ADJOURNED MEETING OF THE BOARD OF REGENTS

Madison, Wisconsin

Saturday, April 18, 1942, 9 A.M.

President Glover presiding.

PRESENT: Regents Cleary, Ekern, Glover, Hodgkins, Holmes, Kleczka, Sensenbrenner, Vergeront.

ABSENT: Regents Callahan, Werner.

A communication was presented from Regent Callahan in explanation of his absence. Regent Werner was absent because of the services he is rendering to the Government in Washington.

Upon motion of Regent Cleary, seconded by Regent Vergeront, it was VOTED, That the minutes of the regular meeting of the Board held on March 14, 1942, be approved as sent out to the Regents.

RECOMMENDATIONS OF THE PRESIDENT

- Administration and General -

1. That the following action of the Faculty be approved:

That during the present emergency and upon the recommendation of a departmental committee, the Faculty of the College of Engineering may recommend that a senior be granted his degree short of the 146 specified credits by any number of credits not to exceed ten, provided that in no case will any shortage be approved where credit has been allowed for service in the armed forces or where a request for such credit is anticipated.

Upon motion of Regent Cleary, seconded by Regent Sensenbrenner, adopted.

2. That the following actions of the Faculty be approved:

- (a) Amendments to the constitution of the Wisconsin Union.
(EXHIBIT B, attached.)

Upon motion of Regent Cleary, seconded by Regent Sensenbrenner,
adopted.

- (b) Report of the Special Committee on Correlation of the
requirements in Military Science and Physical Education,
as revised. (EXHIBIT C, attached.)

Upon motion of Regent Sensenbrenner, seconded by Regent Cleary,
adopted.

3. That the war memorial presented by the Student Board be accepted.

Upon motion of Regent Cleary, seconded by Regent Kleczka, adopted.

- Dean of Men and Dean of Summer Session -

1. That S. H. Goodnight, dean of men and dean of summer session, be
granted leave of absence for one month, with pay, beginning April 11, 1942,
because of illness.

Upon motion of Regent Ekern, seconded by Regent Holmes, adopted.

- Gifts and Grants -

1. That the following gifts and grants be approved:

- (a) \$ 2,400.00 - \$1200 from the Abbott Laboratories, North Chicago,
Illinois, and \$1200 from the Lilly Research
Laboratories, Indianapolis, Indiana, for research
in the purification of the follicle stimulating
hormone of the anterior pituitary gland, in the
department of zoology under the direction of
Professors R. K. Meyer and W. H. McShan,
beginning July 1, 1942, and that the Comptroller
be authorized to sign the agreement.

- (b) \$ 6,000.00 - The Rockefeller Foundation, for researches on somatoplastic sterility as a cause of seed failure and on double fertilization in flowering plants, in the department of genetics, under the direction of Professor R. A. Brink, from April 15, 1942 to April 14, 1945.

Letter on File

- (c) 32,500.00 - Wisconsin Alumni Research Foundation for the support of research for 1942-43, as follows: Professorial research, \$20,000; Apparatus, \$5,000; University Press, \$7,500.

Letter on File

- (d) 200.00 - The Agicide Laboratories, Inc., Milwaukee, for research on pea aphid control in the department of economic entomology, under the supervision of Professor H. F. Wilson. (15B)

*Agreement in
Gift File*

- (e) 1,000.00 - Williams-Waterman Fund of the Research Corporation, New York, for research on nicotinic acid from wheat, in the department of biochemistry, under the direction of Professors F. M. Strong and C. A. Elvehjem, and that the Comptroller be authorized to sign the agreement.

*Agreement in
Gift File*

- (f) 1,700.00 - American Potash Institute, Inc., Washington, D. C., for the renewal of industrial fellowship, for the study of boron as a fertilizer under Wisconsin conditions, in the departments of soils and plant pathology, under the direction of Professors Emil Truog and J. C. Walker, from March 1, 1942 to March 1, 1943, and that the Comptroller be authorized to sign the agreement.

*Agreement in
Gift File*

- (g) 750.00 - Monsanto Chemical Co., St. Louis, for the establishment of the Monsanto fellowship in chemistry for the study of catalysis of organic chemical reactions, under the direction of Professor Homer Adkins, for the year 1942-43, and that the Comptroller be authorized to sign the agreement.

*Agreement in
Gift File*

- (h) 1,100.00 - McConnon & Co., Winona, Minnesota, for the renewal of industrial fellowship in economic entomology for studies on pea aphids control, under the direction of Professors J. H. Lilly and T. C. Allen, from April 1, 1942 to February 1, 1943, and that the Comptroller be authorized to sign the agreement.

- (i) \$ 50.00 - Junior Division, University League (Mrs. Volmer H. Sorensen, Treasurer) to continue their scholarship. (15B)
- (j) 250.00 - American Foundrymen's Association (George H. Dreher, Secretary), addition to their loan fund.
- (k) 1,250.00 - A. W. Meyer, Palo Alto, California, for the establishment of the Louise Wiepking Meyer loan fund. (A further amount, to be credited to this fund, will be paid to the University when Miss Meyer's will is probated.)
- (l) 750.00 - Harshaw Chemical Co., Cleveland, Ohio, establishment of a fellowship in chemistry, beginning July 1, 1942, for study on flourine chemistry, under direction of Professor S. M. McElvain, and that the Comptroller be authorized to sign the agreement.
- (m) 500.00 - Wisconsin Utilities Assn., Milwaukee, renewal of a fellowship in the Dept. of Chemical Engineering, 1942-43, under the supervision of Professor O. L. Kowalke.
- (n) 400.00 - American Society of Heating and Ventilating Engineers, New York City, continuation of program for study on air distribution and air friction, 1942-43, in Dept. of Mechanical Engineering, under direction of G. L. Larson.
- (o) 200.00 - Pure Milk Assn., Chicago, Ill., establishment of four scholarships, \$50 each, for farm short course students, November 16, 1942 to March 13, 1943, and that the Comptroller be authorized to sign the agreement.

Upon motion of Regent Kleczka, seconded by Regent Ekern, recommendation No. 1 (a) to (o) under Gifts and Grants was adopted.

- Research -

1. That the contract between the University of Wisconsin and E. G. Hastings, professor of agricultural bacteriology, for research investigations during the year 1942-43, beginning September 12, 1942, half-time; at a salary of \$2700 for the period; charged to the research budget, be approved. (Professor Hastings will be retired from active service June 30, 1942.)

Upon motion of Regent Sensenbrenner, seconded by Regent Kleczka, adopted.

- Degrees -

1. That in accordance with the certification of the Registrar degrees be granted as shown in EXHIBIT D, on file.

Upon motion of Regent Sensenbrenner, seconded by Regent Kleczka, adopted.

The Secretary presented the matter of the negotiations with W. H. and W. B. Barritt of Barron, Wisconsin, for the purchase of the Krahenbuhl Farm for a consideration of \$9500 - \$1000 to be paid in cash and the balance amortized over a period of years. It is understood that if part of the down payment is used for remodelling and alterations of buildings, one-half of the down payment would be waived for a period of one to two years. Upon motion of Regent Holmes, seconded by Regent Cleary, it was VOTED, That the sale be approved.

Regent Holmes brought up the action taken by the Regents on May 5, 1937, with reference to retirement. Upon motion of Regent Holmes, seconded by Regent Kleczka, it was VOTED, That the action of May 5, 1937, be amended to read as follows:

Let of previous Resolutions on file

The date of retirement for a faculty member serving on an indefinite appointment on the twelve-month basis shall be the end of the fiscal year during which he reaches his seventieth birthday; the date of retirement for a faculty member serving on an indefinite appointment on the ten-month basis shall be the end of the fiscal year during which or within two months of which (August 31) he reaches his seventieth birthday. His retirement shall be automatic. The Regents, however, reserve the right to terminate or modify the appointment of any individual between the ages of sixty-five and seventy when such action seems to them desirable. Anyone retired as aforesaid may be employed after such retirement for special service on special contract at the discretion of the Regents, but not as a member of the regular staff.

President Dykstra presented the Campus Development Plan as prepared by the Wisconsin State Planning Board and copies were distributed to the Regents. Upon motion of Regent Ekern, seconded by Regent Holmes, it was

VOTED, That the Regents express their appreciation to the State Planning Board for this work and that the plan be accepted and adopted as a general plan for campus development, subject to corrections from time to time.

The President then suggested that a resolution which would provide for a University Planning Commission, representing the Regents, Visitors, and perhaps some faculty and alumni, be initiated by some committee of the Board to be presented at a future meeting so that there will always be someone in touch with building projects at the University. Upon motion of Regent Cleary, seconded by Regent Sensenbrenner, it was

VOTED, That this matter be referred to the Constructional Development Committee.

Comptroller Peterson made the following report on what had been done in regard to the telephone rate case:

The President of the Board, the President of the University, and the Comptroller acting in accordance with authority granted by the Regents at the meeting held on March 14, 1942, have employed G. R. Willet and Company of Chicago to study the telephone equipment and service requirements of the University and to represent the University for the Public Service Commission in the rate case now before them. The terms of employment are on a month to month basis, at a fee of \$250 per month and \$25 additional per day, which includes expenses, for each and every day the firms works away from their Chicago office on University of Wisconsin communication problems. The agreement is effective April 3, 1942, and may be terminated at the end of any thirty-day period by written notice to that effect.

Upon motion of Regent Sensenbrenner, seconded by Regent Hodgkins, the report was adopted.

The President reported upon a communication from the United States Treasury Department regarding voluntary payroll deductions for the purchase of United States Savings Bonds by University employees. Upon motion of Regent Sensenbrenner, seconded by Regent Kleczka, it was

VOTED, That the Comptroller be authorized to set up such a plan at the University and to designate a Treasurer of the funds.

The President brought up the matter of the tender of the gift to the University by the Board of Directors of Morningside Sanatorium located on Highway 51, East of Madison, which was referred to the Finance Committee and Regent Cleary at the meeting of the Board held on March 14, 1942. Regent Hodgkins stated that he had gone over the property with Regent Cleary, Dr. Coon and Superintendent Gallistel and explained that the cottages were of frame construction, that there was no adequate water supply for fire protection and that the sewage disposal system was also inadequate. He stated it was the feeling of the committee that under present conditions, with the need for capital investment in the University proper, it would be unwise for the University to assume the burden of capital expenditures necessary to put Morningside Sanatorium in such shape that it could be operated by the state (it would require expenditures of at least \$50,000 to put the property in condition to meet the state standards) and that it was the recommendation of the committee and Regent Cleary that under these conditions the University at this time should decline the tender. Upon motion of Regent Sensenbrenner, seconded by Regent Kleczka, it was

VOTED, That the report and recommendation of the Finance Committee and Regent Cleary be adopted and that the Secretary communicate with Dr. Frost and the other members of the Board of Directors of the Sanatorium thanking them for their generosity in making this offer to the University.

A report on research by Dean E. B. Fred was presented by President Dykstra and copies were distributed to the Regents. (Copy on file.)

President Dykstra called attention to the report of the Director of Publicity, copies of which were presented to the Regents. (Copy on file.) *Pres. Dykstra*

The matter of the orchard on Picnic Point was discussed. Upon motion of Regent Cleary, seconded by Regent Hodgkins, it was

VOTED, That the Comptroller arrange for the spraying of the trees and whatever conservation is required to protect them.

Upon motion of Regent Sensenbrenner, seconded by Regent Hodgkins, it was

VOTED, That the actions taken by the President since the March 14, 1942, meeting of the Board, which were sent out to the Regents, and the additional actions taken by the President presented today be approved and made a part of the records of this meeting.

President Dykstra explained the arrangement for course V-1 which may be substituted for R.O.T.C. and is available to recruits who have signed up for other service. Upon motion of Regent Kleczka, seconded by Regent Holmes, it was

VOTED, That the request of the United States Navy to establish a V-1 program at the University be approved and that in accordance with statutory provisions for exemptions from required military training, freshmen and sophomore men may substitute enlistment in V-1 or other similar defense courses for basic R.O.T.C.

The Regents, however, expressed the hope in connection with this action that these enlisted men be urged to take the Basic R.O.T.C. work for the advantages it would be to them in various ways. Students electing R.O.T.C. are to pay the equivalent of commutations withheld by the government.

The President presented the request of Dean William S. Middleton for a leave of absence to enable him to enter war service. Upon motion of Regent Hodgkins, seconded by Regent Cleary, it was

VOTED, That the request be approved.

Regent Glover made the following statement -

We recognize Dean Middleton as a great leader. He has built us a great Medical School. His conscience calls him to service because in the first World War he had a lot of experience in treating war patients and he feels it is his sacred duty to answer the call of Uncle Sam. I am happy that we have granted him this leave of absence. The Board felt that a few words, of course, would be appreciated, but we wanted to have something more by which he could remember our appreciation of his long and faithful services to the University. The Regents have purchased this watch which will be presented to him as a token from the Board of Regents.

It was later arranged that the presentation would be made by President Dykstra at a staff meeting of the Medical School on Wednesday, April 22nd.

President Dykstra reported upon the resignation of Professor John D. Hicks of the History Department who has accepted a call from the University of California. Upon motion of Regent Sensenbrenner, seconded by Regent Cleary, it was

VOTED, That his resignation be accepted, effective at the close of the academic year 1941-42.

President Dykstra read a letter from Sumner Rogers, of Little Rock, Arkansas, son of Lt. Col. H. L. Rogers, Jr., to Governor Heil, regarding exemption from non-resident tuition. Upon motion of Regent Holmes, seconded by Regent Sensenbrenner, it was

VOTED, That the Secretary be requested to write the Governor with reference to the matter.

Correspondence
File President Dykstra again brought up the matter of the use of University shops for training students from Chanute Field, which was referred to the Executive Committee by the Board on March 14, 1942, with power to act. Upon motion of Regent Sensenbrenner, seconded by Regent Ekern, it was

VOTED, That the use of the shops for this purpose, as submitted to the commanding officer of Chanute Field, be approved. *Army* ✓ *N.D.*

Correspondence
File President Dykstra presented a communication from Dean Christensen outlining a gift from L. R. Jones, Emeritus Professor of Plant Pathology, to the University, of his personal library of scientific works. Upon motion of Regent Cleary, seconded by Regent Holmes, it was

VOTED, That the gift be accepted and that the Secretary express the appreciation of the Regents to Professor Jones for this generous gift.

The following recommendation was presented by President Dykstra:

Agreement
Left File That the memorandum of agreement between the Heyden Chemical Corporation, Garfield, New Jersey, and the University of Wisconsin, relative to the continuation of an industrial fellowship in agricultural bacteriology and biochemistry for a study of the production of citric acid by fermentation process, July 1, 1942 to June 30, 1943, under the direction of Professors I. L. Baldwin and W. R. Peterson, be approved, and that the Comptroller be authorized to sign the agreement. (\$2200 to be paid in one installment on or before July 10, 1942.)

Upon motion of Regent Kleczka, seconded by Regent Vergeront, adopted.

The Comptroller presented a communication from the National Park Service regarding the continuation of the custodianship of the CCC Camp buildings at the Arboretum by the University for the year beginning July 1, 1942. Upon motion of Regent Sensenbrenner, seconded by Regent Vergeront, it was

VOTED, That the National Park Service be advised that the University wishes to continue the custodianship.

A report on the development at the Arboretum was distributed to the Regents.

The President reported upon the unanimous recommendation of the Honorary Degree Committee of the Faculty for the granting of an Honorary Degree of Doctor of Laws to General Douglas MacArthur on June 1, 1942, and recommended the approval of the award. Upon motion of Regent Sensenbrenner, seconded by Regent Cleary, it was

VOTED, That the recommendation be approved, the President to work out the details.

Upon motion of Regent Cleary, seconded by Regent Ekern, it was

VOTED, That the meeting of the Board scheduled for May 9th be adjourned to the date of the regular meeting scheduled for May 30, 1942.

Regent Cleary brought up the request of the Secretary of the Alumni Association for an appropriation covering alumni dues of graduates during the first one or two years after graduation. Upon motion of Regent Cleary, seconded by Regent Sensenbrenner, it was

VOTED, That this matter be laid over for further consideration and study.

Regent Cleary presented the following recommendation:

That the terms of appointment of the President of the University approved by the Regents on March 18, 1937, be amended to provide that effective May 1, 1942, the University will pay up to and not to exceed \$3000 per year of household maintenance of the President's residence, and for conferences and similar expenses in Madison. (This is in addition to expenses outside of Madison, and for student and faculty entertainment.)

Upon motion of Regent Cleary, seconded by Regent Kleczka, the recommendation was adopted.

At 12:20 P. M. the meeting adjourned.

The Regents were entertained at luncheon at 12:30 P.M. at the Home Management House, the guests of Miss Zuill.

M. E. McCaffrey,

Secretary.

DOCUMENT 644 - April, 1942

PROPOSED AMENDMENTS TO CONSTITUTION OF THE WISCONSIN UNION

Two amendments to the Wisconsin Union constitution are submitted herewith for the consideration of the faculty. Amendments to the constitution require the approval of the student body at a general election, approval of the faculty and of the regents.

The first amendment (section 1 below) was duly passed by the student body at the general spring election of 1941 by a vote of 867 to 368. The second amendment (section 2 below) was duly passed at the fall election of 1941 by a vote of 2,167 to 887. (The phrases crossed out represent deletions from the existing constitution and the phrases underscored represent new provisions):

"ARTICLE IV - GOVERNMENT

"Section 1 - The Union Council

"The Union Council shall be constituted as follows:
Four students, ~~one-a-graduate-student-and-at-least-one-a~~
~~woman-student~~, in charge of Union House Committee or Club
activity and ~~elected-by-the-members-of-the-outgoing-Union~~
~~Council~~ elected as officers of the Union Directorate as
provided in the By-Laws.

"One student elected as President of the Union
Council under Section 2 of Article IV.

"Section 2 - The Officers and their Duties

"The officers of the Union Council shall be as follows:
President -- A student elected by the members of the outgoing
~~and-incoming~~ Councils as provided for in the By-Laws."

DOCUMENT 645 - April, 1942

REPORT OF SPECIAL COMMITTEE ON CORRELATION

In view of the national emergency, the committee on correlation of requirements in military science and physical education, appointed under faculty vote of June 19, 1941, recommends:

(1) That male undergraduates be required to take two "hours" of physical education per week during each semester of their residence at the University.

(2) That male undergraduates certified as physically unfit by the Department of Student Health be exempted from this requirement.

(3) That juniors and seniors enrolled in an advanced ROTC course be exempt from this requirement.

(4) That students declared ineligible for the basic ROTC course, but not exempted under section (2) above, be held to the physical education requirement only during the freshman and sophomore years, unless accepted by a Selective Service board, in which case the requirement will revive for the remainder of their residence at the University.

All male freshmen and sophomores are required by statute to take the basic ROTC course (unless excluded by the Military Department on the recommendation of the Department of Student Health).

Your committee further recommends:

(5) That the required physical education course for men and the basic ROTC course each carry zero credits per semester, and that the advanced ROTC courses carry credit as at present.

(6) That a standing Committee on Correlation consisting of the commandant, the director of the required physical education program for men, the director of student health, and four other professors be appointed by the President to make adjustment of requirements in military science and physical education, with power to grant exemptions from the physical education requirements to all students who, from semester to semester, demonstrate their physical fitness; and to report annually to the Faculty on the nature and progress of their work.

(7) That these requirements go into effect at the opening of the academic year 1942-43 and remain in force until the close of the academic year in which peace is declared, and continue thereafter until modified by the Faculty.

PURPOSE OF THE FOUR-YEAR REQUIREMENT IN PHYSICAL EDUCATION FOR MEN

by A. L. Masley

(To accompany report of the Special Committee on Correlation)

1. The young men of the United States are being called to the service for war. The number subject to military induction will increase very greatly in the next year or two, and therefore it is imperative that these young men become as fit as possible physically, mentally, and emotionally.

2. Health examinations of draftees for the formal defense units of the United States reveal that one of every three men is unfit for military duty. Many of their defects are due to lack of intelligent health behavior. Other studies show that a great national emergency increases mental and physical tensions in any population. Such conditions tend to produce an exhausted people. On the other hand we have learned that regular participation in physical activities results in a heightened fatigue resistance. Our Department of Physical Education exists to meet the emergency.

3. It is proposed that the program of physical education for men at the University of Wisconsin be extended to the point where it begins to approach adequacy. It is not intended that the major content of the present program be completely changed, but rather extended or diversified, intensified and improved, both in scope and in execution, to include activities that will be of use to young men who may soon be in the armed forces of the United States. It should be intensified largely through a greater emphasis on dosage, training, and time allotment than is possible under present conditions.

The Proposed Activity Program

For Freshmen: -- Physical Fitness.

A conditioning course for body development and basic skills such as running, jumping, climbing, swimming, tumbling, throwing, etc., for all freshmen^{men} found deficient in strength, power, endurance, speed, and agility.*

For Sophomores: -- Sport Skills, Sports, Self-Defense Activities.

1. Sport Skills: Apparatus, Badminton, Basketball, Cross Country, Diving, Fencing, Golf, Handball, Life-Saving, Swimming, Tennis, Track and Field, Tumbling, Volleyball.
2. Sports (individual): Same as (1) above.
3. Sports (team): Baseball, Basketball, Soccer, Softball, Touch Football, Volleyball.
4. Self-Defense Activities: Boxing, Wrestling, Hand-To-Hand Combat.
5. Intramural Activities.
6. Physical Fitness (if desired).

For Juniors and Seniors:

1. Varsity Sports.
2. Intramural Sports.
3. Sports Skills, Sports, Self-Defense Activities.
4. Physical Fitness (if desired).

* Sophomores, Juniors, and Seniors may substitute the Freshman Physical Fitness Program if they so desire.
