ANNUAL MEETING OF THE BOARD OF REGENTS

Madison, Wisconsin

Saturday, June 16, 1934, 9 A.M.

President Clausen presiding

*Waivers
p. 3, 4, 5*

PRESENT: President Frank; Regents Backus, Baker, Berger, Callahan, Christopherson, Clausen, Combs, Drexler, Eimon, Grady, Gundersen, Mead, Runge, Ullsperger, Wilkie.

ABSENT: Regent Sholts was absent because of illness.

Upon motion of Regent Grady, seconded by Regent Baker, it was

VOTED, That the minutes of the meeting of the Board held on April 25, 1934, be amended to include Regent Grady's minority report on the Otto Gregory matter. The minutes of the meeting of April 25, 1934, were approved as amended. The minority report is as follows:

"As a member of the Committee to which was referred the application of Otto Gregory for reinstatement as an elevator operator in Chadbourne Hall, I beg to submit this minority report.

Mr. Gregory, a civil service employee, was dismissed upon a charge of incompetency and insubordination. There was little or no proof offered before the Committee of his inefficiency, and his dismissal is, as I understand it, sustained by the action of the majority of the Committee solely upon the charge of insubordination. This charge consists almost entirely in his refusal to comply with the expressed wish of the Supervisor to extend to a certain employee one floor service in that Hall. A compliance with such expressed wish would constitute a violation of the plain and published rule of the department promulgated by Miss Meier, the Supervisor, under the direction of Mr. Halverson, head of the department.

This rule was printed and posted in the elevator operated by Mr. Gregory. Such rule was as follows:

Regular Elevator Service

Weekdays.....7:15 A.M. to 9:00 P.M.
Sundays.....8:00 A.M. to 10:00 A.M..
 12:00 M. to 2:30 P.M.
 6:00 P.M. to 9:45 P.M.

Note: No elevator service for one floor only.

(Signed) E. Meier
July 18, 1933

When request for one floor service was made he called the matter to the attention of Mr. Halverson, referring to this rule, and while he was advised by Mr. Halverson that the rules could be changed, no such change was in fact made. He was, therefore, placed in the embarrassing position of being required either to refuse the request of Miss Meier, the Supervisor, or violate the published rule of the department.

There seems to me to be neither justification nor excuse for his dismissal upon this charge, and I recommend that he be reinstated, subject to departmental rules definitely prescribing his duties." *(note -*

The Regents then proceeded to the

ELECTION OF OFFICERS.

An informal ballot for President was taken. Number of votes cast, 15, of which Regent Berger received 1; Clausen, 6; Mead, 5; Wilkie, 3. Upon motion of Regent Mead, seconded by Regent Wilkie, it was

VOTED, That the by-laws be suspended and that the Secretary be instructed to cast a unanimous ballot for Regent Clausen. The ballot was so cast and Regent Clausen was declared elected.

An informal ballot was then cast for Vice President. Number of votes cast, 15, of which Regent Ullsperger received 4; Berger, 2; Mead, 2; Wilkie, 7. Upon motion of Regent Berger, seconded by Regent Eimon, it was

VOTED, That the by-laws be suspended and that the Secretary be instructed to cast a unanimous ballot for Regent Wilkie as Vice President. The ballot was so cast and Regent Wilkie was declared elected.

was Upon motion of Regent Grady, seconded by Regent Berger, it

VOTED, That the by-laws be suspended and that a unanimous

ballot be cast for M. E. McCaffrey for Secretary. The ballot was so cast and M. E. McCaffrey was declared elected.

✓ The budget for 1934-35 was then taken up for consideration. Regent Ullsperger moved, seconded by Regent Mead, that the following report of the Finance Committee of the Regents be adopted:

Minutes of the Meeting of the Finance Committee of the Regents held in the office of the Business Manager June 5 and 6, 1934

There were present at the meeting on June 5th Regents Grady, Callahan, Ullsperger; President Frank, Business Manager Phillips, Mr. Peterson, Comptroller and Assistant to the Business Manager, and Secretary McCaffrey; on June 6th Regents Grady, Callahan, Ullsperger, Mead, Wilkie; President Frank, Business Manager Phillips, Mr. Peterson and Secretary McCaffrey.

A balanced budget was presented. After consideration of the various analyses of the budget presented by the President and the Business Manager the following actions were taken:

✓ Upon motion of Regent Callahan, seconded by Regent Ullsperger, it was

VOTED, That the general policy of a limited number of salary increases in basic pay and adjustments in waiver in recognition of exceptional ability in the lower salary ranges, as reflected in the budget presented, be approved. (Note: It seemed to be the sentiment of the Committee that increases in salaries in excess of \$5,000 should be considered only in exceptional cases.)

✓ Upon motion of Regent Wilkie, seconded by Regent Mead, it was

VOTED, That the Board fix and approve the age limit for retirement at 65, provided that upon recommendation of the administration employment may be had in cases or groups of cases up to 70 years, if approved by the Board. (Note: President Frank suggested the desirability of devising a formula for a transition period to cover men in the upper age ranges whose retirement has been planned by them on the expectation of 70 years. It was understood that the President would prepare such formula for discussion by the Regents.)

✓ Regent Callahan moved, with second by Regent Ullsperger, to approve the waiver scale upon which the budget for 1934-35 is made.

★
Curt

Regent Wilkie moved the following amendment:

✓ That in setting up a waiver system provision be made for the exemption of each child.

This motion received no second.

✓ Regent Wilkie then moved the following amendment to the original motion and stated that the portion in parenthesis might be removed from consideration in view of failure to get a second on his previous motion:

MOVED, That there be adopted a waiver scale ranging from 12 to 30 per cent, the impact being 12% on a salary of \$500 and the impact on a \$10,000 salary being 27½% and provided further that there be a proportionate step up from \$500 to \$10,000 (and further provided that an exemption schedule be put into effect applicable to married persons with dependent children under sixteen years of \$200 for each such child), waiver to be computed on total cash compensation for the year, but not including summer session.

This motion failed to receive a second.

Vote was then taken on the original motion. Regents voting "Aye", Callahan, Mead, Ullsperger; Regents voting "No", Wilkie, Grady. Motion carried.

✓ Regent Wilkie moved that there be set aside from 1A Funds an additional \$15,000 for equipment repairs to be made by the Service Department. This motion failed to receive a second. (see p. 5) *

Upon motion of Regent Wilkie, seconded by Regent Callahan, it was

✓ VOTED, That the Emergency Board be asked for further funds for maintenance and for construction to meet existing needs and to improve the work schedule of the labor staff; that the detailed requests be prepared by the President and Business Manager. see p. 5 +

3d June 1934
✓ Regent Callahan moved, with second by Regent Ullsperger, that the budget as presented be approved with the understanding that the President will revise the salary increases in the University Extension budget. Regents voting "Aye", Mead, Callahan, Ullsperger; Regents voting "No", Wilkie, Grady. Motion carried.

Budget
Approved

Regent Grady explained his vote by saying he felt the waiver schedule could be improved, although his vote did not necessarily imply concurrence in the alternative schedule suggested.

Upon motion of Regent Callahan, seconded by Regent Ullsperger, it was

✓ VOTED, That the President and Business Manager be author-

X
ized to make such alterations as may be necessary and that will not throw the budget out of balance.

The meeting adjourned at 4:15 P.M.

✓ Regent Wilkie moved the following amendment, seconded by Regent Drexler:

That in lieu of the schedule of waivers as set out in the budget we approve a schedule running from a minimum waiver of 12%, having that net effect upon salaries up to and including \$1000, and from there progressively and proportionately raise the brackets of waiver so as to produce a net effect on salaries ranging proportionately from 12% on the first \$1000 up to 27.5% on a \$10,000 salary and that from \$10,000 on the steps be adjusted so that salaries in excess of \$10,000 would take a net effective waiver of 30% on the cash amount of that salary.

Called vote was taken on the amendment. Regents voting "Aye", Berger, Drexler, Grady, Runge, Wilkie. (5). Regents voting "No", Backus, Baker, Callahan, Christopherson, Clausen, Combs, Eimon, Gundersen, Mead, Ullsperger. (10). The motion was declared lost. Regent Grady explained his vote.

Called vote was then taken on the original motion. Regents voting "Aye", Backus, Baker, Berger, Callahan, Christopherson, Clausen, Combs, Eimon, Gundersen, Mead, Runge, Ullsperger. (12). Regents voting "No", Drexler, Grady, Wilkie. (3). The motion carried.

✓ Regent Wilkie moved, seconded by Regent Grady, that in setting up a waiver system provision be made for exemption of married persons with dependent children under sixteen years of age to the extent of \$200 for each child. Called vote was taken. Regents voting "Aye", Wilkie. (1). Regents voting "No", Backus, Baker, Berger, Callahan, Christopherson, Clausen, Combs, Drexler, Eimon, Grady, Gundersen, Mead, Runge, Ullsperger. (14). Motion lost.

* ✓ Regent Wilkie moved, seconded by Regent Drexler, that there be set aside from 1-A funds an additional \$15,000 for equipment repairs to be made by the Service Department, if funds are available. Called vote was taken, all Regents present voting and voting "Aye".

+ Regent Wilkie moved, seconded by Regent Drexler, that the Emergency Board be asked for further funds for maintenance and for construction to meet existing needs and to improve the work schedule of the labor staff; that the detailed requests be prepared by the President and the Business Manager. Called vote was taken, all Regents present voting and voting "Aye".

The matter of the appointment of a Director of Intercollegiate Athletics was taken up and the majority report which was submitted by the Chairman of the Athletic Board and the minority report signed by Walter Alexander and Myron T. Harshaw of the Athletic Board, were discussed. Regent Berger moved, seconded by Regent Ullsperger, that the matter of the appointment of a Director of Intercollegiate Athletics be referred back to the Athletic Board. Called vote was taken. Regents voting "Aye", Backus, Berger, Clausen, Combs, Eimon, Gundersen, Mead, Runge, Ullsperger. (9). Regents voting "No", Baker, Callahan, Christopherson, Drexler, Grady, Wilkie. (6). Motion carried. Regent Wilkie explained his vote. (Copies of majority and minority reports attached.)

Upon motion of Regent Grady, seconded by Regent Backus, it was VOTED, That the Athletic Board be requested to make their report to the Board of Regents at a special meeting to be held within the next thirty days.

*of the
Special
Comm.*

The following

RECOMMENDATIONS OF THE PRESIDENT

were presented and upon motion of Regent Backus, seconded by Regent Baker, the recommendations were adopted:

- General -

Degrees

1. That degrees be granted, fellows and scholars appointed, and prizes awarded as shown in EXHIBIT A, enclosed. Adopted. *as follows:*

*Have posted in
Commencement
program*

2. That the following actions of the faculty be approved:

a. Modification in the requirements for the Masters and Doctors degrees in the Graduate School. EXHIBIT B, attached. *on file*

b. Modification of entrance requirements. EXHIBIT C, attached. *on file*

c. That the 1.3 grade point requirement for promotion to the junior year be indefinitely postponed.

(Cont.)

- d. That the following statement be incorporated
✓ in the note form used in granting student loans:

"A student's diploma shall be withheld and all requests for official transcripts or information regarding his record shall be denied until either payment or satisfactory arrangement for payment of loans from the student loan funds be made with the Secretary of the Regents. A student in residence who has, for thirty days or more, ignored statements regarding his loan shall be excluded from classes until he has made satisfactory arrangements regarding it with the Secretary of the Board of Regents."

- e. ✓ That the degree of Scientiae Juris Doctor may be awarded to students who having received a certificate or a degree in law from an approved School shall have completed a fourth year of study at the Law School of this University, and shall have submitted a satisfactory thesis in some field of law.

Adopted.

- Letters and Science -

1. That George Bents be appointed part-time garden assistant at the pharmaceutical experiment station for the months of May, June, July and August 1934; salary at the rate of \$25 net a month; charge to revolving fund 4B.

Adopted.

2. That A. H. Uhl be appointed research associate in pharmacy for the months of July and August 1934; salary at the rate of \$75 a month; charge to Wisconsin Pharmaceutical Association trust fund income.

Adopted.

3. That Ole Gisvold be appointed research assistant in pharmacy for the months of July, August and September 1934; salary at the rate of \$50 a month; charge to Wisconsin Pharmaceutical Association trust fund income.

Adopted.

4. That the following persons be appointed student assistants in music from May 15, 1934, to the close of the academic year; each to

(Cont.)

receive \$100 net for the service rendered; charge to balance on salary of E. W. Morphy, deceased, p. 48, fund 1A:

John Maloney
Vito Intravaia.

15. ✓ That the President and the Business Manager be authorized to make such adjustments in the 1933-34 budget as are necessary to complete the fiscal year. (Confirming verbal approval)

Adopted.

16. ✓ That upon the recommendation of Dr. Bardeen \$238 be transferred from Regents' Unassigned 1-D to Physical Plant New Construction Current to cover the cost of ventilating the dog kennels in the Service Memorial Institute Building. (Total cost \$525, Medical School budget pays \$287.) (Confirming verbal approval of June 6, 1934)

Adopted.

17. ✓ That upon the recommendation of Dean Turneure \$10.00 be paid to Addanell Harris, half-time stenographer in Hydraulic Engineering, to cover extra work done during the Christmas recess period in connection with short courses for sewage plant operators and water works superintendents. (See President's recommendations for staff members.)

Adopted.

18. That upon the recommendation of Mr. Haas, the College of Agriculture budget for 3-K Dairy and Farm Sales be increased in the amount of \$25,800 distributed as follows, this increase to come from additional receipts above the budget estimates:

Milk	19,600	for May and June payrolls
Maintenance	1,200	
General Supplies	2,000	
Feeds	2,000	
Seeds	500	
Fertilizer	500	
	<u>25,800</u>	

Adopted.

Upon motion of Regent Backus, seconded by Regent Callahan, adopted.

1934-35
19. That upon the recommendation of the Athletic Board Mr. Gilbert McDonald be appointed to the Harlan B. Rogers Scholarship for the year 1933-34; stipend of \$300 to be paid on October 1, 1934, chargeable to the Harlan B. Rogers Scholarship fund. *Scholar*

Adopted.

Received a copy of the
will of Herbert M. Haskell, B.L. '93, LL.B. '97, and advised that copies would be sent to the Regents.

Mrs. Alumni (Secy)
Upon motion of Regent Grady it was VOTED, That the Executive Committee of the Regents confer with the Committee of the Research Foundation with reference to the matter of contracts entered into for licenses under the patents. The motion was amended to include the Chairman of the Finance Committee together with the Executive Committee and was carried as amended. *Grady*

The Business Manager reported upon the status of Regents' Unassigned 1-A and it was

VOTED, That the President and the Business Manager be authorized to expend the amounts necessary before the close of the fiscal year.

Upon motion of Regent Mead, seconded by Regent Berger, it was

leave
VOTED unanimously that the Business Manager be granted leave of absence on the summer session basis from October 1, 1934, to April 1, 1935. *leave*

At 1:15 P.M. the meeting

A D J O U R N E D.

M. E. McCaffrey,

Secretary.

MAJORITY REPORT

June sixth, 1934

President Glenn Frank
Bascom Hall
University of Wisconsin

Dear President Frank:

As you know, the University Athletic Board at its meeting on May 12th, voted to recommend the appointment of Mr. George F. Downer as Director of Intercollegiate Athletics with a basic annual salary of \$6,000. It is the understanding of the Board that Mr. Downer will continue to perform his present duties as Publicity Director of the Division.

The Board bases its recommendation on the following considerations:

(1) Mr. Downer is thoroughly familiar with the traditions of the University. He graduated from Wisconsin in 1897. As a student he played a prominent part in extra-curricular activities, athletic and otherwise. For four years he was a member of the track team; captain in 1894. Following his graduation he served as General Secretary of the Alumni Association and as the first Graduate Manager of Athletics with faculty status. He has lived most of his life in his native state and always has maintained close contact with his Alma Mater. Not without justification is he known as "the alumnus best posted on Wisconsin athletics."

(2) Mr. Downer will bring to the Directorship a sound and salutary educational and academic point of view. He has been a secondary school and college teacher, the principal of three high schools, and the superintendent of an important city school system. He has always envisaged competitive athletics as an integral part of a more comprehensive educational program.

(3) Mr. Downer possesses the necessary technical knowledge. He has coached track, baseball, basketball, and football. During his five years at South Division High School, Milwaukee, his teams won four city championships and two state championships. For seven years his football teams at Butte, Montana, never lost a game to a Montana high school and were defeated in only two interstate games. At Milwaukee State Teachers College, where he was Director of Athletics and Physical Education for eight years, his track teams won the state championship five times. To the members of our Board it seems highly important to have in charge of intercollegiate athletics at Wisconsin a man with enough technical knowledge to appraise accurately the work of coaches in the several sports and with a deep and intelligent interest in the development of a well-rounded program.

President Glenn Frank - 2
June 6, 1934

(4) Mr. Downer has a wide and happy acquaintance with leaders in the field of athletics. His work as sports editor of an important metropolitan newspaper provided him with opportunities to know practically all of the men now serving as directors, not only in the conference institutions, but in all the leading colleges and universities with which Wisconsin has athletic relationships. We know that the Conference directors would welcome him to full and friendly fellowship in their group.

(5) Mr. Downer has an unusual background of administrative experience. As has already been indicated, he has held the following positions: principal of three high schools; Secretary of the Alumni Association; Graduate Manager of Athletics at Wisconsin; Director of Athletics and Physical Education, Milwaukee State Teachers College; and Superintendent of Schools at Butte, Montana. In the last mentioned capacity, for six years, he was the executive head of an educational system employing almost three hundred teachers and supported by an annual budget of nearly one-half million dollars.

(6) Mr. Downer's leadership will be acceptable to his colleagues on our present staff. We believe that he would infuse a spirit of harmony and cooperation into the Division. Conversely, we are convinced that any coach of a major sport would find it extremely difficult to make a contribution in this direction comparable to that which Mr. Downer can make.

Therefore, because we are confidently persuaded that Mr. Downer represents the best available combination of those qualifications essential to success in the Directorship and that he will safeguard and promote all of the University's legitimate interests in intercollegiate athletics, we respectfully request you to urge the confirmation of his appointment by the Board of Regents.

Very sincerely yours,

A. T. WEAVER,

Chairman,
ATHLETIC BOARD.

ATW-h

The following are excerpts from a few of the letters received by the Chairman of the Athletic Board urging Mr. Downer's appointment.

J. A. Chilsen, Manager, Merrill Daily Herald, Merrill, Wisconsin.

"To my way of thinking, he (Mr. Downer) is outstanding in the country as a figure in college athletics. His long connection with this work makes him especially desirable as the head of the department at Madison. I have known Mr. Downer for twenty-five years, in fact, ever since he was head of the local high school, and I know many people who know him; never have I heard any comment that was not favorable to his character or his ability in the work in which he is engaged."

H. S. Morgan, Director of City Athletics, Milwaukee Public Schools.

"His varied experience as superintendent of schools, coach, and athletic director, and a sport editor, makes him exceptionally well qualified for the position. I have known Mr. Downer for the past seventeen years. Through my experience of playing under his coaching I appreciate that he is an excellent leader of men. In later years his newspaper work has accentuated his keen interest in and knowledge of sports, particularly in college athletics. I am numbered among the many admirers who feel that Mr. Downer is unusually well qualified for the appointment."

F. L. Orth, Attorney at Law, Milwaukee, Wisconsin.

"As one always interested in the best for Wisconsin athletics I feel that the University would be very wise in choosing George Downer, present Publicity Director, as Athletic Director also. It seems to me as it does to many others to whom I have spoken that George Downer would be well qualified as a Wisconsin graduate and one connected with athletics over a period of many years, to handle the situation at Madison. As former Assistant Coach I had the opportunity of working with Mr. Downer and I know he is a man with the proper strength of character to hold that position."

Chris Steinmetz, President, Milwaukee "W" Club.

"Undoubtedly you have had many communications and suggestions relative to the selection of an athletic director. I wish to add a suggestion, however, that most of the members of our group are personally acquainted with George Downer and trust that he will receive earnest consideration by the Board. It appears to us that all of his activities have tended to qualify him for the position. Why couldn't his position as publicity director be combined with that of athletic director?"

Excerpts (Cont.)

John R. Richards, Los Angeles, California, for six years head coach of the University of Wisconsin football team.

"I wish to go on record for myself and a good many other of the mature-minded alumni in favor of George F. Downer for Director of Athletics. I am endorsing him because I know the needs of Wisconsin and I am equally sure of his ability and athletic objectives. I am sure that you will agree with me that an efficiently operated department is what we want and some of us do not confound efficiency with athletic teams' successes. I like victories as well as anybody and I know that an efficient system will get our share of them by teaching and handling the material that comes to us in the normal course of events. I know that Mr. Downer can integrate this department and eliminate the pulling and hauling that have characterized it for years. In my opinion, a competitive department should be administered by an executive who is not a coach charged with the success of any team."

Judge John C. Karel, County Court Chambers, Milwaukee, Wisconsin.

"I am writing to urge that you give serious consideration to the qualifications of your present director of publicity, George Downer. In stating that he is, in my opinion, ideally qualified for this position, I express not only my personal views, based upon a close acquaintanceship with him which began when we were students at Wisconsin, but also the practically unanimous views of all alumni of my acquaintance.

"I trust you will not regard my urging George Downer's name for this position as presumptuous. I know that he is a member of the department and assume that he has not been overlooked. However, I know him so well that I feel certain he would make no move to bring himself into prominence and that, therefore, it should not be out of place for some of us on the outside, who are actuated only by a desire for the best interests of Wisconsin, to say something about him.

"George Downer is conceded to be the best posted alumnus regarding all phases of University athletics - and athletics in general. He has had a matchless experience as athlete, teacher, coach, official, school executive, and sports writer. Always, he has upheld the highest ideals and has been a powerful influence for clean sports and good sportsmanship. Experience has matured his naturally good judgment and you could rely on his never making a serious mistake in policies or their execution.

"It seems to me that nothing which your Board could do would be more gratifying to Wisconsin alumni or do as much to unite them behind the splendid program which the Board is working out as to place George Downer at the head of the athletic department. He knows Wisconsin's athletic needs, its competition, its difficulties. He has rare tact and I know - by report - that his election as director would be pleasing to Wisconsin's splendid group of veteran coaches, all of

Excerpts (Cont.)

whom respect him highly and like him personally.....

"In conclusion, I wish to say again, that my only purpose in this letter is to place you in possession of certain facts which I am sure you will wish to weigh in canvassing the qualifications of men eligible for the directorship and above all, because as an alumnus I believe George Downer would make Wisconsin an ideal director. This is the view of the Milwaukee "W" Club - which is on record in the matter - and every member of that club is a former athlete devoted to what he believes to be the best interests of the University."

MINORITY REPORT

To The Board of Regents, The University of Wisconsin

Gentlemen:

We appreciate the opportunity given us by your body in permitting us to appear before you. We feel that we would have been derelict in our duty, as we see it, to the Alumni had we not requested this appearance in order to make clear to your Board what we sincerely believe to be the views of a large majority of the Alumni of The University of Wisconsin, in relation to the Athletic situation in general, the Athletic Department in particular, and more specifically its Directorship.

As the official representatives of the Alumni on the Athletic Board, we have made many contacts personally and by letter with leading Alumni in all parts of the country, and also with other taxpayers, and with citizens of the State. As a result we have arrived at the conclusion that the idea prevails, correctly or not, that there is something radically wrong with the Athletic Department at the University, and that this situation would be remedied by the appointment of a permanent, popular, forceful and efficient Athletic Director at this time.

Our investigation further reveals that the opinion prevails in the minds of the Alumni and citizens of the State, and the friends of the University, that DR. CLARENCE W. SPEARS possesses these necessary and essential qualifications.

We believe you will agree with the sentiment that has been found to exist in the State relative to the non-appointment of a Director for the past two years has been detrimental not only to the Athletic Department, but to the University itself. Furthermore, the committee form of control now existing, even though originally intended to be temporary, has not been popular. It produces divided authority, and the sentiment has been expressed that divided authority is worse than no authority at all. We feel that a continuance of any such policy will be interpreted as a sign of administrative weakness.

DR. SPEARS was appointed head football coach two years ago after a thorough and careful investigation of his ability, character and past record. Since assuming charge of the football department, he has fully justified the confidence reposed in him as a result of such investigation. During his first year, the season of 1933, with the same material that made a deplorable showing the previous year, his team lost but a single game and that by a single point. The second year, with the loss of several outstanding men, his record of games won was disappointing, but, it was recognized, however, that the team made substantial improvement as the season progressed and that this was due to Dr. Spears' ability as a coach and his understanding of the psychology of boys. In spite of this disappointing season, the supporters of the team, students, Alumni and citizens of the State recognized his ability as an

outstanding coach and leader of young men.

Under the present form of Committee Control of the Department, and prior to that as a coach, Dr. Spears has given a demonstration of his administrative ability. He has proven such ability in many ways, such as reduction of expenditures in the Athletic Department, handling and preparing the budget, purchase of supplies, and the drafting of schedules. For the first time in many years, Wisconsin has secured football games with such consistently outstanding teams as Michigan, Northwestern and Notre Dame.

The University of Wisconsin is at the present time engaged in reselling itself to the State. Dr. Spears has done much for the institution in this respect. He has made many appearances and talks both within and without the State. He has addressed Alumni groups, high school gatherings, business men and Civic organizations. His receptions have been enthusiastic and the impression he has left has been uniformly favorable. He has impressed his listeners with his ability as a coach, as a teacher and director of young men, and as a man of integrity, character and sound common sense - all essential qualifications for an Athletic Director.

This good-will effort on his part has been with little cost to the University and of great value to our school. This activity on his part, as well as his coaching work, and the results therefrom, justify our belief that there is a widespread sentiment throughout the State favorable to a recognition of his ability by appointing him Athletic Director.

The University during the next few months, and more particularly during the coming Legislative session, will be confronted with a serious situation and will need the support of its alumni and friends as never before. The University of Wisconsin, as a State institution, belongs not to any particular group but to the people of the State, and their interest should be encouraged and their support secured. Such interest and support can be furthered by a strong, co-operating group of Alumni who, in themselves, will be influential and who can also influence citizens and taxpayers of the State. We feel that nothing could more coalesce the sentiment of the Alumni and cause them to rally to the support of the University at this time than the appointment of a popular Athletic Director.

In view of this, the Alumni representatives would not be true to their trust were they to ignore this sentiment and fail to urge its importance in this situation. Due to the fact that the opinion of the Athletic Board in relation to the Athletic Directorship was not unanimous and that a recommendation was made by the close vote of 4 to 3, three of such votes including that of a faculty member being in favor of Dr. Spears, we respectfully recommend the appointment of Dr. C. W. Spears as Athletic Director, fully trusting in his capacity and ability to successfully administer the department, and feeling further that his

appointment will do much to eliminate the sentiment oft expressed verbally and in the State Press that all is not right in the Athletic Department at the University of Wisconsin.

Walter Alexander

Myron T. Harshaw

RECOMMENDATIONS OF THE FACULTY OF THE GRADUATE SCHOOL

May 31, 1934

(1) That the requirement for the M.A. (or M.S. or Ph.M. degree) be modified by adding (on page 16 of the Social Science Bulletin of the Graduate School under A. 1. after the first sentence) the following: "Only complete semesters or quarters spent in residence elsewhere than at the University of Wisconsin will be counted in determining this minimum period of required residence." Summers spent abroad in language study, advanced work taken at research biological stations, and the like, may, upon recommendation of the department concerned, be accepted as one of the six required summer sessions.

(2) That the requirements for the Ph.D. degree be modified to make the normal minimum of residence attendance three semesters at the University of Wisconsin instead of one year. We suggest that the first sentence under A. 1. on page 18 in the Social Science Division Bulletin of the Graduate School be modified to read: "The normal residence requirement is three academic years, at least three semesters of which must normally be spent at the University of Wisconsin." We have in mind that in very exceptional cases the three semester rule might be waived, but that in all such cases there should be special action by the Graduate Committee.

CHARLES S. SLICHTER, Dean

RECOMMENDATIONS OF THE SPECIAL COMMITTEE ON ENTRANCE REQUIREMENTS
(As approved by the University Faculty at its adjourned meeting of
June 6, 1934)

The Special Committee of the University Faculty recommends that the regulations for the admission of freshmen be modified in accordance with the following plans:

Methods of Admission

I. By presenting a certificate of graduation from an accredited four-year or an accredited senior-high school showing satisfaction of the underwritten requirements and bearing the principal's recommendation of the candidate's fitness for college.

1. Definitions. A unit represents a norm of five class-periods per week in one field of study for a school year of at least 36 weeks. Two laboratory periods in a science or other subject are considered equivalent to one class period. In subjects not usually taught throughout an entire school year, a unit may be constructed by adding the respective time values of two related subjects.

Except in foreign language (see below), a major consists of three or more units in one field of study and a minor consists of two units in one field of study.

"Unrestricted" admission to the University is admission which opens to the student all Colleges, Courses, and fields of study to which freshmen are eligible and insures full freedom of choice among all the college majors and fields of specialization. "Restricted" admission opens to the student such Colleges, Courses, and fields of specialization as do not require high-school mathematics as background. It does not give admission to the College of Agriculture or the College of Engineering or the Course in Chemistry, and does not permit the student to major or specialize in chemistry, commerce, economics, mathematics, pharmacy, pre-medicine, philosophy, political science, psychology or sociology, or in any of the other natural sciences including physical geography and geology, or to graduate from the School of Education with a major or minor in any of these fields.

2. Sixteen units are required of a graduate of a regular four-year high school for admission as a regular student to any College or Course open to freshmen.
3. Admission of such graduate shall be based upon: (a) the completion of two majors and two minors selected from four of the fields in Group A (below); one of these majors shall be English and Speech (unless the candidate offers a minor in foreign language, in which case a minor in English and Speech

will suffice); and for "unrestricted" admission one major or minor shall be mathematics, i.e., one unit of algebra and one unit of plane geometry, with an additional half-unit of algebra in the case of those who seek unqualified admission to the College of Engineering; and (b) the completion of the additional units necessary to make a total of sixteen units selected from Group A and/or Group B (below), with the provision that not more than six of the sixteen units may be presented from Group B. Pupils planning early in their high-school career to enter the College of Letters and Science or the College of Engineering are advised to present all sixteen units from Group A. Until further action by Faculty and Regents not more than two units in advanced applied music or, alternatively, in Art will be accepted under Group A. (Broadly speaking advanced applied music may be provisionally defined as applied music based upon two years of preparation in band or orchestra, or equivalent preparation in chorus. The units in Art shall be based upon adequate preparation in free-hand drawing in the grades or an equivalent.)

4. Graduates of high schools which maintain a senior-high-school division shall present twelve units from this division to include; (a) one major and two minors selected from three of the fields in Group A or four minors selected from four of the fields in Group A; one major or minor shall be in English and Speech, and for "unrestricted" admission one major or minor shall be mathematics (as described above) unless, before entering the senior-high-school, the entrant has completed one of the two units in mathematics specified in the preceding sub-section, in which case the completion of the second unit will suffice. (b) The remaining units shall be selected from Group A and/or Group B. (See advice in preceding sub-section.)

5. Fields of Study

Group A

- | | |
|--|--------------------------------------|
| (1) English and Speech | (4) Mathematics |
| (2) Foreign Language | (5) Natural Sciences |
| (3) History and the
Social Sciences | (6) Advanced applied
Music or Art |

Group B

- | | |
|-------------------------|------------------------|
| (1) Agriculture | (4) Industrial Arts |
| (2) Commercial Subjects | (5) Mechanical Drawing |
| (3) Home Economics | (6) Optional (2 units) |

6. The foreign languages accepted for admission are French, German, Greek, Hebrew, Italian, Latin, Norse, Polish, and Spanish. If foreign language is offered under Group A it must consist of at least a minor in one language. Three or more units in one foreign language or two units in each of two foreign languages shall constitute a major. A single unit of foreign language (i.e., one unaccompanied by a foreign-language minor) may be offered as an optional subject under Group B. (Four units in one foreign language are preferable to two units in each of two foreign languages.)
7. "Restricted" standing may at any time at the option of the student be changed to "unrestricted" standing by the mastery, subsequent to high-school graduation, of the content of high-school algebra and plane geometry by private study, tutoring, or correspondence study. The University will not provide resident instruction in this preparatory work.

II. High-School graduates need not meet the above requirements if, on the combined basis of rank in graduating class and aptitude and achievement tests satisfactory to the University, they stand in the upper twenty-five percent of the average freshman class entering the University and are recommended for college by the high-school principal; but their admission will necessarily be "restricted" unless their preparation includes the two units in mathematics. (The statistical work necessary to determine the threshold of the upper twenty-five percent in question will be carried on with all convenient speed and the results will be immediately placed in the hands of the high school authorities.)

III. Candidates who cannot enter by either of the foregoing methods may secure admission, as in the past, on the basis of the entrance examinations.

COLLEGE OF AGRICULTURE

1934-35

Promotions

Associate Professor to Professor

W. A. Sumner, Agricultural Journalism
Helen Parsons, Home Economics
W. W. Clark, County Agricultural Representative

Assistant Professor to Associate Professor

Ruth Randolph, Home Economics
V. V. Varney, Boys' and Girls' Clubs
Robert Amundson, County Agricultural Representatives

Instructor to Assistant Professor

F. B. Trenk, Agricultural Engineering (3 years)
S. A. Witzel, Agricultural Engineering (3 years)
Helen Allen, Home Economics (3 years)
Isme Hoggan, Horticulture (1 year)
C. E. Holmes, Poultry Husbandry (3 years)

Reappointments

Assistant Professors for 3 years

- A. J. Haas, College of Agriculture (Admin.) Extension Service and Wisconsin Agricultural Experiment Station.
- Elizabeth McCoy, Agricultural Bacteriology
- D. S. Anderson, Agricultural Economics (1 year)
- I. F. Hall, Agricultural Economics (1 year)
- R H. G. Shands, Agronomy (1 year)
- F. Lacey, Animal Husbandry
- M. R. Irwin, Genetics (1 year)
- Marion Juairé, Home Economics
- Elizabeth Johnson, Home Economics (1 year)
- J. W. Brann, Horticulture and Plant Pathology
- Elizabeth Salter, Boys' and Girls' Clubs (1 year)
- Gladys Meloche, Home Economics Specialists

Instructors for 1 year

Blanche Riising, Agricultural Chemistry
C. F. Wehrwein, Agricultural Economics
D. R. Mitchell, Agricultural Economics
Amy Gessner, Rural Sociology
A. J. Cramer, Animal Husbandry
R. T. Harris, Animal Husbandry
H. T. Sondergaard, Dairy Industry
C. A. Buck, Dairy Industry
E. C. Alfonsus, Economic Entomology

Instructors for 1 year, cont.

T. C. Allen, Economic Entomology
N. P. Neal, Genetics, Agronomy and Plant Pathology
Dorothy Husseman, Home Economics
Frances Roberts, Home Economics
Georgia Durden, Home Economics
Cecelia Abry, Home Economics
Mrs. Julia Nofsker, Home Economics and Wisconsin High School
W. B. Ogden, Horticulture
L. G. Holmes, Horticulture
G. E. Annin, Poultry Husbandry
H. H. Hull, Soils
E. A. Carlson, Veterinary Science
Grace Langdon, Farm and Home Information Service
R. H. Rasmussen, Farm and Home Information Service
Geneva Amundson, Boys' and Girls' Clubs
Margaret McCordic, Home Economics Specialists

COLLEGE OF ENGINEERING

1934-35

Re-appointments for three years

Assistant Professors

K. G. Shields ✓	Drawing & Descr. Geom.
J. D. Livermore ✓	Drawing & Descr. Geom.
G. F. Tracy ✓	Electrical Engineering
L. H. Kessler ✓	Hydraulics
J. M. Dorrans ✓	Machine Shops (as Superintendent)

Appointments for one year

Instructors

Chemical Engineering - -	P. G. Ellis A. J. Krombolz N. H. Ceaglske
Drawing and Descr. Geom. -	H. B. Doke R. Worsencroft F. O. Griffith
Electrical Engineering -	R. R. Benedict F. A. Maxfield L. C. Larson H. J. Kubiak
Hydraulic Engineering -	H. W. Ruf A. T. Lenz S. E. Kotz
Mechanics - - - -	K. F. Wendt L. O. Hanson R. A. Hartenberg George Washa J. G. Van Vleet (1st sem. only)
Machine Design - -	D. J. Buroker T. P. Colbert (full time 1st sem., half time 2nd sem.)
Machine Shops - Full time:	Thos. Puddester N. F. Hollander R. R. Bell G. F. Young

(Cont.)

Appointments for one year

Instructors (Cont.)

Machine Shops - Half time: Geo. Hitchcock
C. F. Peters
Bert Bridge

Steam & Gas Engineering - O. C. Cromer
E. T. Hansen
R. A. Rose
F. A. Mattka

Railway Engineering - - W. H. Tacke

Topographic Engineering - F. Matthias

Promotions

Structural Engineering

W. S. Cottingham, promoted from Instructor to
Assistant Professor for 3 years

Continuation of appointments for one year

Mining and Metallurgy

Scott Mackay, / (Associate Professor) As provided in
Joseph Oesterle, / (Assistant Professor) the budget.
