The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

# TELEMEDICINE

## AND VIRTUAL REALITY

FIND OUT HOW *TELEMEDICINE* COULD MEAN  
BIG CHANGES FOR YOU.

*Telemedicine and Virtual Reality*, a newsletter for physicians and healthcare providers, covers the latest news and information in all areas of telemedicine. Read about how telemedicine is affecting healthcare, where it's headed, what the FDA has to say about it, who's reimbursing for it, and much more.

Regular coverage and features include:

- \* Case studies of telemedicine applications
- \* Outcomes research
- \* Legal developments
- \* Regulatory standards
- \* Technical innovations
- \* Reimbursement and managed care issues and more!
