Men desiring to join any of the above classes will find it advantageous to do so at once as all the classes meet for active work next Sunday at the association house. Further details can be obtained at the Y. M. C. A. office or by consulting E. A. Hook, chairman of the Bible Study Committee.

Democratic Day.

Yesterday was Democratic day in the Carnival program and the Democratic sympathizers were given an opportunity of bracing themselves from the shock given them by the Republican senators on Monday night.

Captain Patrick O'Farrell of Washington, D. C., spoke upon the issues of the campaign from a Democratic standpoint in the capitol park in the afternoon and the day ended with a rally at the gymnasium addressed by Captain O'Farrell and George Fred Williams of Boston. A goodly audience greeted the speakers although the hall was not crowded.

Captain O'Farrell spoke with great vigor and his broad Irish accent coupled with a ready Irish wit drew from his audience frequent applause.

The speaker of the evening was introduced by Hon. T. E. Ryan as "the grand young man from the grand old state of Massachusetts." Mr. Williams is a polished speaker of dignified and pleasing address. His speech was a thoughtful and argumentative presentation of the Democratic position in the present campaign. He began by referring to the present Republican party as the modern believers in the Hamiltonian aristocratic plan of government and went on to arraign the Republican administration for its Porto Rican legislation. He alleged that the Republican party was the friend and partner of the trusts and monopolies.

Mr. Williams is certainly an able and eloquent speaker and was accorded careful attention by the audience that heard him. A number of students were among the audience.

1903 VICTORIOUS.

Sophomores Capture Annual Field Day by Small Margin.

Freshmen and sophomores vied with each other in vocal and athletic sports yesterday afternoon and at the end, a band of hoarse but still loyal men of 1903 carried on the pennant of victory. The meet was the closest that has been held for years, the final score being 61-55. Not until the last try had been made in the pole vault was it certain that victory had perched on the banner of the sophomore class. The freshmen, game to the last, struggled in vain to overcome the handicap which a year's experience had given the class of '03.

The material in '04 is most promising. Webster, who won all of the weight events for the freshman with a year of coaching will prove to be a point winner for the 'varsity. Hayden the sprinter and Ripley the pole vaulter both showed themselves plenty fast enough for 'Varsity company. Ripley especially exhibited fine form in the pole vault and Muckleston could do no better than tie his mark.

For the sopomores, Helmholz won both hurdles without trouble while Hahn won points in both the mile and half mile events. In the half mile he was beaten out, however, by Murphy of the 1903 crew who made his debut as a distance man in this event.

The summaries were as follows:

High hurdles,—Helmholz, '03, first; Race, '04, second. Time, 18 2-5.

100 yd. dash,—Hayden, '04, first;

Poage, '03, second. Time, 10 3-5.

Half mile run,—Murphy, '03, first;

Hahn, '03, second. Time 2:14 4-5.

Quarter mile,—Chapman, '03, first;

Hayden, '04, second. Time, 55 sec.

Board jump,—Bishop, '03, 19 ft. 11

in.; Borreson, '04, second, 19 ft. 10 in.

Short put,—Webster, '04, first, 35

ft. 2 in.; Bishop, '03, second 31 ft. 8 in.

* Mile run,—Hahn, '03, first; Keachie,

'03, second. Time 5:22.

Hammer throw,—Webster, '04, first,

104 ft. 4 in.; Lerum, '03, second, 98 ft.

4 in.

High jump,—John, '04, and Bishop,

'03, tied at 5 ft. 6 1-2 in.

Low hurdles,—Helmholz, '03, first;

Ripley, '04, second. Time 28 sec.

220 yd. dash,—Saunders, '04, first;

Hayden, '04, second. Time 24 3-5 sec.

Discus throw,—Webster, '04, first;

Esptein, '04, second. Distance 93 ft.

Pole vault,—Muckleston, '03, and

Ripley, '04, tied at 10 ft. 1 1-2 in.

Score,—Sophomores 61, freshmen 59.

During the meet the 'Varsity football team played the scrubs for a fifteen minute half. The regulars had little trouble in scoring six touchdowns on the scrubs although at times they put up a stubborn defense. Roridan played a great game making two 40 yd. runs.

Captain Chamberlain was in the game for part of the time and will probably be seen in his old position again Saturday. During the game Fullerton of the scrub had his hand broken.

—George W. Mowry, '03, returned last Sunday night to the University. He has been spending the summer with Ed. Cochems enjoying the various attractions of Europe.

—Sec. Phelps of the Y. M. C. A. will return to-day after a business trip through the state.

Convocation To-morrow.

With the resumption of the Friday convocation some explanation of their object and usefulness will be in order. These gatherings were instituted last year and proved to be of universal interest. Freshmen and sophomores are required to attend while attendance is voluntary for upper-classmen. Last year it was found that these latter turned out even more generally than the under-classmen. The meetings are of such a nature that no student, whatever be his rank, can afford to miss them. Men eminent in many lines are secured to lecture at the weekly convocations and the student has the opportunity of listening to men who can be heard only rarely and at long intervals in the regular course of events. Besides these outside speakers members of our own faculty are also invited to give informal talks. Owing to the large size of the institution, many professors are almost unknown to a large proportion of the students. The convocations give the student the opportunity of becoming acquainted with the University faculty, which includes many of the modern leaders in letters and sciences.

It may be that at times attendance seems somewhat irksome to the individual student but in general the broadening, cultural influence of these meetings ought not to be neglected by any student. The success of the convocations is purely a matter of student interest and support. It rests with the students whether we shall continue to have the benefits afforded by this weekly gathering. Since attendance is virtually voluntary, only a general interest can accomplish this object. The hour is one at which everyone is free and unburdened with the responsibility of coming recitations, so that no reasonable excuse for absence presents itself. It is urged that every student of the University make an effort to attend to-morrow's convocation as well as the succeeding ones, throughout the year.

Y. M. C. A. Meeting.

Prof. Banks J. Wildman of Upper Iowa University will address the men of the University Sunday afternoon on the subject, "The Study of Men in College Life."

Prof. Wildman is a very successful teacher and a favorite with the men of his institution. He is chairman of their Athletic Council and will accompany the football team on their trip here.

All men of the University are invited to attend the meeting at 4:30 in the Law Building.

Junior Class Elects.

An enthusiastic meeting of the junior class was held at Main Hall Wednesday evening. After a short address by Acting-President Birge, the class proceeded to elect officers for the coming semester. The ballot resulted as follows:

President, Carl F. Stillman; vice-president, John V. Brennan; secretary, Miss Helen Sherman; treasurer, Harvey Clawson; sergeant-at-arms, Phil. Spooner.

After an urgent request Mr. Stillman addressed the class briefly, expressing his appreciation of the honor conferred upon him, and stating that he would fill the position to the best of his ability.

Mr. Stillman is an engineer and is very popular with the members of his class.

University Camera Club.

The University Camera Club will commence its meetings in a few weeks. The club has about thirty-five members at present. Dr. Elsom reports that a great amount of work has been done in the club and that he expects a great increase in membership this year.

The club meets once a month during the school year and discusses subjects of interest to amateur photographers. Two or three exhibitions are given during the winter by the club. The officers are: President, Dr. J. C. Elsom; vice-president, A. R. MacArthur; secretary, G. S. Ishikawa.

The floral parade this afternoon was a gorgeous success and far exceeded any thing of its kind ever seen in the capital city before. The parade was led by a grand floral float bearing the floral queen, Miss Flora Gapen, and her maids of honor. After this came the beautifully decorated carriage of Governor Scofield followed by that of Wm. F. Vilas. Fully fifty elaborately decked equipages were in the procession and the work which must have been done in preparing the flowers is simply enormous. A considerable section was made up by children in pony carts each a ban of variegated flowers. More than a hundred flower covered bicycles followed in line of march. An attractive feature was the floral bicycle boat ridden by an '03 crew man. Along the line of march were placed floral arches held up by youngsters costumed as Carnival clowns.

The parade was led by the famous Phinney band in red white and blue and was fully a mile in length.

Fully twice as many visitors are here to-day than were present at any previous day.

New Building Needed.

Applications for admission to the Short Course in Agriculture are coming in so rapidly that the maximum number that can be accommodated will be reached long before the opening of the college.

It is sincerely hoped that the legislature will come to the rescue of the College of Agriculture and give a sufficient appropriation to erect an agricultural hall with sufficient accommodations for all of the young men who desire to attend.

During the past years close competition and small margins have called for more intensified farming; and the great press and desire for scientific agriculture has taken possession of the young men from the farms. These are a desirable class of citizens and it is absolutely essential that they should receive this training which means so much for the future prosperity of our state. Every effort will be put forth to provide ample room for all who wish to attend.

The annual cheese makers' convention and alumni meeting of the short course in agriculture will occur Jan. 23-25 inclusive. Reduced rates will be granted on all railroad lines for the occasion.

—The regular Y. W. C. A. meeting was held yesterday at 5 P. M. at Ladies Hall at which the report of the eight young ladies who attended the Gentva Conference was given. The meeting was largely attended and was of great interest to those engaged in Y. W. C. A. work.

—Miss Beulah Houston, of Chicago, is a guest at the Gamma Phi house.
