The Door
To Opportunity

Now, 1940 - What Will You Do With It?

The business world is taking inventory of the merchandise on hand, counting cost of operation and trying to find out what the profits were for 1939. It is necessary to know what the hard work of 1939 brought in returns so the government might take its slice.

The government doesn't care how you made profits providing that you give it the share that has been prescribed by law.

However in your local community where you meet folks day after day the manner in which you make profits has a bearing on your social standing. It does not matter how that living was made provided that one has been fair in his relations with his fellow men. He might have had only his daily labor to give, yet it was given with all the energy that he had and with a graciousness that made all who came in contact with him, the better for having had his services.

Or you might furnish your community with food, shelter or clothing, the fact that you gathered these things for the use of all, was a great service provided at a fair price which gave you the expected profit.

What I am trying to say is that, every one is entitled to a profit in this country. We are called a capitalistic country because we like to make that profit. Take away that opportunity to make returns on our labor or on the money which we might have saved and we will go back to the feudalistic days. In some countries in Europe today, all is for the state. There may not be unemployment for all are working for the state. Babies are the property of the state. One's worldly goods are the property of the state.

Will we allow our chances for freedom to be dimmed in 1940? There must be a constant vigil by every one against the many forces which would destroy the spirit of individual liberty.

Why not get out the Copy of the Constitution and look it over again? If you would play well the great game of American life, you should know the rules of the game.

1940 is the year in which we elect a president and a new Congress. It is all the more necessary that we give thought to our government. It is a great democracy within a republic. Webster says that a republic is one in which the supreme power is held by the people, who elect their own representatives and elective officers, responsible directly to the people.

Read in our "Tile Deed to Our Rights" just what your representatives are empowered to do in your name; what your own responsibilities are as an American citizen.

The more you know about our America, the more you will love it.

Let us make 1940 a notable one in stressing our citizenship responsibilities. Let us hold fast the principles of our fathers as layed down in our Constitution!

WISCONSIN ELECTRIC APPLIANCE DEALERS

At Rose Lane last weekend for the New Years holiday were several groups. Mr. Richard L. Nelson, Chicago, and party of nine came Friday and were joined on Saturday by Mr. Higgins and party of ten, and remained for New Years, making a party of twenty in the group.

The Misses King and Fahrme of Chicago, were weekend guests, remaining over Sunday.

L.B. (Cap) Abrahms, Chicago, was a guest at Rose Lane last weekend.

Mr. and Mrs. Ralph Hirschberg, and children, Dorothy, Virginia and Ralph Jorgen, Jr., of Chicago, were at Rose Lane for Sunday and New Years Day. The Hirschberg children always enjoy a visit to their grandmother's, Mrs. Amy Jorgenson, proprietor of Rose Lane.

Mr. Charlie Johnson and bride of Lake Geneva, registered on December 27 and are leaving Thursday this week to spend the winter in Florida.

Mrs. Elsie Nelson of Chicago, sister of Mrs. Alfred Pihl, entertained a party of sixteen for New Years at Rose Lane.

Mr. and Mrs. S.H. Stern of Milwaukee are stopping at Rose Lane while Mr. Stern is employed on the new Milwaukee Railroad underpass at Walworth.

Mr. and Mrs. Edward Zabler were guests last Sunday at the wedding of her niece, Miss Loraine Yanke, and Mr. Clarence Limbaugh, in the Presbyterian church at Ridgefield, Ill. The ceremony took place at midnight on Sunday.

Mr. and Mrs. J. Furring of Chicago, spent Christmas with their daughter, Mrs. Glen Rietz and children at Hotel Normandie.

Mr. and Mrs. D.D. Ross, Donald Clifford and Dora of Elkhorn, were Sunday guests in the home of her sister,

Because the races held by Skeeter Club have to be officially held on Lake Geneva or Delavan Lake, the races on Saturday and Sunday on Como last week were for "fun" not for "keeps".

The honors of the day were carried off by Robert Ferris in his "Grumpy". The Ferris laurels were hard won as he had to compete against eight to ten boats, some of which were piloted by skippers who had been first, second and third in last season's races.

The holiday crowd was even larger than during the Christmas weekend. With many more skaters and pleasure boats (non racers) skooting around on the ice to add motion and color to this beautiful clear, cold day.

To my mind it seems like tempting fate to disregard this perfect ice on Como and hold off the official races until Delavan or Lake Geneva freeze over. To paraphrase an old saying- "Ice on the pond is better than two lakes in the future!"

WOMEN'S BROTHERHOOD HOLD TRIAL
Rev. Keiser Accused of Desertion.
Wednesday night.

Some thirty attended the first session of the Brotherhood in 1940.

The evening was spent in a dart game between two sides. The score was tied when two men got on base and Herman Ball got a home run bringing in three runs to win.

At the trial of Rev. Keiser for desertion a verdict of guilty was given and he was to be tarred and feathered and ridden out on a rail.

Mr. Fensholt had brought the rail and a can of tar and some feathers. Mr. Keiser was blindfolded and instead of tar, water was used with a brush and the feathers added. He reacted so well that the crowd gave him a real cheer. He left at noon Thursday for Platteville, his new charge.

EDITH LAWSON SLATER BECOMES BRIDE OF KENNETH M. VISTE

Before an altar of white cathedral candles, calla lilies, white snapdragons and ferns, at the Congregational Church in Williams Bay, on Saturday evening, December 30, Edith Lawson Slater, Fort Atkinson, and Kenneth Martin Viste, Williams Bay, Spoke their marriage vows, Rev. Victor H. Keiser read the ceremony.

Preceding the wedding ceremony Mrs. Clark Cobb, Lake Geneva, played Claire de Lune by DeBussy. The High School Girls Glee Club sang *Bridal Chorus* from the *Opera Lohengrin* as the bride approached the altar on the arm of her father, who gave her in marriage.

The bride was beautiful in a white Chantilly lace gown bodice style with court train, the long veil caught into a cap about the head extending to the edge of the bridal gown train and lace edged, was fastened with an orange blossom ornament worn by her grandmother for her wedding, and a gold locket and chain worn by her great grandmother on her wedding day. She carried a shower bouquet of white roses, gardenias and snapdragons. Maid of honor, Miss Virginia Hart, member of the Williams Bay school faculty, wore a King's blue velvet gown. As bridesmaid, Miss Carla Georg, Wauwatosa, Wis., wore a gown of wine colored velvet, both carried arm bouquets of bronze and yellow dwarf chrysanthemums and lavender stock. The ushers were Arvid Thompson, Robert Cook, Edwin Van Biesbroeck, Carl Cable Bjorge. Mendelssohn's Wedding March was played for the recessional as the bridal party left the altar.

The church was beautifully decorated with white cathedral candles and evergreen and white ribbon ties on each pew; three tier white taper were in each window, these blending with the indirect church lighting, made a most beautiful effect, and although the weather outside was very near the zero mark the clusters of lighted candles gave a warm glow to the inside.

The bride is the daughter of Mr. and Mrs. William A. Slater, Fort Atkinson, Wis. She attended the University of Wisconsin and received her B.S. in home economics from Stout Institute, Menominee. She is a member of Phi Upsilon Omicron, national professional honorary home economics fraternity. Since graduation she has been a member of the Williams Bay high school faculty.

WILLIAMS BAY COUPLE RECEIVE FOR TWENTY-FIFTH ANNIVERSARY

Although the outdoor temperature registered near the zero mark last Sunday afternoon, December thirtieth, it did not prevent the friends of Mr. and Mrs. Lawrence Hollister from gathering at their home on Clover street, in response to their invitation to open house, in honor of their twenty-fifth wedding anniversary, which date fell on December 16. One hundred ten friends called at their home during the hours, three to five o'clock.
