## TWO WEEKS BEFORE CHRISTMAS DAY

All around us we begin to see signs of Christmas again. In our neighboring communities the streets are lined with Christmas trees with the colored lights, large trees stand out in the community centers.

Announcement is made this week that the Williams Bay Garden Club is encouraging home decorations by giving prizes again this year.

Williams Bay will have its large tree at the corner of Geneva and Walworth Avenue. Merchants will have their stores decorated inside and out. The Firemen will put Holiday attire on their attractive building.

May we suggest that you see what our stores have for your Christmas present list.

## "LIGHT OF THE WORLD" CHRISTMAS PAGEANT

Some hundred men, women and children will join in a community Christmas program this year. The "Light of the World" is the name of the pageant.

Wonderful cooperation is being given to make this first community program a worthy affair. Williams Bay has the reputation of being community minded. This is additional proof.

It is expected that the pageant will be held two nights to take care of the large audiences. The two nights are Wednesday, December 20 and Thursday the 21st.

There will be no tickets or charge. A silver offering will be taken. All over expenses will go toward the Christmas baskets which will be distributed to add cheer to some homes.

The caste for the pageant will be published next week in the Christmas issue of "Bay Leaves".

## THE CHRISTMAS NUMBER

Next week, December 14th a very attractive number will be published. 1,000 copies will be printed. You may wish to mail a copy to your friends. Send 10¢ with their name to the editor and he will mail it. It costs 6¢ for postage.

**FRANK VAN EPPS ELECTED PRESIDENT

At the annual meeting of the Men's Community Club held at a dinner meeting at Rose Lane Hotel on Monday evening, Frank Van Epps was elected president, Louis Kapingst, vice-president and Robert N. Anderson, secretary-treasurer.

The Club has had a continual growth for the last ten years and will carry on as before for community betterment.

Gene Hollister, Carl Bjorge and W.H. Freytag were appointed a committee on Winter Sports.

Village Board, Williams Bay

Col. Atkins could not be at the Village Board meeting on Monday night on account of a severe cold which affected his voice.

Chas. Ridell acted as chairman.

A tax rate of \$24 per \$1,000 was decided upon which gives the various divisions of government the following:

State	216
County	8.67
Village	8.34
School	6.774
	<u>24.00</u>

To satisfy the State Highway Department that there would be sufficient space for cars at the beach the Village Board passed a resolution that there be no parking of cars East of the Wisconsin Transportation pier and that diagonal parking be permitted west of the pier with the posts set back 35 feet from the center of the highway.

This to be embodied in an ord-

inance being prepared now to cover all village parking and driving rates of speed.

Two ordinances were presented for a first reading:

An Ordinance Providing for a Village Plan Commission for the Village of Williams Bay.

Interim Zoning Ordinance for Williams Bay, Wisconsin.

Fire Chief Hansen requested the Board to take steps for the purchase of new tires for the Fire Engine. (The ones on the engine have been there for 9 years), also the purchase of 300 feet of new hose to place us up where the Fire Rating Bureau demands that our Village be (namely 1500 feet of fire hose).

The \$24 tax rate produces \$67,907.59 in taxes which will be distributed as follows: State \$ 612.87; County \$24,533.39; School \$19,168.33 leaving for the Village \$23,593.00.

**WILLIAMS BAY FIRE DEPARTMENT ANSWERS  
INGALLS FARM CALL**

Twelve members of the Bay Department went to the South Side of Lake Geneva to answer a call for additional help from Town of Linn department. The barn at the Wallace Ingalls farm burned in a spectacular blaze.

The Bay helped to keep the fire from spreading and saved the contents of a large silo.

The Fire occurred on Thanksgiving night in the early evening.

## CHRISTMAS SEALS HELP TO FIGHT A WAR

When you buy Christmas Seals remember you are helping to fight a war against disease which means we are helping to save the lives of thousands of people every year.

Einar Holboell, a postal clerk in Denmark was the originator of the idea to sell stamps to help the poor and ill. That was in 1904.

The double bar cross of the charity seals began to appear on letters and packages.

The idea spread to 41 nations and last year brought \$5,170,392 to fight the disease. The seals were introduced into America by Jacob Riis, philanthropist, who was a native of Denmark.

In Wilmington, Del., Emily Bissel who was struggling to keep open a small hospital for tubercular patients, seized on the idea of using the stamps as a means of support for her work. The stamp has since become the emblem of a campaign that has saved more than 2,000,000 lives in America. The death rate now is 49 per 100,000 population, in 1907 first year of the seals, it was 179 deaths per 100,000 population.
