeting by a two-thirds vote of the members present.

BY-LAWS.

ARTICLE I.

The annual meeting of the Short Course Alumni shall be held at Madison, Wisconsin.

ARTICLE II.

Seven members shall constitute a quorum for the transaction of business and the election of officers.

ARTICLE III.

A two-thirds vote shall be required to pass any law or fix any fee upon the members of this alumni.

ARTICLE IV.

The executive committee shall be appointed by the president, and shall consist of one member from each congressional district.

ARTICLE V.

The officers shall name the day and the hour of the meeting.

PREFACE.

In presenting this directory, it is with pleasure to note that the Short Course Alumni, has sustained a continuous and substantial growth since its starting, especially so during the nine years which have elapsed since the issuance of the last directory, that issue contained a complete list of 183 members, with this issue we have a list containing 1174 members who have completed the Short Course in Agriculture and are members of this Alumni. The work of gathering and compiling the necessary information has required more time and has been far more arduous than was anticipated. It however has brought out the fact, that by looking over the pages of this booklet you will note from the condensed reports that the majority of the members are successfully following their chosen vocation, farming, and besides the majority are making a specialty of some of its various branches. Those that have drifted and taken up other lines of work, from their reports show that they also are successful and becoming leaders in their chosen lines.

With regret I am obliged to mention the names of 14 of our brother members, who since taking the course have been called away by death.

The list also contains 62 members that I have not been able to locate. If any one knows their whereabouts communicate them to the officers of the society, so that in getting out our next directory we will have them corrected.

The writer in conclusion takes this occasion to express his appreciation of the liberality and for the information furnished by the members, and to thank them for it; also to thank the officers and other members who in many ways rendered their services and furnished other material for making this publication complete.

Yours truly,

CHAS. A. NICOLAUS,
Sec.-Treas.

OLD SOUTH HALL

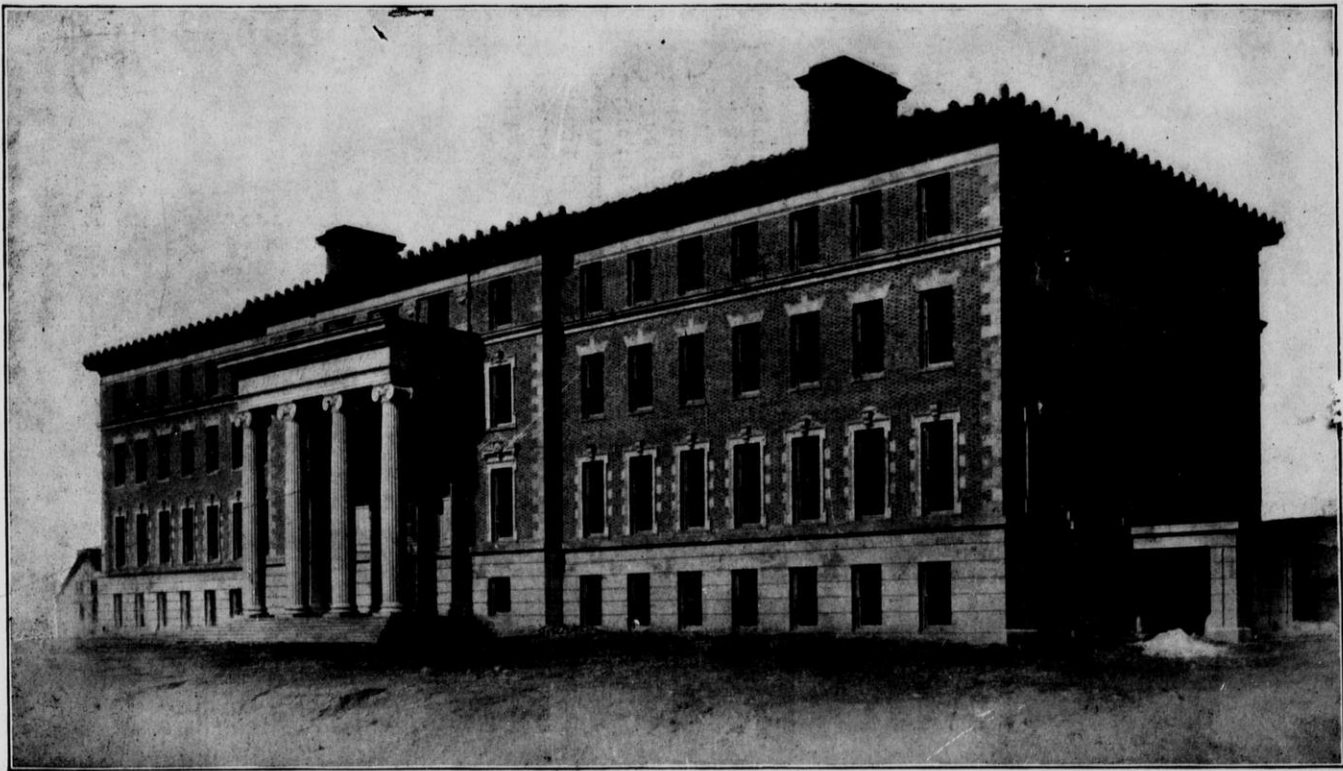

EARLY HOME OF THE WISCONSIN COLLEGE
OF AGRICULTURE.

A REMINDER OF BY-GONE DAYS.

To many of the Short Course Alumni, who view this cut will be brought fond remembrance of by-gone days, when practically all departments of the College of Agriculture were housed in this one building.

The valient little bands that yearly attended the courses were practically all the hope and inspiration meted out to the struggling institution which was destined to do a great work for our commonwealth.

The State Legislature of 1901 came to the rescue and granted an appropriation to erect a building commensurate with the needs of the College, a cut of which appears on the following page.

NEW AGRICULTURAL HALL ERECTED IN 1903, AT A COST OF \$175,000.00 INCLUDING EQUIPMENTS.

ANNOUNCEMENTS.

ANNUAL MEETING.

The twelfth annual meeting of the Short Course Alumni will be held at the Agricultural Hall, Madison, Wis., Thursday, February 6th, 1908, at 4:30 P. M., for the usual business meeting of members, reports of committees, election of officers and transaction of other business that may come before the meeting.

The executive committee especially desires that all former students of the College of Agriculture attend this meeting at that time and take an active part in the same.

Reduced rates at that time usually are granted by the different railroads leading into Madison and it will be an exceptionally fine opportunity to take advantage of this occasion, not only to attend our meetings and banquet, but to renew relationship with your former classmates; also to become acquainted with other members in attendance and once more to visit our College of Agriculture. During that week different societies, such as the Wisconsin Agricultural Experiment Association, Horticultural Society, Forestry Association and different breeders of pure bred stock will hold their annual meetings, which can be attended at the same time.

ANNUAL BANQUET.

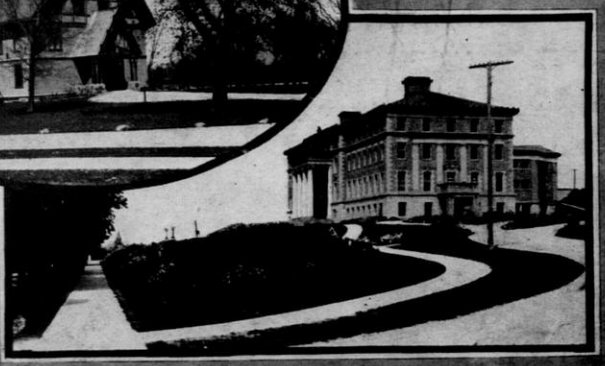

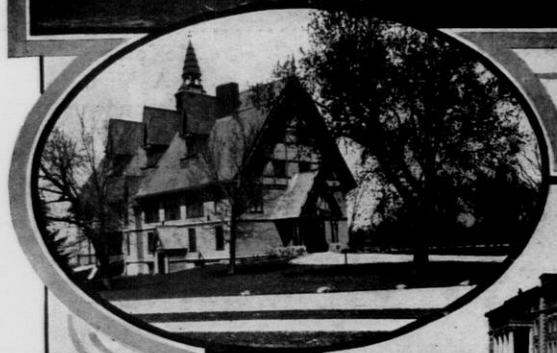

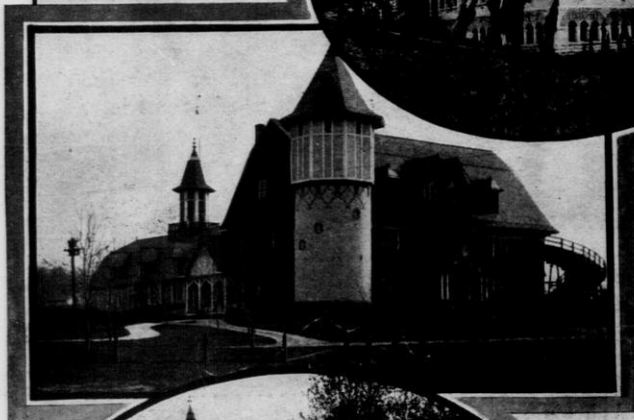

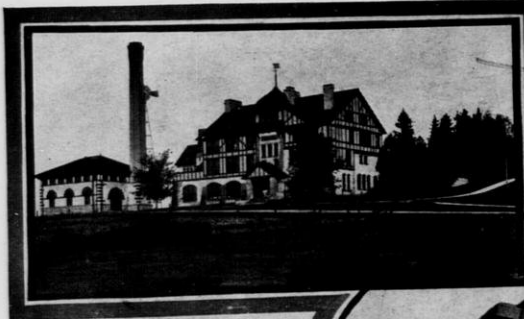

The fourth annual banquet will be held in the parlor of the First Baptist Church at 7 o'clock Thursday evening, February 6th, 1908. Extensive plans have been made for this occasion; expense will not be spared to make this a social and enjoyable affair. Every former short course student is cordially invited to attend this banquet and bring your lady friends. The price per plate will be \$1.50. In order to assist the committee in planning and making preparations, you are requested to place your order for plates with the secretary of the society at an early date, if possible not later than February 3d, 1908.
