<http://rightsstatements.org/vocab/InC/1.0/>

The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

Small children are sensitive!

HEALTH SCIENCES LIBRARY
UNIVERSITY OF WISCONSIN

MAY 2, 9 2002

1305 Linden Drive
Madison, WI 53706

Knowing the IgE levels
gives even more
information

Welcome and visit our
booth at EAACI 2002 in
Naples and walk
the "Allergy March"
