Dear John:

Hope I din't get you away from your ball game too long the other night!

Joel and I have been listening to the tapes of our last visit and still can't get over how much you know! I guess that's why we felt we should visit you again. As I said over the phone, Joel and I and our Yugoslavian friend, Richard March, will stop by to see you Monday evening, August 27th at 7 p.m. Richard has lived in Yugoslavia and is very interested in Croatian music.

Well, we'll see you the 27th. Hi to Barb, Joe and John Jr.

Sincerely,

Marina L. Herman
