COME ON UP!

WE HAVE SNOW NOW.

## NOW, COME ON UP FOR WINTER SPORTS

As "Bay Leaves" goes to press there are four inches of snow, which makes good skiing and tobogganing. Ice-boaters will find hard going without a very strong wind. Provision has been made for skating by scraping off the snow. Those holding 1939 non-resident fishing licenses can get a try at Cisco Fishing this winter.

You will find Lake Geneva City and Williams Bay have made provision for those wishing to join in the sports. Big Foot Country Club has been open weekends. This week there should be a good crowd to enjoy Winter Sports in ideal settings.

### SKEETER CLUB HOLDS FIRST RACE

Sailing under adverse conditions of snow and light winds the skippers of the Skeeter Club by their expertness managed to make a race out of practically nothing.

It paid Jack Vilas, Jr. to get up early Sunday morning for he won the Class "A" race in his "Susie-Q-2" followed by John Clifford in "Pillory" and Chuck Edwards in "Me-Oh-My".

Class "B" honors in the Sunday morning breezes were garnered by Charlie Sawyer sailing "Sandy" owned by E.N. Mc Donnell, with second place falling to George Kiefer in his "Gee-Kay". Third place was taken by Havelock H. Mc Murtrie, wasting little time in his boat "Times-A-Wastin".

Apparently the winners of the morning races were sleepy in the afternoon for their places in the first and second divisions were taken by others. Harry Melgas skipping Don Campbell's "Holy Smoke III" won first place and with it the "Nye Trophy" that went with the race. Second place went to Stan Johnson sailing his "Mercury" with Chuck Edwards repeating his performance of the morning with a consistent third.

Class "B" had a reversal of order in the afternoon when George Kiefer won first and Charlie Sawyer had to be satisfied with second place. Fred Clifford weazled his way across the finishing line to take third with "Weasel". Kiefer who sailed in a race for the first time won the Stan Johnson Trophy.

Weather permitting races will be held next Sunday, Williams Bay or Delavan Lake.

### NOTED ASTRONOMERS LECTURE AT YERKES

Last Saturday morning, January 6, Professor Henry Norris Russell, noted astronomer and member of the faculty of Princeton University, lectured on "Masses of The Stars", at a meeting of scientists at Yerkes Observatory. Dr. Russell also spoke at the University of Chicago Chapel. He is on his way west to California to visit Mount Wilson Observatory.

Other noted astronomers at Yerkes were Dr. Martin Schwarzschild, a member of the faculty of Harvard University, Cambridge, Mass., who lectured at the Observatory on Wednesday afternoon on "Star Clusters." Prof. Joel Stebbins, Dr. C.M. Huffer, and Dr. A.E. Whitford, members of the faculty of the University of Wisconsin, were present.

The group, together with staff members of Yerkes Observatory, were guests of Dr. Otto Struve, director of the observatory, for luncheon on Saturday.

PROF. FISCHER OF WHITEWATER STATE  
TEACHERS COLLEGE GAVE ONE  
OF THE BEST TALKS EVER GIV-  
EN IN WILLIAMS BAY, AT M.C.C.

Thirty -nine men attended the  
first Men's Community Club Meeting  
of 1940 at Rose Lane Resort.

All enjoyed a duck dinner with  
all the good things that went with  
it.

Kenneth Viste with Larry Fenton  
at the piano lead the members in  
singing "songs that men like to  
sing".

Prof. Fischer talked on "Alaska "  
and had moving pictures which were  
beautiful in coloring.

The size of Alaska is vague in  
most of our minds, but is really  
a very large possession of our Un-  
ited States.

Seward's Folly has been a great  
investment as it has brought in  
much over a billion dollars in gold,  
silver, furs and fish. It cost our  
country a little over a million dol-  
lars in cash plus about 6 millions  
in favors granted to Russia.

President Van Epps appointed the  
following Committees:

Speakers: W.H.Freytag, L.A. Hollis-  
ter, M.T.Peterson.

Winter Sports: Gene Hollister, Carl  
M.Bjorge, Phil Fogle.

Advertising and Solicitation ( to  
which those wishing to solicit are  
to be referred ): Henry Granzow,  
E.M.Iverson, William Elbert.

Summer Sports: Roy Johnson , others  
to be added.

Many new members have been added  
to the roll in the effort to make  
the goal of 100 members in 1940.

Robert N.Anderson reports that  
35 have already paid their dollar  
membership for 1940. Many others  
have indicated that they will  
join. See Bob soon about yours.
