The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

Leonard -

Here is how I think your A schottische goes. See if you think I have it right.

I have the new recording date in Superior tentatively set up for Sunday, September 9. You could come Saturday and stay overnight. I hope you can hold this date open. Let me know as soon as possible if you're free on that date, and I'll go ahead and reserve the studio, contact the musicians, etc.

On June 28-29-30 and July 1, the big Polka Festival is again being held at Pine City. I understand they have 75 bands this year. We're playing Thursday and Sunday, and may go Saturday to watch the others.

That's about all that's new for now. I'll write  
again if anything more comes up.
