## SUMMER HOME OF MISS JESSIE VEEDER BURNS

The residents of Williams Bay who like to take that extra hour of rest on a Sunday morning were aroused by the Fire Siren, a little after seven last Sunday.

Fortunately our milk deliverers are early risers. "Wib" Johnson was delivering milk to the home of Dr. Downing when Mrs. Downing called his attention to smoke coming out of the woods below their home. "Wib" decided to investigate and went down the road leading to the home of Mrs. A.P. Lovejoy where he found Miss Veeder's house ablaze in the roof at the front. He hurried to the door of the Lovejoy home and got no response as they were away. Then he aroused Charles Louka the Caretaker at the Lovejoy home. An attempt was made to get Central on the telephone. As the burning home was on the same line and the phone probably already reached by the fire, the whole line was out of order.

This necessitated "Wib" Johnson going to the Bay to give the alarm. This accounts for the delay in the fire department getting to the fire.

Charles Loucka sitting astride the roof of the H.M. Lautmann summer home to the east kept the burning embers from doing damage to that home. The wet weather of the night and day preceeding saved the woods from burning.

It was not possible to save anything from the Veeder home when the firemen arrived and their attention was given to keeping it from spreading. The hose was connected with the Village Water System which extends back of the lake shore homes to Olivet Camp.

Miss Veeder spends her summers here. For many years she was president of the Eleanor Clubs Chicago which own the Eleanor Camp adjoining her home. Besides very fine furniture and family possessions, quite a number of the Eleanor Camp valuable articles were stored in her home.

The home was situated on the high knoll on which the three homes, Miss Veeder, H.M. Lautmann and Mrs. A.P. Lovejoy, are adjoining. It was very attractive and is a real loss to the summer colony. She lives at The Ambassador, Chicago.

Mike Ambrose had medical attention from stepping on a nail and Don Krause from a blow on the head from a timber.

MR. JAMES KLODE IS SPEAKER AT WMS  
BAY WOMAN'S CLUB

Victor Keiser, Miss Sarah Ruhl.

One of the most interesting meetings ever to be held by the Williams Bay Woman's Club was on last Friday afternoon, October 27, when forty-three ladies, club members and invited guests assembled at the home of Mrs. Jess L. Greenstein, Grand View Terrace and heard an educational talk on "Interior Decorating of The Home" by Mr. James Klode of the Klode Furniture Co., Milwaukee. Mr. Klode is a graduate of the New York School of Fine and Applied Arts and the Persian and Italian School of Interior Decorating in Europe.

Mr. Klode first told how to start a home, by selecting a suitable lot and style of architecture conforming to the view and outlay of the grounds, and a contractor, all of whom must cooperate in the building and finishing of the home. Percentage of the amount spent for building should be 29 per cent allowance for livingroom, three per cent for bathroom, 33 per cent of the cost should be spent for interior decorating, balance for kitchen and bedrooms.

He told of the different styles or periods in furniture, the woods used and how they are made. The style of furnishings in the home must correspond or harmonize with the style of architecture. He showed many beautiful upholstery and drapery fabrics, reproductions of European 18th Century designs, but made in this country in Eastern factories. Fortuni hand blocked linens, originating in Europe, are now made in Philadelphia. They are blocked by hand with wood designs dipped in pulverized gold and silver and applied to the linens by skilled artisans. San Domingo walnut is the finest wood of its kind for furniture.

Mr. Klode told of the Early American style of architecture and furniture which is the most popular today and is expected to remain so for some time.

Tea was served by the committee for the program, Mrs. Robert N. Anderson, Mrs. M.J. Peters, Mrs.

The next regular meeting of the Williams Bay Woman's Club will be held on Friday afternoon, Nov. 10, Mrs. Wm Phipps, hostess.

RED CROSS ROLL CALL STARTS NOV. 11

Edward Rosenthal, field representative of the American National Red Cross, stopped in Williams Bay last week to congratulate our village for the splendid manner in which they responded to roll call last year.

The Chapter is making plans for a large membership enrollment this year, and they are confident Williams Bay will once again have a fine roll-call, perhaps bettering its especially fine showing of last year. Let us try!

Annual roll call starts Nov. 11. Committee is Mrs. Robert Cook, Mrs. Arvid Thompson, Mrs. Robert Anderson, Mrs. Blake Burton, Mrs. Jesse Greenstein, Mrs. Lawrence Hollister.

## WILLIAMS BAY 8: DARIEN 6.

Climaxing their 1939 season with a brilliant exhibition of football Williams Bay downed Darien, the league leader, in one of the most exciting games of the season.

The Bay scored early in the first quarter when Keiser scampered thru a hole torn in the Darien line by charging Bay linemen and crossed the marker standing up. Osman then proceeded to drop kick the ball squarely through the ball squarely thru the uprights for the extra two points that won the game.

After this the game was an exhibition of open football, the ball going from one end of the field to the other in rapid succession.

In the second quarter Keiser with a long run threatened to score. The visitors line held tight however on the two yard line and the ball went to Darien on downs.

Once in the third quarter the Bay was deep in the Darien zone, only to be stopped on the goal line by a determined fighting team.

Darien touch down came in the last quarter with only a couple of minutes to play. Starting from way down in the field near their end zone, the visitors in three long completed passes brought the ball up to the Bay ten yard line.

On another pass the ball was knocked down, then with seven seconds left to play they through a final desperate pass which was completed just as the gun went off marking the end of the game.

After the crowd became quiet Darien tried for the extra points, but the kick failed by a wide margin, leaving the score standing at 8 to 6.

The Bay running attack was carried on mostly by Keiser and Van Biesbroeck, and proved very effective. The reason for its effectiveness was that every Bay player was playing heads up football. Each man that went in the game gave a fine

exhibition of tackling and blocking, which enabled the backs to get started on the fine runs that they made.

Williams Bay with its complete strength back for the final game showed the conference that if it hadn't been for the spectre of sickness and injuries during the season, they would have won the conference title; with the powerful and fast team that they had.

Starting line up for Williams Bay:  
L.E. - Lockwood Center - N. Johnson  
R.E. - Hess F.B. - C. Osman  
R.H. - Van Biesbroeck  
L.H. - Keiser.

Substitutes: Hackett, Spencer, S. Hansen, M. Gramley, Kelso.

## BASKET BALL SEASON WILL BE ON SOON.

Prospects are good for the Bay to have a winning team this year.

We await the games with interest.

WORTHY OF MENTION.

Last week the editor ventured  
the prophecy that the youth of  
Williams Bay would have a fine time  
on Halloween and Nary a window be  
broken. The prophecy came true.

A fine time was had at the school  
on Monday evening. In the parade of  
Halloween costumes Melvin, Jr.  
and Dick Spence were considered  
the best.

Games, a Shadow play by Jack Keiser
