The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

Dear Felix,

I will be down on Saturday - If you think you can make me the said Gunbox in the course of next week - will you try to get out some oak stuff ready for it - It will require to be about 3ft 6in - in the clear - as to the breadth I am uncertain - Also if your father has any good stuff for shafts or you can get any from the Harbor, will you ask him to get out a pair 7ft 6in - long in readiness to put them together when I return - I am aware that nothing more can be done till he has the waggon - but my arrangements are such that I wish them painted and dried during the week - and very little help - My clumsy hand ~~when tied to a fence~~ ~~ask a fancy to a bed of grass~~ and made a wuck of matter - When I come down, I will help you to contrive the box - Don shooting - and gone killed from our yard last night - another from the wood the night before - Of course the lucky one was not
