SPECIAL MEETING OF THE BOARD OF REGENTS

Tuesday, August 4, 1942, 10 A.M.

Held in the Office of Regent Cleary in Milwaukee

Vice President Vergeront presiding

PRESENT: Regents Callahan, Cleary, Ekern, Kleczka, Sensenbrenner, Vergeront.

ABSENT: Regents Glover, Hodgkins, Holmes, Werner.

The Comptroller reported that the office of the Secretary of the Navy is reviewing contracts now in effect with universities in the Ninth Naval District and that the following suggestions have been made by the Navy:

- (1) That the present contracts be renegotiated as of July 1, 1942.
- (2) That new contracts be drawn to provide that the Government will pay all direct operating costs, will reimburse the University for equipment purchases and alterations and will pay \$5000 per month for the use of facilities and general University administration and overhead.

After discussion, upon motion of Regent Sensenbrenner, seconded by Regent Cleary, it was

VOTED, That subject to the express condition that in addition to all items above enumerated, the University be reimbursed in full for the construction costs at the Stadium, estimated to be approximately \$80,000, incurred specifically for the Naval Training School (Radio), the new financial arrangements proposed by the Government be accepted and approved.

Upon recommendation of President Dykstra, and upon motion of Regent Cleary, seconded by Regent Sensenbrenner, it was

VOTED, That the lease to the Isom property of approximately six and one-half acres be renewed for a term of three years, beginning April 1, 1943, at a rental

of \$50 annually, to be paid in July of each year, and that the Comptroller be authorized to sign the lease.

President Dykstra presented the request from Dean Christensen for five home demonstration agents for 1942-43. Upon motion of Regent Kleczka, seconded by Regent Cleary, it was

VOTED, That a request be made to the Emergency Board for \$4500 for this purpose.

In accordance with the certification of the Registrar, and upon recommendation of the President and motion of Regent Cleary, seconded by Regent Sensenbrenner, it was

VOTED, That the following persons be granted the degree of Bachelor of

Laws:

Ernest Everett Bruns, B.A. Wis.	Madison
Arthur Leo Luebke	Beloit
Ralph Graystone Wyckoff, B.A. Wis.	Madison

Upon motion of Regent Cleary, seconded by Regent Kleczka, it was

VOTED, That the minutes of the Joint Meeting of the Finance and Executive committees of the Regents held on July 27, 1942, be approved, ratified and confirmed.

President Dykstra presented an agreement with the Conservation Commission for a two-year investigation and study of the Brule River, including an appropriation from the Conservation Commission of \$9000. Upon motion of Regent Sensenbrenner, seconded by Regent Kleczka, it was

VOTED, that the appropriation be accepted and that the Comptroller be authorized to sign the agreement.

President Dykstra presented the actions taken by him since the June 27, 1942 meeting of the Board of Regents. Upon motion of Regent Kleczka, seconded by Regent Callahan, it was

VOTED, That these actions be approved and made a part of the records of this meeting.

Upon motion of Regent Cleary, seconded by Regent Sensenbrenner, it was

VOTED, That the Comptroller be authorized to sign the Civil Pilot Training Program agreements as they are presented from time to time.

reference
Upon recommendation of the President, and upon motion of Regent Kleczka, seconded by Regent Cleary, it was

VOTED, That the grant of \$1200 from the Rockefeller Foundation for the expenses of Brian Hawksford McCracken for study at the University of Wisconsin for the year 1942-43 be accepted. (\$100 per month, beginning July 24, 1942, plus tuition charges and other necessary fees which will also be paid by the Foundation.)

approved
The Comptroller reported on the bids for grading and sodding for the Women's Athletic Field and recommended that the contract be awarded to Earl McFadden of Madison, Wisconsin, for the sum of \$5256.95. Upon motion of Regent Sensenbrenner, seconded by Regent Callahan, the recommendation was adopted and the Comptroller authorized to sign the contract.

Upon recommendation of the President, and upon motion of Regent Callahan, seconded by Regent Kleczka, the following grant was accepted and the Comptroller was authorized to sign the agreement:

agreement filed
\$500.00 - Evaporated Milk Association, Chicago, Illinois, for the renewal of an industrial fellowship in biochemistry, July 1, 1942 to June 30, 1943, under the supervision of E.B. Hart.

The Comptroller presented a plan for storage of coal. Upon motion of Regent Sensenbrenner, seconded by Regent Cleary, it was

VOTED, That the Emergency Board be requested to make an appropriation sufficient to cover the cost of purchasing and storing six thousand additional tons of coal.

The Comptroller presented the following recommendations for emergency increases in salary, explaining that these were omitted from the July list in error:

Upon motion of Regent Ekern, seconded by Regent Cleary, it was VOTED, That the Emergency Board be requested to approve these increases.

The matter of the purchase of the Blackhawk Garage for the sum of \$38,500 was discussed. Upon motion of Regent Sensenbrenner, seconded by Regent Kleczka, it

was

VOTED, That this purchase be made subject to the approval of Governor Heil and that payment be made from 1-D or 1-E.

Upon motion of Regent Ekern, seconded by Regent Callahan, it was VOTED, That authority be granted to proceed with the remodelling of the Blackhawk Garage for use in the Navy program, the expenses to be paid by the Navy in addition to the payment of a satisfactory rental.

At 12:20 P.M. the meeting adjourned.

M. E. McCaffrey,

Secretary.

ACTIONS BY THE PRESIDENT

Since the June 27, 1942 meeting of the Board of Regents

RESIGNATIONS:

1. Raymond V. Olson, assistant in soils, June 1, 1942.
2. Charles B. Newton, assistant in poultry husbandry, May 31, 1942.
3. Richard W. Stromberg, industrial fellow in economic entomology, May 31, 1942. *National Chem Institute*
4. Lewis T. Ausherman, assistant in genetics, May 31, 1942.
5. John M. McKibbin, assistant in biochemistry, June 30, 1942.
6. Lester J. Teply, industrial fellow in biochemistry, June 30, 1942. *General Miller*
7. Henry F. Nelson, research assistant in geology, June 10, 1942.
8. Eugene Carlson, research assistant in chemical engineering, July 1, 1942.
9. Albert Pufahl, research assistant in chemical engineering, at the beginning of the academic year 1942-43.
10. Robert Beckman, research assistant in chemical engineering, September 1, 1942.
11. John Youngblood, research assistant in physics, beginning of the academic year 1942-43.
12. Elmer F. Kraemer, assistant in horticulture, June 6, 1942.
13. George C. Becker, assistant in soils, June 1, 1942.
14. George B. Talbert, industrial fellow in zoology, July 1, 1942. *Lucy Abbott*
15. Stanley Breen, research assistant in physics, beginning of the academic year 1942-43.
16. George Colovos, research assistant in biochemistry, July 1, 1942.
17. Richard W. Nelson, research assistant in physics, beginning of the academic year 1942-43.
18. Mary S. Hewlett, research assistant in physics, beginning of the academic year 1942-43.
19. Patricke A. Johns, research assistant in sociology and anthropology, July 1, 1942.

RESIGNATIONS:

20. Karl F. Swingle, research assistant in biochemistry, July 1, 1942.
21. Carl O. Clagett, research assistant in biochemistry, July 1, 1942.
22. Edward M. Nelson, research assistant in limnology, July 1, 1942.
23. Tze C. Fong, research assistant in chemical engineering, July 1, 1942.
24. John C. Finerty, research assistant in medicine, July 1, 1942.
25. Charles Curtiss, research assistant in chemistry, July 1, 1942.
26. Robert C. Meyers, research assistant in sociology, academic year 1942-43.
27. Stanley Breen, research assistant in physics, June 2, 1942.
28. Gerlacus Harinus Barthold Bouricius, research assistant in astronomy, June 8, 1942.
29. George Simon, graduate assistant in anatomy, July 1, 1942.
30. Marjorie C. Anderson, instructor in electrocardiography, July 1, 1942.
31. Francis C. Johnson, junior resident in medicine, June 30, 1942.
32. John F. Poser, junior resident in surgery, June 30, 1942.
33. Mead Burke, clinical pathological coordinator, June 30, 1942.
34. Morris Shovers, assistant in residence halls, May 31, 1942.
35. Donald R. Lewis, research assistant in chemistry, July 1, 1942.
36. Etta Macdonald, research assistant in agricultural bacteriology, July 1, 1942.
37. James H. Shaw, research assistant in biochemistry, July 1, 1942.
38. Keith P. Young, research assistant in geology, July 1, 1942.
39. Robert H. Dudgeon, assistant in agricultural engineering, June 22, 1942.
40. Carol Keating, assistant in home economics, July 1, 1942.
41. Elmer C. Stevenson, assistant in plant pathology, summer appointment 1942.
42. James J. Leigh, assistant in economic entomology, June 22, 1942.
43. Carl H. Engler, special field representative, Extension, June 6, 1942.
44. Ralph Sapp, assistant in chemistry, Extension, July 1, 1942.

RESIGNATIONS:

45. Warren O. Haberman, research assistant in limnology, July 1, 1942.
46. Willard A. Van Engel, research assistant in limnology, July 1, 1942.
47. Harold V. Ellingson, instructor in neuropsychiatry, August 1, 1942.
48. Lawrence F. Anderson, resident in plastic surgery, June 30, 1942.
49. John L. Bell, junior resident in medicine, June 30, 1942.
50. Howard M. Ausherman, junior resident in anesthesia, May 31, 1942.
51. Austin Lamong, junior resident in anesthesia, July 7, 1942.
52. George T. Hunter, graduate assistant in physics, July 19 to August 29, 1942.
53. Donald J. Buroker, instructor in mechanical engineering, at the beginning of the second 6 weeks of the 12 week summer session.
54. Grace L. Thiede, assistant in the graduate school, July 25, 1942.
55. Richard S. Hill, research assistant in rural sociology, July 1, 1942.
56. Daniel G. Aldrich, research assistant in soils, July and August 1942.
57. S. Hugh Barker, research assistant in veterinary science, genetics and biology, July 1, 1942.
58. John P. Corey, research assistant in biochemistry, August 1, 1942.
59. David Doherty, research assistant in biochemistry, July 1, 1942.
60. Charles F. Huebner, research assistant in biochemistry, July and August, 1942.
61. Edward M. Lowry, research assistant in zoology, July 1, 1942.
62. Eugene F. Wilda, research assistant in chemistry, at the beginning of the academic year 1942-43.
63. Joe B. Wilson, research assistant in agricultural bacteriology, at the beginning of the academic year 1942-43.
64. H. W. Wright, instructor in psychology (Milwaukee Center), July 1, 1942.
65. Nan A. Denholm, assistant physician in student health, July 13, 1942.
66. Margherita Leslie, industrial fellow in agricultural bacteriology, August 1, 1942. *✓ Hayden*
67. David S. Anthony, industrial fellow in biochemistry, July 1, 1942. *✓ H. Stenback*

RESIGNATIONS:

68. D. D. Leschier, lecturer in the town-country leadership school,
June 29, 1942.
69. Harry E. Goheen, instructor in mathematics, July 1, 1942.

APPOINTMENTS:

1. A. J. Krombholz, assistant professor of chemical engineering, appointed to carry on research in chemistry for July and August, 1942, at \$400.
2. Farrington Daniels, professor of chemistry, July and August, 1942, at \$750.
3. Lewis E. Drake, associate professor of psychology, July and August 1942, at \$320 a month.
4. J. Holden Robbins, assistant professor of anatomy (temporary), three-fourths time, beginning July 1, 1942, at \$3,000 per annum, 10 months' basis.
5. Ralph R. Benedict, assistant professor of electrical engineering, to make high frequency measurements on porcelain samples for the Wisconsin Porcelain Company, 30 hours at \$2.00 per hour.
6. James W. McNaul, assistant professor of mechanical engineering, to supervise the aircraft machinist training course, June 23 to September 15, 1942, at \$360 a month.
7. Leroy A. Wilson, professor of mechanical engineering, to teach the second 6 weeks of the 12 weeks summer session, at \$500.
8. James W. Watson, professor of electrical engineering, to teach the first 6 weeks of the 12 weeks summer session, at \$600.
9. Hugo B. Wahlin, professor of physics, to teach part-time in the 12 weeks summer session, at \$616.12.
10. Raymond J. Roark, professor of mechanics, to teach three-fourths time in the 12 week summer session, at \$843.75.
11. Gustus L. Larson, professor of mechanical engineering, to teach the second 6 weeks of the 12 week summer session, at \$612.25.
12. Benjamin G. Elliott, professor of mechanical engineering, to teach the first 6 weeks of the 12 week summer session, at \$581.25.
13. Gordon F. Tracy, associate professor of electrical engineering, to teach the second 6 weeks of the 12 week summer session, at \$475.
14. John G. Winans, associate professor of physics, to teach the first half of the 12 week summer session, at \$437.50.
15. Delmar W. Nelson, associate professor of mechanical engineering, to teach the first 6 weeks of the 12 week summer session, at \$406.25.

APPOINTMENTS:

16. Kenneth G. Shiels, assistant professor of drawing and descriptive geometry, appointed for the 12 weeks summer session (half-time), at \$418.75.
17. Roger J. Altpeter, assistant professor of chemical engineering, to teach in the 12 week summer session, at \$675.
18. Ludvig C. Larson, assistant professor of electrical engineering, second 6 weeks of the 12 week summer session, at \$343.75.
19. Glenn Koehler, assistant professor of electrical engineering, 12 week summer session, at \$900.
20. Leslie E. A. Kelso, assistant professor of electrical engineering, first 6 weeks of the 12 week summer session, at \$425.
21. Francis C. Johnson, assistant physician in student health, beginning July 1, 1942, at \$1980 per annum.
22. Philip P. Cohen, clinical pathological coordinator, hospital, beginning July 1, 1942, at \$2,950 per annum.
23. Beatrice Knight, assistant physician in student health, beginning July 1, 1942, at \$1800 per annum, 12 months' basis.
24. Nan A. Denholm, assistant physician in student health, beginning July 13, 1942, at \$1800 per annum, 12 months' basis.
25. Mary Jane Krebs, instructor in residence halls, academic year 1942-43, at \$1200 per annum, plus 3 meals and lodging.
26. Merritt Y. Olson, instructor in code, Naval Training School, June 8 to 30, 1942, at \$92.
27. Russell W. Cumley, research associate in genetics, July 1, 1942 to June 30, 1943, at \$2700.
28. LaVern H. Beckberger, instructor in chemical engineering, month of August 1942, at \$120.
29. C. V. Easum, lecturer in rural sociology, June 29 to July 10, 1942, at \$20.
30. A. L. Masley, lecturer in rural sociology, June 29 to July 10, 1942, at \$95.
31. R. J. Colbert, lecturer in rural sociology, June 29 to July 10, 1942, at \$70.
32. D. D. Lescohier, lecturer in rural sociology, June 29 to July 10, 1942, at \$70.

APPOINTMENTS:

33. John D. Hicks, lecturer in rural sociology, June 29 to July 10, 1942, at \$20.
34. Harry C. Miller, junior mechanic, July 1 to September 15, 1942, at \$125 a month.
35. Dorothy Hagedorn, bio-assay technician, beginning July 1, 1942, at \$1500 per annum.
36. Norma V. Freitag, instructor in electrocardiography, beginning September 1, 1942, at \$1200 per annum, 12 months' basis.
37. Hugo de Fritsch, instructor in electrical engineering, 12 week summer session, at \$550.
38. Thomas P. Colbert, instructor in mechanical engineering, first 6 weeks of 12 week summer session, at \$262.50.
39. Donald J. Buroker, instructor in mechanical engineering, second 6 weeks of 12 week session, at \$225.
40. William W. Beeman, instructor in physics, 12 week summer session, part-time, June 8 to July 19, 1942, full time July 19 to August 29, 1942, at \$120 for part-time and \$240 for full time.
41. Einar T. Hansen, instructor in mechanical engineering, first 6 weeks of the 12 week summer session, at \$287.50.
42. Wayne K. Neill, instructor in chemical engineering, to teach in the 12 week session and the 5 week session in chemical manufacture, at \$550.
43. George W. Washa, instructor in mechanics, first 6 weeks of the 12 week summer session, at \$275.
44. George J. Tauxe, instructor in mechanics, second 6 weeks of the 12 week summer session, at \$262.50.
45. E. Kent Springer, instructor in mechanical engineering, 1/2 time for the 12 week summer session, at \$275.
46. Noble Sherwood, instructor in mechanical engineering, second 6 weeks of the 12 week summer session, at \$275.
47. Elmer H. Scheibe, instructor in electrical engineering, 12 week summer session, at \$666.67.
48. Castle O. Reiser, instructor in chemical engineering, 12 week summer session, at \$450.

APPOINTMENTS:

49. Thomas Puddester, instructor in mechanical engineering, June 23 to September 15, 1942, at \$240 a month.
50. R. L. Swain, instructor in chemical engineering, July and August, 1942, at \$300.
51. Ernest A. Hesse, instructor in chemistry, academic year 1942-43, at \$1800.
52. Leslie E. Antonius, instructor in dental surgery, beginning July 1, 1942, at \$1600 per annum, 12 months' basis.
53. Mary Showman, instructor in social education, July 1 to 15, 1942, at \$50.
54. Kathrin Tufts, instructor in Spanish, July 1942, at \$200.
55. H. Margaret Lea, instructor in physical education - women, academic year 1942-43, at \$2100.
56. Catherine Lenore Marting, instructor in physical education - women, academic year 1942-43, at \$1800.
57. A. Frederick Rasmussen, Jr., research associate in medical bacteriology, fiscal year 1942-43, at \$2700.
58. Harry A. Waisman, research associate in biochemistry, fiscal year 1942-43, at \$2700.
59. Marian W. Schlabach, assistant in residence halls, academic year 1942-43, at \$100 a month plus 3 meals and lodging.
60. George T. Hunter, graduate assistant in physics, second part of the 12 week summer session, at \$120.
61. James N. Humphrey, graduate assistant in physics, July 19 to August 29, 1942, at \$120.
62. Harry E. Heskett, graduate assistant in physics, June 8 to July 19, 1942, at \$240.
63. Richard A. Good, graduate assistant in mathematics, June 8 to August 29, 1942, at \$180.
64. Halbert F. Gates, graduate assistant in physics, June 8 to August 29, 1942, at \$240.
65. John E. Forss, graduate assistant in physics, July 19 to August 29, 1942, at \$120.

APPOINTMENTS:

66. William Amstutz, assistant in economic entomology, June 1, to 30, 1942, at \$270.

87. George T. Hunter, research assistant in physics, June 15 to July 15, 1942, at \$125.
88. Gwendolyn I. Madson, assistant in code, Naval Training School, June 16 to 30, 1942, at \$37.50.
89. Louise E. Hauser, assistant in code, Naval Training School, June 9 to 30, 1942, at \$55.
90. Lucille R. Foncannon, assistant in code, June 9 to 30, 1942, at \$55.
91. Edward A. Mraz, assistant in horticulture, June 1 to 30, 1942, at \$25.
92. Leland C. Smith, assistant in horticulture, June 1 to 30, 1942, at \$100.
93. James J. Leigh, assistant in economic entomology, June 30 to 30, 1942, at \$92.31.
94. Robert H. Dudgeon, assistant in agricultural engineering, June 23, to September 20, 1942, at \$375.
95. Russell J. Kilpatrick, assistant in agricultural engineering June 23 to September 20, 1942, at \$375.
96. Clifford N. Bakkom, assistant in agricultural engineering, June 1 to 27, 1942, at \$120.
97. Charles H. Krueger, assistant in agricultural engineering, June 23 to 30, 1942, at \$30.
98. Charles L. Ream, assistant in agronomy, June 1 to 30, 1942, at \$90.
99. Walter T. Raitanen, assistant in agronomy, June 1 to 30, 1942, at \$90.
100. John R. Marks, assistant in agronomy, June 1 to 30, 1942, at \$90.
101. Bert J. Seaman, assistant in agronomy, June 1 to 30, 1942, at \$90.
102. Bennett J. Erickson, assistant in agronomy, June 8 to 30, 1942, at \$65.38.

APPOINTMENTS:
