## ARMISTICE 1918-1939

### A PROCLAMATION

By the President of the United States of America.

Whereas twenty-one years ago, on November 11, 1918, the nations then engaged in the World War agreed to an armistice terminating hostilities, and

Whereas Senate Concurrent Resolution 18, Sixty-ninth Congress, passed June 4, 1926 (44 Stat.1982) reads in part:  
"That the President of the United States is requested to issue a proclamation calling upon the officials to display the flag of the United States on all Government buildings on November 11 and inviting the people of the United States to observe the day in schools and churches, or other suitable places, with appropriate ceremonies expressive of our gratitude for peace and our desire for the continuance of friendly relations with all other peoples," and the act approved May 13, 1938 (52 Stat.351, provides

that " the 11th day of November in each year, a day to be dedicated to the cause of World peace and to be hereafter celebrated, and known as Armistice Day, is hereby made a legal holiday "; and

Whereas, in the tragic situation which the world finds itself today, with the destructive forces of war once again unleashed, it is appropriate for the people of the United States to reflect upon that hour of November 11, 1918, when the voices of war were silenced, and to look forward even now to a time when a just and enduring peace shall be established among all the peoples of the earth;

Now, therefore, I, Franklin D. Roosevelt, President of the United States of America, do hereby direct that on November 11, 1939, the flag of the United States be displayed on all Government buildings, and I invite the people of the United States to observe the day in schools and churches, or other suitable places, with appropriate ceremonies.

### WILLIAMS BAY, INCORPORATED

The Men's Club of Williams Bay had as its theme at the regular November meeting which was held at Hotel Normandie on last Monday evening, " Williams Bay, Incorporated ". It was the occasion of the twentieth anniversary of the incorporation of the village.

Fifty-five men sat down to a very fine dinner which was served by the hotel. Reservations for fifty-five had been made and exactly that many were served. At each plate was a program and three pages of history of Williams Bay, also a sheet of the songs to be sung.

After singing "America, the Beautiful ", Rev. Keiser said Grace, interspersed during the lulls in service and program, Ken Vister lead in group singing.

President R.E. Burton of the Club conducted a short business meeting and then turned over the meeting to F.M. Van Epps, Vice-President to carry on the program.

Col. J.E. Atkins welcomed the out of town guests, Lawrence A. Hollister told of Local Cooperation at the time of the work in planning for the incorporation, regretting that Mr. G. Henne, Sr. could not be present to tell about it.

Mr. Alfred Pihl, one of the members of the first board of trustees told of the fine work done by the late Storrs B. Barrett, the first president, the late Dr. E.B. Frost a members and Dr. Oliver J. Lee, Clerk as well as the other members in working out the proper methods of conducting a village.

Mr. Easton Johnson, Whitewater, who was the attorney for the village incorporation told of the work done at the time and also of the progress made by the village in the twenty years.

Mr. L.A. Rasmussen who is in his 13th year as a Trustee told of the improvements made. (Mr. H.A. Bradt is also serving his 13th year, was present )

## WILLIAMS BAY, INCORPORATED, TWENTY YEARS AGO

" Millions of years ago, so they tell us at the Observatory, the Almighty Architect of the universe designed and began to shape our rolling hills and valleys and to fashion the splendid water basin that forms our glorious lake. There isn't any doubt that the eleven hundred acres within our village boundaries is one of the outstanding beauty spots of Earth. It is no wonder that first the Indian and later the whiteman picked this spot as a village site ." J.S.Hotton former president of the Williams Bay Board of Trustees in an article "Our Village " published in "Bay Leaves " on January 28, 1937.

When Israel Williams, his wife, Lavina, and her mother, Mrs. Joy came in July, 1837, to take up claims made the month before by Moses and Israel, Jr., in their name, they would have liked to have settled East of the Bay, but the Indians made it rather definite that they were encroaching upon their happy hunting grounds. They then came across the Bay and laid claim to what is now the original part of Williams Bay.

The old homestead which has been remodeled was a favorite place for newcomers in this region and on their way farther west to stop and it became known as Buckhorn Tavern.

The original plat of Williams Bay which contained Blocks No. 1 to 6 and Lots No. 1 to 17 in Block 7 was signed by Lucretia S. Williams, wife of Royal Williams and William G. Degroff, owners and recorded July 3, 1889. The stimulus for this development was the coming of the Chicago Northwestern Railway to the Bay in 1888.

The growing fame of Lake Geneva as a Summer Resort inspired John Johnston, Jr. who had a home on the lake near Lake Geneva City ( then a village ) to plat Grand Terrace Subdivision. This plat was recorded in March 1892.

Thus when Dr. E.J. Fucik, William Valentine, S.J. Noble, Gottlieb Henne, Andrew Carlquist, Alfred Pihl, Lawrence A. Hollister, Walter E. Jewell, Andrew Anderson, Oscar M. Waterbury and A.B. Carlson signed a petition asking that the Village of Williams Bay be incorporated back in June, 1919 practically all of the main part of the Village had been laid out.

On June 26, 1919 a subscription list was passed around and \$81 was secured to pay incorporation expenses. A census was taken by Lawrence Hollister who found that there were 492 people living in the village area which was to be incorporated as at August 2, 1919. The surveyor who laid out the village for the incorporation was William Child. It contained 1144 acres of land and was bounded on the south by 19520 feet of lake shore, on the west by Delavan Road, on the North by the township lines of Delavan and Geneva and on the east by the East line of Peter Johnson farm. ( it has been extended to take in the adjoining land up to the road.) On April, 1929 the Village took in as a part of its incorporation the waters of the Bay, giving complete control of the waters of the Bay.

Circuit Court Judge Grimm granted the plea of the incorporators on September 15, 1919 and the papers were recorded on October 23, 1919. Easton Johnson of Whitewater acted for the village in all legal matters.

The present Officers: J.E.Atkins, president; F.M.Van Epps, clerk; Mrs. O.M.Waterbury, treasurer; Albert T.Anderson, assessor; A.C.Ohl, constable; Chas. H Sawyer, Justice; Victor Hansen, supervisor. Trustees: H.A.Bradt, Harry Breen, L.A.Rasmussen, Alfred A.Pederson, Carl Ridell, Eric J.Werner.

Accomplishments since Incorporation: Street Lights, Fire Engines and other equipment, Edgewater Park, Frost Park, improved streets, Geneva Street paved, Library and Community Room, Garage for Village Trucks, graders and tools, Water plant with purification and softening systems, Sewage Disposal Plant with 30 acres used partly for Winter Sports and Park, Purchase of lake shore from Railroad and beginning of improvement, helped school district with addition to the school, water mains extended to whole village with a few places yet to cover, sewage from large area of thickly populated area, bathing pier with guards.

The placing of Loch Vista subdivision on the market in October, 1921 by Arthur B.Jensen and Donald F.Able with its advertising was one of the first big steps to advertise Williams Bay, then the wonderful advertising campaign put on by Jaeger and Pederson in promoting Cedar Point Park, really put Williams Bay on the map.

Gov. Julius P.Heil in a letter to our Village President January 26, 1939, said " It is with pleasure that I comment upon the fine civic spirit in Williams Bay, Wisconsin. You have not only beautified your city, but you have one to the expense and care of supplying a fine water works system and sanitary facilities, together with the fine public park arrangement.

" The small cities supply their state with beauty spots that attract folk from all sections of the country, and Williams Bay has the enviable reputation of being center imbued with the desire to make the most of its natural resources. ".

Williams Bay citizens have made rapid strides in building their village during the last two decades. This and future generations will take up the good work and carry on.

The coming of Yerkes Observatory and first the group of artisans who built it and later the scientists and others who have formed the staff placed Williams Bay in position well at the top of educational centers. The camps for education and recreation bring hundreds and thousands to our village every year. The advertising which is done in telling of the programs of these groups also gives our Village the best kind of publicity.

The best advertising that can be done is to have loyalty for the village and bubble over with enthusiasm for it when telling or writing about it. To have that means working for the building of a bigger and better Williams Bay.

Gordon P. Case spoke of plans for a factory in the village.

Greetings were given by Lester Lushian, president of the Lions Club of Lake Geneva, George Allen for the Chamber of Commerce of Lake Geneva; Chas. J. Quinn, Sec'y Chamber of Commerce, Delavan, H. W. Vertheim representing Rotary Club, Delavan; and Andy Olson, president of the Kiwanis Club of Elkhorn.

After singing "America", the meeting adjourned promptly at 8:00 P.M.

#### VILLAGE BOARD ADOPTS FIRE ZONING ORDINANCE AT NOVEMBER MEETING.

The exact name of the Ordinance is "An Ordinance For Fire Limits, and the Construction and Equipment of Buildings".

It provides for a business or manufacturing section which is approximately, all the railroad property, Elkhorn Road to roadway leading to sewer plant, Walworth Av. and on Geneva St. to Williams St.; along the lake shore to include Beauvais Boat Co. Types of construction in that area is limited by the ordinance for fire protection.

Any one contemplating new buildings of any kind in the village can secure copies of the Ordinance by asking the Village Clerk.

It will be in effect as soon as posted properly, then mimeograph copies will be made.

The Clerk was instructed to again write the State Highway Department to see that a white line is placed in the new road at the lake, also to see why the State Planning Board has delayed in sending some one to help with the plan for the lake shore.

The Village Budget as adopted will be about the same as last year, with final figure to be adjusted after requirements of State, County and the School District are in.

#### WILLIAMS BAY SCHOOL TO OBSERVE ARMISTICE DAY ON FRIDAY.

It is planned to have a combined assembly of Junior and Senior High School at 11:30 on Friday. Frank M. Van Epps, who was on a ship which was torpedoed and sunk enroute to an English port during the World War and severely wounded in the Argonne Woods battle, will be the speaker.

#### ADOPTING WILLIAMS BAY

The editor referred in a previous issue to a story in a magazine of a couple who adopted a town. They heard all their friends talk of their "hometown" and as they had been brought up in a city were not able to boast of "their hometown".

They decided to adopt one and looked over a map and hit and miss selected one, sent for a subscription for the local paper and read all about its churches, business firms, social activities, etc. On their vacation they visited the town, naturally telling the editor about it. They were swamped with invitations to attend this and that and had a great time.

"Bay Leaves" has several hundred subscribers who are about like that couple. The editor tries to contact our summer people and the interest in our village is very keen, they like to read of our club activities, churches, etc. It gives them a cross section of American living that is interesting to all Americans.

Come on up to Williams Bay. You can call folks by their first name. R. E. Burton is "Bob", Mr. Peterson is "Mike", Henry Granzow is "Hank", Wm. Elbert is "Bill", even our dignified Attorney Freytag is "Bill", "Mike" and "Joe" (Ambrose) make our ice, "Bob" Anderson and "Iver" Iverson preside over Fish Line Store, "Roy" Johnson, "Art" Anderson, "Mel" Spence, "Wib" Johnson, "Al" Hotton, and none of the rest of us will object either

## ANOTHER VERSION OF "BOER WAR"

Mr. Joseph Mills a subscriber to "Bay Leaves" in Country Club Estates wishes another side of the article which appeared in a previous issue about the Boer War.

He writes: "The Boers did not mind their own business, nor is it true that they troubled nobody." "Oom Paul" Kruger of the then Transvaal Republic invited outside capital and engineers into the country to develop its mineral wealth. After British brains, energy and money was freely extended, the Transvaal denied representation to these immigrants in the form of franchise or right to sit in their legislature. Not only this, but they discriminated against them by confiscatory taxes upon their income and upon explosives, etc., which were absolutely essential for mining purposes. In other words after inviting and encouraging outside skill, labor and capital to build up the country, they denied these incoming settlers the slightest semblance of citizenship or fair play.

After much much internal trouble the government of Great Britain interfered and "Oom Paul" promised reforms, his failure to fulfill which causing the second war of 1900-2 which ended in an enduring peace, satisfactory to all concerned, so satisfactory indeed that the Union of South Africa has been the very first of the members of the British Commonwealth of Nations to declare war on Germany when Britain did so a few weeks ago, a thing they did not have to do, or certainly would not have done if they held any illwill against Great Britain.

### REMEMBER WAY BACK WHEN

President Herbert Hoover gave us two cars in every garage and two chickens in every pot- but time has changed it all- the garage has gone to pot and there's two chickens in every car. But President Roosevelt gives us a greater buildup- two Thanksgivings in one month and two turkeys on every platter. Nice work for the turkey growers!

## WAR IN EUROPE AND THE OUTLOOK FOR BUILDING A HOME.

Lawrence Hollister attended a banquet at Hotel Pfister, Milwaukee at which 800 were present: Lumber Dealers, Real Estate Brokers, Bankers and Building and Loan Officers, on October 26.

Roy Wenzlick, president of Real Estate Analysts, Inc., St. Louis was the speaker

One of the illustrations he gave of building costs was a brick two story house which before the World War cost \$4254 to build. Six years later the same house would have cost \$8,006. Today it can be built for \$6,420. If costs increase because of the present war as they did before by 1945 it will cost \$12,100 to build this house.

War has always increased building costs. They advanced 65% from July 1914 to April 1917 and 93 % more from 1917 to 1920. The first World War was the cause of building costs rising 218 % in six years. It can happen again.

Says Mr. Wenzlick "people that build in the next six months are going to find that they built at the most economical time in their entire life-time."

### ANOTHER BAY BOWLING TEAM TO BE HEARD FROM.

Hollister "Boys" is the name that they have chosen. The team is composed of Gene Hollister, Otto Schissling, Ken Viste, Bob Cook, Glen Cook, Rudolph Johnson.

Gene Hollister was in Columbus, Ohio, last Sunday, with the Kenosha Foot Ball Team, they lost the game and incidentally lost out on a trip to Los Angeles.

Gene has played or will play at Chicago, Des Moines, St. Louis and Louisville.

A local basket ball team is being formed and practicing.

FROM GROVE PARK INN, ASHEVILLE, N.C.

BIG FOOT COUNTRY CLUB

Mr. and Mrs. Richard Grant Lydy, Chicago and Lake Geneva, are enjoying a motor trip through the Smoky Mountains region, and have spent the past week at the Grove Park Inn, Asheville, N.C. where they have been riding horse back through the mountain trails during the Autumn season.

To all members of the Club

As a result of the enthusiastic response to the highly successful Winter Sports party held at the Club last winter, the officers have decided to expand the winter program at the Club. During the subsequent fall and winter weekends, the basement of the club house will be open, heated, clean, and water and simple food will be available at all times under the supervision of our caretakers, Mr. and Mrs. Andrew Hogeson.

Thus, you and your guests may use the Club for hiking, picnics, winter golf, hunting and after the snow falls, for tobogganing, skiing, and as warm headquarters for skating and iceboating. No notice is necessary unless you wish to bring up a party of six or more. In that case please notify the caretaker in advance so that he may have plenty of food available.

Mr. John Nichols, a veteran at winter sports, has had the grounds crew smooth and prepare a suitable ski and toboggan slide on the golf course. Later on, when the weather permits, we will arrange several winter sports parties for the Club members and their guests.

Please feel free to make the most of this winter program and tell us how you like it. Suggestions as to its improvement will be welcome.

Judging from the popularity of last winter's event, and the enthusiastic response of everyone to this suggestion, we cannot help but feel that the Club should be used for this purpose, and that our members will find its facilities and usefulness increased thereby. This arrangement will add appreciably to our overhead, since the Club must be heated and the caretakers are always in attendance.

The clubhouse will be open every weekend throughout the fall and winter, and announcements of special winter parties will be forth-coming. Arthur R. Colwell  
President.

#### JANE BECKWITH CHOSEN QUEEN

Miss Jane Beckwith, age 18, daughter of Mr. and Mrs. J.L. Beckwith, Chicago and Lake Geneva, has been chosen as queen of the Harvest Festival, an annual pre-Thanksgiving event at French Lick Springs, Ind. Many Chicago residents attend the festival each year.

#### AUCTION AT OTTO YOUNG ESTATE

A team of horses brought \$435 and a pair of yearlings colts \$235 at an auction on the late Otto Young estate farm here Thursday of last week. Mr. Charles Overall of the Story Book Farm bought an old station wagon for \$30. All of the property sold at high prices.

#### WILL GIVE DEBUTANTE TEA-DANCE

Another debutante tea-dance to be added to the busy week between Christmas and New Years is one Miss Sara Peace, daughter of Mr. and Mrs. Charles E. Peace, 105 Bellevue Place, Chicago, on December 29. Miss Peace, who made her debut last year, will entertain for three buds of this season, Miss Dorothy Warner, daughter of Mr. and Mrs. Rawleigh Warner, Lake Geneva and Chicago; Miss Elizabeth Stenson, Miss Lela Ellis. Miss Peace attends Wellesley college.

The Peace summer home is in Congress Club, Williams Bay.

Mr. and Mrs. Harry W. Baumgartner, Chicago, who recently purchased the Williamson property at Oak Bank on the north shore of the lake, have had the grounds landscaped and the front terraced and planted.
