The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

"Nursing's a noble profession,"

Said Jean, with a wry expression.

"My hands turn men cold!"

"CREAM!", she was told.

So Jean PACQUIN-ed. Result: a possession!

● Pacquins Hand Cream was first made for doctors and nurses who give their hands so many scrubblings each day. Now Pacquins is used by more women than any other hand cream in the world! Cream your hands regularly for soft, smooth loveliness! For extra-dry skin, red label Pacquins—contains lanolin.
