## POSTAL INFORMATION

FIRST CLASS includes all letters and sealed parcels, except, parcels sealed under special permission (with approved label). Writing within a parcel makes it first class, except that DEALERS or MANUFACTURERS may inclose a single invoice in a parcel and still retain 4th class rates.

Typewritten work and carbon copies are first class matter.

First class mail may be registered or sent C.O.D. but cannot be insured.

RATES: 3 cents for each ounce or fraction of an ounce; for local delivery, 2 cents; for local delivery where no delivery is made by carrier 1 cent.

SHORTPAID matter. First class matter mailed shortpaid one rate (3¢) shall be rated 3 cents due for collection upon delivery, and four cents due for each

ounce when shortpaid more than one rate  
**POST CARDS.** 1¢ each, if within government size limits.

**BUSINESS REPLY CARDS.** Ordinary, 2 cents each; Air Mail 7 cents each.

**BUSINESS REPLY ENVELOPES** ordinary or Air Mail; 1 cent additional to regular postage.

**SECOND CLASS.** Complete copies of newspapers or periodicals, entered as Post Office as second class matter. When mailed by other than publishers, 1¢ for each two ounces or fraction thereof, regardless of weight or distance, or parcel post rate if cheaper

**THIRD CLASS** includes circulars, and other matter wholly in print, (except second class publications), proof sheets, corrected proof sheets and manuscript accompanying same, merchandise (including farm and factory products) and all other mailable matter not included in the first, second, or fourth classes. Weight limit of this class: 8 ounces 1½¢ for 2 oz. or fraction thereof. Over 8 ounces the fourth class (**PARCEL POST**) rates apply.

**BULK THIRD CLASS,** not less than either 20 pounds or 200 separately addressed identical pieces.

**MISCELLANEOUS.** 12 cents each pound or fraction, but not less than 1¢ per piece  
**BOOKS, SEEDS, PLANTS, ETC.,** 8¢ each lb or fraction, but not less than 1¢ per piece.

Matter mailed at bulk rates cannot be Registered or Insured or send C.O.D. It must be separated by states and offices.

**BOOKS.** New low rates have recently been established by Presidential Proclamation to continue until June 30, 1939 subject to a further extension by Congress. The rate is 1½¢ a pound or fraction thereof, irrespective of the zone. The New Order is so important and has such possibilities for good that we are giving the whole text of the Order.

"2½. Books consisting wholly of reading-matter and containing no advertising matter, other than incidental announcements of books, in parcels not exceeding 8 ounces in weight and otherwise conforming to the conditions set forth in section 572½, may be mailed for the period November 1, 1938 to June 30, 1939, inclusive at the postage rate of 1½¢ a pound or fraction thereof where such rate is less than that chargeable under existing regulations.

"572½ The postage rates on books consisting wholly of reading matter, containing no advertising matter other than incidental announcements of books, when mailed under such regulations as the Postmaster General may prescribe shall be for the period commencing November 1, 1938, and ending June 30, 1939, 1½ cents per pound or fraction thereof, irrespective of the zone of their destination.

"2. A book within the contemplation of this section, shall be a cloth- or paper-bound volume having 24 or more

pages, of which at least 22 are printed, and shall not contain ruled or blank pages intended for records or memoranda purposes.

"3. The permissible additions to and enclosures with fourth-class matter as set forth in section 574 shall also be permissible in the case of books mailed under the provisions of this section."

### AIDS TO PROPER MAILING

Write name and address plainly and completely. Place name and address of sender on all matter. Prepay postage fully on all letters and parcels. Use street and number in return address on your envelope and also on letterheads.

Always address mail for city delivery to street and number and request correspondents to do likewise. Use designation North or South East or West when it is a proper part of the address and save delay in delivery. Insure valuable parcels.

Wrap parcel post carefully in heavy paper and tie knots securely. Do not use odd or diminutively sized cards or envelopes. You will often gain a day's time in delivery by depositing mail as soon as it is ready.

**AIR MAIL--** Domestic Air Mail postage rate is 6¢ for each ounce or fraction thereof, regardless of distance or routing.

This figure includes all transportation to and from the various routes which now reach directly or indirectly, most of the important cities in the country.

All Air Mail may be sent Special Delivery and it is recommended for late afternoon, week end and holiday arrivals.

Although Air Mail is used mainly for letters any mailable matter up to 70 pounds in weight and not exceeding 100 inches in length and girth combined may be carried (excepting such articles as are subject to damage by freezing)

In order that Air Mail may be quickly recognized and identified the Post Department urges the use of distinctive Air Mail stamps, and distinctive Air Mail envelopes (with horizontal red white and blue parallelogram borders) or similarly striped labels.

If ordinary envelopes are used, it is recommended that two horizontal blue lines be drawn across the envelope, not less than 1 1/8 inch from the top. Envelopes must be prominently marked "VIA AIR MAIL"; parcels, in addition, must be sealed, although the latter may be sent as Insured or C.O.D. if otherwise conforming to third or fourth class requirements.

All Air Mail may be registered.  
**FEES IN ADDITION TO REGULAR POSTAGE.**  
**Special Delivery**

**FIRST CLASS ONLY--** 2 pounds or less, 10¢ Over 2, not over 10 pounds, 20¢ Over 10 pounds, 25¢.

**Senders' Receipt FOR DOMESTIC ORDINARY MAIL**

A receipt (certificate of mailing) is furnished the sender of domestic ordinary mail of any class upon payment of one cent for each piece. This fee does not insure against loss, rifling or damage but merely furnishes evidence of mailing, and no receipt will be obtained from the addressee on delivery.

Additional duplicate receipts may be obtained upon payment of one cent each.

**FOURTH CLASS--PARCEL POST**

Fourth Class Parcel Post includes printed matter, merchandise and all matter weighing in excess of 8 ounces except first class, second class and second class transient matter.

Parcels are limited to 100 inches in length and girth combined with a weight limit of 70 pounds. The minimum rate on parcels between 84 and 100 inches in the ten pound rate.

The Domestic Parcel Post offers a convenient, quick and efficient means of transporting mailable parcels to any Post Office in the United States or its possessions. It is delivered on all rural routes. Parcels may be insured, sent C.O.D., Special Delivery, or Special Handling, for a small fee in addition to regular rates.

### FREIGHT BY RAIL

Freight in Less Than Car Load (L. C. L.) is moved (door to door) over long distances in surprisingly short time. Freight delivered by about 4 P. M. arrives Chicago St Paul Minneapolis or Duluth the following morning. Second morning delivery may be expected in St. Louis Indianapolis Cincinnati Detroit and many other points where package cars are routed by Connecting Lines.

Freight arrives on the East Coast the following morning quite consistently and the eighth or ninth morning on the West Coast.

Over long distances Car Load freight moves somewhat faster.

### TRANSPORTATION BY TRUCK

Movement of Freight by motor truck under the regulations governing Common Carriers and has become highly specialized (See "Common Carriers" in the Classified Section).

Direct lines have been established to Milwaukee Chicago, Wausau, St. Paul and Minneapolis to which points overnight service is available. Connecting lines run practically everywhere.

## FACTS ABOUT YOUR LOCAL BUILDING & LOAN ASSOCIATION

### FOR THE INVESTOR:

1. Has paid regular consecutive semi-annual dividends since organization in 1893.
2. Dividends have averaged 5%.
3. No one has had to wait for their money when withdrawing.
4. Our funds are all invested in Twin City first mortgages.

### FOR THE BORROWER:

1. No red tape in borrowing.
2. Easy monthly payments as low as \$8.00 per month, interest and principal, per \$1000 borrowed.
3. Have built up a reputation for "fair dealing" which is substantiated by performance.
4. We never sell our building and loan mortgages - consequently the borrower always deals directly with us.
5. We will never ask for the borrower to pay up the unpaid balance of his mortgage - in other words we guarantee him the right to make regular monthly payments until the loan is paid.

*"Ask your neighbor or fellow worker about us."*

1. Safeguarding the nutrition of children is fundamental to the future of a nation.
2. Nothing plays so large a part in our well-being as MILK.
3. MILK is the important single food in diet under all conditions.
4. MILK must be good food for body building because all animal life starts on MILK.
5. When money is scarce it is even more important to buy MILK. It is your most economical and protective food.
6. When buying MILK products, buy the best. Insist on MARTEN'S.
