Our Misses' and Children's Chairs and Rockers, also Toy Chairs, are better made and better finished than any other chairs of the same size made by other manufacturers. All of our Bow Back Children's or Toy Chairs are made with three spindles, and all Rockers have side stretchers. We make no 2 spindle "cheap John" chairs; all are made honorably and will "pass muster" under the most critical inspection.

Terms 30 days.

When goods are delivered to Railway Co., we are no longer responsible for them.

This list supercedes all previous lists.

Prices are subject to change without notice.
