The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

Colo. Donny

I expect to leave here
to morrow morning in the State or by
the Steam boat for N.Y. would thank
you to send my watch by the Stage
