REGULAR MEFTING OF THE BOARD OF REGENTS OF THE UNIVERSITY OF WISCONSIN

Madison, Wisconsin

Held in the President's Office

Saturday, September 6, 1952, 10:10 A.M.

President Werner presiding

PRESENT: Regents Arveson, Kleczka, Laird, Renk, Rennebohm, Watson, Werner.

ABSENT: Regents Gelatt, Jones.

Upon motion of Regent Kleczka, seconded by Regent Watson, it was VOTED, That the minutes of the regular meeting of the Board held on August 9, 1952, be approved as sent out to the Regents.

RECOMMENDATIONS OF THE PRESIDENT

- Gifts and Grants -

l. That the following gifts and grants be accepted; and that the Vice President of Business and Finance be authorized to sign the agreements:

GIFTS

(a) \$ 135.00 - The Farmers & Merchants Bank, Rudolph, Wisconsin, for the establishment of a scholarship for a student enrolled in the Farm Short Course during the period November 1, 1952 to March 10, 1953. The scholarship is to be known as the "Farmers & Merchants Bank Farm Short Course Scholarship" and is to be awarded to a farm youth from the Rudolph Vocational Agricultural Department. (Fund 15-318)

GIFTS (Cont.)

- (b) \$ 5,800.00 The University of Wisconsin Student Aid Fund, Chicago, Illinois, for the continuation of an undergraduate scholarship program at the University during 1952-53. The awarding of scholarships under this fund shall be made by the Committee on Loans and Undergraduate Scholarships in consultation with the donors. (Fund 15-958)
- (c) 2,600.00 Procter and Gamble Company, Cincinnati, Ohio, for the renewal of the Procter and Gamble Fellowship in Chemical Engineering for 1952-53. \$1400 is to be made available to the fellow selected and \$1200 is to be used by the Department of Chemical Engineering for the fellow's fees and tuition and for related expenses. (Fund 15-801)
- (d) 5,000.00 Foundry Educational Foundation, Cleveland, Ohio, for the renewal of the Foundry Educational fellowships in foundry education in the College of Engineering during the 1952-53 academic year. \$500 of this gift may be used for travel and other expenses incurred by staff members of the College of Engineering in their association with the foundry industry as well as other incidentals involved in the continuation of this scholarship program. (Fund 15-767)
- (e) 150.00 Wisconsin Law School Association to be added to the Wisconsin Law School Education Fund to be used to obtain supplies and clerical help incurred in the preparation of experimental and supplemental educational materials for student use in the Law School. (Fund 15-840)
- (f) 100.00 University of Wisconsin Foundation, a gift from Brook
 Hill Charity Fund, Genesee Depot, Wisconsin, to be
 available to the Chairman of the Department of Agricultural Engineering to defray some of the costs relative
 to the preparation of plans for a building for the department. (Fund 15-309)
- (g) 1,000.00 The Trustees of the Uhrig Foundation, Marine National Exchange Bank, Milwaukee, Wisconsin, to be added to the Uhrig Foundation Scholarship Fund established July 16, 1949. Two scholarships of \$500 each are to be awarded during 1952-53 in accordance with the approved conditions of award. (Fund 15-944)
- (h) 100.00 Dr. P. B. Blanchard, Cedarburg 100.00 - Dr. O. H. Hanson and Dr. J. J. Harris, Fort Atkinson 100.00 - Dr. J. D. Kindschi, Spokane, Washington 100.00 - Dr. William F. Konnak, Racine

GIFTS (Cont.)

- (h) (Cont.)
 - 100.00 Dr. George H. Wegmann, Milwaukee 500.00 - To be added to the Medical School Library Building Fund representing continued contributions from members of the Class of 1932. (Trust Fund)
- 15,145.00 National Fund for Medical Education, Inc., New York City, (i) to be used for instructional purposes in the Medical School during the 1952-53 fiscal year. (Fund 15-65)
- 200.00 The Consolidated Badger Cooperative, Shawano, Wiscon-(j) sin, for the establishment of a scholarship to be awarded to an outstanding junior majoring in the Department of Dairy Industry for the 1952-53 academic year. The scholarship shall be known as the Consolidated Badger Cooperative Scholarship and the recipient shall be selected by the Dean of the College of Agriculture and the Department of Dairy Industry. (Fund 15-194)
- 100.00 C. R. Kempthorne, Manhattan, Kansas (k) 100.00 - Madeline Roueche, Erie, Pennsylvania 100.00 - Katherine Jackson, Albany, New York

50.00 - Maurice J. Ansfield, Milwaukee

100.00 - Archie H. Tax, Milwaukee

- 450.00 To be added to the Medical School Library Building Fund representing continued contributions from members of the Class of 1932. (Trust Fund)
- 150.00 Professor A. J. Riker, Madison, Wisconsin, to be added (1)to the Arboretum Trust Fund. (Trust Fund)
- 10.75 "The Money Makers Club", Barneveld, Wisconsin, which is (m) composed of ten boys, to be used at the discretion of the Superintendent of the University Hospital for the benefit of the children in the Orthopedic Hospital. The funds were obtained by the donors as payment for cutting forty acres of thistles. (Fund 15-624)
- Dr. A. A. Quisling, Madison, Wisconsin, gift of six (n) steel outdoor stoves to be used on Picnic Point. The approximate value of these stoves is \$100.00.
- 1,500.00 The Pure Oil Company, Crystal Lake, Illinois, for the (0) establishment of the Pure Oil Company Fellowship in chemistry during the 1952-53 academic year. The recipient of the fellowship is to be a male who is a citizen of the United States and is to be selected by the Chemistry Department. He should be considered in light of the type of individual the Pure Oil Company would be interested in employing although no obligation of employment is to be considered in relation to this fellowship. (Fund 15-323)

GIFTS

- (p) \$ 100.00 Dr. Neal R. Kirkpatrick, Long View, Washington, to be added to the Medical School Library Building Fund.
 (Trust Fund)
- (q) 25.00 Wisconsin Home Agents' Association to be added to the Mary Lesh Baldwin Memorial Fund. (Trust Fund)
- (r) 3.00 An unrestricted contribution from a person who has indicated that he is an interested friend of the University, to be added to the President's Special Fund. (Fund 15-310)
- (s) 297.50 Additional contributions to be added to the Edward Bennett Fellowship Fund in electrical engineering. (Trust Fund)
- (t) 220.00 Additional Contributions to be added to the Oliver S. Rundell Fund in the Law School. (Trust Fund)
- (u) 500.00 Arthritis and Rheumatism Foundation, New York City, to help defray laboratory expenses in connection with the fellowship awarded for research relative to arthritis and rheumatism, which research is to be conducted at the University of Wisconsin Medical School. (Fund 15-326)
- (v) 400.00 University of Wisconsin Foundation, an anonymous contribution to be added to the Mary Lesh Baldwin Scholarship Fund. (Trust Fund)
- (w) 2,500.00 University of Wisconsin Foundation, a contribution to be added to the University of Wisconsin Foundation Scholarship Fund which was established to provide scholarships for deserving students enrolled in the University of Wisconsin. (Fund 15-711)
- 7.00 Mr. and Mrs. Anton Lipp, Sr., Allen, Nebraska;
 2.00 Mr. and Mrs. Anton Lipp, Jr., Allen, Nebraska,
 9.00 a contribution for cancer research at the University
 of Wisconsin Medical School in memory of the late Dr.
 Embeck of Laurel, Nebraska. (Fund 15-327)
- (y) 36.50 A contribution from neighbors and friends in memory of Ole S. Anderson, Madison, Wisconsin, to be used for cancer research in the Medical School. (Fund 15-327)

(Cont.)

1. _

GRANTS

- (a) \$ 650.00 Monsanto Chemical Company, St. Louis, Missouri, additional funds to be added to previous contributions for a graduate research fellowship in chemistry for 1952-53. This grant provides additional funds for the Chemistry Department in the amount of \$500 and provides \$150 to pay the fees of the fellow selected during the 1952-53 academic year. (Fund 15-778)
- (b) 8,000.00 National Institutes of Health, United States Public Health Service, in support of research on energy sources utilized by the kidney for performance of osmotic work, during the period September 1, 1952 through August 31, 1953, in the Department of Pharmacology. (Project No. G-3730) (Fund 16D-710)
- That the period of the grant from the National Institutes of Health, United States Public Health Service, in the amount of \$3,866 accepted by the Regents at their meeting on August 9, 1952, be amended to indicate the period October 1, 1952 through September 30, 1953, instead of July 1, 1952 through June 30, 1953. (Project No. C-828C4) (Fund 16D-686)
- (d) 3,220.00 Smith, Kline & French Laboratories, Philadelphia, Pennsylvania, in support of a research project to study the adrenal cortical mechanism for control of electrolyte metabolism in normal human subjects and in patients with various types of abnormal fluid retention, in the Medical School, Department of Medicine. (Fund 15-308)
- (e) 11,140.00 Mr. C. D. Gelatt, La Crosse, Wisconsin, to provide aid for a three-year experimental project to improve correspondence study instruction. The project will be carried on by the University Extension Division. (Fund 15-304)
- (f) 3,600.00 Merck & Company, Inc., Rahway, New Jersey, for the renewal of an industrial research grant to study the factors that affect the nature and production of antibiotics during the period September 1, 1952 to August 31, 1953, in the Departments of Biochemistry and Bacteriology. (Fund 15-361)
- (g) 1,075.00 The Fund for Adult Education, Chicago, Illinois, in support of an educational program to provide adult leaders with an understanding of world affairs, to indicate techniques for transmitting information on world affairs to adult citizens, and to acquaint the adult leaders with sources of information. The program is to be carried out by the Extension Division, Department of Political Science. (Fund 15-320)

GRANTS

- (h) \$ 2,000.00 Murphy Products Company, Burlington, Wisconsin, for the continuation of an industrial research project to study the nutrition of poultry during the period ending June 30, 1953, in the Department of Poultry Husbandry. (Fund 15-674)
- That the grant of \$3,750.00 from the Wisconsin Heart Association in support of research on laboratory and clinical treatment of hemorrhagic shock, accepted by the Regents at the meeting on August 9, 1952, be amended to indicate that the research will be undertaken in the Department of Anesthesia rather than the Department of Pharmacology in the Medical School. (Fund 15-295)
- (j) 4,500.00 Barley and Malt Institute, Chicago, Illinois, for the continuation of an industrial research project to study the quality of barley for malting purposes during the period September 1, 1952 to August 31, 1953, in the Departments of Agronomy and Plant Pathology. (Fund 15-187)
- (k) 5,000.00 Playtex Park Research Institute, New York City a grantin-aid to support research and teaching in the Department of Pediatrics in the Medical School during the
 period July 1, 1952 through June 30, 1954. The grant is
 to be paid to the University in semi-annual installments
 payable on July 1 and January 1 of each year. (Fund
 15-301)

Grants from the <u>Wisconsin Heart Association</u> in support of research in the <u>University</u> of <u>Wisconsin Medical</u> School as follows:

- (1) \$2,800.00 to make an experimental study of the Treatment and Prevention of Ventricular Fibrillation Resulting from Coronary Occulusion in the Department of Pharmacology. (Fund 15-330)
- (m) \$2,124.00 to study the role of potassium in the production of Cardiac Arrhymias under various experimental conditions in dogs in the Department of Physiology. (Fund 15-331)

GRANTS (Cont.)

(o)

\$3,000.00 - to study the effects on renal function (renal blood flow and glomerular filtration rate and NaCl excretion) of acute and chronic diseases in resistance to flow of blood in the systemic circuit in the Department of Physiology. (Fund 15-333)

President Fred called special attention to the gift from "The Money Makers Club" of Barneveld, Wisconsin, and presented to the Regents the letter signed by the ten boys who had raised the money for this gift by cutting forty acres of thistles.

Upon motion of Regent Kleczka, seconded by Regent Rennebohm, recommendation No. 1, Gifts (a) to (y), inclusive, and Grants (a) to (o), inclusive, listed under Gifts and Grants, was adopted.

- Degrees -

1. That in accordance with the certification of the Vice President of Student Affairs, the following degrees be granted and confirmed:

BACHELOR OF SCIENCE

Warren Troupe Boggs Kenneth Barteau Morley

BACHELOR OF SCIENCE (Medical Science)

Donald Thomas Anderson

BACHELOR OF SCIENCE (Education)

Betty Joyce Von Seggern Gene Elroy Williams

BACHELOR OF BUSINESS ADMINISTRATION

Robert Stanley Kallestad Edward Joseph Klune

Date of August 7, 1952

BACHELOR OF LAWS

Gerald Myran Johnson

CERTIFICATE OF LAW

Leonard Russell Jevne

Date of August 29, 1952

BACHELOR OF LAWS

Charles Dudley Dugan Leon Letwin Robert Louis Mogensen Gilbert Samuel Rosenberg Leslie David Scharf Harold Bernard Stein George Roland Waldum

Upon motion of Regent Watson, seconded by Regent Laird, recommendation No. 1 listed under Degrees was adopted.

ACTIONS BY THE PRESIDENT Since the August 9, 1952, Meeting of the Board of Regents (Copy attached)

Upon motion of Regent Renk, seconded by Regent Rennebohm, it was VOTED, That resignations and terminations on pages 1 and 2, listed under Actions by the President, be approved.

Upon motion of Regent Renk, seconded by Regent Kleczka, it was VOTED, That appointments on pages 2 to 15, inclusive, listed under Actions by the President, be approved.

Upon motion of Regent Rennebohm, seconded by Regent Renk, it was VOTED, That leaves of absence on pages 15 and 16, listed under Actions by the President, be approved.

Upon motion of Regent Watson, seconded by Regent Laird, it was VOTED, That increases in salary or appointment and decreases in salary or appointment on pages 16 to 18, inclusive, listed under Actions by the President, be approved.

Upon motion of Regent Watson, seconded by Regent Kleczka, it was VOTED, That the changes in title on page 18, listed under Actions by the President, be approved.

Upon motion of Regent Watson, seconded by Regent Laird, it was VOTED, That resignations to accept other U.W. appointments and resignations of summer appointments on pages 18 and 19, listed under Actions by the President, be approved.

The above actions by the President taken since the August 9, 1952, meeting of the Board and approved by the Regents in the foregoing resolutions are made a part of the records of this meeting.

Regent Watson left the meeting to keep a speaking engagement.

President Fred reported on the latest estimate of enrollment for the fall semester pointing out that on the basis of the latest information it appeared that the enrollment in September, 1952, would be larger than previously estimated, particularly in the freshman class. He called special attention to the fact that a considerable number of students to whom permits to register had been issued had withdrawn their applications because they claim there is lack of satisfactory housing in Madison.

REPORT OF THE VICE PRESIDENT OF BUSINESS AND FINANCE

I. Contracts (Confirming Actions)

1. That the Berman-Kern Elevator Company, Inc., Madison, Wisconsin, on the basis of their low bid of \$4892, be awarded the elevator contract for the Volatile Solvent Addition to the Chemistry Building, subject to the approval of the Governor, and that the Vice President of Business and Finance be authorized to sign the contract. (Confirming written approval by the Executive Committee)

2. That the following schedule of costs be approved for improvements under the west stands of the Stadium:

Contract: J. H. Findorff & Son, Inc.	\$11,800
U.W. Service Departments: Electrical Work Plumbing	623 186
Engineering and Contingent	891
Total	\$16,500;

that the contract for improvements under the west stands of the Stadium be awarded to J. H. Findorff & Son, Inc., Madison, on the basis of their low bid of \$14,800; and that the Vice President of Business and Finance be authorized to sign the con-(Confirming written approval by the Executive Committee) tract.

Upon motion of Regent Kleczka, seconded by Regent Rennebohm, actions No. 1 and 2, listed under the report of the Vice President of Business and Finance (I. Contracts - Confirming Actions) were approved, ratified and confirmed.

II. Report of Actions Taken

- In accordance with the authority granted by the Regents on September 27, 1947, for the Vice President of Business and Finance to sign contracts and leases not in excess of \$2500, the following agreements and orders have been signed:
 - a. Fritz Construction Company, Madison Cost-plus contract not to exceed a maximum of \$1500 - Chargeable to #15, University Houses - Removal and Replacement of the Flat Roof on Building No. 9, University Houses.
 - b. Agreement with Mrs. Valeska Whiffen, Rhinelander, for the use of office space at 108 Davenport Street, Rhinelander, by the Extension Center to establish a correspondence study center which will be used in a research project to determine the effectiveness of correspondence study - September 1, 1952 through June 30, 1953, with an option for renewal and a 30-day cancellation clause. (Rental payable from gift funds) -Cost per month \$ 90
 - c. Agreement with Milwaukee Recreation Company Rental of Antlers Ballroom - October 3, 1952 - Welcome Dance, Milwaukee Extension Center -Cost
 - d. Lease from Donald Jensen, Coddington, of 120 acres in Township of Buena Vista, Portage County - April 1, 1952 through November 30, 1952 - for use in connection with operation of Coddington Branch Experimental Station -

Total Cost for Period

125

225

e. TelAutograph Corporation, New York City - Telescriber Service Agreement No. 8226 - use of apparatus and equipment in research work in Department of Psychology -Agreement to remain in force for one year from date of delivery, subject to termination by either party at end of one year -

Monthly Service Charge

\$ 60.50.

Upon motion of Regent Renk, seconded by Regent Arveson, action No. 1 (a) to (e), inclusive, listed under the report of the Vice President of Business and Finance (II. Report of Actions Taken) were approved, ratified and confirmed.

2. Contracts and leases signed with the United States Government for research work, educational programs, and services requested by the Government for military personnel and veterans:

a. Atomic Energy Commission

- (1) Contract No. AT(11-1)-64 Project No. 8 Supplement No. 2 \$10,000 September 1, 1952 through August 31, 1953 Continuation of research in Department of Medical Pathology. (Fund 16D-577)
- (2) Contract No. AT(11-1)-64 Project No. 7 Supplement No. 2 \$30,000 September 1, 1952 through August 31, 1953 Continuation of research in Department of Biochemistry. (Fund 16D-571)

b. Department of the Army - Chicago Ordnance District

- (1) Contract No. DA-11-022-ORD-994 Supplemental Agreement No. 1 Not to exceed \$20,000 (cost reimbursable basis) June 23, 1952 through June 22, 1953 Research in Department of Chemistry. (Contract replaces letter of intent reported to the Regents on July 12, 1952) (Fund 16D-682)
- c. Department of the Army Office of the Surgeon General Medical Research and Development Board
 - (1) Contract No. DA-49-007-MD-370 \$9993 September 1, 1952 through August 31, 1953 Research in Department of Genetics. (Fund 16D-713)
 - (2) Contract No. DA-49-007-MD-348 \$5000 July 1, 1952 through June 30, 1953 Research in Department of Veterinary Science. (Fund 16D-711)

- (3) Contract No. DA-49-007-MD-354 \$5508 September 1, 1952 through August 31, 1953 Research in Institute for Enzyme Research. (Fund 16D-714)
- (4) Contract No. DA-49-007-MD-350 \$5775 July 1, 1952 through June 30, 1953 Research in Department of Medicine. (Fund 16D-712)

d. U.S. Navy Purchasing Office

- (1) Contract No. N600s-p-27835 \$78,300 Maximum Instruction of students for Naval Reserve Officers' Training Corps 1952-53 academic year.
- (2) Contract No. N600s-p-27836 \$2250 Maximum Instruction for commissioned officers of the Regular Navy establishment transferred from temporary commissioned ranks in the so-called "Five-Term Program" 1952-53 academic year.

Upon motion of Regent Rennebohm, seconded by Regent Laird, action No. 2 (a) to (d), inclusive, listed under the report of the Vice President of Business and Finance (II. Report of Actions Taken) were approved, ratified and confirmed.

Regent Renk presented the report of the Educational Committee.

Upon motion of Regent Renk, seconded by Regent Arveson, it was VOTED, That the resignation of Gretchen Ann Magaret, professor of psychology, be accepted; to take effect August 19, 1952.

Upon motion of Regent Renk, seconded by Regent Arveson, the following recommendations of the Educational Committee were adopted:

- 1. That the leave of absence granted to Bryant E. Kearl, associate professor of agricultural journalism, be extended from October 1 to October 25, 1952, without pay.
- 2. That Ralph O. Nafziger, Director of the School of Journalism, be granted leave of absence, without pay, from October 1 to December 31, 1952.
- 3. That the appointment of Harry A. Waisman, associate professor of medicine, be changed from part-time, twelve months' basis at \$6,500 to full time, twelve months' basis at \$9,000, to take effect August 1, 1952; salary to be distributed as follows: \$3,003 charged to IA-IE, \$2,955.33 to 15-65, and \$2,291.67 to 15-301, total for 1952-53, \$8,250.

Upon motion of Regent Renk, seconded by Regent Arveson, it was VOTED, That on an experimental basis a charge for parking permits be inaugurated beginning with the 1952-53 academic year as follows:

- a. Levy a non-refundable fee of \$12 for an annual permit, \$10 for the academic year, \$5 for one semester, and \$2.50 for a summer session. Permits to be issued to about 110% of the spaces available.
- b. Permit departments to pay the fee for any employee who in the opinion of the dean (or comparable authority) is required to use his personal car for official business to a sufficient extent to justify the procedure.
- c. Reserve for visitors a certain number of spaces in each parking area (the number to be determined administratively), and mark such spaces "Reserved for visitors with permits. Obtain permits at Information Booth, Memorial Union."
- d. Continue present methods of issuing permits only to those approved by the dean (or comparable authority).
- e. Continue present practice of assignments to specific areas.
- f. Revise parking ticket to include a statement that penalties for parking without permit do not apply to bona fide visitors, if visitor will sign card, indicate purpose of visit, and mail to Department of Protection and Security. However, penalties will apply for parking in "no parking" areas or for "moving traffic" violations.
- g. Continue the large parking lots on Spring Street as permit areas without charge. In other words, allow University personnel as well as visitors to park in these lots.
- h. Parking lots near the dormitories, which were constructed from dormitory funds and are reserved for dormitory student cars, would be handled in the same way as all of the other parking lots; namely, those receiving parking permits would pay a fee. It probably will be necessary to reserve a larger number of spaces for visitors in the dormitory parking areas than in other areas.
- i. Receipts from parking to be used for maintenance and operation of parking areas and for development of new parking areas.

Regent Renk called attention to the fact that the Regents had asked the Legislature and the Governor for \$500,000 from the next Legislature to provide parking facilities, especially in the two critical areas, for the Wisconsin General Hospital, and for the Memorial Union Building by filling in the lake, and he stated that with that additional amount of parking space plus the money to be obtained from charges for parking the University would be able to provide more parking lots and would be able to do a better job of providing parking than in the past.

Upon motion of Regent Renk, seconded by Regent Arveson, it was VOTED, That upon recommendation of the President and the Committee on Student Life and Interests Lester L. Hawkes be relieved of one-half time in the School of Journalism and assigned to one-half time duties as an Executive Secretary for Student Publications in order to provide the assistance necessary to insure sound financial operation of the various student publications; and that \$3275 be allotted from 1-E Unbudgeted Receipts for one-half time of Professor Hawkes as Executive Secretary for Student Publications during the 1952-53 academic year.

Regent Renk presented the following report regarding improvement of the advisory system:

The Educational Committee is pleased to submit for the information of the Board the following report of progress on improvement of advising in the College of Letters and Science:

Recent developments in the advising program for entering freshmen and sophomores include modification of the old system and the setting up of a pilot study in which the instructor will serve as adviser for the students enrolled in his class.

The course assemblies have been revised. This year students enrolled either in the general courses leading to the B.A. and B.S.
degrees or in pre-education courses will meet on Tuesday, September 16, in 33 different groups instead of in one large assembly as
in previous years. An experienced faculty member will serve as adviser for the group; he will discuss educational objectives, university opportunities, and program planning at the first meeting. This
same faculty member will then assist the student to complete his
registration on Friday morning, September 19. He will also be
available for conferences later if a student wishes to consult him
about individual problems. He will continue to act as the adviser
until the student completes his sophomore year unless the student
is assigned to one of the experimental sections (see description
of Pilot Study), or unless the student requests a transfer to an
adviser whom he knows better.

Each department has designated a senior staff member as the special departmental adviser. No freshman or sophomore advisees will be assigned to him. He will however be available for consultation on Wednesday afternoon of New Student Week and at stipulated times throughout the semester. In effect he will serve as a general adviser for his department. He will handle inquiries from students, and from advisers in other departments, concerning major requirements as well as courses in his department which satisfy degree requirements; he will assist interested students to appraise their qualifications for a major in his subject; and he will maintain a

file of current information regarding professional opportunities for majors.

Some new materials are being prepared for the use of the special departmental adviser. Among these are a digest of policies currently in effect in the College together with the procedure developed for implementing them. He will also be provided with a packet of the materials assembled for the advisers of freshmen and sophomores.

Beginning with the fall semester a folder for each student, together with a copy of his personal data sheet and the high school
transcript, will be given to each freshman adviser. Additional
information such as health reports and six weeks grades will be
provided as soon as a practical means of distribution can be determined. These records will be transferred to the major adviser
as soon as the student designates a major subject. Each adviser
will also receive a packet containing the Adviser's Handbook, current bulletins, and a summary of recent legislation, such as that
governing the enrollment of Korean Veterans.

One pilot study is being set up for the fall semester. In this project the instructor will serve as the adviser for the students assigned to his class for the first semester; he will continue to serve as adviser for these students in subsequent semesters even though the advisees are no longer in his class.

Fifteen sections are definitely scheduled for the fall semester; two more may be set up by the time instruction begins. The following departments are cooperating in this program: Botany, English, Mathematics, Spanish and Portuguese, Sociology and Anthropology, Zoology and Pre-Elementary Education.

The number of students assigned to these experimental sections will be reduced approximately one quarter from the customary number in order to provide additional time for the added responsibilities which the instructor must assume.

Because the class organization cannot be completed in some elementary courses until the results of placement and attainment examinations are available, the assignment of the adviser-instructor will not be made until after the registration period. Therefore the students will register under the old plan. The Associate Dean will then transfer the records from the registration adviser to the adviser-instructor as soon as the class is organized.

Although it has not been possible to make all the improvements desired, it is believed that the changes suggested will result in more effective advising services than in previous years.

Regent Kleczka presented the report of the Business and Finance Committee.

Upon motion of Regent Kleczka, seconded by Regent Renk, it was VOTED, That approval be given to enter into a contract with Edit, Inc., Chicago, Illinois, for the purpose of developing a study guide for the USAFI course in Intermediate Photography, on an actual cost basis not to exceed \$2968, work to be completed within ten months of the date of execution of the contract, and that the Vice President of Business and Finance be authorized to sign the contract.

Upon motion of Regent Kleczka, seconded by Regent Renk, it was VOTED, That the 1952-53 budgets of federal funds for agricultural research and agricultural extension be increased as follows to include additional federal funds appropriated to Wisconsin on account of increases in rural population:

(a) 16B - Agricultural Research:

Salaries	and	wages	\$17,000
Supplies	and	expense	25,855
			\$42,855

(b) 16C - Agricultural Extension:

Salaries and	wages		\$10,758.

Upon motion of Regent Kleczka, seconded by Regent Rennebohm, it was VOTED, That a contract in the amount of \$8685 be awarded to Vogel Brothers Building Company, Madison, low bidder, for the installation of curbs and sidewalks on relocated Babcock Drive, in accordance with the plans and specifications, and that the Vice President of Business and Finance be authorized to sign the contract.

Upon motion of Regent Kleczka, seconded by Regent Rennebohm, it was VOTED, That authority be granted to advertise for bids for the construction of the greenhouses for which the 1951 Legislature appropriated funds.

Upon motion of Regent Kleczka, seconded by Regent Laird, it was VOTED, That subject to the approval of the State Bureau of Engineering and the Governor, the Vice President of Business and Finance be authorized to enter into a contract with such private architects, as the Bureau of Engineering may select in cooperation with University authorities, for the preparation of plans and specifications for the construction of the Commerce Unit of the Social Studies Building; the architects' fees not to exceed the standard A.I.A. rates for architectural work of this type.

Upon motion of Regent Kleczka, seconded by Regent Laird, it was VOTED, That the Executive Committee be authorized to act for the Board in the award of contracts and approval of schedule of costs for construction of the Dairy Barn Unit and related improvements at the Marshfield Branch Experiment Station, bids for which work will be opened on September 17, 1952.

Upon motion of Regent Kleczka, seconded by Regent Laird, it was VOTED, That in accordance with authority granted in Section 20.41(11), Wisconsin Statutes, \$75,000 be transferred from surplus funds in 20.41(1)(e) to the appropriation made by Section 20.41(11), for the purpose of providing funds for the construction of a storage vault for volatile solvents at the Chemistry Building and for related improvements.

Upon motion of Regent Kleczka, seconded by Regent Rennebohm, it was VOTED, That inasmuch as a review of the bids received for fire extinguisher equipment for the storage wault for volatile solvents indicates that none of the bids meets specifications, all proposals received be rejected and authority be granted to request new bids.

Upon motion of Regent Kleczka, seconded by Regent Rennebohm, it was VOTED, That subject to availability of funds and approval of the Governor, the Wisconsin University Building Corporation be authorized to accept the offer of H. J. Morris to sell the Varsity Apartments property located at 415 North Park Street, Madison, for a consideration of \$108,000 including equipment, and that the Corporation be authorized to borrow the funds necessary to pay the purchase price and provide for necessary repairs,

That when the property has been acquired by the Wisconsin University Building Corporation, the President and the Secretary of the Board be authorized to sign the necessary documents for the leasing of the property to the Regents at a rental sufficient to amortize the principal and pay interest over a period of twenty years.

Upon motion of Regent Kleczka, seconded by Regent Rennebohm, it was VOTED, That the approval of the Regents by mail vote for use of Chadbourne Hall for housing for the school year 1952-53 be confirmed as amended to read as follows:

That in view of the pressing need for student housing on the campus for the school year 1952-53, and inasmuch as it has not been possible to complete plans and specifications for a new dormitory to replace Chadbourne Hall, and in view of the recommendations of the State Industrial Commission after a thorough inspection of Chadbourne Hall, be it resolved that the improvements recommended by the Industrial Commission to eliminate certain hazards and to provide greater safety for the occupants be authorized (estimated cost \$4800); that the first three floors only of Chadbourne Hall be continued temporarily as a student dormitory for University women for the school year 1952-53; and that that part of the Regent action of April 11, 1952, in conflict herewith, be rescinded. (It is understood that Charles Sumner Slichter Hall will be used to house women students for the 1952-53 school year as provided in the action approved by the Regents on April 11, 1952.)

Upon motion of Regent Kleczka, seconded by Regent Renk, it was VOTED, That, upon recommendation of the Director of the Division of Residence Halls, the trailer site rentals at East Hill Trailer Camp be increased from \$11 a month to \$13 a month effective September 1, 1952 (electricity charges in addition). This increase is to offset the cost of operation so that all three utility units can be kept open until June 30, 1953.

Regent Renk inquired, in view of the need for re-opening Chadbourne Hall for housing and in view of the number of students withdrawing applications for admission to the University because of lack of suitable housing in Madison, whether the Regents were planning to build additional dormitories, and whether the University should not plan on building new dormitories every few years. It

was pointed out that there were plans to rebuild Chadbourne Hall and that the University could construct dormitory facilities for from 500 to 600 additional students on the basis of the earning power of the dormitory system, but that new dormitories, in the near future, in addition to those which would provide space for from 500 to 600 students, would require subsidies by the Legislature.

The Regents and the officers of the University rose and President Werner read the following resolution in memory of the late Regent Sensenbrenner:

"FRANK JACOB SENSENBRENNER

"We, the members of the Board of Regents of the University of Wisconsin, record with deep sorrow the death of Frank Jacob Sensenbrenner, member of the Board since 1939 and president since 1945. His death called forth oral and written praise from state and national leaders, silent tribute from many who had never known him personally. Citizens of tomorrow, humanly forgetful of specific debts of gratitude, will have a more abundant life because he lived.

"He was born in Menasha, Wisconsin, on December 23, 1864, and died in Neenah on July 22, 1952. During this period of eighty-seven years the growth and achievements of his state and nation are cause for wonderment. No less so are his own achievements and his joy in giving of himself for the benefit of others.

"He was obliged to leave school and go to work at the age of fifteen. When he was twenty-four he joined the Kimberly-Clark Corporation and by 1907, at the age of 43, he was general manager and first vice president. He was president during the period of the company's greatest expansion, 1928-1942; he was board chairman from 1942 to 1945, and continued as a director until his death.

"He was generally considered the dean of the paper industry on the North American continent. He lived, as the New York Times observed, 'a life of creative vision that contributed greatly to the development of two countries.' It was under his influence and that of the late Adolph S. Ochs that the Times joined with the Kimberly-Clark Corporation to build a town in northern Ontario and develop there the Spruce Falls Power and Paper Company, which up to World War II produced all, and still produces the bulk, of the newsprint for that paper. This joint ownership was 'established on a solid foundation of mutual confidence and mutual respect! - a guiding principle for all of Mr. Sensenbrenner's activities.

"Mr. Sensenbrenner was not only a brilliant and successful financier, widely sought after as a director of banks and industrial concerns, but he was also a distinguished citizen and public servant, who, as the Sheboygan Press noted, 'spent his declining years almost exclusively for the public good', finding unceasing zest and joy in a pleasure he rated extremely high - the pleasure of giving. 'Learning the art of giving,' he said, 'will give satisfaction, freedom from worries and fears, and peace of soul.'

"He was Knight Commander of the Order of the Knights of St. Gregory, an honor bestowed by the Vatican for 'distinguished service to the church and state.' The man who had left school at fifteen received three honorary degrees, and served on the governing or advisory boards of four educational institutions: Marquette University, Lawrence College, St. Norbert's College, and the University of Wisconsin. 'A strong faith in God and country, a disarming sense of humor, a liberality unknown to many, an intense belief in the value of education, an insistence on careful and fruitful use of public funds, an abiding confidence in the ability of men to solve problems through cooperation and mutual understanding — these attributes and many more,' in the words of President Fred, 'fitted him well for educational leadership.'

"The life of Frank J. Sensenbrenner is summarized by Governor Kohler as a symbol of 'the classic saga of our nation.' He was also a man. 'F. J., as he liked to be called, was not physically a big man, but wherever he sat, there was the head of the table. He had a quick, clear mind, and no detail was too small for him to consider in his never-ceasing effort to see that every job be done well. 'What is the nub of the matter?' he would ask, shaking his forefinger, and the problem which had seemed so intricate would soon be solved. Like another great American, Benjamin Franklin, whom he resembled in shrewdness, humor, industry, thrift, and vision, he worked well and joyfully. If you can learn to like your work, you will have a vacation 365 days a year, he would say. No one who worked with the man can forget the generosity and zest with which he gave himself, a generosity and zest which was the fruitful growth of his lifelong drive and self-discipline.

"Frank J. Sensenbrenner represents the best and most characteristic tradition originating in the American past, that a man's achievements are limited only by his ability. He also represents, and has contributed immeasurably to, the best hope of the American future. Speaking as members of the Board of Regents, we must emphasize his contribution to the University of his state, the contribution we ourselves have seen him tirelessly make, in which illness could not make him falter, and which triumphantly survives his death. By his industry, his energy, his ability he was in the best sense a self-educated man; and by his vision, his continual living in the always changing

future, he has enriched the education of countless young men and women of today and tomorrow.

"'He believed,' to quote from President Fred's eulogy, 'that a home of learning needs first a house, and devoted boundless time and energy to the University's greatest building program. Often he dipped into his own funds to further the arts and sciences and to improve and beautify our campus.'

"In the future, how many persons, residents of this state and of other states and other countries, will enjoy the beauty of Picnic Point and the Arboretum, in whose acquisition for the University Mr. Sensenbrenner played so large a part? In the future,
how many persons will be affected by the work of the University
of Wisconsin Foundation, for which he campaigned so vigorously?
Above all, in the future, how many students, perhaps unknowing,
will be reached and stimulated and inspired by the strong influence
he exerted to hold the University to the highest possible standards,
an influence of the spirit which spread to all of its branches?
And how far, within the state and beyond it, within the nation and
beyond it, will these students in their turn carry this influence?

"These questions are not to be answered now; specifically they can never be answered. But we, the Regents of the University of Wisconsin, we who have worked with Frank Jacob Sensenbrenner, with proud confidence leave the answers to the future for which he worked."

Upon motion of Regent Rennebohm, seconded by Regent Kleczka, it was VOTED, That this resolution in memory of the late Regent Sensenbrenner be entered upon the record and that a copy in appropriate form be sent to the family of Mr. Sensenbrenner. The motion was adopted unanimously by a standing vote.

Upon motion of Regent Rennebohm, seconded by Regent Renk, it was VOTED, That the officers of the Board prepare a memorandum regarding the Final Report to the Legislative Council on the University of Wisconsin Expansion Program by the State Budget Committee, dated July 29, 1952, to be submitted to each Regent for suggestions; and that the officers of the Board prepare the memorandum in final form and, with the President of the University, submit the memorandum to the State Budget Committee and to the Legislative Council.

Regent Kleczka stated that the members of "The Money Makers Club" of Barneveld, Wisconsin, who had presented a gift for the benefit of the children in the Orthopedic Hospital and who had raised the funds for the gift by cutting forty

acres of thistles, were deserving of special commendation. Upon motion of Regent Renk, seconded by Regent Kleczka, it was

VOTED, That the ten members of "The Money Makers Club" of Barneveld, Wisconsin, and two of their fathers be invited to one of the football games in Madison as guests of the Regents and the President of the University.

The meeting adjourned at 11:05 A.M.

Clarke Smith, Secretary
