Dear Eino:

I hope this letter finds you happy and healthy. It sounds like your busy but I hope we can spend some time together next week.

As I said on the phone, we will be coming to the Hancock area on Sunday, July 15th and staying until Monday, July 23rd. Hopefully we can get together on Monday, July 16th.

I'm looking forward to visiting and working in your area again. See you soon.

Sincerely,
