Hi!
You are a student of
Waterford High School
and this is your book
which we, the Emerald
Staff, are proud to give
to you.

In the writing of this
book, we have kept in
mind that we are indi-
viduals, yet are some-
what the same; we are
separate, yet we have a
common purpose; we are
young, yet we are re-
sponsible; and we are
FREE!

An aerial photograph of the Waterford Union High School campus and surrounding area. The school buildings are a large, multi-winged complex in the center-left. To the right is a large, open field, likely a sports field. The foreground shows residential houses and a parking area with several cars. The background features more trees and distant buildings.

WATERFORD UNION HIGH SCHOOL

*Waterford, Wisconsin
Volume 28*

Fly the sky the wind
has stirred.
Hear the call of
things unheard.
Run and walk the
roads of sand.
Conquer once the
waves unspanned.
All these things are
dreams to me.
Dreams chained
down by mind and
though
but then...
Dreams have ways
of twisting FREE.

*Freedom Within
A System Is
Accomplished By
Setting Rules
Which Allow An
Individual To Be
Himself.*

ACTIVITIES

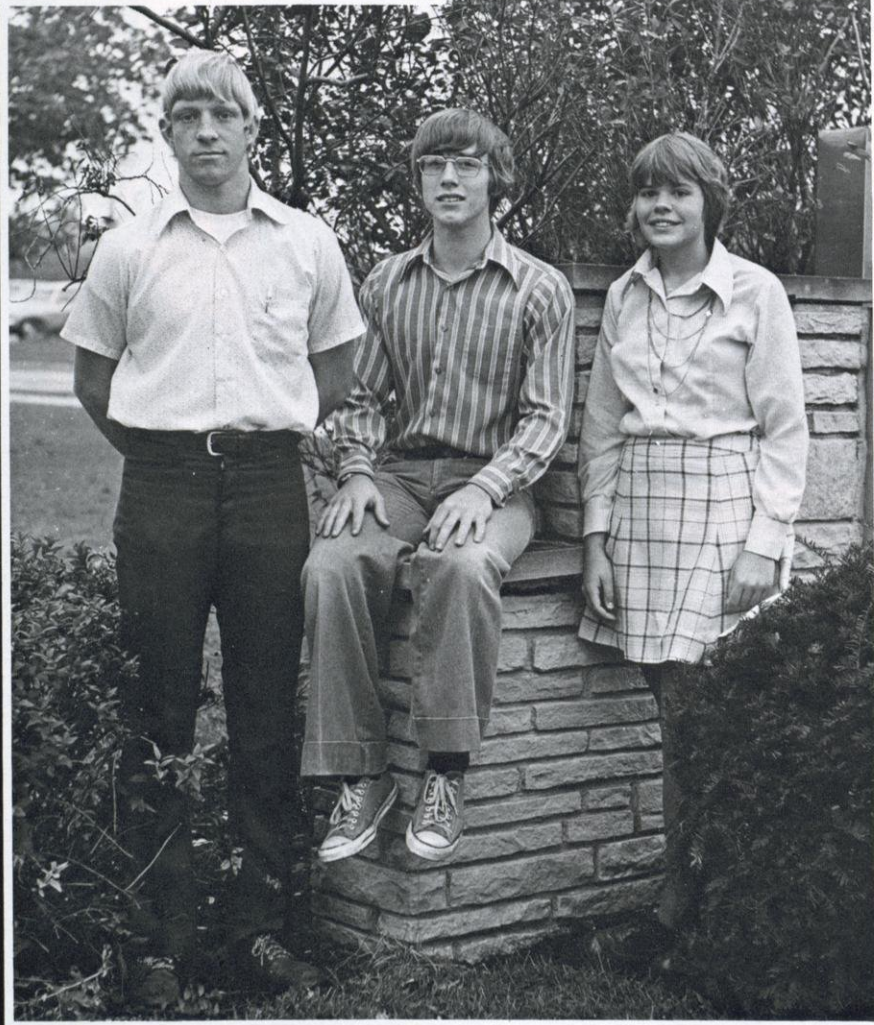

WHO KNOWS??? The best question in the whole program was: Who knows Gilbert & Sullivan? Unfortunately, it wasn't us--but our representatives from Waterford High School did a great job at answering the other questions. And 'who knows', maybe we'll get them next time!

Three outstanding Waterford students had the honor of participating in Badger State activities. These three students through their leadership abilities and academic prowess demonstrated their right to go to Badger State.

Bruce Ranke, Craig Carter, Gwen Stone.

... A Time Foreshadowing.

Hard working Soph's pulled a second on their float.

Juniors had lots of fun putting together their float.

The mighty Seniors received the prize for the "Best Float."

Marv Bauer, our hero, was elected "Mr. Ugly" by the student body.

The Homecoming Court and Queen Nominees nervously await the announcement.

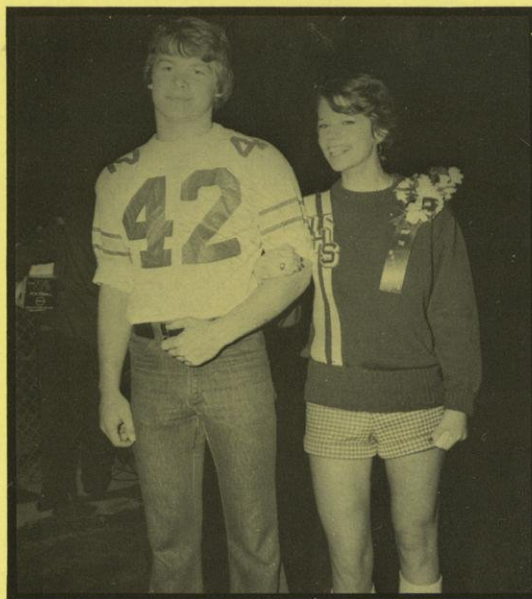

The burning of the WHS.

*The Freedom Felt In Good
Competition Is Often As Good
As A Victory.*

The band always provides a good halftime show.

King Bob and Queen Kim Reign Over Homecoming Festivities.

Our football players put forth their best effort against overwhelming odds.

Jill, Laurie, and Mary rode in the rain during halftime.

Queen Kim and Senior Representative Claire wait anxiously for the announcement of the court.

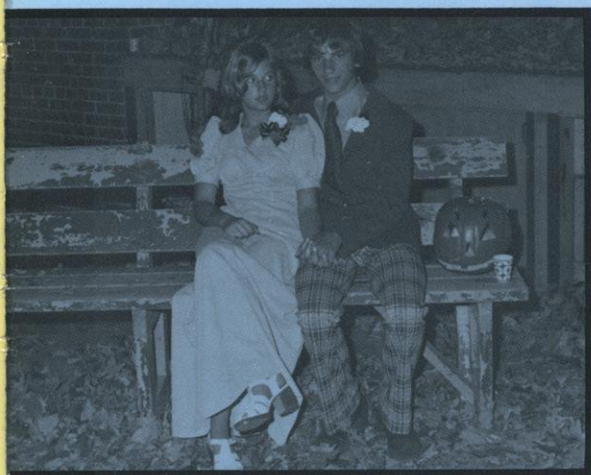

Even the rain couldn't dull the beauty of Claire, Sue, and Queen Kim.

Transformed into a harvest field, the gym was the scene of our Homecoming Dance. Many couples came to sway and turn to magic music, to laugh and talk and spend small moments in dark corners. The regal-looking court was led by King Bob Kordus and Queen Kim Torkelson. The girls looked lovely and the guys all looked like winners.

*“Saturday In The Park” —
A Grand Way To Climax The
Weekend!*

Get with it, Frenchy!

Hiya!

Terry, you can't do this to me!

How do you expect us to smile?

Hallelujah!

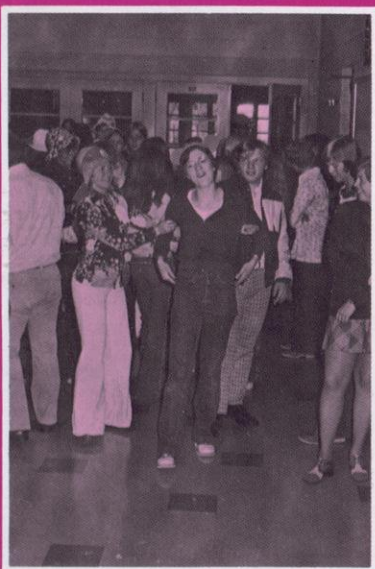

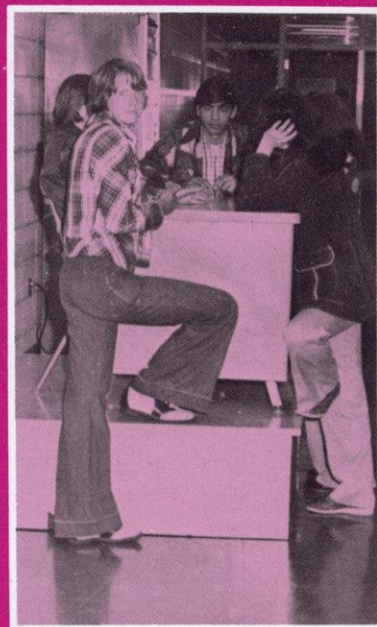

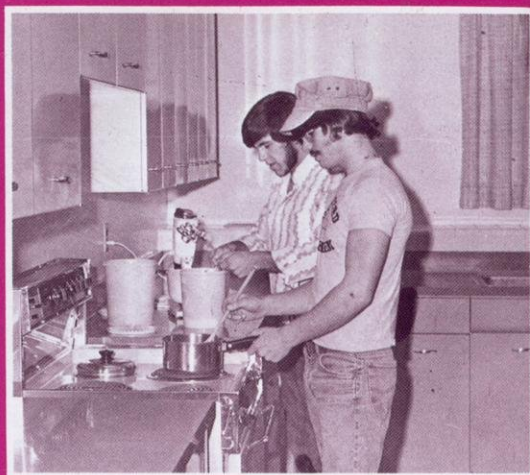

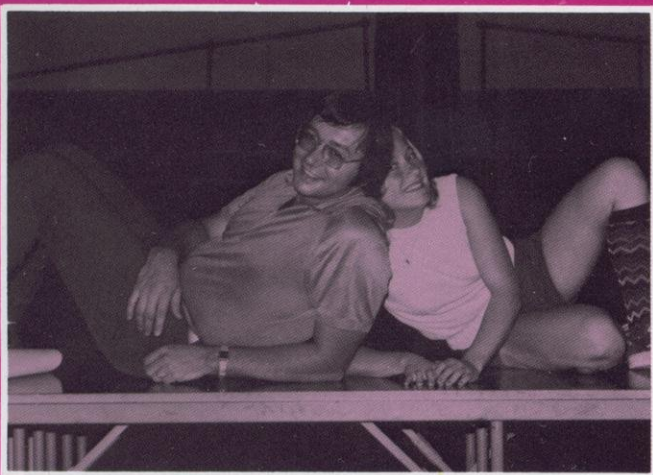

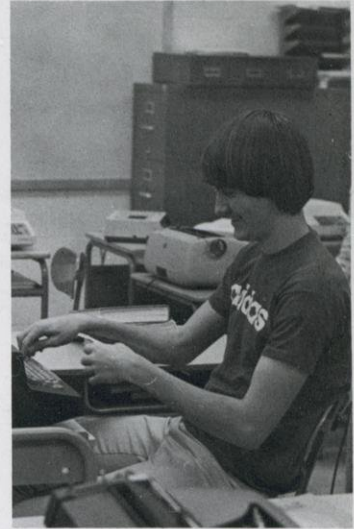

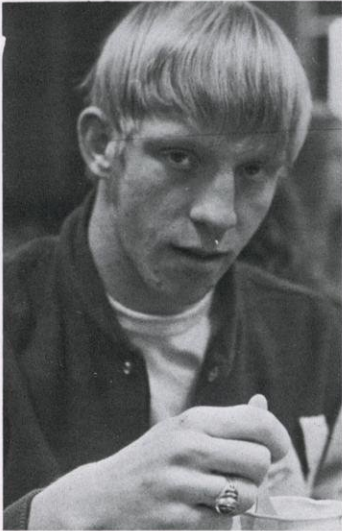

C'mon Craig, let's concentrate on the show.

Shelley, I really think that's short enough!

... And Anything Went!

AFSer 1975

If somebody would have told me, last year, that I would spend one year in the U.S.A., I would have told him that he was crazy. Why would I have left France, leaving both my family and friends? Well, I guess that I wanted to know something else, other people, another way of life, and different ways of thinking. Waterford and the A.F.S. experience gave me all of it. I am really glad that I have been chosen to be W.H.S.'s A.F.S. student. Everybody is so nice and has made me feel so welcome. I will take this opportunity to thank all of you for all the fun I had with you during this wonderful year--during the football games, the play, the basketball games, dances and all the hours spent in Waterford High or elsewhere.

I know that I will go back home, but I am sure that I will not forget any of you or any part of this year.

Good luck, avec toute mon Amitie,

Claire "Frenchy"

A friend not forgotten!

"When I Must Leave You"

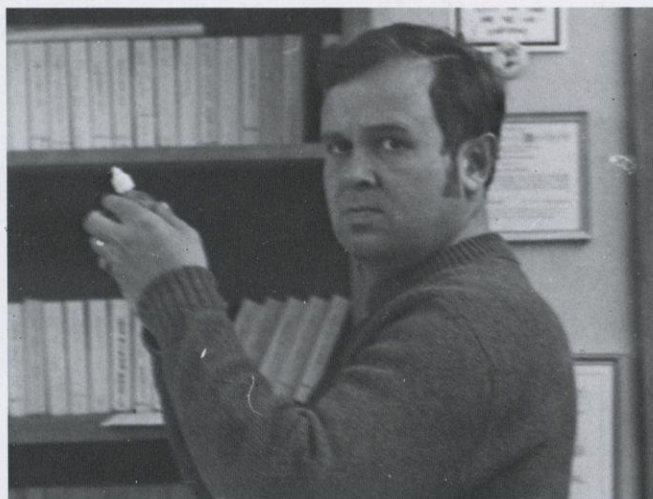

When I must leave you
for a little while,
Please do not grieve and
shed wild tears
And hug your sorrow
to you through the years,
But start out bravely
with a gallant smile;
And for my sake
and in my name
Live on and do all
things the same,
Feed not your loneliness
on empty days,
But fill each waking hour
in useful ways,
Reach out your hand
in comfort and in cheer
And I in turn will comfort you
and hold you near;
And never, never
be afraid to die,
For I am waiting
for you in the sky!

Par For The Course

This year, the girls' golf team did not expect a great season having lost three members to graduation. However, with addition of Mary Pangman, who became Regional medalist, and a great new coach, Mr. Frye, the team went on to a good season: 5-2. After placing second in regionals, the girls earned the right to move on to sectionals. Here they turned in disappointing scores, losing the right to go on to state tournaments.

Our wonderful coach,
Mr. Frye.

Playing the zone.

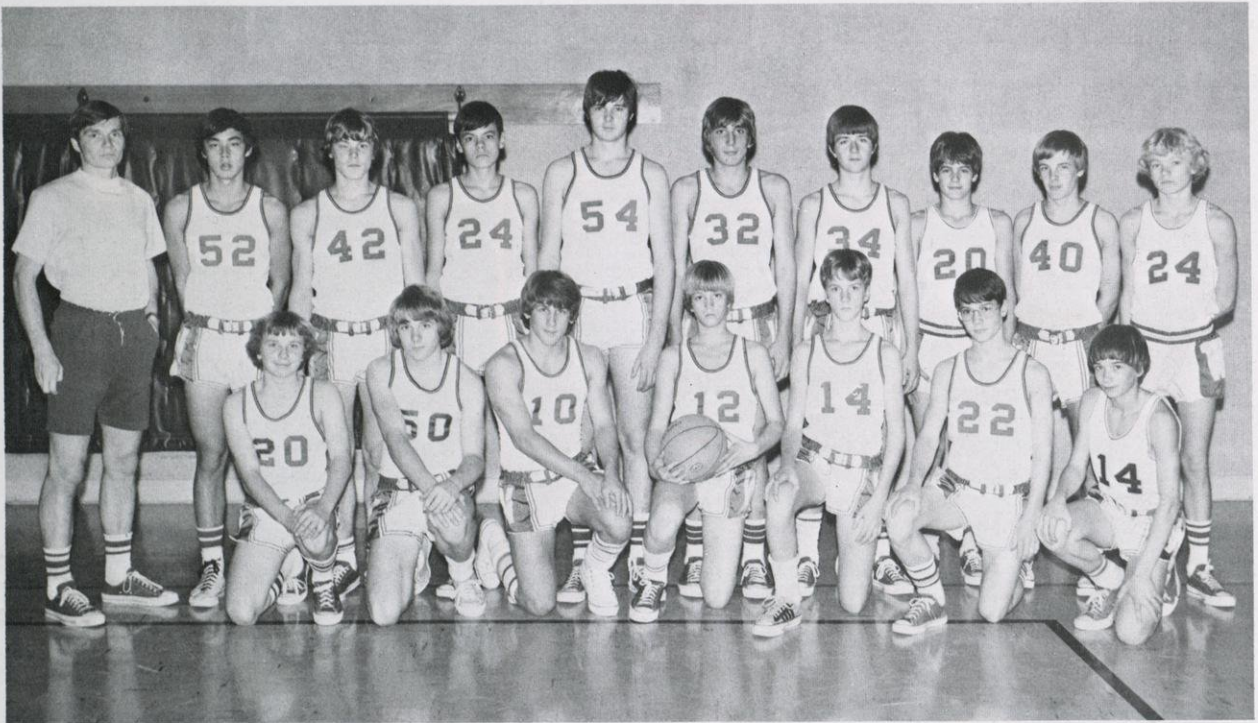

Here, have a ball!!!

Basketball 74-75 They're All Great!

Skill is the name of the game.

vyan, D. Schoof.

*Freedom Is:
Another Word For
Living!*

In our quest for freedom, we have encountered many things. We see people, not as puppets, but as individuals moving along their own chosen paths. We see places where physical freedom is not possible, yet the SPIRIT makes them free. We see objects that symbolize freedom, yet without feeling it, they are meaningless. Through the making of this book, we have tried to emphasize the individual interpretations of the feeling of the word. Freedom means something different to everyone.
