THE KARNEA BETA GAMMA

WISCONSIN DELT REUNION

Karneia-Chicago-Aug. 26-29

Doesn't that make you think of something? Of the room-mate of college days who still owes you money and who may pay it if you meet him face to face? Of the old scouts who used to make college worth while and who will all be at the Karnea? Can YOU stay home while all of the good old Delt gang are in Chicago getting re-juvenated? ~~Of course~~ you can't and you will be there with both feet and a pocket full of lettuce. Have you ever seen "Mike" Dahle in real civilized clothes? He will appear in a hand-me-down at the Karnea for one night only—Aug. 26, the night of

the Beta Gamma dinner. Notify R. P. Fischer, 764 Grand Ave., Waukegan, Ill., that you are coming. Have you gazed on "Reggie" Fischer and "Tub" Nevius since they started to work? If you haven't, you have missed the eighth wonder. Come and meet "Willie" Tichenor, our auburn freshman, who is giving odds that he graduates before "Peanut" Edwards. And "Alf" Rogers, politician, "Baron" Henning, "Dad" Clark, Morey, "Auntie" Hewitt and all of the old scouts will be there. "Barkeep" Bill Krape, the Freeport multi-millionaire, is coming. And hush! it is rumored that "Evelyn" Montgomery has finished her thesis and may break away from a few of the co-eds who are engaged to and grace us with her society's presence. "Dutch" Hoffmann, Benedict and German grocery king, will sing his Oriental Jewee

song at the Beta Gamma dinner, and maybe—remember I only say maybe—Hammy, of Roses in the Garden fame, will make a speech. Come and see "Pete" Fischer fall out of his chair. Have you ever seen Jack Kind, the unkissed, in a flannel shirt? Come. "Artie" Gundell weighs 190, but he won't miss the Karnea.

The Karnea starts Monday, Aug. 26, with the Beta Gamma dinner. Aug. 27—Boat trips on the lake. Aug. 28—Banquet at the Congress Hotel. Aug. 29—Invasion of the White City. Better come and sympathize with "Cully" Keuhmsted. He's doing real work now.

Come to the gathering of the scouts in Chicago. There are no quitters in Wisconsin.

THE BETA GAMMA

Vol. III.

MADISON, WIS., MAY 15, 1907.

Number 3

Published by the Beta Gamma Chapter of Delta Tau Delta at Madison, Wis., in the Interest of the Alumni and Actives of the Chapter.
H. G. MONTGOMERY, Editor.

THE PRESENT HOME OF OUR CHAPTER.

The Delta Tau Delta Corporation was organized on the first day of February, 1905, for the purpose of purchasing a permanent home for the Beta Gamma chapter at Madison. The present officers of the corporation are as follows: Alfred T. Rogers, Pres.; Chas. G. Riley, Vice-Pres.; Owen C. Orr, Secy. & Treas.; the alumni directors are Edw. J. Henning, Chas. G. Riley, Alfred T. Rogers; active chapter directors, Owen C. Orr and Walter A. Rehm.

Within one year the Corporation bought for twelve thousand dollars (\$12,000.00) the present house, with its lot of forty-four feet on Mendota Court and extending back to the lake; also the vacant adjoining lot on the west of forty-four feet and extending back to the lake was purchased for three thousand nine hundred dollars (\$3,900.00), thereby making a total cash consideration of fifteen thousand nine hundred dollars (\$15,900.00). To obtain title to this property about five thousand dollars (\$5,000.00) has been paid. The remainder is payable over a period of years at 5% interest. We have thus secured a building spot of

eighty-eight feet on Mendota Court and the corresponding lake shore on Lake Mendota. The location is beautifully adapted for a fraternity home, being three blocks from the campus and in the best Latin quarter.

Since our first great effort, by which our home was purchased, less than four hundred dollars (\$400.00) have been subscribed. Does this mean that when seventy-eight brothers can, by their efforts, raise over one-third the total amount, the eighty remaining brothers can only subscribe four hundred dollars more? Fellows, it means that over one-half of the initiated members of Beta Gamma have not enough interest to subscribe for one single cent, with the exception of a very few who are financially unable. Why not subscribe for five or ten dollars, if you cannot give more, and there are very few indeed who cannot "come through" with a twenty-five. Below is seen our roll of honor. See that you are on it next time.

If there is any mistake, as there is apt to be, please notify at once and it will be rectified in the next Beta Gamma and in the Corporation ledger.

Beta Gamma Mourns Loss of Reunion and Dinner at Karnea. Brother John A. Meyer.

The second serious accident of the college year struck into our midst and carried off Brother Meyer, a freshman of our chapter. Actuated by a boyish desire to be one of the first swimmers of the season, Meyer and one other of the brothers decided to dive from the pier in the rear of the house. The water is a foot shallower this year than last and only one length of the pier had been put in place. Meyer, who was a powerful young man of eighteen years, ran from the shore to the edge of the pier and dived into two feet of water, striking a rock. He was carried to the house and the best medical aid of the city summoned. Although in a partially paralyzed condition he was conscious all the time and talked freely about the accident, manifesting no great amount of suffering. About three o'clock in the morning it became apparent that a crisis was approaching. The end came at five o'clock, the immediate cause being the water which had been taken into his lungs and paralysis caused by injury to his spinal column.

His parents, Mr. and Mrs. Adolph Meyer, and Brother Chas. A. A. McGee, his brother-in-law, were present at the bedside, the parents having been summoned from Milwaukee immediately after the accident. Chas. McGee was in Madison at the time of the accident. The funeral was held at his home in Milwaukee. All the members of the active chapter attended.

Brother Meyer was a young man of uplifted ideals and a zealous worker in the fraternity and active in all things. He was an only son.

No Banquet This Year.

Out of respect to Brother Meyer our annual banquet and formal party will not be held this year.

George Price, Loyal Bigelow and Arthur Gosling of Chicago and Maurice Collins of Sioux City have been pledged recently.

Brothers Luder, Tawney, Patterson, Dahle, Saunders, Grindell, Hamilton, Cleary and Cain have paid us visits at various times.

Brother Leslie Luder has been temporarily transferred to the Milwaukee office of Hapgoods.

Interscholastic is held May 25 and the Wisconsin-Syracuse regatta May 31st.

Hal Week has charge of the books for the John Week Lumber Co. at Stevens Point, Wis.

One of the features of THE KARNEA in Chicago is to be a reunion of the various chapters. We are to hold our reunion dinner on Monday evening, August 26th, and expect the largest gathering of Beta Gamma Delts ever held. Over forty of the actives and alumni live in Chicago, and every active is going to be there. A. H. Lueders, 500 Ashland Blvd., has charge of the dinner and wants to get in touch with all Beta Gamma men for the dinner. So YOU send in your name at once. Ike Dahle will be there in his new summer suit, which same, it is said, surpasses all others. "Hammy," of roses in the garden fame, will be there with "Auntie" Hewitt, who will once more cramp his legs. "Dago" Barker is coming to wrinkle his nose at the "tall salt." Even "Tub" Nevius will borrow the price to come. *We want every Beta Gamma man at that dinner just to show what we can do when we try.* Come to "Chi" and see the gang if you have to steal the cash.

Howdjulike to Changeyourname??

Miss Bray
to
William Dickenson.
Miss Edith Hanson
to
William W. Storms.

By a grievous mistake, resulting from the change of editors of this sheet, Billy Storms was reported as married to "Heine" Saunders' baby girl. Billy says that it is probably a succession of typographical errors based on misinformation. It may be something like that, but we hope that the above correction may not be considered undignified after such a mistake.

"Friday" Gould answered our last appeal of the Beta Gamma by sending the chapter a long letter and a check. He says that he is willing to contribute to a Delt photograph gallery if the rest of the fortunate Brothers are willing.

Brother Abbott blew in town from the west with a cowboy hat that he bought from Rundell's in Madison. The only story untold by him is how the bible carried over his heart saved his life.

"Cully" Kuehmstedt, who was opening mail for the Chicago Telephone Company, has got a job as principal of the High School at Ironwood, Mich.

"Willie" Tichenor, having graduated from the short course, is now being tutored in English and American history.
