Price Five Cents.

VARSITY STILL LEADS

WISCONSIN CONTINUES IN VAN
OF "BIG NINE."

Beloit and Notre Dame Have Good
Records But Cannot Count as
Amateur Teams.

	W. L.	P. C.
Wisconsin	4 0	1000
Michigan	5 2	713
Illinois	5 4	555
Chicago	3 6	333
Minnesota	2 4	333
Northwestern	1 5	167
Iowa	0 1	000

The pennant race has degraded into quite a procession. With the exception of Wisconsin and Michigan all of the teams have shifted their relative places and may now be considered in their normal positions. The Badgers and Wolverines should be considered of more equal ability than their percentages show. Michigan commenced her annual trip very early in the season without sufficient practice. As a result they suffered several disastrous defeats, among them that by Wisconsin. Since that time they have gotten together and taken falls out of nearly all of their former opponents with the exception of the Badgers. Wisconsin on the other hand has not met any of the big nine away from their own grounds. If the Ann Arbor and Madison teams meet on any other field than the home grounds of the latter, Wisconsin may look for a warm reception. Illinois fixed her hold on third place by decisive victories over Coach Stagg's aggregation and Northwestern. Huff's men are playing consistent ball and should maintain their lead on the other colleges.

Chicago is still in the balloon although it is about time the Maroons were on terra firma again. Illinois and Michigan both gave them sound wallopings and the Midway contingent will have to take a brace to prevent further tobogganing. Minnesota's only game was with Iowa who was easy meat for the Gophers.

Northwestern was given a white-wash by Illinois which took away all the glory from their former victory over the same team. These records should not be taken as indicating the best team in the West. Beloit and Notre Dame have both shown themselves of championship timber. Both occupy unfortunate positions in western athletics. Not strict enough in their amateur regulations, they are barred from the conference colleges. This is especially true in regard to the four year rule. Beloit has, however, shown herself able to put up a gilt-edged article of ball by defeating nearly all of the best teams.

The third Beloit defeat was administered Saturday to the refrain of twelve to three. Brobst has decided to quit his job and that erratic short-stop will be seen on the diamond no more this season. Murphy will probably be a fixture at that position. Owing to Erickson's sprained ankle Curtis of last year's team, was taken along and played center field.

Madison opened the game vigorously and got first blood, for that is what a run meant to Beloit who hoped to shut out the visitors altogether. It was Wisconsin's game until the third inning when they fell upon Richardson's delivery bringing in three runs. The fourth round netted five more and Richardson went to the bench.

After that Mathews took the box and the gold had to feel satisfied with four additional runs and two hits. Adkins was invincible after the third and but eight hits were harvested from his pitching.

On Wednesday Notre Dame will line up against the home team at Camp Randall.

—Miss Daisy Wentworth returned to-day from her home in Milwaukee where she was called by the death of her grandmother.

COMMENCEMENT PLANS

GRADUATING EXERCISES WILL
OCCUPY FIVE DAYS.

Will Begin on Sunday June 16, and
End with Alumni Reception
Thursday Night.

Professor Olson, chairman of the arrangement committee for the faculty of the commencement week exercises, to-day announced the program for commencement week. Owing to misunderstandings in past years considerable trouble has occurred in the commencement week program, but Professor Olson states that the program announced to-day is reliable and that everything will come off as scheduled this year.

Commencement week begins on Sunday, June 16, and the exercises last until Thursday. The first exercises will be on Sunday when Acting President Birge delivers the baccalaureate address to the graduating class. The address will be given in the armory hall at four o'clock in the afternoon.

On Monday evening Hon. W. Bourke Cockran of New York delivers an address before the College of Law in the armory at eight o'clock. Class Day will be Tuesday and in the morning at 10:30 o'clock the class will plant the ivy on the upper campus. Class Day exercises and the presentation of the class memorial will take place in Library Hall at half past two in the afternoon. In the evening at eight the class play will be given in Fuller Opera House. At eleven o'clock the pipe of peace ceremonies will take place on the lower campus. Wednesday morning at nine o'clock the annual business meeting of the alumni association will be held in room sixteen, University Hall. The alumni dinner will be held in the Armory at one o'clock in the afternoon. At four o'clock the University band will give an open air concert. In the evening at eight o'clock will occur the commencement concert of the School of Music.

Thursday will be commencement day. The University procession will start at nine in the morning from the upper campus. At half past nine the commencement exercises begin in the gymnasium. Acting President and Mrs. Birge will hold a reception at their home from four to six in the afternoon to the alumni and other friends of the University. In the evening at eight o'clock the annual reception and ball will be held in armory hall.

With the alumni reception the exercise of commencement week close. It is probable that aside from the School of Music concert to be given on Wednesday evening, a number of class reunions will be held. Some of these will undoubtedly take place Wednesday afternoon.

JAMES S. SMITH DIES

STRICKEN WITH APOPELXY OF
THE HEART THIS MORNING.

Deceased Was Instructor on the Piano
in the University School of
Music.

James Sargent Smith, instructor on the piano in the University School of Music, died very suddenly at his home, 125 East Gilman street, at about nine o'clock this morning from an attack of apoplexy of the heart. Mr. Smith rose shortly before eight o'clock and partook of a hearty breakfast. Soon he was seized with pains in the chest and sent word that he would not be able to attend to his work in the School of Music. The pains grew more severe and Dr. Clark Gapin was summoned. The doctor immediately responded and did all that he could for the sufferer but death came at about nine o'clock.

Mr. Smith had been in rather poor health for some time but had been meeting his engagements in the School of Music. Mr. Smith returned from Europe the first of May where he had spent a three months' leave of absence.

Early education in his native town and completed his musical education in New York City and Europe. He has been connected with the University School of Music ever since it was founded.

The funeral will be held from the home, 125 E. Gilman street, probably Wednesday afternoon.

Tennis Tournament.

Last Saturday afternoon the semi-finals of the Tennis Tournament were played, with the result that Helmholtz and Sanborn won their matches and will play in the finals this afternoon in case rain does not interfere. In the round between Grant and Johnston the latter won 7-5, 16-14, 6-1, but was defeated by Helmholtz in the semi-finals in straight sets, 6-0, 7-5, 6-1. Sanborn beat Gates rather easily, 6-1, 6-4, 6-1, though the match was fast and interesting. These victories leave the final contest to be fought out between Sanborn and Helmholtz, and it should be a great game, for both men are playing in gilt edged form. Helmholtz putting up a star game in both singles and doubles. Only one match has been played in the doubles, Helmholtz and Seaman defeating Gillette and Gates in about the prettiest sets of the play so far, the score being 6-0, 6-3. Helmholtz and Seaman are a strong combination, as Seaman has come to after his paralysis in the first round. The drawing of the other doubles has been changed, but will be made to-morrow and the match played in the afternoon. The tournament so far has been successful, as the number of entries has furnished plenty of competition and the men seemed to have their playing eye from the start.

Athenae's Banquet.

The Athenaeum society held its annual senior banquet at the Avenue hotel Saturday night. After a sumptuous seven-course dinner had been served a program of toasts was held. Mr. Geo. H. Gohlke presided very happily as toastmaster. Mr. Loren D. Blackman responded for the freshmen, Mr. Osmund Jorstad for the sophomores and Mr. R. W. Haight

for the juniors. The following seniors responded: Messrs. Eric W. Allen, Arthur A. Baldwin, Arthur F. Beule, Joseph Bredsteen, William D. Buchholz, James B. Graham, Robert E. Knoff, Hugo F. Luhman, Clarence E. Macartney, Ernest C. Meyer, James C. Morgan, Allan S. Neilson, Charles R. Rounds, Harvey O. Sargeant, William P. Vroman, Eugene J. Wehmhoff, Richard Williamson. Among the alumni who made remarks were Mr. George W. Stoner, the first president of the society, Mr. Walter M. Smith, the university librarian, and Messrs. W. S. Kies, Joseph Shaw, Joe Koffend, Copeland, A. R. Anderson and Hughes.

Personnel of Girls' Crews.

The young women of the University are taking much interest in their crews which rowed for the first time Saturday. The girls will row every day this week and before the end of the semester some interesting races will be brought off. All of those who rowed in the eights Saturday are very enthusiastic over the work. There is at present one sophomore and two freshman crews which should mean that the freshmen will have the best of it when it comes to a race between the classes. The girls rowed Saturday as follows:

Sophomore: Martin, stroke; Harris, 7; Storm, 6; Bennett, 5; Stokes, 4; Osborne, 3; Case, 2; Marshall, bow.

Freshman, first crew: Darrow, stroke; Harris, 7; Redfield, 6; Schmidtman, 5; Dodge, 4; Case, 3; Stewart, 2; Kelly, bow. Second crew: Smith, stroke; Harris, 7; Baker, 6; Mutchler, 5; McCollins, 4; Adams, 3; Eastman, 2; Bowl, bow.

INHERITANCE TAX

PROPOSITION SUBMITTED FOR
NEXT JOINT DEBATE.

Question Formulated by Hesperia's
Team—Athenae's Men Will
Choose Their Side.

The Hesperian Joint Debate team, consisting of Messrs. Solomon Huebner, Wm. Hagenah and Max Strehlow, has submitted the question to the Athenaeum team, Messrs. Robt M. Davis, John O'Meara and M. B. Olbrich. The Athenaeum men will have until June 8 to choose their side.

The question submitted is: "Would the relinquishment, by the federal government of its right to tax inheritances, to the states exclusively, be preferable to the relinquishment by the states, of their right to tax inheritances to the federal government."

It being mutually conceded: (1) That all rights of taxation now possessed by the states or by the federal government can and will be transferred by either to the other. (2) That the federal government stands in need of revenue, and that the federal tax can become law.

Interpretation: "Inheritances" to mean transfers property by descent, devise, or bequest; transfers of property by deed, grant, bargain, sale or gift, made in contemplation of the death of the grantor, vendor or donor, or intended to take effect in possession or enjoyment at or after such death.

—Professor Reinsch has returned from Eau Claire where he was called to act as one of the judges on the Eau Claire-Superior High school debate.

The Girls' Crew.
The appearance of three girls' crews Saturday morning shows clearly that it has been a mistake not to have permitted the girls in the past to have a crew. The young ladies of the eastern colleges have always taken a great deal of interest in the sport and it has often occasioned surprise that the University of Wisconsin with its excellent facilities for this kind of exercise, did not also have a girls' crew. The showing of the young ladies Saturday morning was very creditable, and with regular practice and efficient coaching, the young ladies, should soon become proficient in handling the oar.

"The Negative Side of Athletics."
The last number of the Forum contains an article by Professor Arlo Bates on "The Negative Side of Athletics," in which the method of conducting athletics at the various universities of the country is severely criticised and condemned. Mr. Bates believes that altogether too much importance is attached to athletic contests and that athletics at present is the greatest obstacle to intellectual improvement in the colleges and universities. He heartily condemns the advertising a university receives by means of its athletic victories and says that any university which contains one student who was induced to enter on account of the university's reputation in athletics, is in a degenerate condition and had best close its doors. Some very interesting instances are cited to illustrate the influence of athletics in modern colleges, which the author says may apply to any university in the country.

While, undoubtedly, Mr. Bates' views may not be received with favor by college students generally, the article, nevertheless, is a very strong statement of the other side of athletics, and it is worth the attention and thought of every student.

The Weather.
Fair tonight and Tuesday.

Philomathia's Banquet, May 29.

Philomathia will hold her annual senior banquet May 29, at Keeley's Palace of Sweets. Mr. L. G. Lohr will act as toast-master. Mr. Wetzler will respond for the freshman class, Mr. Minahan for the sophomores and Mr. Sauthoff for the junior class. Toasts will also be responded to by the members of the senior class and the alumni.

Geneva Meeting.

Instead of the regular Sunday afternoon meeting of the Y. M. C. A. a joint meeting was held with the women's association yesterday and the subject of the Geneva conference was considered. Secretary Phelps presented the subject talk which was illustrated by numerous lantern slides.

The Geneva conference will be exceptionally good this year. Upon the list of strong men who address the conference occur the names of Mr. John R. Mott of New York, Mr. Harry Monroe of Chicago and Mr. R. E. Speer of New York. The conference will be held from June 21 to June 30 this being a week later than customary on account of the Boston jubilee convention. The entire cost of boarding and lodging while at the camp has been reduced to the very moderate sum of \$15. A large delegation is expected to go from the University.

Reception to Engineers.

Dean and Mrs. Johnson received the junior and sophomore classes in engineering last Saturday evening. The evening was passed very pleasantly in an informal reception. Misses Fox, Moore, White, Gapin, Professor and Mrs. L. Smith and Professor Swenson assisted Mr. and Mrs. Johnson in receiving and entertaining the students. Ice and punch were served. Dean Johnson will be at home to the freshman engineers next Saturday evening and this will close the series of "at homes" which Dean Johnson has given to his students during the year.

Local and Personal.

—Prof. C. N. Gregory was guest of honor Saturday evening at a banquet given at the Iowa State University.

—Ira C. Sunderland, C. E. '02, has accepted a position on the United States Geological Survey in Wisconsin.

—The following are the results of the inter-fraternity baseball games played last Saturday: Phi Rho Beta 20, Delta Upsilon 19; Delta Tau Delta 51, Phi Psi 8; Psi Upsilon 10, Phi Gamma Delta 8.

—The recital to be given to-morrow evening by Miss Alice Walden has been postponed owing to the death this morning of Professor James S. Smith of the School of Music. The date for the recital will be announced later.

—A university league has been formed among the women of the faculty and the wives of the men of the faculty. It is a very simple and informal organization which has grown out of the efforts of several of its members to bring about better acquaintance between the members of the faculty itself and also the young men and women of the University. No definite plans have yet been made for accomplishing this end. The first meeting of the league was held Saturday afternoon upon the adjoining lawns of Mrs. Allen and Mrs. Slaughter. After a short business meeting the ladies adjourned for a social hour and light refreshments were served.

"In The Blues"

is a common saying of a person who exhibits low spirits, nerveless action and a failure to enjoy even the most cheery surroundings. Nine times out of ten this condition is accounted for by poor digestion, which affects the mind and nervous system, besides enfeebling the body.

Pabst
Malt Extract
The Best Tonic

is a complete remedy for the "blues" and a promoter of good health and good cheer, being a pure, nourishing, concentrated food of easy digestion and soothing action.

I prescribe your "Best" Tonic in all cases where a pure and reliable malt extract is indicated. It has given me the best satisfaction. DR. W. B. PAYNE, Covington, Va.
