WILLIAMS BAY

LEST WE FORGET

BEGINNING ITS FOURTH SUMMER

You are today receiving the first number of "BAY LEAVES" for this summer. From an experiment back in 1933 it has become one of the features of the summer in Williams Bay, which all look forward to.

Williams Bay is a busy place in the summer and there are many activities that some or all will wish to participate in if they are known. It is for that purpose that BAY LEAVES came into existence and having zealously continued that purpose, has made for itself a real place in the community.

Williams Bay is not just an ordinary village as its name and statistics might imply. The name is that given to the Bay on which it is located by those neighbors of Royal J. Williams who settled here in 1836 when referring to it as "Williams Bay". Its fame has spread to all corners of the world from having within its limits the Yerkes Observatory and the unusual Camps which have been centers of religious training and inspiration for over fifty years. Its location on beautiful Lake Geneva with its deep clear waters and wooded hilly shores, make it one of Nature's' gems.

Whatever brings you to Williams Bay, whether it is for an opportunity to catch some of the fine fish for which the lake is famous; whether it is for a swim in the refreshing waters along the some six miles of shore within its confines; whether for a better knowledge of the heavens gained by a visit to the Observatory; whether for the need of a complete rest in beautiful surroundings, with golf, tennis and sailing for recreation; whether for the inspiration of the conferences at the Camps, or your desire for a summer home away from the noise and confusion of the big city; you are welcome to Williams Bay.

We, who make this our home throughout the year and find all seasons attractive, wish to be of service in making your stay, whether for the day or season, a real vacation.

ROSE MAIDEN CANTATA SUNG AT
LAKE GENEVA

On Tuesday evening May 23th
the members of the Williams Bay
Community Chorus journeyed to the
Congregational Church at Lake
Geneva and together with
singers from Elkhorn and Lake
Geneva and sang the ever popular
and beautiful Rose Maiden Cantata
by Cowen.

The singers, 38 in number,
directed by their able and talent-
ed leader Paul McLains, sang the
beautiful choruses of the Cantata
with true tone and expression,
and the perfect shading done by
the singers, particularly in the
Chorus, "Tis Thy Wedding Morn",
brought forth much applause for
its beautiful and inspiring
rendition.

The soloists, Mrs. E.L. Hart-
man of Ft. Atkinson, soprano,
substituting for Miss Jean Rade-
baugh who was ill; Hollis Newman,
tenor, Kenneth Goodrich, baritone
Helen Dunbar, Contralto, were all
in excellent voice and sang the
solo numbers, duets and trios
with excellent quality of tone,
perfect diction and much express-
ion. Each of the soloists were
outstanding in their particular
voice.

Mrs. Clark Cobb, Lake Geneva
was the accompanist.

The decorations represented
a rose garden setting with a rose
arbor and garden trellises twined
in roses.

The Cantata was sung at Wms
Bay Tuesday May 19, which was the
end of the chorus's season until
next Fall.

The Cantata was the outstand-
ing musical event in the commun-
ity this season and Mr. McLains
received many compliments for his
splendid work with the chorus.

Miss Margaret Van Biesbroeck
was the accompanist for the
Cantata at Williams Bay.

MR. F. H. TWEED SURPRISED in LOCH VISTA

On Sunday, May 17, between thirty and forty relatives and friends of Mr. F.H. Tweed surprised him at his home in the Loch Vista Club, the occasion being Mr. Tweed's birthday the following Thursday.

Refreshments were served on the lawn, games were played (including the old reliable horse-shoes) and the cool drinks dispensed by the "Fountain of Youth" which Mr. Tweed has installed in his guest lodge, were a source of unlimited enjoyment. The rainstorm held off very obligingly until the party was almost ready to break up, as most of the guests were from Chicago and had to drive back that night.

All in all, the party was a big success, which goes without saying it would be when held at the home of the genial Mr. Tweed.

Mr. Tweed's grandson Wesley's birthday is just one day before his granddad's and Mr. Tweed always says Wesley is one day older than he is.

U. S. FACES SKILLED LABOR
SHORTAGE.

A serious shortage of skilled labor impends in the United States executives of employers' associations said in Chicago at a meeting recently. They attributed this situation to the failure of American employers, due to financial inability or other reasons, to train apprentices during the last six years.

As business approaches a normal level they predicted an acute situation will result in competition for skilled workers which will cause the pyramiding of labor costs.

WATER EXTENSIONS ACCEPTED

The water extensions made in Cedar Point Park and vicinity and Loch Vista and southwestern portion of the village, have been completed and accepted. E.M. Scheffow, of Elgin, did the former and Wm. J. O'Neill, Lake Geneva did the latter.

The Geneva Lake Post of the
Veterans of Foreign Wars have
arranged an interesting program
for Memorial Day at Edgewater
Park in Williams Bay.

The Northwestern Military
and Naval Academy Band will play
several numbers after the Cadets
return from participating in the
Memorial Day parade in Chicago.
The Academy Cadets will assist in
the dedication of a flag pole
which the V.F.W. will present to
the village and raise the flag
with fitting ceremonies.

Rev. C.W. Boardman of
Delavan will be the speaker for
the day. The local pastors will
assist in the program.

At the water's edge will be
a memorial service for the depart-
ed veterans. In this service the
Boy Scouts and Girl Scouts will
participate.

The service will be concluded
with the lowering of the flag
exercise, showing the proper
respect in handling the flag.

All ex-service men in
Williams Bay and vicinity are
urged to be present and assist in
the program. All residents of
the village and friends are urged
to be on hand at 4:30 Saturday
afternoon.

No more shall the war cry sever,
Or the winding rivers be red;
They banish our anger forever
When they laurel the graves of
our dead!

Under the sod and the dew,
Waiting the judgment day--
Love and tears for the blue;
Tears and love for the gray.

(From The Blue and The Gray)

O guns, fall silent till the dead
men hear
Above their heads the legions
pressing on!
These fought their fight in time
of bitter fear. -- 1918
