00:13 Munkel (over the music): This is October fourth, Saturday night. We are down here at the Concordia Dance Hall in La Crosse and this orchestra that's playing here is Arnie Radtke from around [La Crescent]. The phone number is six-four-three-six-threethree-five. I am recording some of this so that the boys at the Legion can hear this orchestra play so you know the type of music they play. And I would sure like to see these members of this Radtke orchestra play in Spring Grove sometime at our Legion. I'm sure that the people that would come there would really enjoy them. These people down here at Concordia seem to have a very good time when they play here.
