COMPANY E WINS

TAKES FIRST PLACE IN FINAL COMPETITIVE DRILL.

Company F Given Second Place—A Most Excellent Drill—Judges From Fort Sheridan.

In the final competitive drill yesterday afternoon company E took first place. In the individual drill Paul Trowbridge carried off the honors.

As a result of the preliminary drills of the two battalions of the University regiment last week, company E, commanded by Captain H. G. Kemp, and company F, commanded by Captain Samuel Higgins, won first places in their respective battalions. Yesterday the two companies tried for first honors with the result as given, company E receiving 81 1-6 points, and company F, 75 points.

Company F appeared on the floor first and from the start made a fine appearance. It was apparent that the last few practice drills had had their effect when the company came into line from column of fours. The manual of arms was well executed as was also the platoon drill.

When the command came for company E to fall in everybody was in expectancy for the excellent work of company F meant that the outcome of the competition must be close. Company E had done good work all the year and when they went through the maneuvers yesterday afternoon their careful training told. Their execution of the platoon drills and the manual of arms was well nigh perfect.

The judges consisted of Lieutenant Ross of the 3d infantry, who has served in Cuba and the Philippines, Lieutenant Waldron of the 9th infantry, recently returned from the Philippines and who saw service in China last summer, and Colonel Joachim who was with the 1st Wisconsin in the late Spanish-American war.

After the drill, Lieutenant Ross said: "They have put up a very good drill and the University is to be congratulated on its corps of cadets and its instructor." Lieutenant Waldron supplemented this by saying: "I have never seen outside of the army and national guards a body of men that drill as these men do in the foot movements. I certainly think that they are a credit to the University." Col. Joachim stated that he had watched the University regiment in years past and was glad to say that the excellence of the work this year exceeds that of the past.

The following took part in the individual drill: V. Wrabetz, H. J. Barry, P. Trowbridge, H. A. Cook, F. L. Joachim, M. Whiting, D. L. Barnard, E. B. Mueller, H. J. Geerings and F. Rowley. After Paul Trowbridge, came F. L. Joachim and E. B. Mueller who took second and third places respectively.

In all probability the medals will be completed by the time of the next military hop when they will be publicly awarded.

The officers of the prize company E are as follows: Captain, Harry G. Kemp, '02; First Lieutenant, L. W. Beers, '03; Second Lieutenant, S. Bishop, '03; First Sergeant, W. K. Murphy, '03; Second Sergeant, H. L. Cook, '03.

—Delta U and Phi Rho Beta will play at baseball to-morrow afternoon.

AN EXCELLENT CONCERT.

Musical Artists Well Received at Choral Union Concert.

The concert given by the Choral Union at Library Hall last evening can be said to surpass any concert given here this year. A fair sized audience was present and was enthusiastic in its applause and appreciation from beginning to end. The soloists, orchestra and chorus acquitted themselves exceedingly well. The work of Professor Parker and the Choral Union was of a very high order and the success of the concert was due to them as well as to the other artists. The blend of voices in the Choral Union was exceptional and the work of the chorus was evenly good from beginning to end.

The chorus parts in Barbara Frietchie are especially difficult but the chorus seemed thoroughly equal to the occasion and the generous applause given them.

The solo artists were well received and recalled upon every appearance. Mr. Hyllested fully bore out his reputation as one of the world's greatest pianists. His greatness consists chiefly in his fairly marvelous powers of expression. Especially interesting was his rendition of Beethoven's Moonlight Sonata, which is a great favorite of students.

Mrs. Auer met with hearty applause upon every appearance. Her voice is of high mezzo-soprano of very pure quality and behind the voice is found strong dramatic instinct and a very thorough training. Her songs

were all delightfully given probably the most telling being "Midsummer Dreams" by d'Hardeot and the simple but delightful song "When Cleo Sings." Her dramatic power was exhibited at its best in Barbara Frietchie. Mrs. Auer has a captivating personality which doubly enhances the effect of her singing.

"Photography of Sound Waves."

Professor R. W. Wood of the Physics Department will deliver his lecture on the "Photography of Sound Waves" Saturday, May 18 at 12 o'clock in the Physics lecture room, Science Hall. The lecture will be illustrated with lantern slides and the views will be interesting as showing a wide departure from the usual method of studying sound, in that the vibrating layers of compressed air which make up the waves, are illuminated by an electric spark and are actually visible on the screen.

The mechanism used in producing the waves will be set up so that the students may respect it before and after the lecture and observe the way in which the sound photographs are secured. The lecture itself is a valuable one, and was delivered by Professor Wood before the Royal Society of Science.

Red Dominos Will Entertain.

The Red Domino dramatic club will entertain at the home of Miss Anne N. Scribner Monday evening. Two farces, "Barbara," and "Betsy Barker," will be presented and dancing will follow.

ILLINOIS DEFEATED

VARSITY WINS DUAL MEET, SCORE, 76 1/2 to 35 1/2.

Meyer Breaks High Jump Record—Fast Time in Dashes and Runs—The Summary.

Wisconsin defeated Illinois this afternoon in the dual track meet at Camp Randall by the overwhelming score of 76 1/2 to 35 1/2. Coach Kilpatrick states that the result is far beyond his expectations. Exceptionally fast time was made in all the runs and the University record for the high jump was smashed to pieces. Meyer clearing the bar at 6 feet. Following is the summary:—

100 yd. dash—Bell, Ill., first; Senn, Wis., second. Time—10 sec.
220 yd. dash—Bell, Ill., first; McGowan, Wis., second. Time—22 flat.
440 yd. run—Poage, Wis., first; Cayou, Ill., second. Time—50 2-3 sec.
880 yd. run—Burdick, Wis., first; Ross, Wis., second. Time—2:03.
One mile run—Hahn, Wis., first; Keachie, Wis., second. Time—4:37.
120 yd. hurdle—Schule, Wis., first; Boyd, Ill., second. Time—16 1-5 sec.
Broad jump—Thompson, Ill., first; Schule, Wis., second. Distance—22 ft. 2 1/2 in.
Hammer throw—Beirs, Ill., first;

A. A. Cochrane of Chicago, who is referee, states that the remarkably fast time made in the events is owing to the fast condition of the track, the fine weather and the slight wind which is in favor of the runners.

Laws and Freshmen to Row.

There will be a race over the mile course between the Law School crew and the Freshmen on Saturday the 18th. The start will be made at 11 a. m. sharp, and if the Varsity crew can arrange it they may be included. The race will, in the event of the Varsity starting, be a handicap.

The Freshmen are improving in blade work, and they row the boat much steadier, but there is still a great deal to be desired on the body

form which is terribly rough. The Freshmen subs are sticking to their work well and showing considerable improvement. Their work is to be commended, and is in striking contrast to the subs for the Varsity boat.

Mrs. McKinley's Condition Critical.

Dispatches this afternoon from San Francisco announce the condition of Mrs. McKinley to be still critical. The physicians are fearful of a relapse. Should the patient maintain her present strength, her recovery will be quite probable.

BELOIT TOMORROW.

Varsity Meets Line City Team in Third Game Tomorrow.

For the third time this year the Varsity will line up against the Congregationalists at Beloit to-morrow. Notwithstanding their two defeats, the home team are still after the scalps of their old-time rivals and the game will be a battle royal.

Richardson, on account of his effectiveness against Hollester's men on Wednesday, will probably be in the box for Wisconsin while Adkins will do the pitching again for Beloit. No changes will be made in the Varsity lineup except there is a possibility of Brobst being relegated to the bench and Murphy tried again in his place at short stop. There is little to choose between the two men and unless there is a "find" one of these erratic infielders will likely hold the position.

Quite a number of ardent fans are planning to follow the team. The intense rivalry between the teams always gives an added interest to their games and they are exciting no matter if at times one-sided. The railroads will again give special rates of one fare and a third which will bring the round trip down to about \$1.90.

At Beloit, a Beloit-Wisconsin game is always considered in the light of a holiday event. Stores are closed and business suspended while everybody turns out to see the contest. Such loyalty should serve as an object lesson to Wisconsin rooters.

Athenae's Banquet Tomorrow.

Tomorrow evening the Athenaeon society holds its fifty-first annual banquet. The banquet is to be given at the Avenue hotel beginning at eight o'clock. The toastmaster of the evening will be George H. Gohlke. Robert W. Haight will respond for the juniors and Eugene H. Byrne for the sophomores. The freshman toastmaster will be Loren D. Blackman. Aside from these toasts all the seniors and many of the alumni will be heard from.

It is expected that from eighty to a hundred will be present. As Athenae has several members of her alumni among the faculty it is thought these will be present. If possible Governor La Follette, one of Athenae's most distinguished alumni will be induced to attend.

—Assistant Professor Amos A. Knowlton has returned to Madison. He has been spending the past year traveling in the West to regain his health. Professor Knowlton is much improved by his period of rest and recreation but will not resume his work this semester.

—Miss Anne N. Scribner, at present a fellow in Greek, has accepted a position on the Chicago Evening Post and will leave for Chicago immediately after the close of the semester.

Class Parties.

Some years have passed since the last class party was attempted. It is indeed to be regretted that this sort of function was has fallen into disuse at Wisconsin, for it had many good features. Chief among them was the better acquaintance of one's classmates to be gained only by the social intercourse that these gatherings afforded. Then there was developed a class spirit, an esprit du corps, which it must be confessed is often sadly lacking in our present organization. True the class party often led to certain complications between "ye sophs and freshmen" that were sure to find their way into the columns of certain horrified journals of the state but even in this respect the extremities to which class spirit has carried the students of the smaller colleges of the state were not reached. Let the underclassmen revive these pleasant reunions and a unifying factor will again be inforced into Wisconsin student life.

Interscholastic.

The University is soon to have as its guests a large number of the high school students and teachers, who will come to Madison to attend the Interscholastic Meet the Interscholastic Declaratory contest and the Principals' Convocation. It thus behooves all students to assist in the reception of these guests by giving them a favorable impression of the University and its life. Many of the young visitors are contemplating college courses at higher institutions of learning and an opportunity is presented to convince them the one overwhelming advantage of Wisconsin as their future alma mater. If each student does his part in the entertainment of the University's guests this will be found that will bring forth fruitful results in the years to come.

The Weather.

Fair tonight. Showers Sunday in north and west.

Local and Personal.

—R. C. Smelker, law '99, is visiting University friends.

—Herbert F. John, '03, went to Milwaukee this noon.

—Edward Jenner went to his home in Milwaukee this noon.

—Zach Chandler, '01, left yesterday to spend a few days at home.

—Chi Psi and Beta Theta Pi play baseball next Wednesday afternoon.

—Miss Olson very pleasantly entertained the members of the Nora Samlag at her home from three to five this afternoon.

—Colonel Lyndon H. Tracy of the University regiment entertained Lieutenant Ross, Lieutenant Waldron and Captain Curtis at dinner at the Phi Psi fraternity house last evening.

—Instructor Sands of the Engineering department has been called to Sparta to superintend the laying out of a new tobacco plant, under the control of the American Tobacco Company.

Links in Good Shape.

The University golf links are now in excellent condition and everything is running smoothly. The putting greens have been trimmed and levelled off and new flags put at all the holes. A horse mower has been running on the links for some time and the grounds will soon be entirely trimmed, and in excellent shape.

The links are under management of Henry M. Esterly, who will remain here all summer to keep them in shape. A number of new members have recently joined the association and everything is now in very prosperous condition.

Tennis Tournament.

Three preliminaries and one first round were played off in the Tennis Tournament yesterday afternoon and the contest is narrowing down to the point where the real fight for supremacy begins. In the preliminaries, Stewart beat Barnes, 6-2, 6-3, Grant defeated Cleverdon, 6-3, 6-3, and Sanborn beat E. C. Turner in a close game, 6-2, 5-7, 6-4. Helmholtz, who won his preliminary Wednesday, played the first round yesterday with Belknap, and defeated him in a fast match, 6-2, 6-2, 6-4. If the games continue to get better as the tournament progresses, tennis lovers should be treated to some star playing when the faster players get together in the closing matches. The games played so far have been in the nature of try-outs, but when the semi-finals come off next Saturday, the contestants will all be strong players and there will be some close and interesting games.

Crews Subscriptions.

The results of the canvas among the students for money for the support of the crew are very unsatisfactory, and have fallen below the expectation of the management. The majority of the students have been reached, but the money raised so far has been not what it should be.

Among the business men in Milwaukee and about the state the response has been very good, and if the students would pay their share enough money might be raised to send the crews East this year. As matters stand now the management will be compelled to run behind.

The Naval Ball did not net a very large sum, not so much as was expected. At the St. John's race, which will be held June 1st, shore tickets will be sold, and three or four hundred dollars must be raised in this way. Commodore Haskin says that unless more money is raised among the students it is very doubtful whether the freshman crew can be sent East but every effort is being made to raise the money that Wisconsin's enviable record on the water may be maintained.

The Jubilee Convention.

In Boston, June 11-16 will be celebrated the fiftieth anniversary of the founding of the Young Men's Christian Association in America. For two years preparations have been going on to make this a red letter day for the association, not only in the inspiring and education of the three thousand delegates but also in its impression upon the church and the business world. A notable feature will be the exhibit showing by means of historical and statistical charts the evolution of the modern association. Our own association will send twenty large panels for this exhibit.

About fifty delegates are going from Wisconsin. Those representing the University will be P. C. Foster, A. C. Price and G. S. Phelps.

A special train, including Pullman sleepers and a diner will leave Chicago Sunday night, June 9th at 12:05 a. m. and will proceed to Boston on a special schedule over the Grand Trunk road. The fare for the round trip will be \$25.00 from Chicago. A fare and one-third rate can be obtained from any point in the state to Chicago. For two dollars extra a stop of ten days will be allowed at Buffalo. Tickets will be good returning July 15th. These rates are offered to men and women alike. Further information may be had from Mr. P. C. Foster of the Y. M. C. A.

Trip for Botanists.

The botany class in Pharmacy and the botanical field club leave tomorrow morning for Mazomanie where they will botanize along the Wisconsin river. About fifteen students will go.

This trip will be taken in place of the proposed trip in the Devil's Lake region. Professor Cheney, Mr. Timberlake, Mr. Denniston and Mr. Swingle will accompany the students.

—Miss Clara G. Froehlich, '02, will take a position on the Milwaukee Journal after commencement.

Every lady caller at our store tomorrow will be presented with a carnation or a souvenir spoon. Madison Tea Co.

"In The Blues"

is a common saying of a person who exhibits low spirits, nerveless action and a failure to enjoy even the most cheery surroundings. Nine times out of ten this condition is accounted for by poor digestion, which affects the mind and nervous system, besides enfeebling the body.

Pabst Malt Extract The Best Tonic

is a complete remedy for the 'blues' and a promoter of good health and good cheer, being a pure, nourishing, concentrated food of easy digestion and soothing action.

I prescribe your "Best" Tonic in all cases where a pure and reliable malt extract is indicated. It has given me the best satisfaction. DR. W. B. PAYNE, Covington, Va.
