The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

UNBREAKABLE PLASTIC MODELS FOR YOUR SCHOOL OF NURSING

We now offer a new line of unbreakable plastic models, including the life-size, dissectible torso and head model illustrated here.

Plastic construction eliminates all breakage hazards, permits full class participation. Best elements of design are combined with amazing durability, to provide greatest effectiveness in actual teaching practice.

A wide variety of models is available, and prices are reasonable.

Our new 55B Catalog was distributed recently. If your school has not yet received a copy, please write for it without delay. Special inquiries about Denoyer-Geppert products and services are always welcome.
