Eighth Edition

The Wisconsin Women's Intercollegiate Athletic Conference presents the eighth annual edition of its RECORDS BOOK as a means of informing the educators, writers, broadcasters and staff of the excellence of athletic competition displayed by teams and individual student-athletes of member institutions. This booklet is published annually to provide a record of all sports in the Conference-sponsored program.

It is the function of the Wisconsin Women's Intercollegiate Athletic Conference to encourage intercollegiate athletics on an amateur basis, with institutional control, and under the instruction of coaches who have faculty status, in order to assure maximum educational benefit from intercollegiate athletic contests among the member institutions.

THE UNIVERSITY OF WISCONSIN SYSTEM

The University of Wisconsin System is marking its 15th anniversary in the fall of 1986. The UW System was created in October 1971 by a law placing all of the state's public university campuses under a single Board of Regents. The 13 universities and 14 two-year UW-Centers served 158,971 on campus students in 1981-82, and UW-Extension provides outreach services from offices in every county. Although only 15 years old, the UW-System was one of the first statewide higher educational systems in the nation and has pioneered in developing coordinated and high quality programs and services on a statewide basis. System administrative offices are in Madison.

Universities are in Eau Claire, Green Bay, La Crosse, Madison, Milwaukee, Oshkosh, Kenosha-Racine (Parkside), Platteville, River Falls, Stevens Point, Menomonie (Stout), Superior, and Whitewater. Centers are at Baraboo, Fond du Lac, Janesville, Manitowoc, Marinette, Marshfield, Menasha, Rice Lake, Richland Center, Sheboygan, Waukesha, Wausau, and West Bend.

HISTORY OF THE WWIAC

1958 - The Wisconsin Athletic and Recreation Federation of College Women was formed for the purpose of coordinating athletic activity among Wisconsin institutions of higher education. This organization followed the national model (ARFCW) in which governance was primarily the responsibility of student leaders. The WARFCW included representatives from:
