The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

RESOLUTION TO BE PRESENTED AT THE FACULTY
MEETING OF APRIL 7, 1970

Resolved, that it is the sense of this meeting that courses offered exclusively by teaching assistants are not consistent with quality education. We urge that immediate planning be undertaken to insure that at least two-thirds of the student contact hours (exclusive of laboratories) in every undergraduate course are handled by full-time faculty members at the academic rank of instructor or above.
