A PAPER FOR LOVERS OF LAKE GENEVA

ARMISTICE DAY

THE PRINCE OF PEACE

Glory to God in
the highest,

And on earth
peace among men
in whom he is well
pleased... LUKE 2:14

Peace I leave with
you, my peace I
give unto you.

JOHN 14:27

Tomorrow, Friday, November 11th at 11 O'clock you and I will stand at attention, facing the East, in memory of those gallant young men who went to a "War to end Wars" to "A War to Save Democracy", that "There might be everlasting peace".

We have come to picture at the suggestion of the word War a bulky figure of an armed man ready to strike his fellow man and on the other hand of "Peace" as an angel with an appeal for love and mercy. There has been that constant struggle since man came on earth. Cain killed his brother Abel because of jealousy, clan warred on clan through covetousness, tribe pounced upon tribe for certain hunting grounds, nations warred against nation in the struggle for possessions.

We in America answered to call of our leaders to try and bring about through one tremendous effort an end to such wars. However the lessons learned have been of no avail.

We listened to the carefully worded propaganda and were rushed to lands with different customs and languages and told to get busy and end a war, a war that had been going on for four years and seemed a deadlock. We found both sides "dug in" and just holding their own. We fortunately had a general who insisted that if United States were to help it must be given a definite job to do. It's young men could not be sent in to help other troops. It must have its own part in the fighting.

As a result our gallant young men hit a pace that set a pace for the allied troops. "Heaven, Hell or Hoboken for Christmas". There was a job to do, the quicker it was over the better. When Christmas came the war was over and many were on their way home.

The World War is History. What of it? Is the World safe for Democracy? Have wars been ended? Far from it.

I am old fashioned enough to believe that Peace will only come as the teachings of the Master himself become the daily guide of man wherever he may abide on this globe. Our Lord's outlook was not confined to any man made borders, it took in a world full of white men, brown men, yellow men and black men. But first we must learn to live peacefully at home with our neighbors and with a solid front make the advance for Peace in the Lord's way. "Love thy neighbor as thyself".

ARMISTICE DAY, A NATIONAL HOLIDAY

By act of Congress Armistice Day has become a Legal Holiday. As such you are asked to observe it by refraining from the conduct of un-necessary business and at 11:00 A.M. stand at attention in a salute with face toward the East for those who gave their lives in the World War.

Not much is asked. We should gladly do that in memory of the War Heroes. But let us not forget to pray and work to bring about the objectives for which they gave their lives.

LET'S WORK FOR PEACE.

(This is the sixth of a series of stories about the first families of that group who made up the Lake Geneva Summer colony)

Samuel Waters Allerton was born at American Union in Dutchess County, New York on May 26, 1828. He remained on his father's farm until he was eighteen years of age, working in Summer and attending school in Winter. When eleven years of age he found his mother in tears and upon insisting upon the reason was told that she didn't know where the next meal was coming from. From then on he helped with the family income.

He left home to go on his own account in dealing in, raising stock for the market and in two years had been so successful that he had accumulated between four and five thousand dollars.

He heard the call of the West and visited Buffalo, Cleveland and Chicago and full of energy and hope found a new field for his ambition. He landed in Piatt County Illinois where he invested in a cattle ranch. By close attention to business and untiring energy he soon became known as one of the most successful stockmen of the West, and by his own unaided efforts created and guided a most extensive business. From that early date he continued to so manage the increasing cattle business, buying and selling live stock, that he eventually had branches in St. Louis, Omaha, Kansas City, Pittsburg, Jersey City and Baltimore, as well as in Chicago.

In 1860 Mr. Allerton married Miss Padiella W. Thompson of Peoria. They had a son, Robert and daughter Katy R. His first wife died in 1880 and later he married her sister, Agnes C.

Mr. Allerton first appeared on the Tax Roll of the Town of Linn in 1886 having bought from the heirs of Michael Ready about 35 acres on the North Shore. Mr. Chris Madison who was the foreman for Mr. Allerton for nine years, thinks the house was started before 1886. It was a large house made from red wood, for many years was stained with the natural color showing. Several foremen had preceded Mr. Madison. Robert Blackwood of Lake Geneva was the successor of Mr. Madison and spent several years on the estate.

Mr. Allerton was a member of the Board of Managers of the World's Columbian Exposition and with his thorough knowledge of finances, organization, together with practical knowledge of stock and farming, was a real help to the Fair. He was urged for the mayoralty of Chicago in 1893, but lost to Carter H. Harrison, Sr.

He was a director of the First National Bank, Chicago and of the Chicago City Railway Co. and identified with nearly all great undertakings for the benefit of Chicago. He was also a director in Allerton-Clarke Co. and Arcade File Works.

At one time he owned over 40,000 acres of stock farms in Illinois, Iowa and Ohio. His son now lives in Monticello, Piatt Co., Illinois where his father first bought farms.

Mr. Allerton enjoyed his home on Lake Geneva and kept it in beautiful condition. He was quiet, Unostentatious and kind hearted, always ready to help the deserving and needy. Both he and his wife are happily remembered by former employees.

Mr. Allerton died on February 22, 1914. His home was sold to Frederic H. Bartlett and has since been torn down. It was named "The Folly". His boat was called "Time".

WILLIAMS BAY DID ITS PART IN THE ELECTION TUESDAY.

Three hundred sixty four of the citizens of Williams Bay cast their ballots at the election.

251 cast straight Republican ballots, which with others gave for Heil 288. Bolens, Democrat got 16, and La Follette 56.

The vote for U.S. Senator was: Duffy, 33; Ekern, 37; and Wiley, 285.

For Congress: Stewart 22; Wendt 31; and Bolles, 293.

Walworth County Vote:
Bolens 568; La Follette, 2198; Heil, 8211.

Duffy, 1478; Ekern, 1510; Wiley, 7581.

Stewart, 897; F. Wendt, 1437; Bolles, 7713.

Those candidates carried Williams Bay and Walworth County won out in the state and district.

Apparently, the fact that LaFollette was seeking a fourth term had a good deal to do with his defeat. This country looks with suspicion on any one in high office who seeks third terms. It smacks too much of "ego" or might trend to perpetuation of power in one person or group. Even in New York with the powerful machine organization the vote given Thos. E. Dewey showed the feeling of the thinking voter, that no matter how good a governor, Mr. Lehman had been, he was on dangerous ground in seeking a third term, though re-elected by a small majority.

MAN INJURED DIES AT HARVARD.

While driving from Rockford to Williams Bay last Sunday afternoon, the car driven by Clifton Mustin hit a man, named John Darre at Harvard, Ill. According to Mr. Mustin the man was crossing the street in the middle of the block.

Mr. Darre died Tuesday morning.

BARBARA BETZER AND MYRON T. PIEHL UNITED IN MARRIAGE

Miss Barbara Betzer, daughter of Mr. and Mrs. Sterling E. Betzer of Delavan was united in marriage to Myron T. Piehl of Williams Bay, Saturday, November 5th at 5 P.M. The wedding took place at the bride's home before an altar of Chrysanthemums lighted by cathedral candles. Two musical selections, "Because" and "One Alone" preceded the wedding march and the service which was read by the Rev. Clifford M. Fritz, pastor of the Methodist Church of Delavan.

The bride, who was given in marriage by her father, wore a black three piece costume suit trimmed with German fitch and with matching accessories. She wore a corsage of gardenias. Mrs. Robert Betzer, matron of honor, was attired in a three piece, rust colored tweed suit with corsage of gardenias. Robert Betzer was best man.

A wedding reception and dinner followed at the Landmark in Elkhorn with covers for thirty-one.

The bride attended Knox College at Galesburg, Ill. and Stratton business college at Chicago. Mr. Piehl attended the University of Wisconsin. They will be at home after November 10th at their home in Summer Haven, at Williams Bay.

Guests attending the wedding included Mr. and Mrs. Edward M. Schutt and daughter, Joan of Harvard; Mrs. C. H. Betzer and son, Dean Sterling, Libertyville; Mr. and Mrs. Alfred Piehl, Miss Elsie Piehl, and Mr. and Mrs. Harry Schott and daughters, Lucille and Janet of Williams Bay; Mr. and Mrs. A. Hornigold and daughter, Nancy and son, Dick of Wisconsin Rapids; Mr. and Mrs. Richard Blackburn, Chicago; Mr. and Mrs. Gunard Piehl and daughters, Jane and Betty and the Rev. and Mrs. C. M. Fritz of Delavan.

A WMS BAY RESIDENT WRITES FROM THE EAST.

The following letter was received from Ted Johnson, Wms Bay, who is in New York with Mr. and Mrs. Otto Stoffregen, Cedar Point Park, who are there for a visit before going to South America to spend the winter.

"They talk about pretty country in the East, but I'll still say you have to go a long way to beat Wisconsin.

I saw over 500 miles of damage done by the storm along the coast. (September storm). Last Sunday we drove to West Hampton on Long Island, and you wouldn't believe the wind and water could wreck the big homes and buildings like it did. They say the wind blew 150 miles an hour. It will take a long time before it is cleaned up again. Everyone has a half or a whole house that belongs to someone else, in their front yard. Up at Cape Cod, R.L. I saw a house that was two miles from its foundation and boats that were two or three miles from the water, and the trees looked as though a big army tank had gone thru the forests. In New Hampshire and Massachusetts they have telephone men from Kansas and Nebraska and other western states working on the lines.

I was at Lake Placid, N.Y. All the winter sports are miles from the lake itself. The skating they talk so much about is in a big arena, under cover with artificial ice. The Olympic bob sled slide which is two miles long, was almost completely wrecked by the storm, but will be ready for the sports by Christmas. The toboggan slides are all made of wood and only about 8 inches deep. The ski jumps all come down a mountain slope, and it is a slope too. We took in the New York World's Fair and will drive to Washington, D.C. next week.

I don't see how many more automobiles can get into the city or people as well, who take their own time crossing the streets."

Ted Johnson.

ASA G. WILLIAMS DIES FROM INJURIES RECEIVED AT HIS FARM

Asa G. Williams, 50, who was internally injured while working on his farm, Route 3, East Delavan, last Wednesday, died at the Walworth County hospital on Friday morning, November 4. Blood transfusions were given in an effort to save his life. Death was due to hemorrhages in the abdominal cavity. The accident occurred while Mr. Williams was driving horses to hoist hay into the barn on his farm. The equipment became caught inside the barn and Mr. Williams continued to urge the horses forward, under the strain the harness broke and a singletree snapped back striking him in the abdomen.

Mr. Williams was a member of the Walworth County Board, being chairman of several important committees of the board, and was also active as a supervisor. He was also active in the Delavan Lake Grange, and interested in several community activities. Before taking up farming he was a registered pharmacist, being employed in the Fred Tanck drug store in Delavan. He attended Beloit and Marquette.

Mr. Williams was born on the Williams homestead in 1888 in East Delavan.

Funeral services were held at the Lackey, Liddle & O'Brien Funeral Home, Delavan, Sunday afternoon, Rev. C.H. Fritz of the Delavan Methodist church, officiated. Interment was in the East Delavan Cemetery.

Mr. Williams is survived by his wife, Mrs. Maude Williams, his father, Randall Williams, and his step-mother, Mrs. Emma Williams, of Venice, Calif.; three sons, Alton, Richard and Granville; a grandson; two brothers, Ray, East Delavan, and Clifford, Minneapolis.

IN MEMORY OF HELEN AGNES LENNEY,
BY EUGENE and JOSPEH O'REILLY, CHIC-
AGO. RECOMPENSE

We are quite sure
That He will give them back-bright
beautiful and pure;

We know He will but keep
Our own and His until we fall
asleep.

We know He does not mean
To break the strands reaching
between

The Here and There.
He does not mean-the Heaven befall
To change the spirits entering
there,

That they forget
The eyes upraised and wet.
The lips too still for prayer,
The mute despair.

He will not take
The spirits which he gave and make
The glorified so new
That they are lost to me and you.

I do believe
They will receive
Us- you and me- and be so glad
To meet us that when I would grow
sad

I just begin to talk about that
gladness, and the day
When they shall tell us all about
the way

That they have learned to go-
Heaven's pathway show.

My lost, my own, and I
Shall have so much to see together
bye and bye.

I do believe that just the same
sweet face,
But glorified, is waiting in the
place
Where we shall meet, if only I
Am counted worthy in that bye-and
-bye.

I do believe that God will give a
sweet surprise
To tear-stained, saddened eyes,
And that His Heaven will be
Most glad, most tided through with
joy,
for you and me
As we have suffered most.

God never made
Spirit for spirit, answering shade
for shade,
And placed them side by side-

So wrought in one, though separate,
mystified-

And meant to break
The quivering threads between.
When we shall wake,

I am quite sure, we will be very glad
That for a little while we were
so sad.

CASUAL COMMENT

EVERYTHING IS DIFFERENT NOW

The "Man On The Street" used to work with a shovel and now he works with a microphone.

DO YOU BELIEVE IN SIGNS?

A sign hanging over the towel rack in a hotel washroom—"You Can't Take It With You."

SAOUNDS RATHER "FISHY"

A bill is now before the Congress of the United States to abolish round fish bowls. They make the fish dizzy going "round and round" and also have effect on the nerves of the fish, making them ferocious and savage trying to walk around a round fish bowl.

PEOPLES MINDS ARE STILL YOUNG

All the orchestras are playing and the "Blue" singers are singing the old Nursery Rhymes these days—such as "Around The Mulberry Bush", "A Tisket A Tasket", the "Story Book Ball", and many other childish or kindergarten songs. People develop mentally only by right and constructive thinking, so if you use your mind in a small way you will be apt to act accordingly, do little things

SO THEY SAY—

A halfback is what a quarterback would be if he were twice as big.

A stadium is an athletic field with college buildings attached to it.

\$30.00 every Thursday for all over 50 living in California. You know California always has been called "the land of promise."

Travel doesn't always broaden you. Look at the little gold fish, he takes a trip around the globe every day, but keeps just as slim.

MUSEUM PROJECT FOR WALWORTH COUNTY IS BEING CONSIDERED

A meeting was held in Lake Geneva on Wednesday, October 26, when plans were discussed for the formation of a Walworth County Historical Society, which would eventually be large enough to assume sponsorship of the museum.

An organization meeting will be held in Elkhorn on Wednesday evening, Nov. 16. F.M. Higgins, Lake Geneva, has been serving as chairman for the temporary committee, working to arouse interest in the undertaking. Dr. S. A. Barrett, director of the Milwaukee public museum and also director of the Wisconsin State Museum project, has told the part the state might be expected to take in aiding the promotion of the enterprise.

It is proposed to use the old Leiter home in Lake Geneva Manor for the museum. This building is now owned by the county, having been acquired some time ago on delinquent taxes. There are many relics of great value historically in the county for which there is no place secure enough to keep them so that the public may view them at any time.

Many of these valuable historical relics and antiques belonging to people in the County were displayed at the several Centennial celebrations held throughout the county in Williams Bay, Delavan, Fontana and Delavan and Lake Geneva; and at Whitewater in 1937, and at the Walworth County Centennial at the Fair in 1936 at the Log Cabin.

The organization committee is Mrs. Robert Lacey, East Troy; F.M. Higgins, Lake Geneva; Miss Lovinia Barnes, Elkhorn; Riley Young, Darien; Jerome Baker, Whitewater; S.C. Wadmond; Mrs. Chas. Shager, Sharon; Dr. Geo. Van Biesbroeck, Williams Bay; Fred B. Bloodgood, Whitewater, Frank McCay, Walworth.

Every one interested in history and historical exhibits is invited to attend the meeting, Wednesday Nov. 16 at 8:00 p.m. at County Bldg Elkhorn and help organize.

I would call that being "hitched up"
