**When Ordering Sorts** or duplicates of fonts you now have, please do not send one character and ask us to supply "same as sample." We have patterns for thousands of styles, many duplicates except for certain characteristics of some characters, but just enough "different" so they won't match.

If you order by Catalog number, your type will be right for that number; if unable to give the Catalog number then we should have a clear proof of each character it is desired to match; we must have, at least, clear proofs of: In caps, the H, R, A and S; in lower case, the e, o, s and m; also all the figures, 1 to 0.
