The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

A  
STATEMENT  
OF  
PLAIN  
FACTS...

WHITEHALL "LoBoy,"  
the whirlpool with  
the low tank profile

**to:** Specialists in Orthopedic Surgery

**from:** Manufacturing specialists of superior hydrotherapy equipment

*It's no secret, but speaking as one specialist to another did you know that WHITEHALL was:*

- FIRST in designing a combination agitator and emptying system.
- FIRST to provide a precise "fine tuning" pressure control valve.
- FIRST to provide a more powerful ½ H.P. Jet Pump motor on all models.
- FIRST to introduce the "LoBoy" Whirlpool Bath.

*These are but a few important features — there are more, of course. See your Whitehall Hydrotherapy Equipment dealer soon.*
