## HALLOWEEN

The name given to the evening before All Hallows or All Saints Day,—the night of October 31st. In England and Scotland it was long devoted to certain harmless fireside revelries, and to pastimes engaged in by young people to ascertain their future husbands or wives.

Burns, in his poem of Halloween, admirably summarizes the customs in vogue on this occasion, during the latter half of the 18th Century. It is also known as "Cracknut Night", a name formerly given to the festival of All Halloween, in allusion to the custom of cracking nuts in the fire on that occasion.

The Eve of "All Saints' Day", October 31, is known as Halloween. The "All Saints' Day" festival was held in memory of those saints to whom no special day had been assigned. It was called "Hallowmass", and was celebrated the day after Halloween, on November 1st.

-----

Upon that night, when fairies light,  
On Cassilis Downans dance,  
Or owre the lays, in splendid blaze,  
On sprightly coursers prance;  
Or for Colcan the rout is taen,  
Beneath the moon's pale beams;  
There, up the Cove, to stray and rove,  
Amang the rocks and streams,  
To sport that night.

Robert Burns.

## INDIAN SUMMER

Indian Summer, the season in North America usually occurring in November, generally is a period of mild, balmy weather; characterized by clear skys and moonlight nights, and a hazy, smoky atmosphere, especially near the horizon.

The name is said to be derived from a custom the Indians had at this time of the year of terrorizing the early settlers by stealing their crops and animals, and robbing them of their firewood. They would travel long distances, from one planters farm to anothers' all during the night by the light of the moon, during this season, taking all they could get hold of the planters harvested crops, and carry them away for their own winter use.

The early settlers did not like this season of the year, altho the weather was clear and mild. They were not able to enjoy it as they would always hasten to gather in their crops and store them away if possible, before the Indians started their Indian Summer by pillaging the planter's crops.

There is a similar season prevailing before the late Autumn in England, called St. Martin's Festival, which falls on November 11.

WISCONSIN PARENT-TEACHERS WEEK

OCTOBER 24 to 30

A P R O C L A M A T I O N

The Wisconsin Congress of Parent and Teachers is sponsoring a Parent-Teacher Week from October 24 to 30, inclusive. Its theme this year is "Conserving Human Resources-- Our Greatest National Asset".

The Wisconsin Congress is rendering a splendid service in the field of education. Through its efforts a direct cooperative relationship is sponsored between the home and the school, and its work has done a great deal to develop mutual understanding and interest between parents and teachers.

This organization has helped to maintain high educational standards in Wisconsin and has fostered an intelligent public opinion.

NOW, THEREFORE, I, Philip F. La Follette, Governor of the State of Wisconsin, do hereby designate and proclaim the week of October 24 to 30, 1937, as

WISCONSIN PARENT-TEACHERS WEEK

AND urge the citizens of Wisconsin to give their full cooperation to the Wisconsin Congress of Parent and Teachers in its movement and educational program for better child welfare.

SIGNED-

PHILIP F. LA FOLLETTE  
Governor

WILLIAMSBAY SCHOOL NOTES

The "Aggies" at Rochester won from the Wms Bay football team by a score of 39-0, at Rochester a week ago last Friday, but the Bay team came back again to win from the Darien team, played here, October 22, 33-14.

The Junior class sponsored a Homecoming dance in the evening.

The next game will be played at Union Grove, Friday, October 29.

After a strenuous class meeting, the Sixth Grade decided to have yellow and brown for their colors. The meeting was conducted by the rules of parliamentary law. The Sixth Graders are hard at work making "rod shadow puppets" for the coming P.T.A. Halloween party. Miss Pagenkopf, their teacher, is having a Halloween party for her pupils.

Arvilla Gardner, a Senior, had a birthday party, October 23. Taking

her guests to see "Thin Ice". After the movie, the party returned to the Maple Grove Resort and enjoyed dancing, games and refreshments.

Last Thursday evening, Oct. 21, in the H.S. auditorium, three one-act plays were given by the Junior High school, Freshman and Sophomores. The Junior High play, "Overdue", was played by Jane Reynolds, George Kelso, Norman Johnson, Audry Jones.

The characters in the Freshman play, "The Pot Boiler", were Robert Hansen, Jack Keiser, Dick Spencer, Josephine Ambrose, Fred Horvath, Muriel Schising, Henry Reynolds, and Lester Hackett.

In the Sophomore play, "A Woman of Judgement", the parts were played by Lorraine Peterson, Elizabeth Blakeley, Helen Pearson, Marilyn Johnson and Jacqueline Lockwood.

Between the plays music was furnished by the Glee Club and Elizabeth Spencer, pianist.

Jeanette Ringstad.

## WILLIAMS BAY AS AN EDUCATIONAL CENTER

Camp Collie had its beginnings back in August 1868 near Fontana when Rev. J. Collie, the pastor of the Delavan Congregational Church, established a retreat for the members of his congregation. Later, in the summer of 1874 the camp together with the name was moved to the point now known as Conference Point.

It became customary for other religious groups to hold conferences on its grounds and one of the conferences was that of Young Men's Christian Association officers of the Mid-west, which was the beginning of George Williams College, known through the years by such names as Western Secretarial Institute, Institute and Training School of Young Men's Christian Associations and Young Men's Christian Association College. The present name (named after the founder of the Y.M.C.A. movement) was taken after the scope of the work was enlarged to include women. The College now has a property in Chicago occupying a city block and the College Camp here. It celebrated its 50th anniversary in 1934 and last summer its 53rd. The curricula fits men and women for social service positions as well as secretaryship in Y.M.C.A.'s.

Meantime through the years Conference Point has continued its program of training Sunday School workers and has been the meeting place for many conferences of young people. It is now owned by the International Training School for Sunday School Workers.

It was a great day for Williams Bay when the great Yerkes Observatory was located here. This institution which is a part of the University of Chicago was opened in 1897 for research into the heavens. The Observatory is known the world round and thousands every year make the pilgrimage to Williams Bay to enter its portals. It is a real educational institution, as students come from many lands to take advantage of its facilities for study of astronomy and astrophysics.

Last Summer the Geneva Lake Summer School of Natural Science had its first sessions. Here gathered some thirty students to study first hand the world about them. The school had been in the mind of our neighbor Dr. Elliot R. Downing for several years, and through the active interest of Dr. George Van Biesbroeck, Mr. J.S. Hotton, Mr. Storrs B. Barrett and Prof. O.D. Frank, a disciple of Dr. Downing at the University of Chicago and now on the faculty of University High School, the school became a reality on the 26th of June, 1937. The school met with such a response both from students and financial support of friends that it will be carried on next Summer and we hope for many summers to come.

And now, we have a branch of the University of Wisconsin extension schools here in Williams Bay, where some score of young people are taking up the first year of University work. The classes all meet in the upper room of the new Fire Station and recite just as in classes on the university campus. A full year's credit can be secured by completing the work offered.

All of the above, besides the fine preparatory work offered in our Williams Bay school - from kindergarten through the high school.

Mrs. Barbara Muller, mother of Mrs. R.S. Lytle, Chicago and Williams Bay, passed away after a short illness, on September 21. Her burial was in Memorial Park Cemetery, Chicago.

She is survived by five children; Jacob, Bertha, John, Valentine and Mrs. Louise Lytle.

Mrs. Muller spent her summers at Williams Bay for many years with her daughter, Mrs. R.S. Lytle. She loved it there and will be missed by her many friends in Wms Bay.

The R.S. Lytle family have a summer home in Oakwood Estates.

#### THE CHRISTOPHER BALFE'S INJURED IN AUTO ACCIDENT

Mr. and Mrs. C.J. Balfe are back in their home in Wms Bay on Geneva St. after a week in a Chicago hospital where both were being treated for severe injuries received in an automobile accident a week ago.

The Balfes with their two granddaughters had motored to New York to attend a conference of prison officials and had stopped in Chicago on their return and left the children with their parents and were hurrying on home to the Bay, when at Sauconna, Ills., during a rain storm, the car left the highway and before it could be righted, hit a culvert and turned over.

Mrs. Balfe received severe injuries about the face when she was thrown against the windshield. Mr. Balfe suffered a broken bone in the vertebrae. He is congratulating himself that he finds that he has the use of his limbs, as rarely does one receive such an injury without paralysis of some part of the body. As it is, Mr. Balfe is wearing a steel collar brace to hold his head and neck in position until the break heals.

Mr. Balfe with his usual Christian grace feels that the Lord still has need of him and is anxious to be about and doing his Lord's work. He is Chaplain in the Cook County House of Correction in Chicago.

Autumn leaves are falling,  
West winds softly calling;  
'Tis a lovely time of year.  
Birds to South returning,  
Home fires gently burning,  
Filling hearts with love and cheer.  
Colors so appealing,  
A new world revealing.  
God's a gracious artist to besure,  
Corn and pumpkins yellow  
Apples sweet and mellow.  
'Tis the Autumn of the year.

Corn is in the shock now,  
Birds are in a flock now,  
Singing farevell songs of love.  
Trees are all aglowing  
With a gorgeous showing  
Of gay colors from above.  
Now the summer's over.  
Bees have left the clover  
Wrens and robins are well on their  
way.  
Winter will soon be on us,  
With a sacred promise  
You'll come back another day.

Autumn- Autumn,  
Would you could a little longer  
stay.  
Autumn, Autumn;  
We delight with falling leaves to  
play.  
Autumn, Autumn,  
Changing all the world from green  
to gold;  
Oh! what magic you perform,  
When this old world you transform;  
Autumn, you're the season gay.

Marguerite G. McDonald.

The annual Walworth County Sunday School convention will be held at the Bethel M.E. Church, Saturday, Oct. 30, beginning at 10 a.m. The theme of the convention will be "Better Sunday School Attendance."

Miss Louise Brenckenstein, director of religious education at the Christ Presbyterian church, Madison, will be one of the outstanding speakers of the convention. Other prominent church leaders of the state are on the program. Bethel church is just off Highway U.S. 12, six miles north of Elkhorn.

## HALLOWE'EN PARTY

FRIDAY NIGHT, OCT. 30.

The Annual Halloween Party under the auspices of the Parent-Teachers Association of the Wms Bay School will be held Friday evening, October 29, at the school. There will be fun and games for old and young and all the people of the community are invited.

Mrs. Esther Hotton will give a story of the origin of Halloween, the different customs pertaining to it with dramatizations. Alfred Hotton will lead in community singing.

Mrs. Sam Johnson and Mrs. Harry Schott will be the committee for refreshments. The general committee is, Mes. E. Werner, A. Forsberg, O. Stenstrom, W. Lockwood, H. Hackett, J. Gardner, E. Kukuk, J. Halpin, L. Horvath and H. Breen.

The Ladies Aid Society of the Congregational church will meet at Mrs. C.M. Bjorge's home on Geneva St. next Thursday, November 4, at 2:30. Mrs. L.A. Hollister, co-hostess.

NEXT NUMBER OF "BAY LEAVES"  
ARMISTICE DAY, NOV. 11 TH.

The Girl Scouts are being organized under the leadership of the Troop Committee.

This year for the first time, Scouting Activities are being divided to assure a wider and more extensive program for all the girls. Williams Bay does not have enough girls for two Girl Scout Troops, therefore, we are dividing the present troop into an 'Older Girls' Group and a Younger Girls' Group.

Mrs. Louis Henyey is going to take full charge of the Troop, while Miss Pagenkopf will take care of the academic part of Scouting during the school scouting hour on Thursday.

The present arrangement will continue until Mrs. Allen P. Jones, a Girl Scout field worker from Fort Atkinson, comes to help complete the organization of the troop on November 3.

## SALVATION ARMY DRIVE PASSES GOAL

Williams Bay has once again passed the goal mark of \$60.00, set for the annual Salvation Army drive. The amount of the goal was raised \$10.00 this year because of the advance in the cost of living expenses.

The campaign will not be closed until all contributors can be solicited. Some of those most interested have been away. The committee members faithful service has been appreciated and the willingness of the contributors was very helpful to those who worked on the collecting. The committee was as follows- Miss Mary Calvert, Imos Weslie Lockwood, Edward Zabler, Arvid Thompson, E. Kukuk, A. Forsberg, J. Halpin.

If you have been overlooked please leave your contribution with Mrs. A.C. Ohl, who will finish up the campaign. It gives one a good feeling to participate in such a worthy cause.

Mrs. A.C. Ohl.

Americans spent five hundred million dollars abroad last year while foreigners spent \$120,000,000 in this country.

## MEN'S COMMUNITY CLUB

The Men's Community Club of Williams Bay serves our community as such organizations as the Lions Club, Kiwanis Clubs, Rotary Clubs and Chamber of Commerce do in other communities.

The Club meets once a month for a dinner at one of our hotels or restaurants and then has a short business meeting, at which affairs for the good of the community are taken up and discussed.

The Club has taken the lead in the advertising of the Community at various times, it has a committee to which solicitations for advertisements are referred, or solicitation for various organizations, it has promoted a Williams Bay Sports Day, it has taken the lead in the promotion of Winter Sports, it has sponsored the Williams Bay annual picnic held every June, etc.

Any man in Williams Bay is eligible for membership and the number of fathers and sons who join together in the promotion of the programs is outstanding.

Speakers are often secured to tell of their work or interests.

Those who have served as president during its years of service are: William L. Elbert, Chauncey Grimm, F. Arthur Anderson, Carl M. Bjorge, W. H. Freytag, Dr. Clifford Y. Wiswell. The present officers are L. A. Hollister, President; Robert N. Anderson, Vice-president and Louis Kaphgenst, Sec'y - Treasurer.

The next meeting will be held on Tuesday, November 2nd at Rose Lane Hotel. The Williams Bay High School Foot Ball Team will be guests of honor.

All men of the Community are invited to the meeting. Reservations can be made with any of the officers. Dinner is 60 ¢.

\* Myron Piehl also served as president.

## WILLIAMS BAY VOLUNTEER FIREMEN

With the installation of an oil burner steam heating plant, the new Fire Station is now completed. This new building is the property of Williams Bay Volunteer Fire-Department, and is an investment of approximately \$7,000.

The members have been raising funds from the Mid-Summer Festivals and leaving the remuneration which was due them for fire calls in the Building Fund.

Victor Hansen has been the Chief since its organization back in '23 and has by his persistent efforts placed the department second to none in a Village of this size.

The department has a record on fire protection also. With one exception, the Hanisch home in Cedar Point Park, to which a call came late and no water was available, no fire has got any headway and little damage resulted.

The village has two complete fire engines which though of an older type are kept in perfect condition.

That the department is appreciated is evidenced by the generous financial support given during the Mid-Summer Festivals.

There is still a mortgage on the building so the Festivals will probably be carried on until the building is entirely paid for.

## BEAU SKEETER CLUB

We will hear a lot about the Beau Skeeter Club later on. The first meeting of the season will be held on Saturday night, November 13th at which time a schedule of events will be made out. All members are urged to be present. Any one interested in ice-boating should be long. See any of the members.

Don Waterbury is Commodore; Chet Granath, Vice-Commodore; Ethel Koehler, Rear Admiral; Robert Ferris, Sec'y; Jim Brown, Treasurer; Don Campbell, Fleet Captain.

## LAKE GENEVA DEDICATES NEW ATHLETIC FIELD

A part of the Homecoming program of the Lake Geneva High School held last Friday evening, was the dedication of the new athletic field in honor of the memory of the late Mayor Edward F. Dunn, in appreciation of the work he did as athletic sponsor on the Board of Education.

The field will be named Dunn Field and is located on Sage St. Mr. Dunn was always an enthusiastic booster of all city sports. The High School Band played appropriate music, and a bugler from the band played "To The Colors" while the flag was being raised, followed by the playing of the National Anthem. Attorney L.G. Brown made the dedicatory speech. The program closed with the playing of the school song.

Mr. and Mrs. William Silcock who have been residents of this vicinity for several years, are moving to Illinois, where they will make their home.

On Monday morning, October 25, the frame dwelling belonging to Mr. Bowen at Hebron Camp burned to the ground. The Bowen family were in Chicago while Mr. Bowen remained to close the cottage. He was unable to save any of the furnishings, which were insured.

Mr. W.F. Best has purchased the brick building occupied by the John B. Wightman Furniture store, from the First National Bank, Chicago, Trustees for the Wm. Grigley Estate.

Mr. John D. Gaskell has purchased the M. Moscinski building on Main St. The new owner will have a modern front and will move his grocery business there about the first of the year.

Mr. Henry Kaphengst has purchased the Nielsen building in lower Broad St. There will be no change in the occupancy of this building.

" Bay Leaves " is published by F.M. Van Epps, Williams Bay, Wis.

## WORK STARTED ON WATER PLANT

Mr. Arthur F. Mathis of Valley Junction, Iowa, was in the Village for a couple of days this week getting the work started on the Water Purification and Softening Plant. Wm O'Neill of Lake Geneva took the contract for driving the piles.

Mr. Ed Triem of Valley Junction and wife and two small children are here, living in the Ivor Nicholson apartment on Williams St. Mr. Triem will superintend the construction work.

Mr. Joe White of the same place who is experienced in the work will assist Mr. Triem. Otherwise local men will be employed. However the job does not call for many men, probably a dozen at the most, with usually about eight.

Lake Geneva Lion's Club adds 24 New Members in a Week, making 46 in all. The drive was under the chairmanship of A.E. Bellingham with Dr. L.H. Donath and Dr. Dean Jeffries, Captains. Lyle Travers is President or whatever you call the head Lion. Lester Lusignan is Sec'y-Treas. Sol Levitan spoke at the meeting last night at Hotel Travers, when the new members were initiated.

Mr. and Mrs. E.C. Blomeyer, Chicago and Lake Geneva, have just returned from a trip to New York and hope to spend the coming weekend at their estate, "Sunny Hill", near Wms Bay. They are desirous to spend the month of October at their lake shore home at some future time.

## CASUAL COMMENT

For a whole year no one is going to say No or Don't to ten New York youngsters. Their parents have agreed to let them have an untrammelled existence. As long as the government at Washington gets along so well in this way, why should it not be good for the youngsters!

### THE REST OF THE TIME SHE HAS TO HERSELF

Mrs. Edna Boisinger, Graham, Ia., is occupied in varied jobs, being postmistress, farmer, storekeeper, midwife and the village telephone operator. No need of an unemployment census in this place.

Mr. James Sewell, a farmer 83 years old, living in Indiana, brags that he has not taken a drink of water in 30 years and is in the best of health. He drinks wine which he makes from grapes grown on his farm. If you were to doubt Mr. Sewell's story, it might be called a case of "sour grapes".

### BACHELORS PLEASE NOTICE

The pastor of the First Christian church in Alexandria, Indiana, recently preached a sermon on "Hen-Pecked Husbands and Foolish Wives". A special section of reserved seats was available for men. Why not have reserved for the women as well. They probably were all seated near the exits.

When the Univ. of Wisconsin football team recently defeated the Univ. of Chicago team, (2 week ago), they returned home loaded with honors and arnica.

### A RECORD BREAKER STORY

A man didn't like a record that was being played on the gramophone, so he threw it on the floor; it broke into pieces.

During the first six months of 1937 the American Railways carried forty-seven million passengers without a single fatality.

## PERSONNEL IN WILLIAMS BAY

Thirty years ago Edwin Holm, who had been gathering experience in laundry work in Chicago for four years decided to cast his lot with our growing community to start the first laundry in Williams Bay.

The beginning was modest, but by hard work coupled with pleasing service he has built up an excellent clientele.

His home and laundry are at the corner of Walworth and Congress and reflect credit on the community.

Boat Storage, repairs and sales just naturally are associated with Williams Bay. Walter Jewell's father came up from Lake Geneva then just a village and established the business way back when. Since the death of his father Walter has carried on the Jewell Boat Co. The business has changed name now to Beauvais Boat Co. Walter Beauvais who came with boat building experience a few years ago to manage the business purchased the plant a year ago. BEAUVAIS BUILT BOATS stand for excellence in Sail or Ice Boats. It is a considerable industry now we hope for great success for the firm.

A party in a neighboring community remarked "There must be a lot of fishermen in Williams Bay to support a "Fishing Tackle Store". The Fish Line Store doesn't sell the fisherman his bait or lines, but does supply the good things for the table, which his wife has loaded when he comes home hungry and happy.

Robert N. Anderson and E.M. Iverson are the partners, having purchased the interests of E.L. Fish of Whitewater.

Bob was a local boy who learned the business and Iver was employed by College Camp. Both have recently purchased homes in the Bay.
