The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

There's more to Designer Series  
than meets the eye

## LIKE FIT!

Here at Bob Evans, we used to make our famous Designer Series' uniforms just about the same way all of the finer uniform makers make theirs. Perhaps we used better fabrics and, of course, our Designer Series' craftsmanship could never be matched. But still, our methods of manufacture were the same. *But now they're different.* So different in fact, they're incomparable. They are now contour-cut and seam-shaped the very same way the world's highest priced fashions are made. They now fit so beautifully that words cannot describe the way they look and feel when you wear them. *But, this much we know... if you try one on, you'll never again wear another brand!*
