Dear Matti and Eddy:

I hope this letter finds you both happy and healthy. We are coming to the Upper Peninsula from Sunday, July 15th - Monday, July 23rd. I hope that we can get together again.

The best time for us would be Monday, July 16th or Tuesday, July 17th. I was just talking with Eino and he said that you guys come into town sometimes on Mondays. In that case, why don't we plan on getting together on Tuesday, the 17th.

I hope you are able to make that date. If not, I'm sure we can work something out. See you soon.

Sincerely,
