The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

How did we become the leading Integrated Health Care System in Illinois?

*It was easy.
We listened.*

At Advocate Health Care, your insights can impact every aspect of everything we do. It's easy to understand why more than 4,000 affiliated physicians, 7,000 RNs and 30,000+ associates have joined the Advocate family.

At Advocate Health Care, you'll find over 200 sites of care throughout Chicagoland, including practice settings that range from academic medical centers to community hospitals to long-term care, home health services and physician offices. Just imagine. Wherever you live in Chicagoland, whatever your career goals may be, you can find success with Advocate. And when new technologies and treatments emerge you'll have the opportunity to be a part of it. At Advocate, we lead because we listen. And right now, we're ready to listen to you.
