FAREWELL FOR SENIOR GIRLS HELD TONIGHT

All Classes to Parade on Upper Campus in Annual Swing-out

MORTAR BOARD ELECTS

The last formal farewell given to the senior girls by the underclassmen and juniors is Senior Swing-out to be held tonight at 6:15 on the upper campus.

The classes will form at North and South halls, the seniors on side, the freshmen at South hall, the sophomores at North hall, and the juniors at the main entrance of Bascom hall. The seniors wear cap and gown and the other three classes will dress in white.

Band to Play

The University Regimental band will play as the seniors march single file down each side of the campus and form twos below the brow of the hill. The sophomores will follow down the north side, and the freshmen the south side.

One end of the line will be led by Dean F. Louise Nardin, and the other by Ima Winchell '22, president of Blue Dragon. The seniors will sit below the band in front of the Lincoln statue, and the other classes will form on each side.

The Maypole dance, in charge of Irene Clayton '23, will be given by the sophomore girls, and following this the Girls' Glee club will sing.

Mortar Board to Elect

The torch ceremony will take place between the new president of Blue Dragon, Elizabeth Kirk '23, and the old president, Ima Winchell '22.

Marion Strassburger '22, president of Mortar Board, will announce the Mortar Board elections for the year 1922-23.

In closing the band will again play as the seniors march back down the campus, followed by the other classes.

Vote Contest Picks

Mary Cunningham As Prettiest Co-ed

Mary Cunningham '24, is announced as the most beautiful woman at the University of Wisconsin by a full page picture in the Commerce magazine which gives the results of its most recent contest in the June issue on sale today.

Other winners in the popularity and beauty contest are reported in the special article "The Beautiful and—" as follows:

Most popular girl, Marjorie Boesch '22; most handsome man, John Cornelius '23; most popular man, Raginald Garstange '22; most able Professor, Professor William H. Kiekhofer; most popular professor, Prof. Carl Russell Fish. Dorothy Gibbs '25 won the prize of \$25 for guessing five out of the six winners.

An answer to the women's estimate of college men, which appeared in the last issue of the magazine is given in an article called "Mere Man," which was written from information obtained from questionnaires among the men.

VENETIAN PRIZE CUPS SHOWN AT PHARMACY

Cups to be given as prizes for floats, piers, and the best orchestra will be on display at the University pharmacy this morning. A large cup will be awarded to the organization having the most attractive float in the water parade, and a smaller one for the next best float.

Venetian and Prep Events Break Today

The program of events of the 28th Annual Interscholastic Track and Field meet and the Venetian Night celebration swings open today with the tennis tourney scheduled to start at 1:30 at the Varsity courts, weather permitting.

Approximately 125 high school men will arrive in town this noon. Hundreds of others will be here by 9 o'clock tomorrow when the tennis matches will be continued and the water carnival will open, followed in the evening by the Venetian Night spectacle. In case of bad weather today, the entire tennis tournament will be postponed until 9 o'clock tomorrow morning.

Announce Carnival Prizes

The water carnival will be opened Saturday morning at 9:30 when a program of canoe races and novelty stunts will be given. Men's singles and doubles, girls singles and doubles, a hurry-scurry, bow-up, paddleless, and standing races are on the program.

Prizes consist of a box of candy for the girl winners, and a pipe, canoe paddle, and a canoe back rest for the men's events. Evonrude races will follow the canoe events. The races will be held on a circular course in front of the boat house. More than 20 entries have already been made. Any others desiring to enter may register at the boat house up until Saturday morning.

Two sail boat races will be run on a four and a half mile course while the canoe and power boat races are being held.

Power boat races will be held at 11 o'clock on a two mile course from the University boat house to Bernard's park and back. A silver cup will be awarded to the winning boat.

Champ to Swim

Harold "Stubby" Kruger, world's champion back-stroke swimmer, will perform in front of the boat house at 11 o'clock also.

The Varsity crew will meet the University of Manitoba crew at 11:30. If the weather is unfavorable the race will be held at 6 o'clock tomorrow afternoon. The second crew will meet St. John's Military academy.

Crowds will adjourn from the Memorial Union dedication at 1 p. m. to the track and field meet at Camp Randall at 1:30. Special train rates have brought many spectators to Madison.

The Venetian Night water spectacle, the most elaborate event of the week end, will begin at 8:15.

Dance Drama to Be Given By 35 Tonight

The annual Dance Drama will be presented at 8:15 tonight in the open air theatre back of Bascom hall by thirty-five of Miss H'Doubler's dancing pupils.

In case of rain, the Dance Drama will be postponed until Saturday night.

The orchestra for the evening's program consists of Frances Beecher '22, first violin, Sylvia Rosenberg '24, second violin, Mrs. Trumpf, piano, and Barbara Hildreth '22, cello.

Assisting Miss H'Doubler in the preparations are Helen Smallshaw '23, W. A. A. chairman of Dance Drama, Margaret Gallagher '23, stage manager, and Katherine Turney '23, who composed the poetry used in the printed programs.

All seats are reserved for the Dance Drama, and spectators are requested to be prompt in order to facilitate seating arrangements. Extra seats will be placed in the rear of the theatre to accommodate those who are unable to secure reserved seat tickets.

ELECT GEIGER MANAGING HEAD, NEWELL BUSINESS MANAGER OF 1922-23 DAILY CARDINAL

WILL DISTRIBUTE BADGERS TODAY

"The 1923 Badgers will arrive by way of Milwaukee from Racine Friday morning, and will be distributed beginning at 7:30 a. m. in Music hall," said Sherman Green '23, year book business manager, last night.

The entire number of books is subscribed for now, but after today's distribution, it will be assumed that those who have not claimed their Badger have either left the school or do not want them, and the books will be placed on open sale.

Provision will be made for those who have lost their receipts so that they can get their books with the others.

The first two men in line when the Badger comes out this morning will be Robert Atwood '25 and Alfred Jensen '23, it is reported. They will receive a Badger free, according to Badger tradition.

CEREMONY TO START UNION

Begin Razing Birge Home Tomorrow at 1 O'clock

"Raze the old building to raise the new," will be the slogan on Saturday at 1:00 o'clock when the raising ceremony for the Memorial Union building will be begun on the site of the former home of President E. A. Birge between the Union building and the Y. M. C. A.

Promptly at 12:45 the band will start at Wisconsin avenue and march down Langdon street to the site of the ceremony. Leslie Gage '23, president of Union board, will preside, and speeches will be made by Dean Scott H. Goodnight, and Prof. E. H. Gardner. Professor Gardner will return from Chicago where he is now conducting the alumni campaign, especially to speak at this ceremony.

Birge Not to Speak

President Birge has declined to speak on this occasion because his old home is filled with many memories, and he would rather not be on the program at its tearing down, he states.

At the close of Professor Gardner's speech "Gus" Tuckerman '23, Varsity cheer leader, will climb up on the roof, will start tearing off some shingles, and plant an American flag there. He will then lead the crowd in a few cheers, and the first step toward a real "home for Wisconsin spirit" will be completed.

Mr. Harry J. Albrecht, the present owner of the building, will complete the process of razing.

Play Purple Today If Weather Permits

The all-day rain made it impossible for the Badgers to meet the Northwestern baseball team on Camp Randall yesterday afternoon. Purple stayed over, however, and the game will be played at 1:30 this afternoon if the field is in any kind of condition. Should weather conditions still be unfavorable, the team will leave for Evanston at 8 o'clock this morning.

Board of Control Names Powell and Lewin to High Staff Positions

REORGANIZE POSITIONS

George L. Geiger '23, as managing editor, and Douglas K. Newell '23, as business manager, will be in charge of the Daily Cardinal for the year 1922-23, as a result of appointments announced by the Cardinal Board of Control yesterday.

Hickman Powell '23 and Charles J. Lewin '23 have been appointed as editors of next year's Cardinal, and Russell J. Frawley '23 will serve as associate business manager.

Geiger acted as reporter and editor on the Cardinal staff last year and is at present Conference news editor. Newell served as associate advertising manager during the first semester and is now advertising manager.

Effect Reorganization

A reorganization on the editorial staff will take place, Powell as editor, directing and co-ordinating news and editorial policies, and Lewin as editor in charge of news and night editors. These two men, in addition to their other duties, will replace the chief editorial writer and news editor, respectively.

Members of the Cardinal Board of Control for next year are: Ralph E. Balliette '23, Arthur Freytag '23, Joel Swensen '23, Robert Reynolds '23, and Margaret Callsen '24.

The complete list of staff appointments for the coming year, as made by the Board of Control is as follows:

Editorial Staff

Managing editor—George L. Geiger.
Editors—Hickman Powell, Charles J. Lewin.
Woman's editor—Portia B. Lugoff.
Athletic editor—Ward B. Hickok.
Conference editor—Walter J. Pfister.

THE INTERSCHOLASTIC TRACK MEET

WITH 544 entrants registered, the Interscholastic Track meet promises to be one of the most successful ever staged in the conference.

The Interscholastic is but one of the means that the university has of maintaining a close union with the high schools of the state. That union is of estimable value to the university and to the schools. As the scholastics of a university are limited by the prep school training of those who enter it, so also is the track and gridiron prowess affected by the high schools who send their graduates to the capital for higher learning.

Wisconsin is fortunate in having prep school athletes of unusual ability and stamina. It augurs well for the future of Wisconsin athletics. But Wisconsin now has the opportunity of seeing many of these athletes in action. Many of these men will be later wearers of the "W." They will bring fame to Wisconsin and to themselves through wearing the cardinal on Camp Randall and on foreign fields.

The entrants will be afforded an opportunity to view the campus life at the university. They will make friends here at this time who may help them to steer aright during their freshman year. And when they come for that freshman year, they will enter not as strangers. Plans have been well formed to make their stay in Madison full of entertainment. Venetian, the Horse Show are features of the entertainment that need no praise that we might give them. Venetian night is staged this week in order that some of the campus life might be imparted to the track men and their guests.

To the interscholastic track men, their coaches and friends, the university extends a hearty welcome and a sincere wish that their visit on our campus may be replete with pleasure and profit.

VOTE TODAY

WITH politics largely excluded from the elections to the Student court, an approach, at least, is made to a system whereby student men of ability and worth may be elected to student offices.

The nominations by the deans and directors were made after careful consideration of such qualities as scholarship, maturity of mind, and innate ability. A judge needs these qualities. Men elected to the Student court will be called upon to judge issues and their fellow students. They must be free to judge every case on its merits and the evidence submitted. The less a student judge is interested in politics, the better judge he may reasonably be. Politics would bind where there should be no bonds; it would influence where influence tampers with justice; it would cause a travesty and a farce where there should be high-minded and sane justice and equity.

The present Student court is in the embryonic stage. But its powers, its code are amply able to do a good and a great work on the campus. It deserves student interest. That interest can most wisely be shown by every qualified male elector voting for the man he deems will most conscientiously and ably carry out the duties of the office.

Politics have been eliminated from the nominations. Now they should be removed from the elections.

THE 1923 BADGER

THE 1923 Badger makes its appearance on the hill today. That our annual is a monumental achievement will be appreciated by even a hasty glance at its contents.

There can be no real success unless there is a well-defined and worthy purpose. First must come the vision—then the fulfillment. That the vision was not lacking and that the purpose was clear cut and worthy, may be seen in the following foreword of our annual.

"This Badger hopes to do more than to record the happenings of the scholastic year—it further proposes to fulfill a long-cherished dream on the part of its editors of refreshing the sons and daughters of Wisconsin with a sincere understanding and appreciation of the true significance of that ennobling inspiration which, for want of a better name, we have termed the Wisconsin spirit.

"This spirit had its conception in the ideals and hopes of the pioneer fathers who saw the vision of and laid the foundation for the great commonwealth and university which are ours. It is reflected in the ideals and achievements of the men and women who are steadily going forth from the gates of our alma mater, inspired by her teachings. It is as indefinable and as infinite as the great influence of the university itself and, try though we may, to evaluate it, we cannot, for its well springs are immeasurable."

With such a vision in the minds and consciousness of its editors, it is easily understood how they were spurred on to the great work they leave to the university.

This year's annual is a truly representative book. It includes within its covers a full pictorial history of the year. And that pictorial history has made possible what for years we at Wisconsin have tried to achieve, namely, the crystallization and expression of the Wisconsin spirit. We have sensed that spirit; we have known it and felt it and have appreciated that that spirit alone would make Wisconsin great. But the theme was too subtle and elusive to pass on to others outside the walls. The Badger, however, has caught the spirit and portrayed it in pictorial form.

The history of Wisconsin in pictures shows how this splendid, vibrant emotion, the Wisconsin spirit, permeates the daily life of the campus, is reflected in the class room, in activities and in athletics.

Award Lewis Prize To Ellis G. Fulton

The Lewis prize, given annually to the best expository theme written in English 1b, has been awarded this year to Ellis G. Fulton, C. J. 1, for his theme, "Castles." Alfred T. Muehlenbruch's theme, "The Last Pew," was a very close second.

The next three places were awarded to John R. Davenport, "What a Summer Night Means to Men;" Carolyn Strauss, "About Poetry and Me;" and Julia Vestry, "On Spring House-Cleaning." With one exception the themes were written by students in the advanced sections in freshman English.

The faculty committee who judged the themes was composed

of Miss J. G. Wales, chairman, Prof. M. A. Roberts and Prof. C. C. Batchelor. The themes were judged as to content and style, and vigor of thought.

Silk and Wash Goods Sale For Friday and Saturday

Our buyer spent all last week in New York searching for special values in silks and the newer cotton fabrics. Over \$10,000 worth of goods were shipped to us the first of this week and we will place them on sale tomorrow morning. Compare these prices and note the savings you make. Every article is first class and many are offered at reductions of from 20 to 33 1-3% less than they were sold for earlier in the season.

SILKS

Colored Pongees, 33 in. wide in seven colors at \$1.50.

Rogers & Thompson La Jerz—full 36 inches wide, washes perfectly, in flesh, ivory, cinder and sand, special, \$2.00.

Ivory crepe de chine for graduation and wedding dresses, special at \$2.00, \$2.50 and \$3.00.

40 inch Morocco Crepe, most popular silk of the season, in ivory, black, and navy—special at \$4.50.

Printed Crepe de Chine in all spring colors and designs at \$3.50.

Krepe Knit—the genuine article and the only durable variety in all colors at \$3.75.

(No substitutes are shown in our silk section.)

La Jerz in neat pin stripes at the very special price of \$1.50.

Wash Fabrics

Ratines are the most desirable of the new season's values. They are scarce and hard to get, but we happened into an importer's office just as he was receiving a new

shipment. We bought the new colors and the newer shades and they're here for your selection tomorrow at astonishingly low prices.

Pin Dots in Swisses, on contrasting colors are the last word in sheer fabrics. Many new color combinations are being shown for the first time at new low prices.

Ratine Voiles are selling as low as \$1.50 per yard.

Permanent finish organdies in every shade are offered at \$1.00 per yard—other imported white goods in complete variety at from \$1.00 up.

RUNNERS POUR INTO CITY FOR LARGEST MEET

Booths to Direct Arrivals; Plan Special Features

TODAY'S PROGRAM

Upon arrival—information and assignments to quarters at booths in C. & N. W. or C. M. & St. P. railway stations or at the university gymnasium.

1:30 p. m.—Wisconsin vs. Northwestern in baseball at Camp Randall.

2:30 p. m.—Interscholastic tennis tourney preliminaries at Varsity courts, University avenue and Breeze Terrace.

4:30 p. m.—Varsity track practice; Varsity, class, and college track pictures.

A total of 544 prep school athletes will arrive today and early tomorrow morning to compete in the 28th Annual Interscholastic Track and Field meet, the greatest interscholastic meet ever held at the university, which will take place at 1:30 Saturday at Camp Randall field.

The high school men will receive information and directions to their assigned quarters at booths placed at railway stations or at the university gymnasium. As the participants in the meet this year outnumber last year's entries by 200 large groups of prep runners are being accommodated by every fraternity on the campus.

For the entertainment of the high school runners who are in Madison on Friday afternoon there will be a Wisconsin vs. Northwestern baseball game at Camp Randall beginning at 1:30, tennis preliminaries on the university courts at 2:30, and Varsity track practice and track pictures at 4:30.

A boat ride around Lake Mendota at 9:45 Saturday morning, will entertain the majority of the athletes, and they will be able to view all the water events from the boats. This entertainment was planned by the entertainment committee in order that the contestants will be able to rest and keep off their feet in preparation for the events of the afternoon.

Badgers to Fight Gophers For Holes

The Badger golf team will meet Minnesota for the second time this morning at 9 o'clock, and this afternoon at 1:30. The match which will consist of thirty-six holes will be played on the Maple Bluff course. Eighteen holes will be played in the morning, and the

WEATHER HALTS TREDWELL'S SET

Badgers Lose in Singles; Godfredson and Tredwell Play Today

CHICAGO, Ill. May 25 Tredwell of Wisconsin and Sanchez of Michigan had each won a fast set yesterday in the Conference Tennis meet at Chicago when the games had to be postponed on account of rain.

None of the other singles games were won by Wisconsin. Carron of Ohio beat Godfredson, 6-2, 7-5; Thompson of Northwestern beat Hastings 6-2, 6-4; Pidgeon of Minnesota beat Moulding 7-5, 6-2.

Tredwell and Godfredson will meet Frankenstein and Staggs at Chicago today for the first round of the doubles tourney. Coach George E. Linden is hopeful of the outcome of the doubles match as both Badgers have been playing flashy tennis this spring.

World's Champ Here For Carnival Swim

Harold "Stubby" Kruger, Honolulu, holder of the world's record in the 100 and 400 yard back stroke swim, will appear here Saturday morning at 11 o'clock at the rear of the university gym in an exhibition swim for the benefit of water carnival spectators.

As a member of the Hawaiian relay team, he helped establish the world's record in the 400 and 500 yard relay. It was in the Olympic games in 1920 that he made his records in the back stroke. Kruger will be a guest at the Beta house during his visit in Madison.

Gym Classes to Give Drills Venetian Eve

The second annual gymnastic exhibition of first and second year students will be given at 7:30 Saturday, preceding the Venetian Night carnival, in the men's gymnasium. General gym classes will give exhibitions of work done during the year under the direction of Coach F. E. Schlatter.

The exhibitions were given on the lower campus last year, but due to the fact that the Interscholastic Track and Field meet will be held Saturday afternoon, it will be necessary to give the program on Saturday night. The second floor of the gym will be used and free admission will be extended to all student and townspeople interested in gymnasium work.

other eighteen in the afternoon.

The Wisconsin team has a very good chance of winning the match today, considering the large score by which it defeated the Gopher team last week. Both teams will probably enter the same men as were in the meet last week.

BLAINE WILL BE RACE 'REF'

Gov. John J. Blaine has been appointed referee of the international crew race between the Wisconsin and University of Manitoba eights which will be held at 11:30 Saturday morning on the Lake Mendota mile and one-quarter course.

Athletic Director Thomas E. Jones will start the two crews on the biggest race which has been held at Madison for years. Other officials are: Judges of finish: Prof. J. F. A. Pyre; Prof. Kowalke; Prof. R. B. Duncan; timers, Prof. Sidney Miller; Prof. J. G. McKay; Coach Holdt of St. Johns' Military academy; clerk of course, Joseph C. Steinauer.

Signals from the "Cardinal" will keep the crowd informed concerning the progress and position of the two crews in their competition for international supremacy.

Iowa Team Bids High For N. C. A. A. Meet

Iowa university will enter a full team in the National Track and Field meet, it was announced today by George Bresnehan, track coach of the Iowa team. Iowa won the Iowa State meet last Saturday with an imposing score, and is a possible team winner of the meet to be staged in Chicago, June 17th.

Last year Iowa placed third in the N. C. A. A. meet. Wilson won the 220 yard dash over Smith of Nebraska, Paul of Grinnell, Hayes of Notre Dame, and King of Ohio Wesleyan, who placed in the order named. He is running in form again this year although his teammate, Brookings, has beaten him on several occasions.

Entries for the N. C. A. A. meet do not close until June 10th, but already this year more coaches have informed the committee that they will start teams than entered last year.

FEATURE CREW ON WEEK-END PREP PROGRAM

Rough Lake Will Postpone Races Until Evening

The first crew race in which the Varsity oarsmen have taken part this season is to be against the University of Manitoba eight on Lake Mendota as one of the big features of Interscholastic day. The race will take place in the morning if the weather conditions are favorable. If not, the event will be postponed until 6:30 p. m.

The Wisconsin junior varsity crew is scheduled for a race against the crack St. Johns aggregation. The Badger seconds have already had their initial race of the season, losing to Culver last Saturday.

Canucks Use Unique Stroke
The race against the Canucks should be especially interesting in that the northerners use an entirely different stroke than do the Wisconsin oarsmen. The invading eight is composed of light men but all are fully experienced, having rowed with numerous professional clubs throughout Canada.

The captain of the Manitoba crew weighs only 140 pounds, but he is one of the best oarsmen in Canada. Two years ago he was a member of a Canadian crew which defeated the Duluth Boat club, the champion rowing aggregation of the United States for the past several seasons.

The fact that the crew schedules of the two institutions do not include the same teams makes it impossible to cast any predictions as to the outcome of the race. Vail's men should stand a good chance for a victory.

Alumni Recall That Annual Physics Joke

DEFINE electricity" said the Prof. The class was mown down, one by one, like so many whiskers. And then—"no one has ever been able properly to define electricity since its discovery." And the smile dried on his face!

Since 1840 Williams' Shaving Soap has been defined by hundreds of thousands of college men with one word—perfection. And it *doesn't* dry on your face.

Example—Williams' Shaving Cream. At 7:50 you can whip up a creamy mellow lather that softens the heart of the toughest stubble. Your snickersnee slips along to a slick job and a glove-smooth face—in time to catch chapel at 8.

And the satisfaction afterwards is almost indefinable at that.

Jewell Funeral to Be Held Tomorrow

The funeral of Floyd B. Jewell, who died Wednesday after taking cyanide of potassium in his room at the home of Dr. M. T. Martin, 1328 Mound street, will be held at Hustler, Wisconsin tomorrow.

Mr. Jewell's father arrived in Madison yesterday at 2:30 a. m., and left again at noon with the body over the Northwestern line. Lancelot Gordon, assistant secretary of state, will attend the funeral.

Newspapers published on Wednesday that Jewell was gone all last Sunday night without letting anyone know where he was. It was learned yesterday, however, that he was with Ora C. Rabbit '23, with whom he had been studying.

NEED ACCOMMODATIONS FOR HIGH SCHOOL MEN

Fifty of the 544 high school track men who are to compete in the Interscholastic meet here tomorrow have not yet been assured sleeping accommodations during their stay in Madison. The number to be provided for is 200 in excess of last year's entrants.

Organizations and fraternities which have not arranged for their full quota of men and who have accommodation suggestions are urged to notify Elliott Kiser, B. 2991, immediately.

Fraternity Houses

Lake Shore Property

Several very desirable places are now being offered for sale. Two of these are on Lake Mendota, one with a frontage of 132 feet of lake shore, the other with approximately 100 feet of lake shore. Both of these houses are well adapted to fraternity purposes, and are unusual old homes that are just being placed on the market. Comparatively little lake shore property is left. These two properties are exceedingly choice.

Also, we have two or three properties off the lake shore, more moderate in price, but well adapted to fraternity or sorority purposes. These places can be financed on a basis that would be interesting to a younger fraternity.

We have had a large experience in assisting fraternities in financing; and if you are interested in purchasing a house or making a change from your present house to a new one, we can give you some facts that will interest you.
