The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

2. "HURT" - TAPE 78-9.5

Where does it hurt?

Does your head hurt

Does your eye hurt

Does your ear hurt

Does your neck hurt

Does your arm hurt

Does your finger hurt

Does your stomach hurt

Does your leg hurt

Does your foot hurt

Does your back hurt
