SOME MORE FIRSTS IN WALWORTH COUNTY

The first settler in Whitewater, named after translation of the Indian name for the Lake, was Samuel Prince, who settled there in 1837, building him a log house in the month of June.

Christopher Payne came first to Geneva early in Feb., 1836 from Kane County, Illinois where he had been the first settler. The name had been given to the Lake by John Brink the surveyor who together with companions had made a claim there the year before.

At what is Fontana in Walworth town, James Van Slyck had moved from Geneva during Payne's War in the Fall of 1836 to live in peace as a neighbor of Chief Big Foot.

To Major Jesse Meacham is given the credit of making the first claim in the County early in the Fall of 1835 in the town of Troy. He had upon his return in 1836 to resort to physical force with one Bigelow to hold it.

Harry Kimball made the first claim in Bloomfield and built a log house in 1837.

Three men came together to settle in the exact center of the County in Elkhorn, a name given to the district from the incident of the hanging up in a tree of a pair of antlers by Col. Samuel Phoenix when he had passed that way: Le Grande Rockwell, Hollis Latham and Albert Ogden.

John Reeder settled in Sharon in late 1836 or early 1837 and broke the first ground. The town

was originally a part of Delavan and was set off and named after Sharon in Schoharie County, N.Y. in 1843.

The town of Hudson (-Lyons) was settled late in 1836 or early '37 by Allen Perkins who had been in Delavan.

To Asa Blood goes the distinction of being the first settler in East Troy and building the first house in Honey Creek.

Palmer Gardner built his log cabin on Spring Prairie by April 15, 1836. The name to the district was given by Mrs. Hemenway.

La Fayette town was named for the French patriot Marquis de La Fayette by the first settlers, S.A. Dwinell, Chas. Ferrin, Nathaniel Bell, J.C. Mills and Roger Herrick in 1836.

La Grange secured its name from the native place of La Fayette in France by Cyrus Horton, Caleb and Levi Harris.

The first to come to Linn was John Powers in 1836. The town was named for Senator Linn of Missouri.

Sugar Creek town, named from the creek which traverses it which was a favorite sugar maple tree camping place for the Indians was probably settled by John Davis and M. Charles sometime in 1836 who built a log house on the east bank of Silver Lake.

In Darien, Salmon and T.J. Thomas built a log house in 1836 but did

not move in until June, 1837 but records give John Bruce the palm for being the first settler.

Morris F. Hawes came to Richmond August 1, 1837 with his wife and six children from Michigan in a large emigrant covered wagon and two or three yoke of oxen making an average of twenty miles a day. It was named for Richmond, Washington County, Rhode Island.

Delavan was first settled by Col. Samuel Phoenix and Henry Phoenix in the Fall of 1836 and named after a noted temperance worker, Edward C. Delavan of Albany N.Y.

THE GLORIOUS FOURTH

The Pains Fireworks Co. in New York, the largest manufacturers of fireworks in the world, estimate that \$8,000,000 will be spent in fireworks displays this year, including the Christmas orders for the South. Their branch plant sales in Kansas City were 300% over 1933. The company received several orders for \$5000 Displays.

The Annin & Co., the largest flag making concern in the world, report a volume of business far in excess of last year.

4th of July celebrations were held in many of the large cities and in hundreds of small towns and communities which have not celebrated the great day for several years.

The spirit of a true Democracy still burns in the hearts of Americans to-day, although we are passing through a turbulent era. It is the same spirit that founded our democracy- a faith in God and liberty for all mankind. When these same principles are bred in the hearts of the people of other world nations, then a permanent peace shall be established between nations.

OF

WILLIAMS BAY, WISCONSIN

Victor H. Keiser, B. D., M. A., Minister
Grace Elizabeth Kenny, B. Mus. Director of Music
Simone Van Biesbroeck, Organist
Mary R. Calvert, Superintendent of Church School

Schedule of Summer Services:

Church School, 9:30 A. M.

Morning Worship, 10:30 A. M. (Standard Time)

Young People's Discussion Group at various times and
places to be announced from week to week.

A WORD ABOUT OUR CHURCH

The Congregational Church of Williams Bay is a church with a community spirit. During the summer months a special effort is made to serve the vacationists. They will receive a cordial and hearty welcome at all services. Ours is a small church. We do not apologize for that. We mention it merely to point out the advantages of worshipping with a congregation that can maintain a genuine family atmosphere.

OUR PASTOR

We feel that our Church is fortunate in having the full time service of Rev. Victor Keiser as pastor. Reared in the West and attending college in Nebraska, he was fortunate in receiving his professional training at the liberal Union Seminary in New York City, where in addition to scholarship, great emphasis is placed upon the Christian Mission of Social Service.

In all of his work for the Church and Community, Mr. Keiser is efficiently aided by his accomplished wife, who has had much experience in preparing the literature for the Primary grades of the Sunday Schools.

—Edwin B. Frost,
Trustee Emeritus.

THE DIRECTOR OF MUSIC

We are glad to announce that Miss Grace Elizabeth Kenny will direct our music for the summer. Miss Kenny, in addition to being a brilliant pianist, is a choir director of several years of experience. She is also a composer of a number of vocal and instrumental numbers. Her degree is from the American Conservatory of Music in Chicago. In addition to these technical qualifications, Miss Kenny has a keen understanding and appreciation of the place of music in the church service and will bring to her work, not only skill, but devotion.

ABOUT OUR CHOIRS

The church has two choirs.

The Adult Choir is made up of all singers in the church and community, devoted to the purpose of furnishing good music for the church.

The Girls Choir consists of girls from our community who have been rehearsing together since early spring. Their ages range from nine to sixteen. The Girls Choir will sing every other Sunday through July and August. The adult choir will sing on the other Sundays.

SUMMER ACTIVITIES

Vacation Church School — July 16th-27th

In but one other place in the United States will a similar school be available for this year. The International Council of Religious Education is sponsoring this school as a laboratory center and is providing teachers and equipment. Our church is cooperating by giving the use of the building and handling the enrollment. All children of grade school age will be welcome.

There is no enrollment fee, but those who expect to enter their children should enroll them by July 15. Enroll with Mrs. Keiser, 1270-J-3, or with Miss Calvert at the Church School hour on Sunday morning.

Evening Vespers

Vespers at our little village church during the year have been a source of blessing and inspiration to all who have attended them. They are short services of music; quiet, restful and beautiful. There will be several of these vespers during the summer. Watch for the announcements in the weekly church bulletin.

The Church School

Our Church School is run on the "Interest Group" plan. The superintendent and teachers are planning a special curriculum for the summer and every effort will be made to make the Sunday sessions tie into the work of the vacation school. There are classes for all ages. Visitors are always welcome.

Morning Worship

The morning service of worship is one of simplicity and dignity. It aims to meet the spiritual needs of the people of our village and about the lake. Here in our little village church, beautified by flowers from our gardens and waysides, you will find friendly people, beautiful music, a thought provoking sermon and a dignified and restful service. We invite you to join us in worship each Sunday morning at ten-thirty o'clock.

Summer Sermon Topics

The pastor announces his sermon topics for the months of July and August as follows:

- July 8—Life's Deposits Guaranteed
- July 15—On Growing Old Gracefully
- July 22—Through Nature to God
- July 29—The Home of the Soul
- August 5—Consecrated Gray-Matter
- August 12—In the Grip of the Useful Life
- August 19—The Recovery of Wonder
- August 26—God's Commonplace
- September 2—Religion Confronts a New World

ADMIRAL BYRD'S SHIP

There is more than usual interest this year in Byrd's Ship, City of New York at the Century of Progress due to the new trip to the South Pole by Admiral Byrd this year. A replica of the building in which Admiral Byrd is now spending four months is seclusion, is also shown.

Guides show you the clothes worn by the men who were with the expedition on the first trip. They had to be protected from temperatures as low as 72°. Parka-reindeer skin jacket-Polar Bear Skin Pants wolverine cap lining, were some of the clothes they wore.

Dehydrated food composed a large share of the rations, though canned vegetables were plentiful. For emergency rations-pemmican, composed of twelve ingredients is most important.

To keep the feet warm four or five pairs of wool sox are worn, and sennograss is placed in the boots to care for the moisture which forms in beads.

Little America Camp is located on an ice field 100 feet thick with water 1400 feet below it. A miniature panorama is shown of the Camp with its buildings and radio tower connected by 720 feet of tunnels.

On this trip to the South Pole Admiral Byrd has a ship with twelve times the capacity of the one on exhibition which is rated at only five hundred tons.

SPEAKER AT COLLEGE CAMP

Of unusual interest to people of the Lake Geneva region is the announcement that Rev. Francis Drake, pastor of the Congregational Church, North Hadley, Mass., is to be the speaker at College Camps' Sunday morning worship July 8th at 10:45 in the Lewis Auditorium.

Rev. Drake is well known to many local people for having spent a number of years on the Lake. Mrs. Drake is the daughter of Mr. and Mrs. S.B. Chapin.

EVERYONE SHOULD HAVE A VACATION

President Franklin D. Roosevelt in his message to the American people broadcast over the radio last Thursday evening, said-quote-"It is a good thing for people to have a change of scene once a year, and that for himself, he didn't want to get in the position"of not being able to see the forest because of the thickness of the trees". Williams Bay on Lake Geneva is an ideal place to spend a vacation.

BIGGEST GAME HUNTER

The Religious Editor rises to remark that Clyde Beatty's handling of animals is'nt so impressive when it is considered that Franklin D. Roosevelt drove the wolves from millions of doorsteps.
