# The 1950 Melletean

# Foreword

Powerful and swift, their strong wings cut the air with a rush of sound. Wingbeat upon wingbeat — no matter how far the range of flight — the Falcons spiral wider, then swoop downward, a strange force drawing them on.

What brings them home?

Pride in all that the College stands for — friendly associations, wise counseling, high academic standards, continued growth.

May a like force and a similar pride draw the Falcons of the future ever back to the College is the sincere wish of the 1950 Meletean.

## *about the campus*

About the campus may be found the same quiet, natural beauty of River Falls in its surrounding fertile farming land, its wooded hills and the Kinnickinnic, and its residences inter-spaced with trees and well-kept lawns.

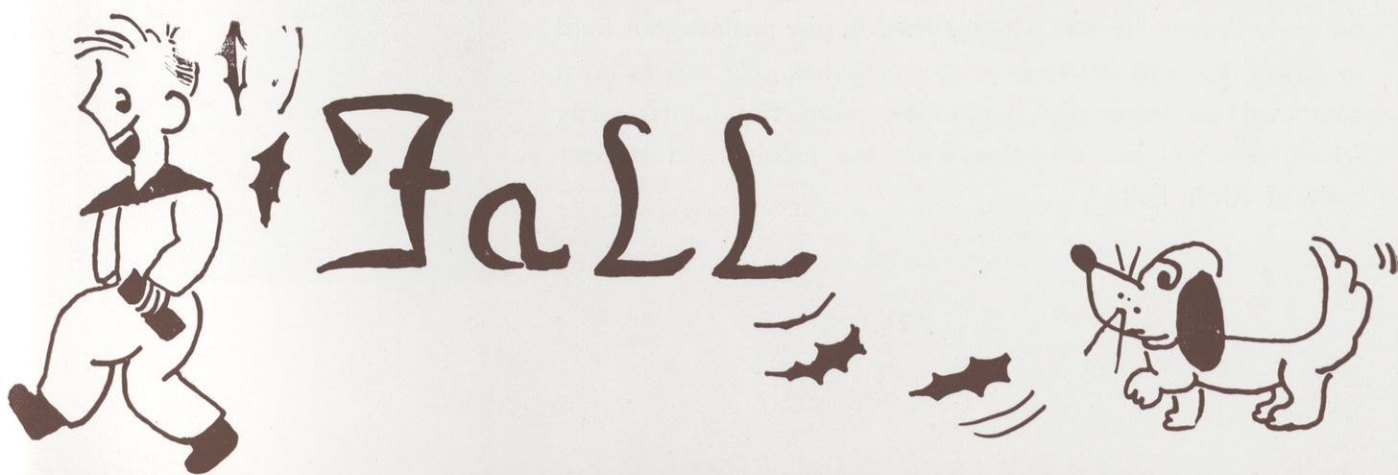

## *Dedication*

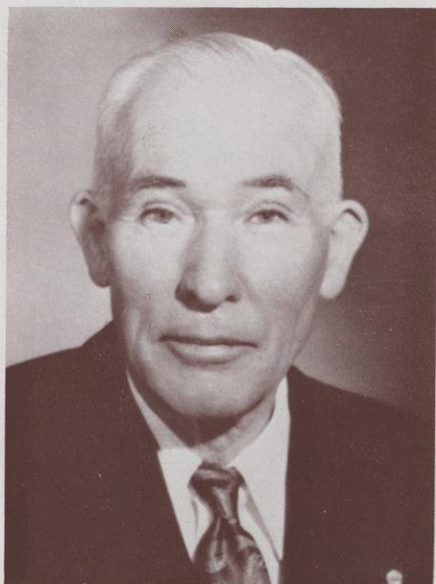

We dedicate our 1950 Meletean to Miss Maud A. Latta, friend, teacher, and adviser, in appreciation of her many years of devoted service as a member of the faculty and as adviser to the Meletean.

# In Memoriam

PROFESSOR ROY E. SPRIGGS

The college and community were shocked on Wednesday morning of the eighth of February by the report from Miller Hospital, St. Paul, that Professor Roy E. Spriggs had passed away. Mr. Spriggs came to the college 32 years ago and taught Agricultural Engineering in the Industrial Arts Department. He was an efficient teacher, well-liked by faculty and students alike. To all on the campus his death was a shock and a very saddening circumstance. He will be remembered by all who knew him as one of the community's most excellent citizens.

WILLIAM ECELBERGER

William Ecelberger, 18, met instant death in a car-train crash near Bloomer on December 2nd, 1949. "Bill" was from Pepin and a sophomore at River Falls at the time of his untimely death. He was not classified in any professional field in school, but was active in school activities. He was to have captained an intramural basketball team this winter. His friendliness will be remembered by the faculty and student body of River Falls.

## *The President*

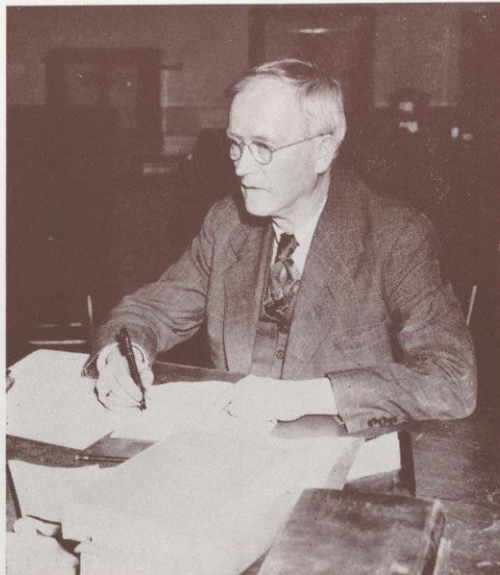

The 1949-50 Meletean chronicles student life in one of the most successful periods in the seventy-four year history of the River Falls State Teachers College. As more and more students come to the campus to profit from a reorganized and revitalized curriculum, the opportunities for the college to influence the development of the human resources of Wisconsin have been immeasurably increased.

The academic stature of the college continues to grow. In debate, in music, in athletics, the Falcon soars ever upward. Alumni can well be proud of the accomplishments of the present student body.

The Student Senate is the student governing body of the River Falls State Teachers College. It consists of eleven members, seven of which are nominated and elected in May by the student body at large. The remaining four members are the class presidents. This group acts as a representative body to present students needs and desires. The aims of the Student Senate are to promote the best interests of the college and to develop a spirit of cooperation and good fellowship throughout the school.

The Senate receives an allotment of the Activity Fund and makes recommendations to the Senate-appointed Social Committee for its disbursement. This Social Committee handles all social events.

The editors of the student publications (The Student Voice, Meletean, and Student Directory) are elected by the Senate from nominations made by advisors of these publications.

The year's most important project was the rewriting of the constitution.

The College Women's Association is a self-governing body of all college women. The executive board is comprised of the four officers, elected annually, and representatives from each educational division, and a chairman chosen from the house presidents. It functions under the advisorship of a selected faculty adviser and the Dean of Women.

The executive board makes and enforces the rules governing all women students, and strives to provide an adequate social and cultural program for all college women.

The year's program of the YMCA began with a cabinet retreat September 2, 3, and 4, when the cabinet met at the home of "Prof. Jake" to study the "Y" program of former years. The cabinet heard reports of the three delegates to the Geneva Conference and planned the schedule of activities for the coming school year. The program has compared well with that of previous years though membership has not been as large. The Freshman mixer was well done, the queen's float was outstanding in the homecoming parade, the stag party with its bean soup was enjoyed by all, and the joint sessions with the YW during the month of February were stimulating and practical.

One of the "Y" boys acknowledges with thanks the receipt of the YMCA scholarship which is financed by a former cabinet member.

Several years ago the cabinet announced that as a Christian organization the "Y" stands for honest class work, clean athletics, pure social relationships, and service to others." That remains our motto and purpose as a campus organization.

The activities of the YWCA this year have been many and varied. Shortly after school opened a "Y" Day was held. The YW held the Big-and-Little Sister Tea; the usual Candlelight Dedication Service; a series of talks on various religions; the Puff-Pant Prom; and in January a sleigh ride with the YM. The YWCA and YMCA worked together on various projects which included the Freshman Mixer; Y Day; Y Breakfasts at "Prof. Jake's;" Vesper Services at Thanksgiving, Christmas, and Easter; and the February joint meetings. The groups also combined forces to build the Homecoming Queen's float and sponsor the Christmas Formal.

The World Student Service Fund drive was held in March with a committee of members from the Newman Club, the YWCA, and the YMCA guiding the drive.

The purposes of Newman Clubs at non-Catholic schools or colleges are to supplement the work of secular instruction, to give the Catholic students an opportunity to come together, and to guide their spiritual, religious, and social life. The Newman Club fosters a spirit of peace, harmony, and fellowship on the campus.

Activities of the Newman Club include meetings on the second and fourth Tuesdays of each month, communion breakfasts once a term, retreats once a term, business meetings by the council twice a month, mixers twice a term, and parties once a term which included sleigh rides and skiing.

## INTERNATIONAL RELATIONS CLUB

### OFFICERS

Robert Pickering.....	President
John Burgess.....	Vice-President
Aralda Thayer.....	Secretary-Treasurer

The International Relations Club has as its purpose the promoting of interest in international problems.

Previously, membership had been limited to history majors, but this year the club was open to all students and faculty interested in current international problems.

During the fall term the group journeyed quite frequently to St. Paul to attend various lectures.

October 14 — "Who Controls Our Foreign Policy" Arthur Schlesinger, Jr.

November 2 — "Economics and the Marshall Plan" Seemore E. Harris.

November 15 — "Federal World Government" by a United Youth Federalist.

Three interesting programs which were held in River Falls were Mr. Bernard McCarthy's description of his bicycle trip through Europe and England, Miss Bloom's informal lecture on the devaluation of the English pound, and Mrs. Justin William's timely address on Japan today.

GEORGE K. SCHLAGENHAUF  
Director of Athletics

The River Falls Falcons took it on the chin during AND even after the regular 1949 football season. It wasn't bad enough that they lost most of the games, but they had to forfeit those they did win. Evidence produced at a meeting of league coaches showed that Pat Christie was ineligible. Officials ruled that Christie, who attended the University of Minnesota and then transferred to River Falls, was a Minnesota resident. He had given St. Croix Falls as his legal residence. This ruling gave Stout a tie for the league crown with LaCrosse and Stevens Point, and it gave the Falcons the conference cellar berth.

The '49 squad lacked experience. This is evidenced by their improvement as the season progressed. Arnie Feiler was benched because of injuries during most of the season and the team not only missed his playing but his drive to spur the team on. Gordie Grilley, Harry Gibbs, Pistol Mulholland, Gordie Shock, and Bob Wilson did not turn out for football this year and Butch McCardle, Wayne Sinnen, Dave Ruhsam, and Dick Swenson had graduated. With so many members absent from last year's squad, the future did not look encouraging. But the Falcons are a determined lot. After lop sided defeats by St. Olaf and Kansas State, the Falcons started playing some football. They lost to Whitewater, but gave them a game. Then they turned their thumbs down on Stout to the tune of 12-7. Not being very consistent, the Falcons then bowed to Platteville and its aerial attack. The

CO-CAPTAINS ELECT FOR 1950 FOOTBALL SQUAD**

Falcons played their best ball in the Superior and Eau Claire games and played a good game of football in the first half of the Homecoming game before falling apart.

Captain Gene Cardinal played perhaps the best all-around game on the team. Tom Linehan was voted the most valuable player for his running and pass receiving. At the football banquet Al Eystad, Bill Wisdom, and "Nibs" Studelska were elected co-captains for next year by their fellow squad members. DeLong, Cardinal, Siverling, and Feiler are the only graduating seniors. The 1950 squad should make a good showing with this year's experience behind them.

#### **RIVER FALLS 0 — ST. OLAF 34**

St. Olaf made a grand opening of their football schedule September 17th by overwhelming the visiting Falcons 34-0. The Oles had a large and heavy line that played havoc with the Falcon line all afternoon. A speedy backfield and a fine passing attack proved too much for the Falcons as they faltered early in the game. Lack of a passing attack and some costly fumbles were the main reasons for the poor showing of the Falcons. After touchdowns in the first and second periods by passes, the Oles ran wild to score three times in the third period. Cardinal did some fine running for the Falcons.

#### **RIVER FALLS 0 — KANSAS STATE 34**

The Falcons were hosts to Kansas State Teachers of Pittsburgh, Kansas, in their first home game when they received their second straight drubbing by the lopsided score

of 34-0. The Falcons were really in the game only in the first half as they drove deep into Gorilla territory twice, but failed to score. The second half was all K. State as the Falcons managed to get into Gorilla territory only once and that was to the 37-yard line. Arnie Feiler and Pat Christie did a whale of a job prior to leaving the game with injuries. Capt. Cardinal played his expected outstanding running game.

#### **RIVER FALLS 6 — WHITEWATER 19**

Whitewater entertained the Falcons on October first for the first conference game for both teams. The Quakers showed power in the first quarter by scoring two touchdowns, and then the Falcons took over on the offense with the rest of the game being an even affair as to points. River Falls scored its first touchdown of the season as Capt. Gene received a pass from Harkness which took the ball to the three-yard line. On the next play Cardinal again carried the ball and dove over the Quaker line for a touchdown. His attempt at the point was no good and the half-time score showed Whitewater ahead 13-6. The Quakers tallied again early in the third quarter on a pass play which was good for 50 yards. This made the score 19-6, and although the ball changed possession nine times before the game ended, neither team was able to score again.

#### **RIVER FALLS 12 — STOUT 7**

It was "do or die" for the Falcons when they met Stout at Ramer Field. Statistics for the game favored the visitors, but points name the victor and River Falls was on the long

(Continued on Page 40)

(Continued from Page 39)

end of a 12-7 score. Harkness brought the crowd to its feet on the opening play of the game with a pass to Christie good for 39 yards. Pat undid his own good work when he fumbled and Stout took over on their own 30. The Falcons took the lead when Dick Alexander blocked a Stout punt and Cardinal recovered it in the end zone for a TD. The kick was wide and the score was 6-0. Stout tallied a few minutes before the first half ended on a "once in a lifetime" play. Kieffer fumbled, recovered, and ran 16 yards for a Stout score. Young's placekick was good and the half ended with Stout ahead 7-6. In the final half both teams put on terrific drives. Tom Linehan picked a Harkness pass from the out-stretched hands of two Stout defenders in a thrilling play for the final Falcon tally late in the fourth quarter. River Falls halted a last minute drive by the Blue Devils to register their first conference win, 12-7.

#### **RIVER FALLS 0 — PLATTEVILLE 24**

A brilliant passing attack coupled with the superb pass catching of end Leo Butts gave the Pioneers of Platteville a 24-0 victory over the Falcons at Ramer Field, October 15th. Both ground attacks were equally potent as both teams amassed 155 yards rushing. The Pioneers completed 10 out of 15 pass attempts compared with four out of 15 for the Falcons. All the touchdowns came via pass plays. None of the attempted conversions was good. Harkness and Cardinal handled the Falcon passing, but they were not nearly as effective due to lack of protection by the line. The Falcons threatened to score in the final quarter when they got as far as the one-foot line on one attempt and as far as the one-yard line on another try.

#### **RIVER FALLS 6 — SUPERIOR 9**

The Falcons thoroughly out-played the Yellowjackets at Superior but still lost 9-6. The game was played under extremely adverse weather conditions, with a driving snow falling in the fourth quarter. Superior scored early in the game, but picked up only four more first downs during the remainder of the game. Falcons ran the entire field length on Linehan's running, two laterals, and some down-field blocking only to have the referee rule the play otherwise.

It resulted in a safety for Superior instead of a Falcon touchdown. The second half was completely dominated by the Falcons as they smashed through the line and passed for 13 first downs to Superior's one. Bill Wisdom played an outstanding game crashing through the line for five to ten yards, time after time, and Harkness threw the wet pigskin with accuracy for needed yardage. Gene Cardinal threw a 15-yard touchdown pass to Nate DeLong mid-way in the third quarter for the Falcon score.

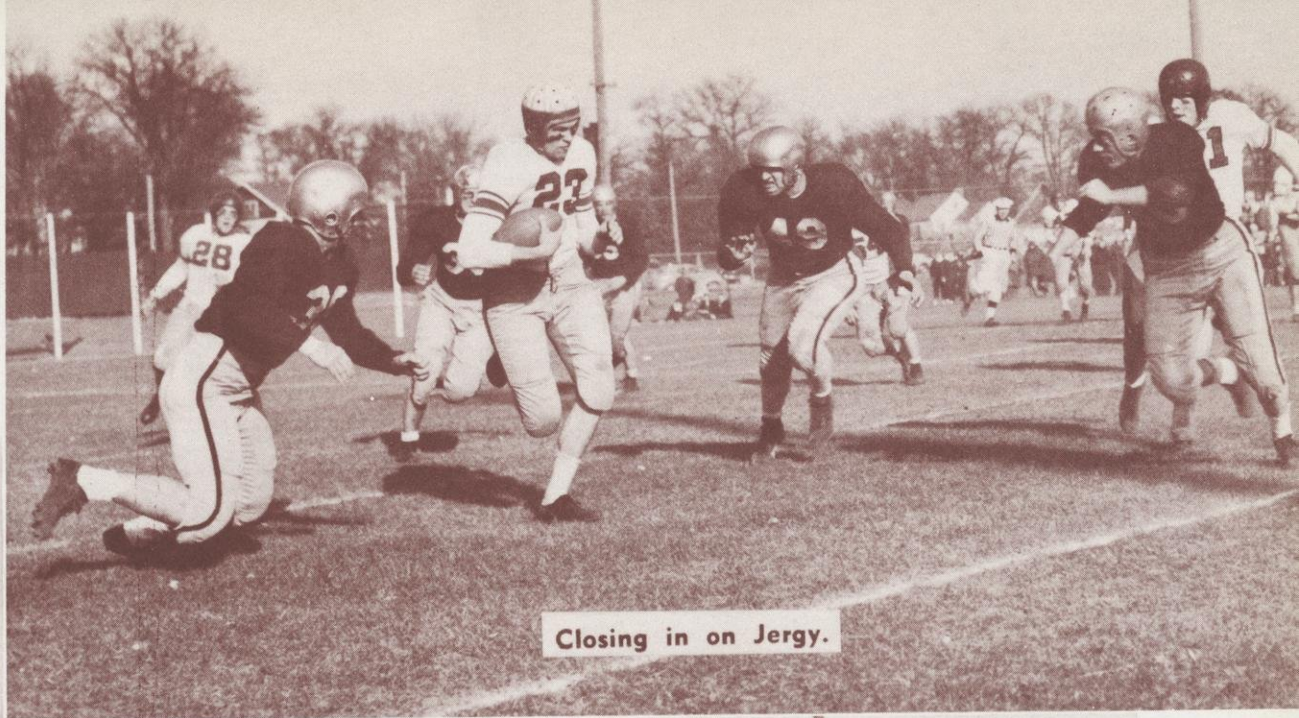

#### **RIVER FALLS 7 — EAU CLAIRE 7**

The Falcon and Blugold elevens matched first quarter touchdowns and then battled up and down the gridiron to wind up with a 7-7 tie in Eau Claire's Homecoming event. The Blugolds scored on an 80-yard march the first time they got the ball. Bill Wisdom sparked a Falcon drive which carried the ball to the Blugold 16 where they lost the ball on downs. But Funk fumbled on the first play with Linehan recovering. Pat Christie made it a first down on the four-yard line. Three line plays failed to gain; then Harkness threw a bullet pass over the center of the line to Linehan just over the goal line. Cardinal tied the count with a placement. Tight defensive play on the part of both sides prevented further scoring. Christie, Wisdom and Linehan were the Falcon stars.

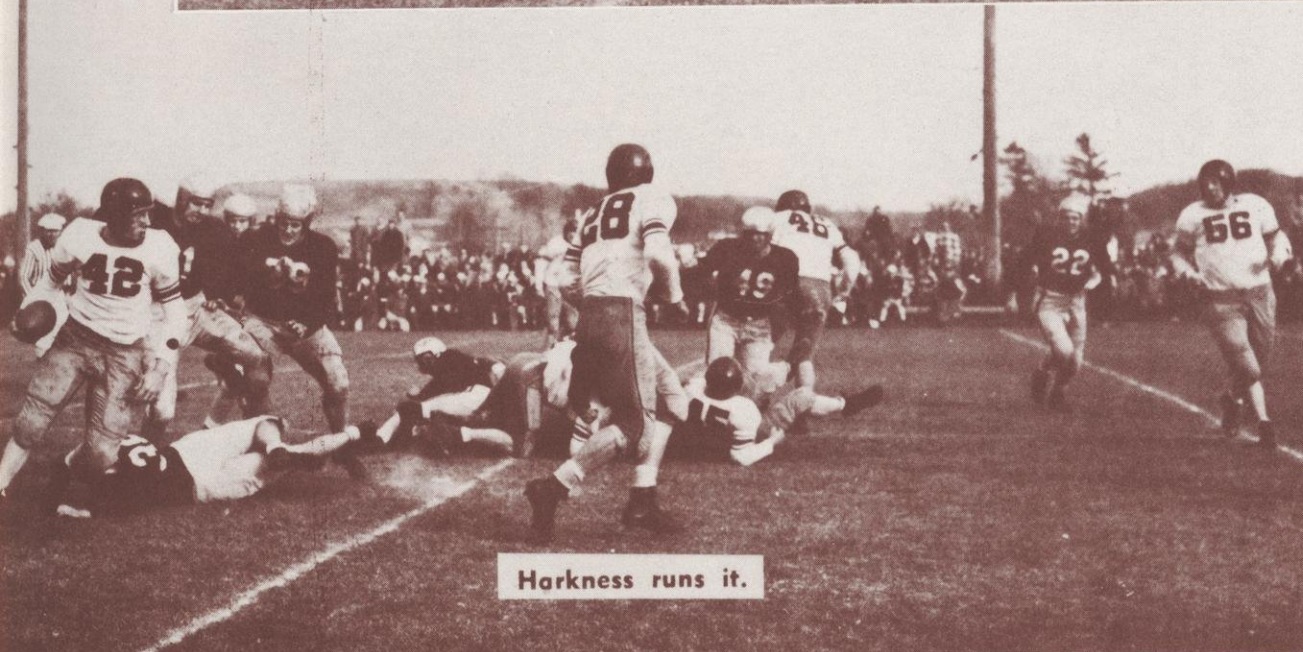

#### **RIVER FALLS 13 — LA CROSSE 41**

In the annual Homecoming classic the Falcons found themselves battling a LaCrosse team that was riding high in the conference. The first half saw the Falcons play a great game to lead 7-6, and it looked as though the Falcons might "Skin de Indians." The game broke wide open in the third quarter, and the Falcons soon found themselves two touchdowns behind. Fumbles and pass interceptions proved costly items for River Falls. A bad punt saw the Indians run it for a TD and seven points to lead 13-7. A long pass to Linehan on the first play after the kick-off tied the score. From then on it was LaCrosse all the way as they soon scored two touchdowns. Freshman Jerry Jorgenson gave the local fans a great running exhibition carrying the ball time and again for good gains. Pat Christie was declared ineligible because of residence and his services were definitely missed as the Falcons closed their 1949 Football season.

## PI KAPPA DELTA

The Wisconsin Delta Chapter of the Pi Kappa Delta has completed its fourteenth year. Pi Kappa Delta is one of the two largest speech fraternities in the United States. In addition to its successful season the chapter had its annual banquet at Homecoming for former and present debaters. Pi Kappa Delta also sponsored the "B" Invitational Debate Tournament and members donated a trophy.

Membership in Pi Kappa Delta is granted in four degrees according to the extent of the intercollegiate speech work done by the applicant. These are the degree of Fraternity, degree of Proficiency, degree of Honor, and degree of Special Distinction. The purpose of the organization is to stimulate progress and interest in oratory, debate, extemporaneous speaking, and discussion.

A student chapter of the Music Educators National Conference was organized at River Falls this year. The organization aims to provide students an opportunity for professional co-operative development while in school. This club offers a more practical conception of the music education profession as gained from the students actual participation in programs, discussions, and performance groups.

Any undergraduate music education student is eligible for membership. When a student member accepts a teaching position, he is transferred to a full, active MENC membership status.

The German Club or Deutsche Gessellschaft has as its aim the promotion of an understanding of the German language and culture. Membership is limited to students who have taken or are taking German.

The club began its activities in the fall with a picnic. The group sang German songs and elected officers for the year.

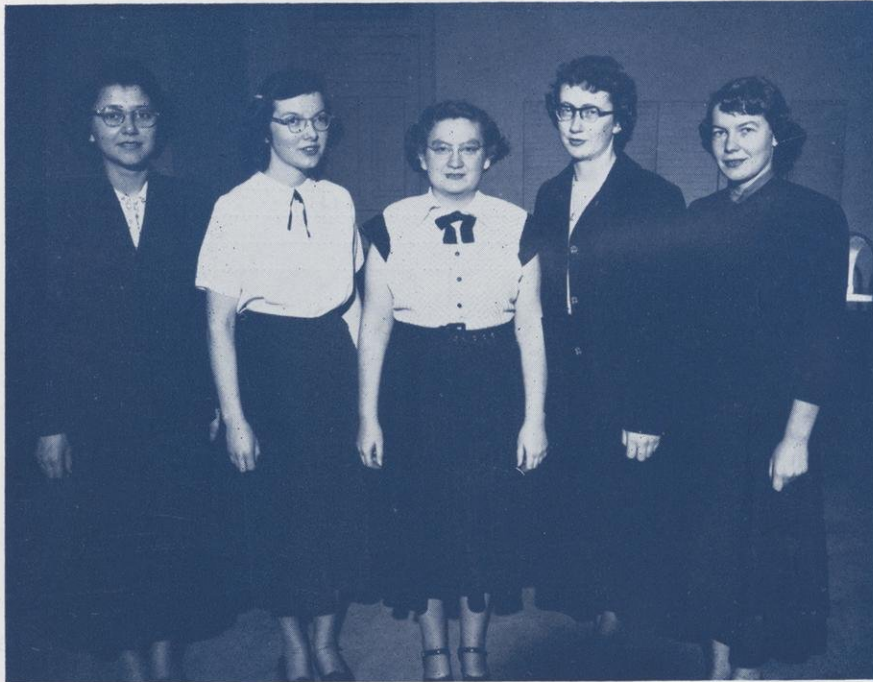

Mr. McCarthy talked on his European bicycle tour at a meeting. He showed colored slides which he took on his trip. The group especially enjoyed the slides taken in Luxembourg.

In December the Christmas party was held. The group played games and a light lunch was served.

Membership in the Rural Life Club includes all the students who are preparing to teach in the rural schools. Early in the school year the second-year students seek out the first-year students enrolled in the rural curriculum and welcome them into the club.

The club proposes to promote sociability among its members. It succeeds in this aim as during the Fall Term all members are acquainted with each other. The Club further promotes the professional growth of its members by visual education programs, discussions, guest speakers, and studies of special problems.

# "Our Famous Falcons"

The 1949-50 basketball season terminates the playing of one of the greatest basketball team combinations ever to play for the River Falls State Teachers College. This combination of Newmen Benson and Charley Most forwards, Harry Gibbs and Wallace Lindholm guards, and the great Nate DeLong at center leaves a four-year record here that will be hard to beat. With senior Eugene Deiss, juniors Manley Fossen and Jack Peterson, and freshman Roger Kuss on the reserve roster, Coach George Schlagenhauf's Falcons faced their most rigid season this year by playing 31 games. The Falcons, however, boast their best season's record, losing in only five contests.

The Falcons opened the current season with three consecutive conference championships, a record-breaking single game total of 100 points, and with their sensational pivot man holding the NAIB Tournament individual scoring record of 56 points, holding the conference individual scoring record of 44 points, averaging 28.8 points in the 47-48 season to lead the nation's scorers, and gathering 72 points to register the third highest single game total in the nation's basketball history. What more was there for the team to collect in the field of records? But the team went to work to add new laurels to River Falls, its college, and its Falcons.

The 1949-50 basketball Falcons swept to their fourth consecutive Wisconsin Teachers College Conference championship and their first undefeated conference record. Pre-season predictions favored the Falcons, but also promised stiff competition from Superior, LaCrosse, Stout, and Milwaukee. The northern schools once again dominated the conference play with Milwaukee the chief southern threat. After a somewhat slow start, the Falcons started to roll and hit their four-year scoring peak of 110 points against the Eau Claire Blugolds in the River Falls gym. This game also saw Nate break the 45-point total he had set earlier in the season against Superior as he hit the nets for 15 field goals and 17 free throws for a total of 47 points. It was a fitting climax for the six seniors who played their last home conference game in the Eau Claire tilt.

This was Nate's big year. Everyone knew at the start of the current season that he would break the national scoring record of 2199 points held by Jim Lacy of Baltimore. Nate started the season with 1731 points for his three years of recognized competition. He had ceded 310 points made during a war year to make his four-year record official. 40 points against St. Thomas had whittled the gap down to 26 points, and the Falcons faced St. John's of Minnesota. Would Nate be able to score the record-breaking basket? Speculation ran high and photographers were on hand "just in case" Nate would sink the basket which would bring his total to 2200 points. He did it. And he needed only the first half of the game in which to do it. With just a few seconds remaining in the first half, Nate sank the basket

which gave him 27 points for his evening's total and 2200 points for his career total.

And then King of Morris Harvey in West Virginia came into the race for four-year totals. The Associated Press gave Nate's 2592 total the four-year record just 56 points ahead of King. King, however, beat Nate for the year's scoring honors, but DeLong's 861 points and a 27.7 average were good enough to rate him the Nation's No. 2 scorer in total points and in averages per game. The Associated Press also gave Nate DeLong honorable mention in its All-America poll.

River Falls played in the National Association of Inter-collegiate Basketball Tournament at Kansas City for the third consecutive year. The Falcons received the Wisconsin district appointment after Beloit refused to play in a play-off game and Ripon said it was not interested in the tournament. After bowing out of the tournament in their first games the previous two years, the Falcons faced one of the tournament favorites in their first game. The Falcons accredited themselves with their first tournament win by up-setting Eastern Illinois, 80-68. But the cowboys from East Central Oklahoma proved too much for our Falcons and they bowed out of the tourney with a 75-64 defeat at the hands of the team which went on to play Indiana State in the finals before losing.

Combined with DeLong's prolific scoring, the 49-50 squad featured the uncanny dribbling and passing of Benson, Lindholm's ability as a tip-in and rebound artist, the steady game of Gibbs at guard and his long shots, and the increased speed and effectiveness of Charley Most. Most teamed with Benson to make a fast break combination which demoralized opposition. Roger Kuss saw action later in the season, and his work under the boards stamped him as a comer and an effective man to team with DeLong. "Bud" Fossen played the chief relief man role, taking the floor to give Nate needed rest. He left the Falcon line-up at the completion of the Winter Term to enter baseball training, but finished the season with his best year's total "Boots" Deiss returned to the Falcon squad to complete his four years on the team. His drive under the basket and deadliness as a free throw artist placed him as an important reserve.

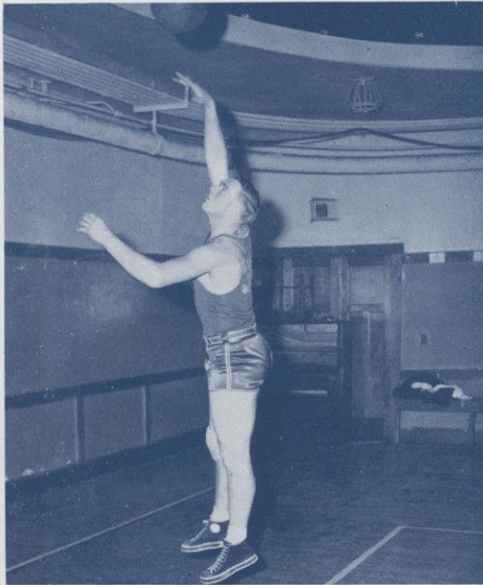

Thus the books close on the college basketball careers of Newmen Benson, Charles Most, Eugene Deiss, Wallace Lindholm, and Nate DeLong. Every game they have played has been one of pressure. Their unselfishness as a team, their ability to play the game fair, their determination to win, and their record they leave at River Falls warrants their being called "Our Famous Falcons." Our thanks and appreciation go to the 1950 Falcons for many evenings of entertainment over the past four years and the fame they have brought to River Falls.

Nate DeLong scores his 2200th point in the St. John's game.

**Bud Fossen — relief for Nate.**

#### **RIVER FALLS 59 — NEWBURG STUDIO 74**

River Falls opened its 1949-50 basketball season against Newburg Studio of Minneapolis. The Falcons did not make a very good showing against this semi-pro team of former Minnesota stars. Nate held McIntyre to 16 points, but Gilleland garnered 20 to lead the Newburgs to a rousing 74-59 win. Nate scored 20 to lead the Falcons with Bennie sinking 14 and Itch scoring 12. Newburgs held a 42-31 half-time edge.

#### **RIVER FALLS 58 — AUGSBURG 49**

The Falcons registered their first win of the season by beating Augsburg 58-49. The game was close all the way with River Falls holding a 31-23 edge at the half. The Auggies put on a last quarter drive after Nate left the game via the five foul route, but the Falcons had built up a lead sufficient to carry them to victory. DeLong scored 16 points, Benson and Lindholm netting 11 each, to lead the Falcon scorers. Reimer's 12 points led the Augsburg quintet in the scoring column.

#### **RIVER FALLS 66 — OSKEY'S 56**

The Falcons posted their first home victory of the year by downing the highly-touted Oskey North Stars of Minneapolis, 66-56. Nate tallied 19 points and Bennie 18 to lead the Falcon scorers with Jack Young getting 14 for the losers. After a scant 25-24 half-time lead, the locals rolled ahead in the third quarter to an impressive lead. The Falcon game was much improved over the previous games.

#### **RIVER FALLS 55 — ST. JOHN'S 51**

River Falls visited the St. John's campus and almost lost after leading throughout the contest. Holding a 33-25 lead at the half, the Falcons got themselves in danger when Nate received his dismissal from the game mid-way in the final quarter. Bud Fossen took over the pivot spot, and his 10 points were just what was needed. The Falcons emerged the winner 55-51. Nate, however, had bagged 16 points

which led his mates in the scoring column. Other Falcon scoring was an even distribution with Boots Deiss, Bennie, and Harry Gibbs each scoring eight. Chambers led the St. John's squad with 18 counters.

#### **RIVER FALLS 50 — LA CROSSE 42**

Opening conference play, the defending champion Falcons had to come from behind to beat the LaCrosse Indians, 50-42. On the short end of a 28-24 half-time score, the Indians couldn't stop Nate who sank 15 points in the second half. Big Nate collected 22 for his night's total. LaCrosse used 20 players, Schwanberg leading his mates with 14 points.

#### **RIVER FALLS 69 — ST. THOMAS 58**

Big Nate poured in 40 points against St. Thomas to lead his mates to a decisive win in a feature game played at Spring Valley. The Falcons took the lead at the out-set of the game and held that lead throughout the contest, holding a 38-30 margin at the half. After bagging 29 points in the first half, Nate's scoring fell off, but timely baskets by Lindholm and Gibbs kept the Falcons in strict command of the game. Bennie and Bud Fossen played superb defensive games. St. Thomas committed 33 fouls with Bauer, Bury, and Kaye leaving the Tommy line-up via the five foul route. Bury's 14 counters was high for the Tommies.

#### **RIVER FALLS 77 — ST. JOHN'S 54**

This was Nate's big night. With but a few seconds remaining in the first half, Mr. Swish scored the basket which gave him a 2200-point four-year total and broke the former national record. Nate's 27th point was greeted by a constant roar from the crowd. The Falcons boasted a 44-18 lead at half-time. The outcome of the game was never in doubt. The Falcons went on to roll up their biggest victory margin so far this season with this 77-54 win. Big Nate added six more markers to his total in the second half to once again pace the Falcons. Chuck Dillon and Ed Chambers led the Johnnie's scorers.

#### **RIVER FALLS 64 — SIOUX FALLS 44**

The Falcons registered an easy 64-44 win over Sioux Falls on the first stop of their western trip. Newmen Benson scored 15 points and intercepted passes frequently to spark the Falcons. Jerry Healy, former River Falls student, looked good on defense, and Modde led the Braves' scorers with 12 counters. Nate dumped in 22 points without much trouble. The Falcons committed only two fouls in piling up a 30-22 half-time advantage.

#### **RIVER FALLS 56 — MORNINGSIDE 43**

Nate DeLong continued his hot streak dumping in 24 points to lead his obviously tired and somewhat slower Falcon mates to a 56-43 win at Sioux City. He left the game via the foul route mid-way in the fourth quarter but their 53-33 lead was big enough to insure victory. Bristou paced Morningside with 16 points.

#### **RIVER FALLS 64 — REGIS 52**

River Falls wound up its western tour with a 64-52 victory over the Regis Rangers of Denver playing four of the five men who fought their way to runner-up position in the NAIB tournament at Kansas City last year. The fast rolling Falcons were never behind, but the Rangers tied the score at 42-all at the end of the third quarter. DeLong and Lindholm were hot on the Denver floor, and All-Americans Bob Fisher and Bryce Heffley were no match for them. The Falcons led, 31-26, at the half.

## RIVER FALLS 42 — MANKATO 56

River Falls entered the Holiday Invitational Meet at Cedar Falls, Iowa, as one of the favorite contenders after their decisive victory over highly-regarded Regis College. But Mankato did it — they stopped Nate almost cold. Nate's scant eight points on one field goal and six free throws was unbelievable. After rolling up a 29-18 lead at intermission, the Mankato Peds went on to pile up a 56-42 victory. Bennie's 10 points was the Falcon high. N. Ness, J. Ness, and Nelson paced Mankato.

## RIVER FALLS 49 — IOWA STATE TEACHERS 63

Nate DeLong's 32 points was not enough to over-come the Iowa Teachers, and the Falcons went down to their second straight defeat at Cedar Falls, 63-49. The Iowans boasted a 28-23 half-time margin. Bennie fouled out of the game mid-way in the fourth quarter and Bennie's spark was missed by his mates. Kackneff bagged 17 markers for Iowa State with Jespersen sparking the Iowa attack.

## RIVER FALLS 77 — AUGSBURG 70

River Falls rallied from a 41-33 half-time deficit to a 77-70 win over an up-and-coming Augsburg quintet. Quick baskets by Most and Benson tied the game at 49-all at the six-minute mark in the second half. The Falcons then pulled away to a four point lead which they maintained for the remainder of the game. Committing only 14 fouls to Augsburg's 25, the Falcons played one of their cleanest games of the year.

## RIVER FALLS 67 — STOUT 49

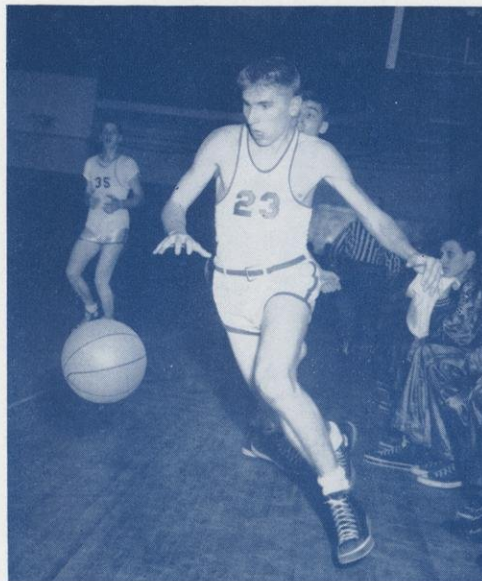

Hitting on 29 of 66 shots for 44%, the Falcons' high shooting percentage throttled the Stout Blue Devils, 67-49. With 13 minutes remaining and with a commanding 51-28 lead, Nate fouled out of the game, but he already had amassed 30 points, 28 on field goals, to again lead the Falcon scorers. Pollock led the Stout cagers with 16 points as Stai was held to eight points, scoring only two free throws while Nate was in the game. Peterson, Gibbs, and DeLong joined forces to lead the second half drive netting 19 points in seven minutes to three points for Stout.

## RIVER FALLS 59 — GUSTAVUS ADOLPHUS 55

Gustavus threw a scare into the Falcons in the remaining two minutes of the game before bowing, 59-55. The Gusties missed three of the last four free tosses which could easily have been the difference between win and defeat. After a 54-44 lead, the Falcons faltered as their lead wilted to 57-55 in the closing minutes. Four players did all the scoring for River Falls, Benson tallying 11, DeLong 29, Gibbs six, and Lindholm 13. Hixon and Finn lead Gustavus with 10 and nine points respectively.

## RIVER FALLS 82 — OSHKOSH 65

Newmen Benson and Harry Gibbs took over the scoring reins as they led their mates to a commanding 82-65 win over Oshkosh. Both turned in their best scoring efforts of the season, Benson hitting for 20 and Gibbs for 19. Nate added 16 to the total, 12 of them coming in the first half. The Falcons had their hottest first half of the season in hitting 17 out of 33 attempts from the field. Doug Ritchie led the scoring for the evening as he hit 23 points for Oshkosh. The Falcons held a 41-24 half-time advantage. Bennie got hot in the second half when he sank seven of 12 attempts, all of them long shots.

"Bennie" exhibits his dribbling.

## RIVER FALLS 87 — PLATTEVILLE 57

River Falls rolled over one of their southern conference foes with an impressive 87-57 rout of Platteville. Holding a 43-31 margin at the half, the Falcons poured on the steam in the second half. Nate's 26 points led the Falcons, but his teammates had themselves a good night, too. Bennie sank 19, Charley swished the nets for 13, Harry racked up 11, and Itch connected for 16 to show they, too, have scoring potential. Wainwright's 16 counters paced the Pioneers.

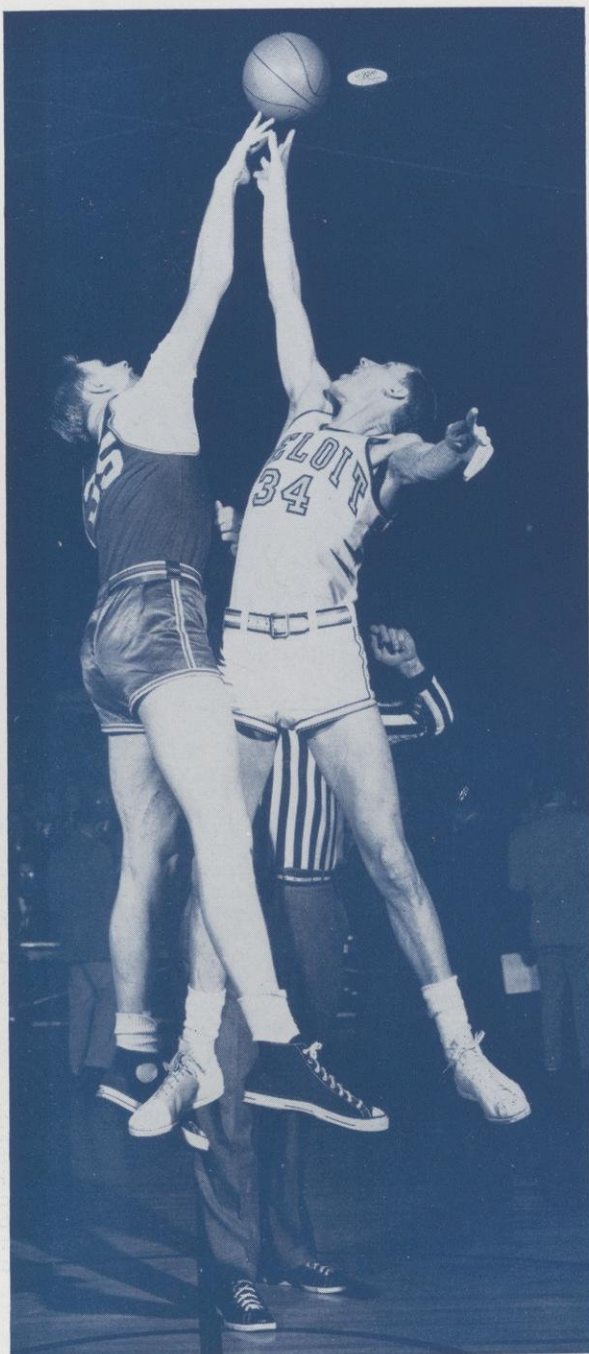

## RIVER FALLS 77 — EAU CLAIRE 72

River Falls traveled to Eau Claire to play the Blugolds in a crucial contest. The Falcons built up an impressive 40-25 half-time lead only to see it dwindle throughout the final half. The game ended with the Falcons posting a rousing 77-72 victory. Nate's 36 markers again paced the Falcon attack, but Itch added 19 important points. Harry Gibbs collected five quick fouls in the third period and left the game by that route. Big Jim Bos dumped in 23 points and Billmeyer 17 to lead the Blugold attack.

## RIVER FALLS 68 — BELOIT 82

All attention was focused to southern Wisconsin and Beloit as two of the country's greatest centers battled in the Beloit-River Falls game. The Falcons win streak was halted at seven games and they suffered their fourth set-back of the season as Beloit outran the Falcons and racked up an impressive 82-68 victory. DeLong, however, out-scored Beloit's Ron Bontemps by five points netting 29 points to his southern foe's 24. Beloit's fast break was too much for the easy, deliberate game the Falcons are accustomed to playing.

Nate and Bontemps jump in the all-important Beloit-River Falls game.

#### RIVER FALLS 86 — SUPERIOR 60

Nate DeLong set a new conference scoring record as he hit 17 out of 25 field goal attempts and 11 of 19 free tosses for 45 points when the Falcons played host to the Yellowjackets of Superior. River Falls held a comfortable 42-25 half-time lead and coasted on to an 86-60 victory. For the first time the Falcons were able to stop Krznarich. Most

held him to six points. Benson showed good form in sinking five beautiful long shots. Gibbs and Lindholm not only added to the scoring column but played a fine game at the guard slots in getting the rebounds. Moselle led the Superior five with 14 points.

#### RIVER FALLS 73 — LA CROSSE 64

The LaCrosse Indians battled the Falcons all the way before bowing, 73-64. LaCrosse took an early lead which the Falcons managed to overcome, 42-40, by the half. Throughout the second half, the Indians continued to press the Falcons causing them considerable trouble. The Falcon lead was never large enough to insure victory. The Indians used a five man zone playing in close to hold Big Nate to 25 points. Rog Kuss added ten points to the scoring column besides being a great aid in getting rebounds.

#### RIVER FALLS 73 — GUSTAVUS ADOLPHUS 50

Hitting on 49% of their shots, River Falls emerged the winner of this game played at Spring Valley. The Gusties battled the Falcons on even terms for the first three quarters with the Falcons holding a slight 29-28 half-time lead. Nate paced the team with 30 points, but Benson once again sparked the team with his exceptionally clever playing. A closing barrage of long shots sank the Gusties who were also faltering on the loss of key players via the foul route. The final score of 73-50 does not indicate the closeness of the game. Norman scored 14 points to lead the Gustavus team.

#### RIVER FALLS 76 — STEVENS POINT 57

Dependable Charley Most netted 18 points for his best scoring effort of the season and played a whale of a floor game to lead the Falcons to an inspiring 76-57 win over Stevens Point. DeLong, however, pushed 25 points through the net to lead the Falcons as they invaded the southern territory of the Teachers Conference. Chester Polka paced the Pointers with 15 points. After taking the lead mid-way in the first quarter, the Falcons went on to boast a 42-29 half-time advantage which was never in danger in the final half.

#### RIVER FALLS 80 — WHITEWATER 56

Continuing their invasion of the southern foes of the conference, River Falls bumped up against some tough sledding in the first half at Whitewater. The Falcons had trouble controlling the rebounds, but Rog Kuss came to their rescue. Herbst and Noonan paced the southerners with 17 and 15 points. Nate added 36 points to boost his record. Bennie hit on seven field goals for 14 points, Kuss collected 13 and Itch Lindholm sank eight free throws and a field goal for 10.

#### RIVER FALLS 87 — STOUT 72

River Falls cinched its fourth straight basketball title as they out-scraped a tough Stout Institute team, 87-72. The game was hard-fought all the way. Bennie was charged with three fouls in the first four minutes of play so most of the game was played without his services. Bud Fossen played top-notch ball and gathered 12 points for his season's best effort. Nate led the Falcon scorers again in getting 36 points.

#### RIVER FALLS 83 — DAKOTA WESLEYAN 50

It was coach versus student when "Butch" McCardle brought his Mitchell, S.D., Dakota Wesleyan University team to play the Falcons at the Spring Valley gym. The Dakotans didn't prove much of a match for the Falcons who built up a 44-28 half-time lead and rolled on to an 83-50 victory. Butch's team was led by their center, Rose, who dumped

in 22 points. DeLong, as usual, paced the Falcons with 34 points with Harry Gibbs sinking 17. Most bagged 15 and Lindholm 13 to round out the Falcon score. River Falls was charged with only 12 personal fouls for one of their cleanest games of the season.

#### RIVER FALLS 58 — SUPERIOR 39

Playing two men against DeLong proved insufficient for Coach DiMarco for Big Nate bagged 25 points against the Superior Yellowjackets. River Falls thus closed their fourth consecutive basketball championship season undefeated in conference play with this easy 58-39 win. "Itch" Lindholm netted 12 points and Benson 10 to aid in the scoring. Bennie's home town honored him in the "Benson Night" festivities in recognition of his four years on the Falcon line-up.

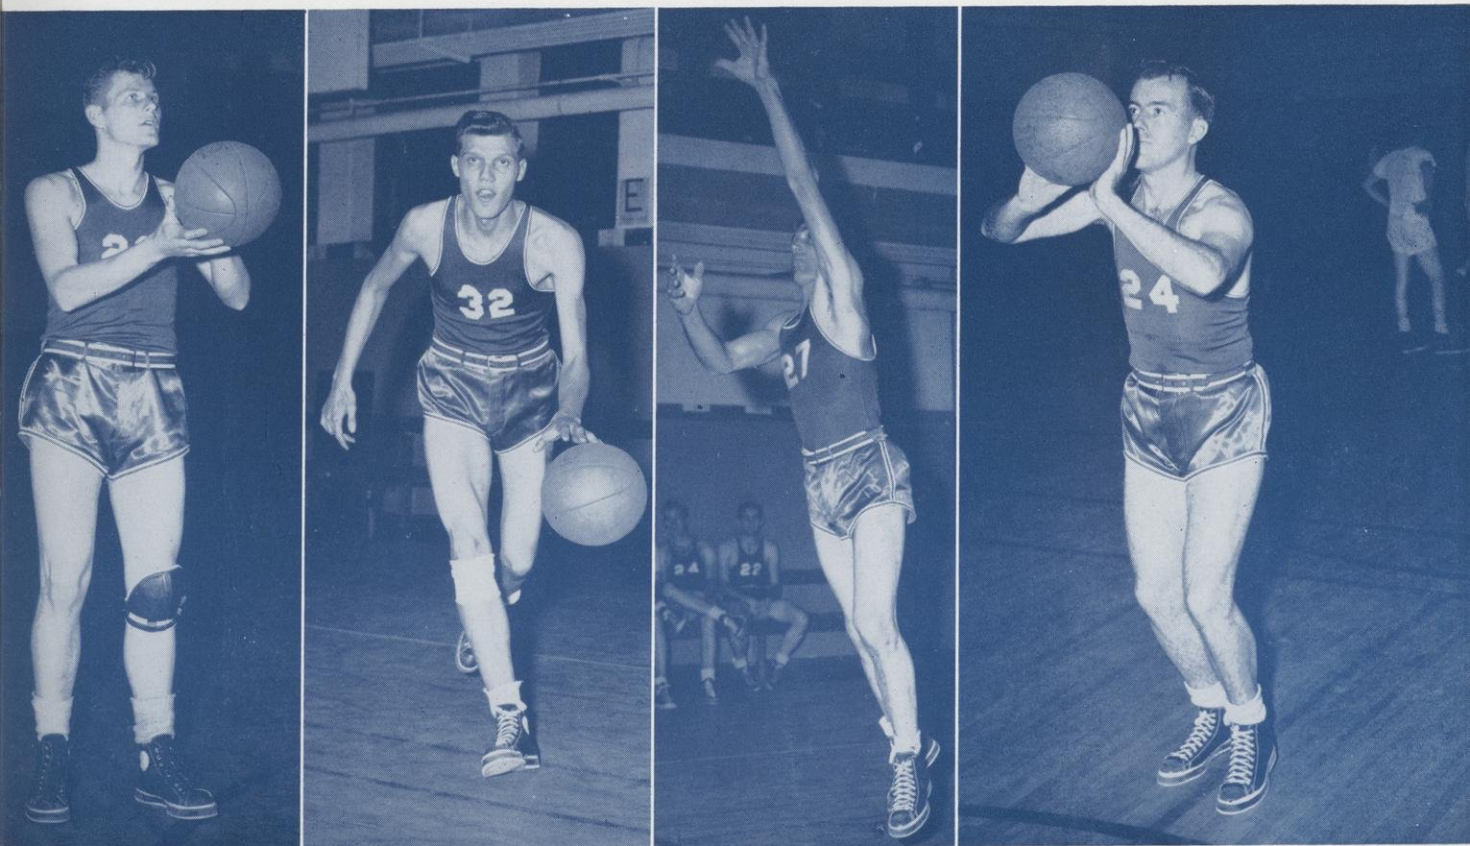

#### RIVER FALLS 110 — EAU CLAIRE 82

The "Famous Falcon Five" played their last home conference game against the Eau Claire Peds, and they really had themselves a record night. The team amassed 110 points to set a new conference high for a game and Nate broke his own record set earlier this season when he connected for 47 points on 15 field goals and 17 gift tosses. Jim Bos was not able to play because of illness, and his teammates missed his high-scoring services. The Falcons rolled to a 57-35 half-time margin. At one time they held a 37-point lead, 92-55. Bennie scored 15 points and did his usual brilliant job of uncanny passing and defensive work. Emanuel, Proctor, and Washburn carried the brunt of the Blugold attack.

#### RIVER FALLS 78 — OSKEY'S 67

Oskey's North Stars were the Falcon's warm-up opponent in preparation for the NAIB tournament with the locals registering their second victory over them. The game was the Falcon's last home appearance. Benson passed, dribbled, and shot with precision-like accuracy to spark the Falcons to a 78-67 victory in a hard-fought game. Wally Salovich and Warren Ajax paced the former Minnesota college players with 23 and 21 points. The Falcons held a half-time margin of 37-35, but sharp shooting at a .485 clip proved the needed advantage. Nate, as usual, led the scoring parade, this time getting 25 points.

## RIVER FALLS AT THE NAIB TOURNAMENT AT KANSAS CITY

River Falls played in the National Association of Inter-collegiate Basketball Tournament for the third consecutive year. The Falcons were named the Wisconsin representative after Beloit refused to play in a play-off game and Ripon College was not interested in competing. The Falcons left Saturday, March 11th, and met Eastern Illinois on Tuesday night at 10:30 in their first game.

### RIVER FALLS 80 — EASTERN ILLINOIS 68

The Falcons drew one of the pre-tournament favorites as their first opponent and a determined Falcon five fought hard to down Eastern Illinois, 80-68. River Falls took the lead at 17-16 after a see-saw opening and increased their margin to hold a 37-29 half-time edge. The Easterners came within one point of the Falcons at 46-45, but the Falcons pulled away to a safe lead. Nate left the game with five fouls and seven minutes remaining, but he had equalled his

yearly average of 27 points by then. Rog Kuss took over the pivot spot and connected for 13 points to keep the Falcons in the lead. Gibbs and Benson were hot on the KC floor, Harry getting seven field goals for 14 points and Bennie garnering 18 points with his "dead-eye" push shots.

### RIVER FALLS 64 — EAST CENTRAL OKLAHOMA 75

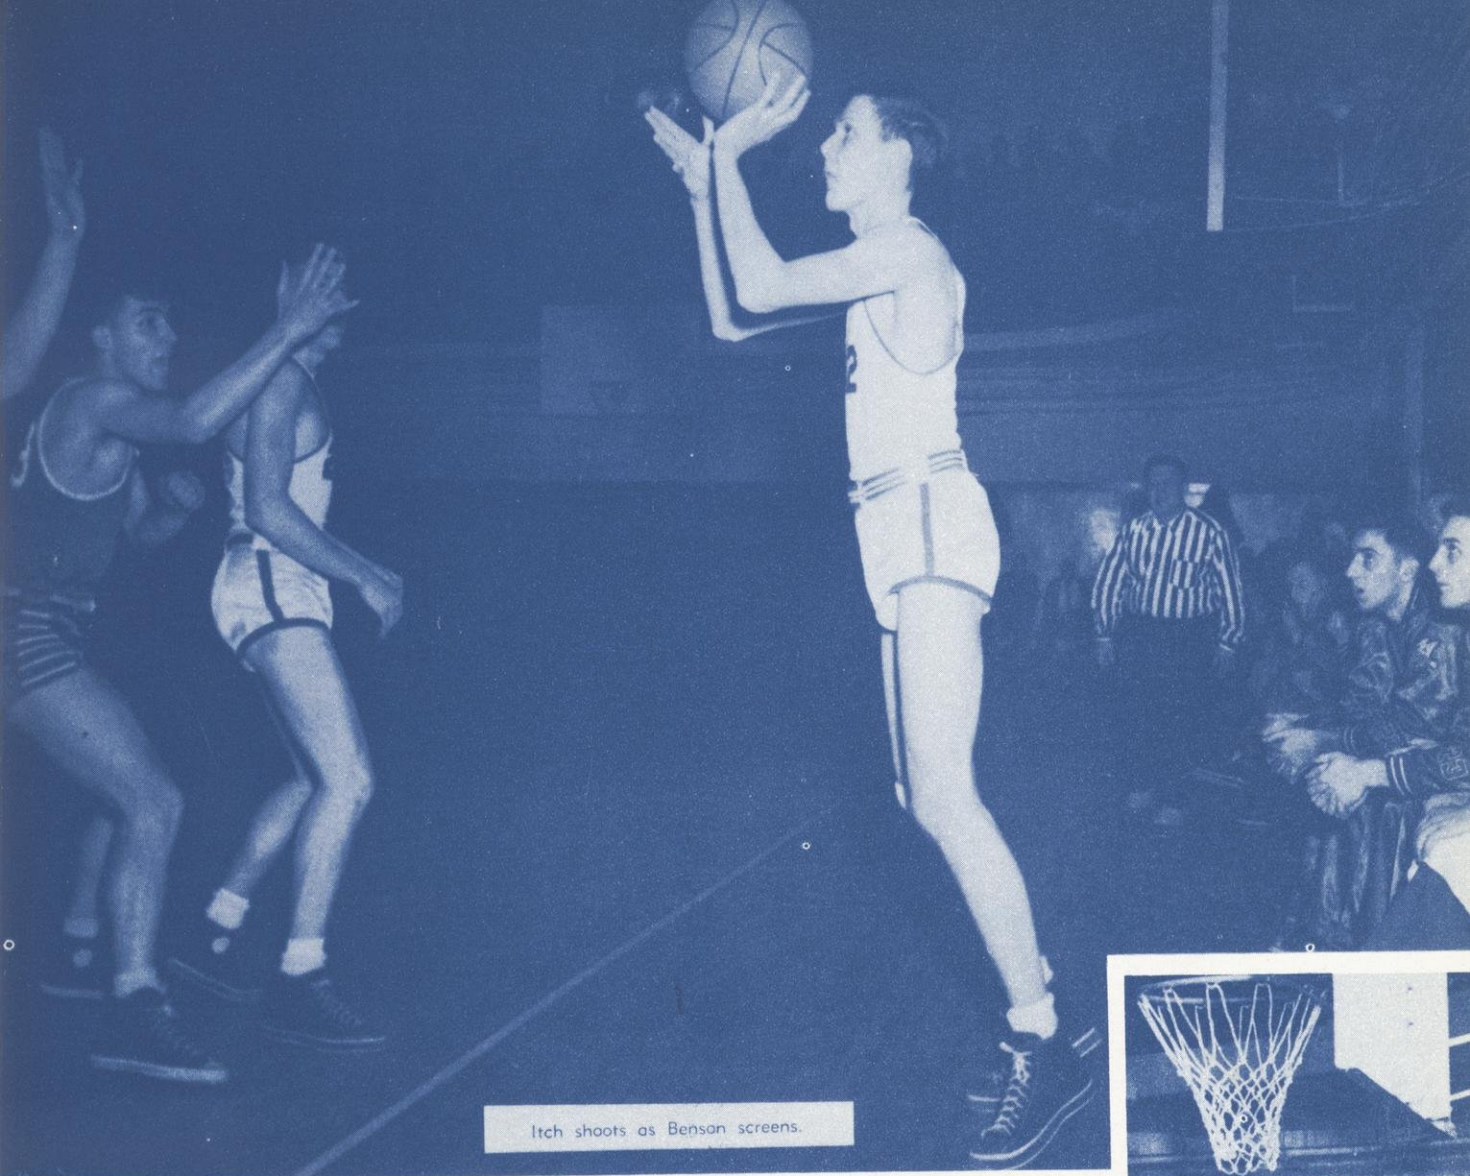

The Fighting Falcons bowed out of the NAIB Tourney in their second game by losing to East Central Oklahoma, 75-64. River Falls did not play the type of basketball that thumped Eastern Illinois the previous night. They missed easy shots and rebounds. The Falcons battled the Oklahomans on even terms during the first half to lead 37-35 at half-time. Nate was nursing a cold and a sprained ankle, but paced the Falcon attack with 23 points. East Central out-played and out-scored the Falcons in the second half as they controlled the boards most of the time. Nate left the game with five fouls and his mates couldn't connect without him. The Oklahoma cagers went on to win their next two games, but lost the championship game to Indiana State.

One of the finest musical organizations on the campus is the A Cappella Choir. It provides a way for students to express themselves in the field of music.

Throughout the year the choir presents several concerts. Each spring a short tour is made into the area surrounding the college. This year two short trips were taken by the choir. Within the past few years the choir has gained recognition as being outstanding among small college choirs.

Mr. Nicholas Jadinak.....	Conductor

The College Orchestra, under the baton of Nicholas Jadinak, provides opportunity for future music teachers to become familiar with all types of music, from the Early Classics through the Romantic group and up to the Modern Period. They also have the opportunity to conduct, thus furthering their music education.

Besides being beneficial to the members themselves, the orchestra performs for Commencement exercises, and between acts for three college plays each year.

The 1949-50 year opened with field hockey as the major fall sport of the Women's Athletic Association. Other organized sports for the year were: volleyball, basketball, badminton, and softball. The student managers for these sports were Beverly Olson, June Clark, Helen Harrison, Dorothy Cree, and Shirley Stone. A tournament was held for each of the team sports; the losing team entertaining the winners at a luncheon.

Activities for the year included the sale of chrysanthemum corsages for homecoming.

On February 25, four W.A.A. members and Mrs. Brew, W.A.A. adviser, attended a Basketball Officiating Clinic at Mankato State Teachers College. The program included discussion and demonstrations in new rules, fouls and violations, officiating and teaching techniques, and warm up drills. This program proved valuable to W.A.A. members in teaching physical education and in our own activities.

In the spring the annual W.A.A. banquet is held and awards are presented. Awards given are based on a point system which is accumulated from year to year. Points are given for participating in the sports, membership on honor team, winning team in tournaments, and to officers.

The aim for the W.A.A. is for the promotion of women's athletics and an opportunity for girls to participate for the fun of working and playing together.

## WHO'S WHO IN AMERICAN COLLEGES AND UNIVERSITIES

"Who's Who in American Colleges and Universities" is a national collegiate publication. Twelve seniors were chosen this year to represent RFSTC in the annual publication. To be a representative a student must be a junior or senior. Students are selected on the basis of high scholarship and their participation and contributions to student activities. A quota for each college is established according to enrollment. Gail Crist, Carol Feiler, Richard Hunt, and Shirley Swanson were chosen for the second year.

The veterans have an active organization which has contributed to the Homecoming and Winter Carnival celebrations and taken a part in other social functions. The organization discussed and took action on current veteran's problems both on and off campus and contributed to the Falcon Field House Fund.

The "Vet Club" sponsored the "Tennis Court Dance" which was held in May. This was new to our campus and it is hoped that it may become an annual all school event.

## THE DEPARTMENT OF AGRICULTURAL EDUCATION

Director  
MR. JOHN M. MAY

Forty per cent of the vocational agriculture teachers in Wisconsin are graduates of the River Falls State Teachers College. This is a tribute to the leadership of Mr. John M. May, director of the Department of Agricultural Education since 1919.

Mr. May received his bachelor's degree at Kansas State. Later he completed his master's degree in Agricultural Education at Cornell and has taken further advanced work at Ohio State in agricultural economics.

After teaching here for six years, Mr. May took over the directorship when Mr. W. S. Welles left to take a similar position in the state of Massachusetts. The first four graduates of the four year Smith-Hughes program were graduated in 1928.

In addition to directing the Department of Agriculture, Mr. May is instrumental in finding positions for his graduates, and he serves as adviser of the Collegiate F.F.A. Chapter on the campus.

A few of his students who have risen to prominent positions are: Raymond Penn, Director of Agricultural Economics at the University of Wisconsin; Foster Claflin, Director of the Equity Livestock Co-op Association at Milwaukee; Martin Abramson and Albert Johnson in the United States Department of Agriculture.

Mr. John M. May — Adviser		

The River Falls Collegiate Chapter of the Future Farmers of America was organized in 1935. From 1912 to 1935 the chapter was called the Agrifallian Society and was not affiliated with the state or national F.F.A. organization. The purpose of the chapter is to train and develop advisers and leaders for high school F.F.A. organizations, and to promote fellowship for students who are majoring in agriculture.

Every year a rural school fair is sponsored. This year 11 schools competed for the prizes offered by the F.F.A. by putting up booths, participating in judging contests, and showing individual exhibits.

It is tradition that the F.F.A. provide torches for the snake dance and the bonfire during Homecoming. In addition the F.F.A. sponsors a queen and makes a float for the parade.

Highlights of the F.F.A. year were the banquet with Mr. B. F. Rusy, Supervisor of County Agents, as principle speaker, the All-School Talent Show with proceeds going to the Fieldhouse Fund, and the annual picnic held at beautiful Glen Park in May.

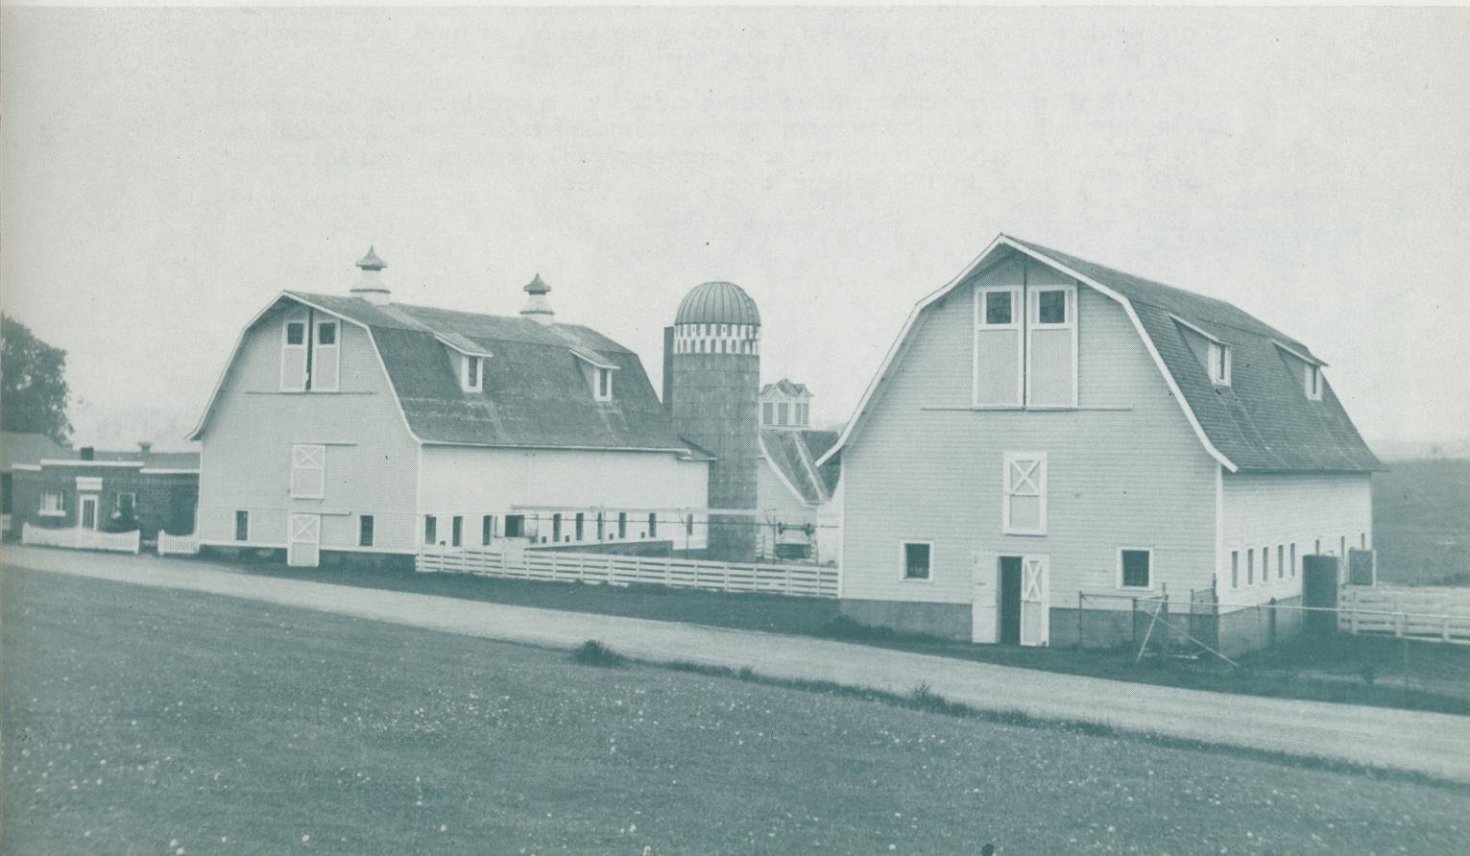

Mr. May  
and  
Mr. Wall  
examine the  
field plots.

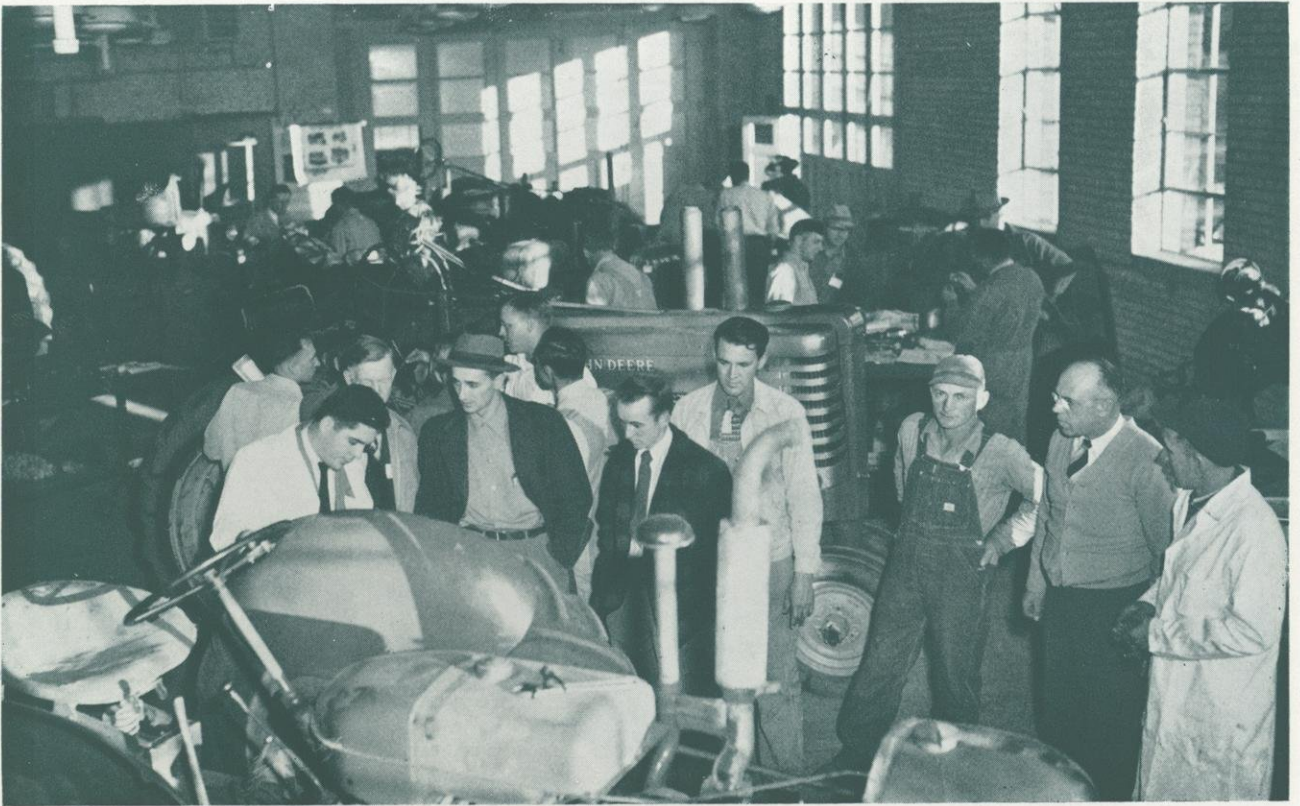

The field plots, directed by Mr. Melvin Wall, have a three-fold purpose. They give the students practical experience and education in adaptability of new crop varieties to this area and methods of experimentation in this field. The results of the experiments are used in computing the official state trials of various crop varieties. Local farmers are given an opportunity to observe the field trials. Approximately three acres have been devoted for six years to these trials.

In addition to the field plots a typical Wisconsin dairy farm is maintained by the college. Tentative plans are to install a modern irrigation system which will give students and local farmers an opportunity to observe this modern method of farming in operation.

**Tractor Maintenance Day for Veteran Trainers held in the new shops addition.**

The addition to the Mechanical Arts building completed in 1949 provides ample space for welding, instruction in operation and repair of farm machinery, building hay racks, swine feeders, and other types of small farm buildings.

In the new modern demonstration room is a hydraulic hoist and facilities for the projection of movies. New oxo-acetylene and electric arc welders have been installed. An adequate supply of tools and wrenches are available for repairing common farm machinery.

More modern equipment is being added as space becomes available. The high school expects to open its new shops next fall when the addition to the high school building is completed. Their shop courses were previously given in the college shops.

**Outside view of the recently completed shops addition.**

Seniors practice teaching at the River Falls High School under the direction of Mr. Campbell.

Every prospective graduate in the department of agriculture is required to practice teach agriculture in both the local high school and an outlying high school. This practice teaching is designed to give the student actual teaching experience while under the guidance of qualified Vocational Agriculture teachers. For example, Mr. Clyde B. Campbell holds conferences with his practice teachers before and after each recitation period.

The student's practice teaching is divided as follows: one hour period daily teaching farm shops, a one hour period daily for 12 weeks conducting a class in agriculture, and two weeks full-time teaching all four grades in an outlying high school. During the practice period at the local high school each student accompanies Mr. Campbell while interviewing a student's parents to set up a satisfactory Supervised Farming Program which is required of all high school F.F.A. members.

A graduate of River Falls State Teachers College is qualified for many occupations, including high school Vocational Agriculture Teaching, On the Farm Veteran Training, Soil Conservation work, assistant and full-time County Agricultural Agents, and United States Department of Agriculture positions.

LOCAL YOKELS:  
INTRAMURAL CHAMPIONS AND CHAMPIONS OF THE NATIONAL LEAGUE.

## INTRAMURAL BASKETBALL

Basketball was the most popular intramural sport again this year. Twenty-five teams formed the two major leagues which played in the evenings. A Saturday league was organized to accommodate men staying in town week-ends.

In the National League Club 21 and the Local Yokels finished in a first place tie. A play-off game resulted to decide the winner with the Local Yokels emerging the title holder. The Polkers were undefeated in the American League to win that crown uncontested. The Sovereign Six paced the Saturday League to emerge as its champion.

The annual intramural basketball tournament matched teams of the two evening leagues. Excitement and enthusiasm was great. An inspired and determined Club 21 team served notice that it was out to win. The championship game pitted Club 21 with the Local Yokels again. The Locals boasted a 24-15 lead at the half, but Club 21 got hot and whittled the lead to 28-23 at the close of the third quarter. The Local Yokels went on to maintain their lead and win 35-31. This gave the Local Yokels the intramural championship.
