The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

Openness evolves into realignment,
multiplicity into unity,
understanding into vision:
Sulzer Medica evolves into Centerpulse.

Implanting trust.

A vision takes shape – Sulzer Medica evolves into Centerpulse. The major new corporate brand in the medical technology sector structured in 6 divisions – Orthopedics, Spine-Tech, Dental, Cardiac, Vascular and Biologics. A future-driven company with a 40-year heritage. The name is changing, our corporate objective remains. People and their health are the focus of our every effort. With innovative products of outstanding quality, we strive to give new impetus on international scale. For the welfare of the patient.

Sulzer Orthopedics will adopt the new name accordingly evolving into Centerpulse Orthopedics Division.
