The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

SUCCESS THROUGH INNOVATION

POROCOAT[®]

This Porocoat[®] prosthesis – retrieved four weeks postoperatively from a man who suffered a fatal cerebrovascular accident – demonstrates close apposition of host bone to the implant surface.
