Come Back to Madison

During the warm spring days of
April 21-22-23, for the

University Exposition

The University will be on display for your entertainment.

There will be exhibits showing in action the inventions and advancements worked out in each department.

You will want to see the \$30,000 chemical warfare exhibit, the submarine detector in action, and the other intensely interesting exhibits.

Springtime in Madison will captivate you again with its beautiful freshness.

Come back for the

UNIVERSITY EXPOSITION

Watch Wisconsin Work

THE WISCONSIN ALUMNI MAGAZINE is published monthly during the School Year (November to August, inclusive) at the University of Wisconsin.
ALUMNI DUES—Incl. \$1.25 subscription to The Alumni Magazine—\$2.00 a year, "payable on or before July 1 of each year for the fiscal year beginning May 1 next preceding."
SUBSCRIPTION to the Wisconsin Alumni Magazine alone, without the privileges of membership: \$2.50 a year; foreign postage 50 cents extra.
CHANGE OF ADDRESS must be reported before the 21st of the month to insure prompt delivery at the new address.
REMITTANCES should be made payable to The Wisconsin Alumni Association and may be by check, draft, express or postal money order; personal checks should be drawn "Payable in exchange." All mail should be addressed to
THE WISCONSIN ALUMNI ASSOCIATION, 821 State Street, MADISON. Entered at the Post Office, Madison, Wis., as second class mail matter.

THE PRESIDENT'S PAGE

By ISRAEL SHRIMSKI

WE shall send soon free to our members, a copy of the new Alumni Directory. The compilation was the result of much labor and expense.

Your Board outlines its endeavors for the official year as follows:

1. Increasing the membership in the Association to 10,000.
2. Aiding the drive for funds for the Union Memorial Building.
3. Augmenting the number of life members so that a principal fund may be perpetuated to assure the stability of the organization and to insure the expenses incident thereto.

This program may seem somewhat pretentious, but an analysis of the same will indicate that we are not over-ambitious. We need only slight cooperation on the part of our members to succeed.

ISRAEL SHRIMSKI

We have over 5,500 active members in our organization. There are nearly 10,000 other men and women who are eligible to membership and who have not indicated sufficient interest in their Alma Mater to join us and foster the objects for which we exist; namely, the fostering and perpetuation of the great spirit of fellowship and of the University. The cost of membership certainly ought not to prevent any man or woman from joining. Wherefore, we conclude that his or her interest must be awakened, and then a passive potential member will immediately become an active existing member, who will again be aroused by the call of "On Wisconsin."

As a rule it is only necessary to solicit the alumni to procure their applications and consequent support. Certainly the present membership is indicative of the interest on the part of nearly 6,000 alumni. If a small "a" is not found after the name of a graduate in the alphabetical list and in the United States geographical list such graduate was not a member of the General Alumni Association in February, 1920. May we ask that each of our readers show that interest concretely by procuring one additional member? Why the need of argument, or the necessity for an appeal to each to do his part? Our slogan is "10,000 members. Let's go."

We are pleased to state that the minimum amount (\$500,000) which was set for the Memorial Union Building fund, has been practically assured, but such amount will be insufficient for the completion of the building. The increase

of our membership to 10,000 will do much toward bringing the Union Memorial into being. An active member of the Association is likely to be more interested in the support of University projects. There are many of the alumni who have not as yet subscribed to the Memorial Union fund. Every one has been advised regarding the purposes for which this building will be used, the ideals for which it will stand, and the events which it will commemorate. It is impossible to solicit each personally. Your Board is anxious that the task be completed, and therefore it appeals to those who have not yet contributed to the Union Memorial Building fund, to send subscriptions to the Memorial Union Committee at their earliest convenience.

At the present time there is a renewed interest in Life Membership. Thirty-six classes are already represented—1872, '79, '82, '85, '86, '87, '88, '89, and then every class from '92 to '19 inclusive. The class of 1904 leads with twenty-six members. More power to '04! During the recent war it perhaps would have been a hardship for many of us to invest in a Life Membership. While at the present time there is some business depression, we feel that the worst is over, and we know that "the sun is still shining." A Life Membership is a good investment, in view of the fact that it does away with the payment of all further dues. The necessity for a permanent fund is one that appeals to good judgment, and certainly needs no elaboration.

Incidentally, it is not too early for you to keep Commencement in mind. Alumni doings will be worth while. Arrange now for a few days off. The campus will greet you, the buildings salute you, the lakes delight you, and your fellows will smile on you. What more can the world offer? Be of us and with us at Commencement—cast aside business and cares and you will learn in coming back that "today is the tomorrow which you worried about yesterday."

The Wisconsin Alumni Magazine

"The University, like all of her sisters, is face to face today with very grave problems, and the great weight necessarily rests upon those who are responsible for its policies. If the University is to reach in the future the splendid success of its past, it will be because of the cordial and sympathetic support of its alumni expressed both by words and by deeds."

Volume XXII

Madison, Wis., April, 1921

Number 6

President Shrimski's letter forms an important contribution to this issue. Many members of the Alumni Association hope that similar communications will appear every month. Fellow member, after you have read this April number please pass it on to some graduate or former student who has not yet joined the General Alumni Association. Do your part in recruiting new members. It is, of course, gratifying that no other state university stands higher than does Wisconsin in the relative percentage of graduates who are supporting united alumni effort. One much older state university with twice the number of graduates we have is the only state university that even enrolls more graduates in its alumni organization, and the relative percentage in that organization is only about half of the Wisconsin percentage. Nevertheless, it is not sufficient that we stand still. We should very materially increase our membership. If every member will secure one new member it will be easy to pass the ten thousand mark and anyone who has tried to secure new members knows how very easy the process is. Organized alumni work is a comparatively new thing at Wisconsin. Many graduates know little about it and thousands of former students are not even aware that they are eligible to membership in the General Alumni Association. General Association officers, class officers and local club officers can and all do accomplish much, but neither these officers nor the regular membership committee as such can ever accomplish as much as the combined efforts of more than fifty-five hundred members if every member will only make a serious effort to recruit at least one new member. Read President Shrimski's letter and rejoice that you have such a forward moving organization, and do your part in accelerating this forward movement by *pledging one new member* to join before May first.

This little "a" is small but, oh my! it indicates membership in the General Alumni Association. (See new directory.) It is a symbol of loyalty and cooperative endeavor in behalf of the University. You members who, by the way, will be provided with the new directory without cost if your dues are paid until July 1, 1921 despite the fact that it really would cost more to print this book than your annual dues, and that no commercial directory company has ever offered to print and distribute it for less than six dollars, you fellow members, we say, can very easily double the membership of your Alumni Association if you will, each and every one of you, pledge one new member to join the organization. We will endeavor to secure copies of the new directory for all new members. We may, of course, be obliged to charge new members the actual cost to us for additional copies as the number we have previously reserved merely covers our present membership list. You may assure new members, however, that the present edition is very limited, and that the alumni organization cannot undertake to secure copies for non-members at any price.

Do not swear about the directory as it is. Thank Providence and patience that it is as good as it is and let us all do our best to make the new one better than the other. We feel that the University authorities and employees who have gotten out this 1920 directory have done a better task and a better job than any of the excellent directory undertakings that have preceded this one at Wisconsin. Nevertheless there are very apparent possibilities for improvements along several lines which should and will, we believe, be incorporated next time the publication of a directory is undertaken. Meanwhile graduates and former students are asked to keep the card address records in the alumni office up to date by reporting not only their own addresses accurately and regularly but by helping us to locate any lost sheep of the constantly growing alumni flock. Help spread the Association label. Please get at least one new member. Today is not too soon. **N. B. If your own dues are not paid until July 1, 1921 rush your check to Alumni Headquarters before this limited edition of the Alumni Directory is exhausted.**

The University forever!

Radical in spots, yet as an institution, wonderful in its achievements, endless in its possibilities for good. Occasionally *The Our University Democrat* has felt constrained to offer criticism, but generally it has had no firmer, stronger, more earnest or enthusiastic supporter.

It is pleasing at this time thus to put on record this fact, and to predict for the University still greater honors than those yet accorded.

It is a glorious institution. There is nothing in the way of a State enterprise of which we are so prideful, nothing from which we derive so much value, nothing more truly worthy of support, of encouragement.

The University has steadfastly received from the legislature fair and generous support, and we may be sure it ever will continue to.

Here's to our University! May its glory ever grow!—*Madison Democrat* 2-26-21.

The University Exposition which will be held again this year gives members of the Alumni Association an opportunity to see the University at work. Many universities hold special

The University Exposition alumni days for this very purpose.

"Alumni Day," "Campus Day," "Dad's Day" are some of the names given these meetings. We are particularly fortunate at Wisconsin that the students and the University authorities will hold this great Exposition. Graduates who return frequently to visit Alma Mater better understand her needs and problems, and, consequently, more efficiently serve as emissaries of her continued welfare, prosperity and growth. Plan to visit the University during the Exposition dates. Do not restrict your visits to the Exposition alone but drop into some of the class rooms, call on University officials and faculty members, show your own human interest in the individuals who carry on the great work of the University here in Madison. Students from your home town will be glad to see you. Organizations in which you formerly held active membership will welcome you. Come home to the University Exposition.

President Shrimski made the following committee appointments on March 2: *Funds*—F. H. CLAUSEN, '97, Horicon, C. N. Brown, '81, Madison, Dr. Victor Falk, '11, Stoughton, (one other

Committees member is to be named on this committee); *legislative*—E. N. WARNER, '89, Madison, J. E. McConnell, '87, La Crosse, E. L. WOOD, '92, Milwaukee, S. W. Reid, '15, Ocono-

mowoc; membership—L. F. VAN HAGAN, '04. (Mr. Van Hagan is to select the other members of this committee.)

Public hearings on the University Appropriation Bill were started before the Legislative Finance Committee on March 17. In a detailed

general statement President Birge presented the **Appropriations** following budget requirements for the coming biennial:

Allowed 1920-21		Estimates 1921-22		1922-23	
Operation.....	\$4,167,245	Operation.....	\$4,712,998	Operation.....	\$4,712,998
Maintenance..	137,500	Maintenance..	169,725	Maintenance..	185,825
Capital.....	1,595,780	Capital.....	1,969,185	Capital.....	1,973,085
Totals.....	\$5,900,525	Totals.....	\$6,851,908	Totals.....	\$6,871,908

"The University is doing twice as much teaching as it was ten years ago," declared President Birge, "and nearly 50 per cent more than immediately before the war.

"The increase of unit costs of teaching due to increased salaries, wages, and prices is also about 50 per cent when compared to pre-war costs.

"Increase of faculty salaries since 1913-14 has been slightly under 50 per cent when averages are made either of single groups or of the faculty as a whole, including all full-time teachers.

"Increased expenses" continued the President, "have been coming on during several years. Increased prices began some years back, as everybody knows, and wages also rose. But no noteworthy rise of salaries came until February 1919, after the war. During the war the decreased attendance of students and decreased faculty kept expenses close to pre-war totals. Since the war they have risen rapidly and the increase of appropriations has been met from accumulated balances which are now more than exhausted."

Members of the Alumni Association are naturally interested in the growth and expansion of the University. But above all things they are interested in its ability to render increased service to the State. Abnormal conditions of the past few years, during which period there was almost complete cessation of building operations on the campus, have caused a particularly perplexing problem now that the enrollment has suddenly made a tremendous increase, which increase will undoubtedly continue. The problem is more than ever your problem. If you want your local boys and girls to have the advantages of University education it is imperative that you see that your representatives in the State Legislature make sufficient preparations to provide such education. Some institutions of higher learning that are not supported by public taxation are already saying that they will not exceed a certain set limited number in their student body. Are you solicitous that your local high school graduates be provided with physical possibilities to secure higher education and human agencies to furnish the instruction? If you are, the best way you can practice real economy will not be by following any "penny wise and pound foolish" policy on needed educational appropriations.

If one is opposed to dancing of any sort, criticism may be made of that pastime at the University of Wisconsin where about the same proportion of students participate in dancing as will be found in any normal **Jazz** American community. If one is disposed to long for the grand old days of the stately minuet and the mirthful quadrille such longing will continue with him if he comes to this institution for we have modern jazz here in generous quantities. Doubtlessly too there are some critics of these dances who are almost as severe as were the early critics of the modern waltz. (*To be continued*)

UNIVERSITY EXPOSITION

By J. G. CROWNHART, '21

THE Third University Exposition will be held April 21 to 23 in the Armory and Annex with the "Palace of Light" of the electrical engineers in the electrical engineering laboratory. Over 20,000 square feet of floor space will

J. G. CROWNHART

be used to house the 100 exhibits which will show the University in a birds-eye view.

The Exposition is under the direction of the Union Board. W. B. Florea, '21, of New York City, has been appointed general manager. He has chosen as his assistants C. F. Rasmussen, '22, Park Falls, and Harold Lamb, '22, of Grand Rapids, Mich. Over 500 commit-

teemen have been

appointed to

handle the many ends of the Exposition

activities.

"We expect over five thousand people from all parts of the State to attend the Exposition," said General Manager Florea, "and we have a special committee for the sole purpose of arranging for rooming accommodations. We sincerely hope that a large number of the alumni can visit the school at this time and see the Exposition and the many entertainments we are planning for them."

Everything from the wireless telephone to an edition of the *Exposition News* hot off from the hand press will be shown in the booths. All departments in the University are planning on the arrangements and material for their booths, and special features for each day have been secured.

Governor J. J. Blaine and President E. A. Birge will officially open the doors Thursday afternoon at two with an impressive ceremony. The President's Guard will escort the President to the Exposition while the Governor's Own and Company G of the national guard will escort the Governor. All the plans are laid for the greatest exposition for the greatest University and we count on the alumni to be no small part in the record breaking crowd.

MILITARY BALL

By G. L. GEIGER, '23

FOR the first time, the annual Military Ball, sponsored and managed by the University Cadet Corps, will be given in the State Capitol building, instead of in the University Armory. The change in places for the 1921 function was made possible only by a personal invitation from the governor and a resolution passed by both the senate and the assembly granting the use of the building to the cadets for their ninth annual ball to be held April 8, 1921.

The Armory, where the ball has been held in years gone by, has always been packed far beyond its capacity, which is at best not over 350 couples. To limit the number to 350 would necessitate such a restriction of tickets as would cause many of the cadets as well as many ex-service men to be turned away. In view of the fact that the ball this year was to be a formal reunion of all the former service men attending the University, it was felt that it would be a decided injustice to exclude these men, the majority of whom had been unable to attend Prom and were looking forward to the Military Ball as their biggest social event of the year.

—Courtesy De Long

PEARL E. STEWART

The proceeds of the function, which is recognized as being the formal military social event of the entire State, will be turned over in entirety to the Memorial Union Building fund. The ball will be im-

—Courtesy De Long
J. CALVIN WOLFE

mediately preceded by a formal cadet officers' dinner dance.

Cadet Col. J. C. Wolfe, '21, Madison, is the *general chairman*, and, with his partner, Miss Pearl Stewart, '22, Baltimore, Md., will lead the grand march to the tune of that most famous piece in the world, "On Wisconsin."

The four assistant chairmen to Colonel Wolfe are Cadet Lieut. Col. J. R. Sherr, '21, Milwaukee; Cadet Maj. E. C. Caluwaert, '22, Chicago, Ill.; Cadet Maj. C. M. Russell, '21, Eau Claire; Cadet Maj. Blandford Jennings, '21, Madison.

The chairmen of the ball committees are: *Finance*—Cadet Capt. N. L. Bowers, '21, St. Paul, Minn.; *tickets*—Cadet Capt. L. P. Warner, '22, Beloit; *officers' banquet*—Cadet Capt. W. A. Field, '22, Chicago; *publicity*—Cadet Lieut. G. L. Geiger, '23, Leavenworth, Kans., and Cadet Lieut. K. S. Fagg, '23, Los Angeles, Calif.; *programs*—Cadet Capt. H. J. Bilansky, '22, Milwaukee; *reception*—Cadet Capt. F. B. Leitz, '22, Grand Rapids, Mich.; *invitations*—Cadet Capt. D. R. Mead '22, Marinette; *music*—Cadet Maj. J. B. Bolendar, '21, Monroe; *floor*—Cadet Capt. R. W. Rogers, '21, Lisle, Ill.; *boxes*—Cadet Capt. Fred Ruffalo, '22, Racine; *decorations*—Cadet Maj. C. T. Schrage, '21, Sheboygan; *special features*—Cadet Capt. R. L. Luening, '22, Oconomowoc.

ATHLETICS

By T. E. JONES

THE Western Conference Basketball season just closed, was fraught with many surprises and witnessed the rise of two teams that were slated for cellar positions at the beginning of the race to a place at the top, when Wisconsin and Michigan entered with Purdue in a triple tie for championship honors.

The spirit of the team that could persist in spite of early defeats and discouragements cannot be commended too highly, and it is gratifying to note the result of this spirit in the wonderful come-back in the later games.

It will be some time before the fans will forget the battle with Minnesota on March 5 when at the end of the first half the score stood 6 to 1 in favor of the visitors. No one who witnessed the contest can say that the famous Wisconsin Spirit is dead or even sleeping, for the bleachers united with the players in the "never give up" spirit which brought a victory with an 18 to 12 score.

Individually, the work of Captain Taylor, Rollie Williams and "Duke" Ceaser were the bright lights, but the success is rightfully given to the excellent team work of every member.

The members of the Varsity team to be lost through graduation are Knapp and

McIntosh. With the fine freshman team to recruit the ranks, it is safe to predict a strong Badger team for next season.

The men on the Track Team are nearing the end of their indoor season and enter the

final event—the Conference Meet at Evanston, Ill.—March 19. In their dual meets they have to their credit a victory over Northwestern with a score of 61 to 25 and Notre Dame with a score of 51 to 35. In the former meet Merrick was the feature for Wisconsin with a vault of 12' 6". Seven of the first place honors of the meet were taken by the Cardinals. In the Notre Dame meet, Knollin won high point honors, with first place in the 40 yard dash and in the 40 yard hurdles.

The **Swimming** Team, while not showing up well in the won and lost column, did very creditably as is shown by the close margin of points in their defeats. The strong Illinois team won by a two point margin and Northwestern by six. They were defeated by a large score in the dual meet with Chicago at which two records

were broken by the Maroons—the 220 and the 100 yard.

The **Wisconsin Gymnastic** Team took second place in the Conference meet at Bloomington, missing first by a narrow margin. The Gym Team has shown marked improvement under the able tutelage of Coach Fred Schlatter and the exhibitions given by them between halves in basketball contests have been greatly enjoyed by the spectators.

The **Wrestling** Team won all their dual Conference Meets.

The *Wisconsin Athletic Review* which appeared on the campus last week is a distinct step forward in Wisconsin athletics. It is the first of a series of four and its purpose is to serve as a medium to show the respect and appreciation which Wisconsin feels for its athletic sons.

WISCONSIN ALUMNI CLUBS

"Sit together, listen together, sing together, eat together, and you'll work together."

"It makes me downright sore and I haven't much use for the alumnus, man or woman, who, when engaged in conversation about the Alma Mater, commences to tell about all his clubs, the time they take, what he owes to each one, and that he really hasn't the time to devote to alumni gatherings. Men and women, I'm telling you it's a shame when an alumnus commences talking that way, when he reaches that frame of mind, and from the bottom of my heart I pity him. There's something wanting in his structure, a lack in his spiritual make up for which he is poorer."

CHICAGO

By C. L. Byron, '08

Luncheon at City Club, 12:30, every Friday.

WISCONSIN spirit continues to rise in Chicago, the meetings are ever increasing in interest, and new faces present themselves each Friday.

On **February 25**, Mr. Samuel O. Dunn, Editor of *Railway Age* spoke on the subject *Is the Railway Problem Being Solved*. Among other things, Mr. Dunn stated:

"The indebtedness of the government to the railroads on account of the guaranties from March 1 to Sept. 1 amounts to from \$350,000,000 to \$400,000,000. Because of inability to get a reasonable part of the money the railways have been unable to pay hundreds of millions of dollars that they owe equipment and supply, coal, lumber and other concerns for materials bought from them."

"Their indebtedness for supplies has become so large that most of them have had practically to quit making needed purchases and doing needed maintenance and improvement work. This already has thrown many thousands of men out of employment on the railroads and in industries from which they are large purchasers."

"Failure of the President to sign the Winslow bill would postpone indefinitely the time when the railway companies could get most of this money, and would force them to continue and intensify their policy of retrenchment of expenditures and force out of employment many thousands more employees."

Since this time President Wilson signed the Winslow Bill authorizing partial payments to railroads under provisions of the Transportation Act. This meeting was of unusual interest.

On **March 4**, we had a film which showed very clearly the operation of the self starter of an automobile. This was furnished through the courtesy of R. J. Hardacker, '06, who supplemented the film with an interesting talk.

At this meeting Gustave Sessinghaus, '98, a mining engineer of Denver, Colo., was present as a guest of Mr. Shrimski. Mr. Sessinghaus brought us the greetings of the Denver Alumni, and also advanced some pertinent thoughts on the need of clear thinking by college men.

The other regular meetings of the month were of the good fellowship type. On such occasions Wisconsin spirit shows itself in college songs.

On **March 11**, at one of our good fellowship meetings, unexpectedly and to our delight we were visited by A. B. Hall,

professor of Political Science and Law at Madison, and R. S. Crawford, '03, General Secretary of the Alumni Association. Both were on their way to the Founders Day dinner held at Indianapolis the following evening. Although Mr. Hall had to leave early, he favored us with a talk, stating that he would try out a little of his talk on us before giving it to the Indianapolis people. We wish to say that the people in Indianapolis had a real treat. Mr. Crawford gave us an inspiring message on the University and its Alumni.

We are having Esther Beach revival meetings. The first one took place on **March 12**, at the Palmer House. We had a real mixer at 1 o'clock, a delicious dinner at 1:15, and from 2:30 to 5:30 there was dancing. About sixty-five attended. With this wonderful success as a starter, the many similar parties to follow will be real treats which no Wisconsinite can well afford to miss.

On **March 13**, there was a joint meeting of the ladies and men. Walton Pyre, '99, who has played with Otis Skinner and is an exceptional dramatic interpreter, was the speaker.

KNOXVILLE

By Mrs. W. R. Woolrich, '14

The third meeting of the U. W. Club of Knoxville was held on the evening of Feb. 19, at the home of Mr. and Mrs. W. R. Woolrich (Neena Myhre) '11 and '14. A steady downpour of rain all the afternoon, developing into little short of a deluge just at the appointed hour of the meeting, failed to daunt the brave, stoic spirit characteristic of those who have experienced the varied types of weather of dear old Wisconsin. Ten members, out of a total of fourteen ventured out in spite of the antics of old Pluvius, which fact the secretary regards

as a true expression of the loyalty the U. W. Club of Knoxville has for its Alma Mater as well as for its local organization.

The evening was spent in much the same manner as those of our two previous meetings, namely, discussing in a social way the main topics of interest with which the University of Wisconsin is concerned, as well as indulging in pleasant reminiscences of experiences while there. A contest game in which each member was to extract as many words as possible from the title "Knoxville-Wisconsin Club" proved an amusing pastime for fifteen minutes, after which little Miss June Woolrich recited her favorite recitation—James Whitcomb Riley's *Little Orphan Annie*. Following this came the serving of refreshments which were prepared in the Wisconsin colors, cardinal and white.

A new member was present and joined her name to our list that evening. We were delighted to find temporarily located in Knoxville, Mrs. Anita Loomis (Anita Eschenburg, '11), who is our new and welcome sister.

LA CROSSE

By Anna Mashek, '04

Our U. W. Club held its annual banquet and meeting on the evening of Saturday, Feb. 5, J. E. McConnell, '87, presiding, with Hon. B. W. Jones, '70, as honor guest and principal speaker. Talks were also given by Cora F. Desmond, '99, and Judge John Brindley, '74. The meeting resolved itself into an informal party when H. W. Curtis, ex-'95, led off with a snake dance. The following officers were elected for the ensuing year: Andrew Lees, '95, *president*, Sidney Law, '04, *vice-president*, Anna M. Mashek, '04, *secretary-treasurer*, Mrs. O. J. Oyen (Emma Nelson, ex-'94) and Dr. D. S. MacArthur, '81, *directors*.

PULLMAN

By F. J. SIEVERS, '10

Members of the Wisconsin alumni and former students at State College, Washington were entertained by Dr. and Mrs. F. D. Heald, '94, at their home on Friday evening, March 4. Those present were Mr. and Mrs. G. A. Olson, '02, Mr. and Mrs. F. J. Sievers, '10, Mr. and Mrs. A. R. Nottingham, '08, Mr. and Mrs. Frank Thayer, '16, Rhoda White, '06, Mary McKee, '10, Alice Walden, '99, Anne Kieckhefer, '12, W. I. Nightingale, '20, and J. H. Feldman.

An evening of splendid entertainment composed of University reminiscences and songs supplemented with elaborate refreshments was concluded with the organization of a State College of Washington branch of the U. W. Alumni Association. Prof. F. D. Heald, '94, head of the Department of Plant Pathology, was elected president, and Prof. F. J. Sievers, '10, head of the Department of Soils, was elected secretary-treasurer of the new organization.

SHEBOYGAN COUNTY

By JENNIE T. SCHRAGE, '06

On February 22, a banquet of the U. W. Club of Sheboygan County was held at Sheboygan, Judge Paul Krez, '80, presiding, and Prof. Julius Olson, '84, representing the University as guest of honor.

The meeting opened with the singing of the Varsity Toast, after which, between courses, Professor Olson led us in the singing of a number of University songs, to some of which he had composed the words. Afterward, he talked of the University and its great men, past and present, and of the steps which are being taken to commemorate them. He spoke also of Lincoln and of the stories of his connection with this State.

On the subject of the financial needs of the University, and what the alumni can do to help, Regent Walter Kohler made an able address. Carrying out his suggestion, Gustave Buchen, '09, made a motion to the effect that the officers of this association be authorized to draw up appropriate resolutions indicating the desire of the organization that the legislature support the University by the $\frac{5}{8}$ of a mill tax or its equivalent which the University needs and that these resolutions be sent to our senator and two assemblymen. The motion further provided that all other alumni clubs be called on to make similar resolutions, and that a copy be sent to the President of the University, and to the President and Secretary of the Alumni Association. The motion was seconded and carried.

It was decided to hold a banquet each year in February as near the first Monday, which is Foundation Day for the University, as seems convenient.

The name of the organization was changed from Wisconsin Alumni Association to University of Wisconsin Club, in

WALTER KOHLER

order that all former students may realize that they are welcome to its meetings, whether graduates or not.

The officers, Judge Paul Krez, '80, *president*, Gustave Buchen, '09, *vice-president*, J. F. Stuckert, '09, *treasurer*, and Jennie T. Schrage, '06, *secretary*, were unanimously re-elected.

There were present: C. U. Boley, '83, Ida Bollenbeck, '19, Gustave Buchen, '09, Mabel Colton, '13, Edith Conner, S. S. '18, A. H. Finke, ex '14, Frank Froelich, '09, and Mrs. Froelich (Hazel Wetlaufer, '09), Marie Kohler, '01, Mr. and Mrs. W. J. Kohler, F. W. Krez, '21, Paul Krez, '80, and Mrs. Krez, Robert Krumrey, '03, Mrs. A. C. Luecker (May Rowe, '07), Marian S. Morse, Carl Prange, ex '21, A. C. Prescott, '77, and Mrs. Prescott, Kathryn Prescott, '10, Frank Quimby, '20, Mrs. William Reiss (Rhoda Rietow, '08), Elva Seideman, S. S. '18, O. J. Sieker, '16, and Mrs. Sieker, Mr. and Mrs. Jairus Richardson (Maude Conry, '04), Jennie Schrage, '06, A. L. Sommers, '07, Mr. and Mrs. H. E. Sperling, S. S. '18 and '20, Mrs. A. L. Steffen Jr. (Anna Kurt Rietow, '11), W. H. Rietow, '21, J. F. Stuckert, '09, and Mrs. Stuckert, F. C. Voight, ex '04, and Mrs. Voight, Mrs. W. J. Vollrath (Florence Rietow, '06), J. G. Witte, ex '21, John Detling, '05, and Mrs. Detling (Minnie M. Riess, '05), Walter Brand, ex '23, J. C. Saeman, '10, and Mrs. Saeman (Adelaide Krumrey, '09), Mr. and Mrs. F. D. McIntyre (Marjory Eastman, '12), Clare Thomas, Mrs. Waldemar von Geltech, and Mrs. Bollenbeck.

The resolutions referred to above follow:

WHEREAS, the enrollment of students at the University of Wisconsin is now over seven thousand, and has doubled within the past ten years, and has increased 40 per cent since 1918;

AND WHEREAS, the present buildings and equipment of the University are totally inadequate to care for this tremendous increase of enrollment;

AND WHEREAS, teaching and maintenance costs, in common with costs in all fields of endeavor, have increased enormously in recent years;

AND WHEREAS, unless additional funds are provided for its needs, the University will be seriously handicapped and crippled in its usefulness to the State and its people;

THEREFORE BE IT RESOLVED THAT, as the time has arrived when the University needs the active support of all of its alumni, the University of Wisconsin Club of Sheboygan County, Wisconsin, earnestly requests, and does request, the members of the State Legislature to vote for the proposed increase in the mill tax for the support of the University to $\frac{3}{8}$ mill or its equivalent, and that a copy of this resolution be sent to the members of the Wisconsin Legislature from Sheboygan County.

AND BE IT FURTHER RESOLVED THAT, this club call upon, and does hereby call upon, all other alumni associations in the State and nation to take similar action, and to this end hereby sends a copy of this resolution to the President of the University, and the President and General Secretary of the University of Wisconsin Alumni Association. 2-22-21.

In the Prison Camps of Germany

By CONRAD HOFFMAN

Paper boards \$4.00

THERE is no more dramatic portion of the welfare work done in the Great War than the story of the way the "Y" helped to keep up the morale of the thousands of British, Russian, French, and American soldiers confined in German prison camps.

CONRAD Hoffman was the American "Y" Secretary in charge of this prisoner-of-war work from August 1915 to June 1919—continuing the service to Russian prisoners held in Germany eight months after the Armistice was signed. Mr. Hoffman had an exceptional opportunity to observe both men and conditions and has written with much fidelity to detail a narrative of those stirring events of which he was an eyewitness.

BIRTHS

- 1902 To Mr. and Mrs. W. F. Mabbett (Marie Hinkley), Edgerton, a son, Franklin Dean, Jan. 2.
- 1905 To Mr. and Mrs. C. D. Willison (Dorothy Marshall), Palmyra, a son, Charles Hallock, Feb. 15.
- 1906 To Mr. and Mrs. G. W. Blanchard, Edgerton, a son, David James, Jan. 5.
- 1912 To Mr. and Mrs. M. A. Law (Florence Townley), Chicago, a daughter, Mary Louise, Feb. 9.
- 1913 To Mr. and Mrs. H. R. Moore, a son, Feb. 28. Mr. Moore is a specialty salesman for the Barrett Hardware Co., Joliet, Ill.
- 1914 To Dr. and Mrs. C. S. Harper, New York City, a son. Dr. Harper is now resident physician of the Brooklyn Hospital at New York.
- 1914 To Mr. and Mrs. M. B. Williams, Seneca, Kan., a son, Milton Bryan, Jr., Feb. 20.
- 1914 To Mr. and Mrs. A. L. Godfrey, a son, Thomas Grant, March 4. Mrs. Godfrey was graduated from Lawrence College in 1914.
- 1915 To Mr. and Mrs. W. A. Foster, Elkhorn, a daughter, Margretta Mary, Feb. 15.
- ex '15 To Mr. and Mrs. Fred Bohan (Mary O'Hara), Avoca, a son, Feb. 13.
- 1916 To Mr. and Mrs. H. M. Van Auker (Norma Eitelgoerge), Mason City, Ia., a son, William Louis, June 19.
- 1916 To Mr. and Mrs. J. B. Wilkinson (Catherine Morris), Chicago Heights, Ill., a daughter, Feb. 27.
- ex '17 To Mr. and Mrs. E. J. Settle (Nell Scott Hamilton), Martinsdale, Mont., a son, Edward Hamilton, Jan. 22.
- 1918 To Mr. and Mrs. W. F. Retza (Viola Pohle), Bloomington, a daughter, Irene Elizabeth, Jan. 19.
- 1918 To Mr. and Mrs. L. G. Gentner, East Lansing, Mich., a daughter, Katherine Louise, Nov. 29.
- 1919 To Mr. and Mrs. K. L. Bragdon (Gladys Johnson), Galesburg, Ill., a daughter, Jane, Dec. 28.

ENGAGEMENTS

- 1913 Miss Margaret Ward, Battle Creek, Mich., to F. R. Wahl, Milwaukee. The wedding will occur on April 16 at Battle Creek.
- 1917 Dorothy Hart, Madison, to A. C. Foster, Atlanta, Ga.
- ex '20 Rose Hahn, St. Louis, Mo., to Mitchell Dawson, Chicago.
- 1920 Miss Ethel-Ann Davis, Milwaukee, to R. P. Herzfeld.
- 1920 Margaret S. Titchener to Timothy Brown, Madison.
- 1920 Anne Humphrey, Milwaukee, to Hans Feldman, Milwaukee.
- ex '21 Ethel Gildehaus, St. Louis, Mo., to J. L. Newman, Milwaukee.
- ex '21 Miss Charlotte Kirshner, Kansas City, Mo., to G. H. Brown, De Kalb, Ill.
- ex '21 Miss Mary Ellen Delaney, Madison, to B. W. Drewry, Milwaukee.
- ex '21 Isabelle Quarberg, Mondovi, to Alvin Silverness, also of Mondovi.
- ex '21 Ada Kroening, Milwaukee, to Elmer McBride, Milwaukee.
- ex '21 Agnes Fuller, Madison, to Howard Schneider, also of Madison. The wedding will occur in June.
- ex '21 Flora Filtzer, Milwaukee, to Dr. Joyce Hertzler. Doctor Hertzler is now an instructor at Wisconsin.
- ex '22 Miss Anna Reed, Milwaukee, to J. P. Feiris.
- ex '22 Wilhelmina Ehrman, Oak Park, Ill., to R. C. Corlett.
- ex '23 Valeria Greenblatt, Milwaukee, to Isadore Block, Oshkosh.

MARRIAGES

- 1893 Miss Valentine Catherine Ralph to O. F. Minch. They are living at Opportunity, Wash.
- 1904 Miss Agnes Johnson, Superior, Nebr., to J. H. Warner, March 30.
- 1910 Sarah A. Sutherland, Madison, to O. W. Schricker, Feb. 7. They are living at 806 S. Third St., Champaign, Ill. Mr. Schricker is an instructor in the Department of Engineering at the University of Illinois.
- ex '12 Miss Ethel Smith, Arthur, Ia., to J. F. Bartlett, Feb. 12. They will live at 414 22d St., Sioux City, Ia.
- 1913 Miss Dixie Ward Braley to S. D. Wonders, Oct. 16, 1920, in Newark, N. J. They are living at 1007 W. Exchange St., Akron, O.
- 1915 Miss Nona Paul, St. Louis, Mo., to Dr. M. D. Moran, Feb. 7. They will be at home in Las Vegas, N. M., where Doctor Moran is temporarily stationed in health work.
- 1917 Miss Irene M. Patnoe, Evanston, Ill., to E. H. Van Patten, in December. Mrs. Van Patten is a graduate of Northwestern.
- 1918 Alberita Richards, Rock Island, Ill., to P. G. Semrad, Sept. 15. They are living at 4642 Malden St., Chicago.
- 1919 Helen Converse Browne, daughter of E. E. Browne, '90, to Dr. Marcus Hobart, Feb. 14, at Chevy Chase, Md. They will make their home at 1604 Chicago Ave., Evanston, Ill.
- 1919 Katherine E. Burtness to R. S. Grundman, an alumnus of Iowa State College, Feb. 19, in Sioux City, Ia. They will live on a farm at Pella, Ia.
- 1919 Ruby Hawn to D. A. Anderson, Chipewau Falls, in Madison, Feb. 13.
- ex '20 Miss Iva L. Coleman, Milwaukee, to R. F. Altenhofen. They will make their home at Cedarburg.
- 1920 Miss Virginia Gallentine, Kearney, Nebr., to Allen Spafford, Feb. 12. They will live in Appleton where Mr. Spafford has a position with the Kimberly-Clark Co.
- 1920 Miss Harriet Cooper, Chicago, to N. B. Higbie, Feb. 19. Mr. and Mrs. Higbie will be at home at Hyde Park Blvd. and 54th St., Chicago.
- 1920 Jessie Megeath, Chicago, to Lt. H. L. Rogers Jr., March 11.
- ex '21 Mary E. Anderson, Chicago, to Henry Martin, Cedar Rapids, Ia., Feb. 26.
- ex '21 Miss Erma Wille, Oshkosh, to F. H. Brown, Feb. 12. They will live in Milwaukee, where Mr. Brown is an instructor at the Central Vocational School.

DEATHS

JUDGE CLARK A. SMITH, B.A., '70, LL.B. '71, M.A. '74, died at his home in Cawker City, Kan., on March 6. Judge Smith went to Cawker City immediately after graduating from the Law School and became the first public school teacher

in that city. He served as judge of the fifteenth judicial district of Kansas from 1881 to 1889 and was elected to the supreme court in 1904, where he served for ten years. He is survived by his wife and two sons.

JOHN FRANKLIN GLOVER, B.A. '71, M.A. '74, died at his home in Sibley, Ia., on Jan. 24, of apoplexy. Mr. Glover was born Sept. 16, 1845, in Hartleton, Pa., and the following year was brought to Illinois by his parents, and later to Wisconsin. He served during the Civil War with the 38th Wisconsin Regiment and was promoted to second lieutenant and served under General Grant. He was admitted to the bar in 1878. He was mayor of Sibley for three years and served as county attorney for two years. In 1908 Mr. Glover was ordained to the ministry of the Congregational Church and since that time has

served as a supply minister in Iowa, Minnesota, and Missouri. He is survived by one son.

CAROLINE M. LEWIS, '11, Madison, died March 12, after an illness of a few days. Miss Lewis taught in the high school at Onalaska for two years and for the past several years has been on the staff of the State Historical Society.

R. O. MURRAY, ex '19, died in Madison on Feb. 4. Mr. Murray was at one time secretary of the University Y. M. C. A.

JOSEPH FERNANDEZ, Chicago, a short course student at the University, was killed at Dallas, Tex., on March 8, when he was struck by the propeller of an airplane from which he was alighting. His home is said to be in La Grange, Ill., and at the time of his death he was on his way to Cuba to visit a brother.

It is equally significant that the dormitories are becoming a main service in the life of the University; that the University has disposed of its real estate, and that income is now being derived from academic sources.—*Stanford Illustrated Review*.

CLASS NEWS

1861

W. W. CHURCH writes from San Diego, California: "It will be impossible for me to meet with the Alumni Association next June. It would afford me great pleasure to meet the remaining few of my associates of the days long gone by and I regret very much that I cannot take advantage of the opportunity."

1880

Sec'y—MRS. MAGNUS SWENSON, Madison
530 Pinckney St.

DR. J. M. DODSON's address is 4956 Dorchester Ave., Chicago.—MAGNUS SWENSON's interesting career has been sketched briefly in a recent issue of *People's Favorite Magazine*. How Swenson's rule of "Save the Waste" explains his success which has brought him, during a period of fifty years, from a half-starved, ambitious, undaunted, emigrant Norwegian boy of thirteen to a prosperous commanding position in industrial America is the subject of additional comment in *The Literary Digest* of Feb. 19.

1881

Sec'y—EMMA GATTIKER, Baraboo

The Secretary, after stating that she urgently wishes and earnestly hopes that the Reunion of '81 this coming June may be well attended and be a home-coming of the Class and all its "Specials" from far and near, begs to state that she has delegated the honor and the labor—especially the labor—of further announcements and arrangements to the facile pen and to the executive ability of Fred Sanford White.

Did you ever encounter that famous saying of Napoleon which reads equally well backward or forward? "Able was I ere I saw Elba." Our Class may not be as famous as Napoleon, but our number reads like his famous epigram.

Comrades, our Class was not numerous in size but it was mammoth in

quality, according to our own estimation. With the accretions of our children and grandchildren we should be able to make a favorable showing at this reunion in June and entitle us to sit at a prominent table at the Alumni Banquet.

Having no children of his own, Mr. White has generously agreed to compensate for his default by furnishing proper suits and toys to all recruits who grace the occasion by their presence and thus enable us to mix and assimilate with the hosts of other juveniles of more recent vintage who caper and cavort round the Campus in such numbers as to put our meagre numbers in total eclipse.

1882

J. J. ESCH, former congressman from Wisconsin, has been appointed by President Harding a member of the Interstate Commerce Commission.

1884

1901

Sec'y—MRS. R. B. HARTMANN,
Milwaukee
4001 Highland Blvd.

Our twentieth anniversary since graduation is scheduled for this June. In all this long time most of us have seen but few of our class-mates of those happy days. The opportunity to meet together and renew our friendships is close at hand and we cannot well afford to be found missing at the roll call. Our reunions in the past have been second to none and it remains for us to make the coming one even better and greater than any before. This can be done if each member will start now and make his plans accordingly.

A reunion is an insurance policy against the ravages of time. It costs little but will pay immediate dividends in health and happiness. It will bring rest to the weary, cheer to the sad, and add years to life.

Take another shot in the arm and join us at Madison—cure guaranteed. In thirty minutes you will be able to throw away your crutches, straighten your back and walk upright. Don't forget that the rest want to see you there. Further notice later.—PAUL STOVER.

REV C. E. MACARTNEY, D. D., contributed an article entitled "Is the Protestant Church Passing?" to the February 12 issue of *The Christian Work*.—CHESTER BARNES is general counsel for Simmons Co. at 160 Exchange St., Kenosha.—R. E. KNOFF (ex), state editor of the *Milwaukee Sentinel*, has purchased the *Monroe Daily Times*. Mr. Knoff was recently elected president of the Milwaukee Press Club.—J. M. KELLEY, lawyer, lives at 221 Institute Place, Chicago.—G. A. ROGERS is a member of the recently organized wholesale lumber firm of Wendorf and Rogers, with offices at 1319 Old Natl. Bank Bldg., Spokane, Wash. Mr. Rogers for ten years has been Inland Empire representative of the Wallace-Ballord Lumber Co., and is said to be one of the most successful lumbermen in the Inland Empire.

**Hit 'em with bricks,
Hit 'em with sticks,
Varsity, Varsity, 1906.**

Mr. Alumni Secretary, please call Varsity 1906.

(From many directions comes the answer.)

"Yea-ah! This is 1906. Wazzer-matter in Madison?"

Gonna have our FIFTEENTH RE-UNION this year and YOU gotta be back for this stunt.

Naw! YOU will be the life of the party.

Member Cud Beye with his stove pipe hat and broom, ten years ago? Cud says he has a better one still for this time.

Yea-ah, there will be two days, Monday and Tuesday before Commencement.

Fine! Bring the wife (or husband) and the family.

Whaddaya think of this stunt, got the tip from Zeb Kinsey?

Whasat? Say, that's a corker! Write me about the details and we will work on it here.

No, haven't heard from any of the girls.

Yes, I know, but then they could write to Nan Birge, Langdon St., Madison if they're afraid to write to me.

We gotta get this started now and not try to rush it later.

Well you know, printing is rather expensive, but *THE HOD* will be carried to you by Uncle Sam a little later.

OTTO KOWALKE says he'll collect the dope at the Chemical Engineering Building, Madison.

Gee, it'll be good to see you folks!

Z. B. KINSEY has recently moved from Anaheim, Calif. to Sultan, Wash.—J. E. BAKER, who for a long time has been technical advisor to the Chinese Government Railway Administration, is at the head of the work of The American Red Cross to relieve famine sufferers in a certain strip of territory in the Province of Shantung. Mr. Baker traveled through the famine district assigned to the American Red Cross, and after consulting with the highest and most reliable Chinese authorities and leading citizens, decided that the best method of aiding the famine sufferers was to provide them with employment and pay them for their work in food supplies. The supplies, purchased in some distant place, are paid out through a carefully directed commissary department to the heads of families who are employed on the public work the Red Cross has undertaken. The Chinese government has given a right of way for a much needed road, 80 miles long, connecting two important cities.

MORRIS has recently moved to 1408 Hythe St., St. Paul, Minn.—DR. P. H. NYSTROM has recently been appointed as managing director of the Retail Research Association, and has resigned his position with the International Magazine Co., where he has done much research and efficiency work. Doctor Nystrom was at one time teacher and later principal in high schools in Wisconsin. He then became connected with the University, first with the Extension Division and later as assistant professor of political economy. He left Wisconsin in 1913 to become associate professor of economics at the University of Minnesota. In 1915-1917 he was director of Trade Research for the United States Rubber Co., New York, and since then he has been sales manager for the International Magazine Co. Last year Doctor Nystrom gave a course in marketing at Columbia University. He is the author of a number of books on retail selling, store management and textiles, among which are *Economics of Retailing*, *Retail Store Management*, *Automobile Selling and Textiles*.

Sec'y—E. D. STEINHAGEN, Milwaukee
721—51st St.

From certain vague rumors, we gather that 1906 and 1916 have an idea they'll have a reunion in Madison in June. The Class of 1911 heartily invites all members of those "Six" classes to come and behold a Reglar Reunion. L-leven is going to show them one.

Reunions as such are old stuff to Madison, but L-leven Reunions are what the Ole Town is sitting up waiting for. Since our last one the town hasn't been able to get back to normal. The same old gang that rocked the gym, wore out the campus, stirred up the Lake and likewise aroused the envy of '06 is even now going through the necessary course of sprouts to be in trim.

Every L-levenner who hasn't yet obeyed that impulse and written in had better jump on the wagon and get in with the bunch. The Secretary is waiting for your glad word. Here's the guy: E. D. STEINHAGEN, 721 51st St., Milwaukee.

BILL ELLIS gets the pink ribbon offered to the first L-levenner to write saying he'd be there in June for Reunion. More power to you, Bill.—NIBS NICKELL is cavoring around the country selling Barber-Greene Conveying machinery. Nick is incidentally talking Reunion to all the L-leveners in his range. Ask him about it when you see him.—TIM BROWN is hereby warned not to let his impending leap into the tumultuous matrimonial ocean keep him from Madison in June. Tim's too good a sailor to be wrecked before reunion time.

WILHELMINE JOHANNES lives at 1362 25th St., Milwaukee.—A. H. MEYER, formerly of Milton Junction, is now connected with the Bureau of Soils, Washington, D. C.—F. A. TORKELSON has recently moved to 1220 Dousman St., Green Bay.—ROSETTA HENDRICKSON writes that she is now one of the woman deputies of the State Industrial Commission with headquarters at 809 Mfg. Home Bldg., Milwaukee.

R. H. MERKEL writes that his address has been changed from Sauk City to 112 Garfield Place, Cincinnati, O.—E. A. CARNROSS is farm advisor for Du Page County, Ill., with headquarters at Wheaton.—FLORENCE SNELL, teacher, lives at 1112 Spaight St., Madison.—C. A. BONNER is secretary of the Bonner & Marshall

Brick Co. at 901 Chamber of Commerce Bldg., Chicago.—H. W. STORY's address is 4500 Grand Ave., Wauwatosa.—PROF. J. A. JAMES, assistant dean of the College of Agriculture, was elected president of the Vocational Education Association of the middle west at its annual meeting in Minneapolis recently.—The following is an excerpt from an article in the *Wisconsin State Journal*: regarding M. V. NELSON, proprietor of the Certified Egg Farm near Madison: "While M. V. Nelson was a student at the University a few years ago, studying agricultural engineering, he became interested in chickens. He studied their possibilities. Today Mr. Nelson owns one of the finest poultry farms in the State—a gift from his chickens. The farm consists of 18 acres, a new residence, immense poultry houses, a barn and an incubator house. The gross business runs up to approximately \$50,000 a year * * *. After graduating from the College of Agriculture Mr. Nelson spent a year in the poultry departments of the big packers in Chicago. Then he came back to Madison and launched his farm. He turned the farm over to an employee while he was in service. His flock now runs into the thousands, each chicken a pure strain white leghorn bred for egg producing * * *. The Certified Egg Farm is now a national advertiser, Nelson's ads appearing in practically every farm and poultry paper in the country."—L. R. SHERO is a professor at St. Stephens College, Annandale-on-Hudson, N. Y.—OLIVER SCHIEBER is production engineer with the Southern California Edison Co., on construction of the Big Creek hydro-electric development, at Big Creek, Calif.

1916
Sec'y—RUTH E. DILLMAN, New York City
15 E. 38th St.

1916 IS FIVE YEARS YOUNG June 20

Well, 'Steener, have you ringed June 20 with red ink yet? It's time you were

saying to yourself—"I'm going to Madison or bust." It's almost five years, you know. Remember the old campus in June? Ever stop to think of the Lake, and Picnic Point? Ever get a flash of memory about University Drive on an afternoon in spring time?

Going to be there?—You are, of course. Well, drop a line to Harriet O'Shea at 509 W. 121st St., New York City, and tell her so.

The class Five Year Reunion Committee, headed by Harriet and a bunch of other plutocratic New Yawkers, is getting the plans for the big time underway right now. Even down to the banquet menu and the toasts,—which will be furious and short. In another month they'll have some preparations made which can be hinted at—not fully divulged, lest others copy—in the May "Mag." They want your ideas, your help on reunion stunts. And even more they want some good live news about you and sther classmates whom you have seen recently.

Just stop a minute in the rush, old feller or maiden, and send them some dope for the *1916 Reunion Topical Times* they are preparing to send all of you this spring.

The tentative committee membership includes Harriet O'Shea, Harry Benedict, Genevieve Deming, William Foster Clifford, and Ruth Dillman, all now in New York, who are meeting often to get a flying start for the *Greatest Reunion Wisconsin Has Ever Known*.—CRAWFORD WHEELER,
Class President

We can all make a pretty safe bet on the size of Arlie Muck's waistline, but who's going to venture a prediction about the girth of MEL HASS? Will we find the former speed demon of our basketball teams successfully overcoming a threatening desuetude of corpulency, or will he have to vie with NED TOOMEY, the well known prohibition advocate, and VERNE BULLIS, the famous ivy planter, for honors in the fat men's race?—RUTH GLASSOW, bless her heart, will be there to publish COED CARDINALS every day of the week—red hot with politics and snappy stories—and RUTH BOYLE will join her to wield a mighty pen for Woman's Right.—DOC MEAD, heaven help us, with his horn rimmed spectacles, will substitute as Campus Janitor for EDDIE ROSS. A reunion would be simply unspeakable without the fractious Fergus, now wouldn't it?—For an aesthetic dance or two, shall we not look to BOGEY WHITE, whose fame is forever linked with champagne ham and pier parties, and if extra REELS are necessary, there'll be LOUIS PRADT and RALPH NUZUM, those Sky Rocket Column immortals, to call upon.—Faith and there's PEGGY O'NEIL, sweet mistress of the winsome smile. Ah Marion, do your Irish eyes laugh as temptingly as of

yore? Flash them on us, and by our casque and gauntlet we'll fly with you to Picnic Point, tra la!—Shall the halls of Athena look in vain for the grave visages of HENRY BARNBROCK and HILDING ANDERSON, or will they not be on hand to plead our cause before admiring throngs?—And when we pass in review, who is there to take the salute unless it be our famous Colonel, KENNETH KING?—Of course CHARLOTTE BODMAN will try to enforce S. G. A. rules and regulations, but gosh—what chance has any Law and Order when old timers get together!—So come on, Sixteener!—get busy. It's going to be a hot time, and we need YOU there to put the real U in Reunion.

DR. B. E. BONAR writes that his address is now 416 N. Grove Ave., Oak Park, Ill.—F. M. HALL is a representative of the Ward Systems Co. of Chicago. His address is 120 E. Genesee St., Syracuse, N. H. HINDMAN is director of physical education for boys at the University High School, Oakland, Calif.—ELEANORE STANCHFIELD's address is 509 S. Honore St., Chicago.—Mrs. ARTHUR WEED (Florence Collins) is living at 7211 N. Robey St., Chicago.—BERTHA OCHSNER wrote the music for *The Juggler of Notre Dame* which was a feature of the Dance Drama recital given by students of Miss Margaret H' Doubler at Lathrop Hall, Madison, on March 3.—MARI BOLLMAN is assistant director with the Dial Film Co. of which her father is president. She is now assisting in the making of a picture of Irving Bacheller's novel, *The Light in the Clearing*, under the supervision of T. Hayes Hunter, the man who produced *Earthbound*.—FRANCIS BAYLE is with the Stone & Webster Engineering Corp., 147 Milk St., Boston, Mass. His residence address is 170 Kent St., Brookline, Mass.—M. FLORENCE DANFORTH is a dietitian at the General Hospital, at Madison.—MARJORIE BLACK is director of home economics at Hillsdale College, Hillsdale, Mich.

Miss Velma Reid, 1919 class Secretary, c/o The Wisconsin Alumni Association, State Street, Madison.

Dear Velma:

I thought I'd address this to the Association, for I didn't know whether you'd be in Hurley now or not. So many of us are in all corners of the globe that I didn't know but that you might be in a far-off one yourself. Last year I ran across GEORGE

ANUNDSEN, '18, who was on her way back to New York, after having had a little weekend in Boston. She is, or was, the last time I heard of her, doing some kind of editorial work on the *Pictorial Review*. Did you know her—I knew her quite well. Did you know INGRID NELSON—I suppose of course you did—everybody did—I haven't heard where she is, for a long time. I would like to see some news of her in the MAG.

I have been out here ever since the fall of '19. I am getting to like the East very well, but not the Eastern colleges. Nothing compares, within a thousand times, to Wisconsin! I prefer a co-educational college both for men and for women. I think a strictly one-sex college has a bad effect on either sex involved. It makes the men egotistical and—in Harvard—it has the effect of making the men attend pink teas!—a series of which have been held this winter in the Harvard Union, for Harvard Men! I saw DON McCANDLESS, '20, a short time ago, and he told me about them—and laughed at them—imagine a group of Wisconsin men attending pink teas (for men only) at home in the Union, he said! But the worst effect of men's colleges on men is, I think, the development of the "he-man" species, so notorious in the rebellion against co-education at Cornell this year. I am glad that I went to a middle-western, democratic, co-educational university, and that that University was Wisconsin. I wouldn't trade my University of Wisconsin diploma for one from Wellesley, Vassar, or Smith,—for although they are very splendid colleges, and I have a high opinion of them, as girls' colleges,—they must stand second to Wisconsin, in my evaluation. Its broadening and helpful effect upon me, I am sure I should never have been able to secure in as full a measure, at any of these girls' colleges, and I shall always be grateful that I was a Western girl, and that I had an opportunity to go to Wisconsin.

I am afraid that I am taking a good deal of your time, but I just felt like expressing "them sentiments" to somebody, and I never see any Wisconsin girls, and only once in a while some Wisconsin men,—so I just had to write them down.

Can the Alumni Association give me some information about the Boston Alumni Club, please? I heard that there was one, but I have never been able to discover where it was, nor get in touch with it. Last year a Wisconsin man handed my name in to the Club when he heard that I was here, which was after the Annual Banquet last year,—but I have never heard from them since, and the man who handed my name in was in Boston for only a short time, during which time I neglected to ask him the address of the Club. I have seen several other Wisconsin people occasionally and incidentally, and none of them had heard of the whereabouts of the Club,

either. We should like very much to get in touch with the Club—isn't there something that it could do to let us know its whereabouts, times of meeting, etc.—so that we could come? I should be very glad to hear some news about it.

I am now working as secretary to Professor Daniel Starch, of the Harvard Graduate School of Business Administration. He is head of the Department of Business Psychology here, and gives a teacher's course in Advertising and as I am very much interested in advertising, I am enjoying my work very much.

My address has also changed recently. It is now 11 Dana Street, Cambridge, Mass.

I hope that the MAGAZINE will reach me all right at this new address, for I do not like to miss it. Please put something in the '19 column about yourself,—what you are doing,—or if you have time, and are not too busy with your work, won't you drop me a line? I should like to have you.

Sincerely,

PERLE MARY HOPSON.

1920

Sec'y—PHYLLIS B. HAMILTON, Madison
433 W. Gilman St.

Women of the class of 1920 are starting a movement to keep together. It is a plan that is new for Wisconsin, but one that has been tried out in the East. The women in the class are divided into groups of from ten to fifteen women each with a leader at the head. There are now organized about thirty of these groups. The plan is simple and consists of writing a letter once a year to the group leader who forwards the letters to the person in charge. Thus anyone wishing to know what some person is doing or where they are may find out by writing to their group leader or to the one in charge. These letters are due once a year. Suggested subjects which each woman may write about are as follows:

1. *Your activities either in the field of professional life, business or home.*
2. *What your experiences may have been that would be helpful to those who are to come after—either those phases which have been marked by success or by the reverse.*
3. *Do you consider the field of your endeavor profitable and offering opportunities for future graduates of Wisconsin?*
4. *In reviewing your college career wherein do you think that school could be improved covering organizations, student life, method of instruction, or any other points touching on general efficiency?*

This plan is in charge of Helen Ramsey who was appointed by Blue Dragon, which is sponsor for the plan. We hope through this plan to keep an active alumnae who will return one hundred per cent strong at reunion, and who will be back of the Alumni Association and our Alma Mater in

every worthy movement that they undertake.

J. P. OWENS is a cost accountant with the Western States Envelope Co. at 218 S. Water St., Milwaukee.—MARJORIE BARTHOLF, 1750 W. Congress St., Chicago, is at present a student nurse.—R. L. REWEY is a special representative for the Hart-Parr Co. of Charles City, Ia.—FLORENCE DAY, 1834 Wellesley St., East Cleveland, O., is a social worker with the Associated Charities.—R. E. HEWETT, W. A. CLARK, and F. W. OLDENBURG are now with the Fort Wayne Corrugated Paper Co., Ft. Wayne, Ind.—MARGARET WENSLEY is engaged in social work in East Cleveland, O.—ESTHER STACY teaches in Maple Hill, Ia.—MR. and MRS. F. F. HEWETT (Lucile Nutter) live at 710 E. 34th St., Minneapolis, Minn.—H. J. PRATT is an engineer with the American Tel. & Telg. Co., 195 Broadway, New York City.—JAMES PAYTON, Madison, has resigned his position on the advertising and sales promotion staff of the Fuller and Johnson Co. to become an assistant in the Agricultural Engineering Department of the University.—ELIA SCHULTZ has accepted a position in the political science department of the city library, of St. Louis, Mo.—F. C. RATH has recently become assistant city health officer and food inspector for Madison.—A. L. CHANDLER is in the auditing department of the Washburn Crosby, Co., Minneapolis.—RUTH HERSEY is teaching at Florence.—PHILIP HOLSBERG may be reached at 209 Bk. of Commerce Bldg., Superior.—JAMES MCCONNELL is in the engineering department of the Prairie Pipe Line Co. at Independence, Kan.—SIM MCCRAY is with Tanner, Gilman & Ellis at Oshkosh.—ZIGMUND SALIT is with the American Milling Co. at Peoria, Ill.—SCOTT WELSH is in Cleveland, O., with the Jordan Motor Car Co.—DOROTHY BELLE WOOD is in New York City, studying music at the Witherspoon Studio. She will be there until in June. Her address is 688 Riverside Drive, Apt. 34.—G. J. BARKER has been appointed instructor in the Department of Mining Engineering at the University.—L. F. Campbell is with the Diamond Chain Co., Indianapolis, Ind.—FRANK DOWNEY is vice-president of the Downey Heating & Supply Co., Milwaukee. His residence address is 2427 Grand Ave., Milwaukee.—F. L. GRISWOLD is employed in the factory of the Westinghouse Lamp Co. at Newark, N. J.—CLARENCE HANSON is with the Standard Oil Co. at 1017 W. 47th St., Los Angeles, Calif.—A. E. LIEBERT is with the Bucyrus Co., South Milwaukee. His home address is 1322 Holton St., Milwaukee.—H. E. LINDEMAN, 1322 Vliet St., Milwaukee, is with the Nordberg Mfg. Co.—R. L. MEYER is with the Kimberly-Clark Paper Co., Kimberly.—GERALD MALONEY (ex), of Ladysmith, who entered upon his duties as sheriff of Rusk County at the opening of the

new year, is said to be the youngest sheriff in the country. He is a son of D. W. Maloney, '96, county judge of Rusk County, and received this recognition from the voters, because of his record in the recent war.—C. E. BEHNKE is now a member of the law firm, Janes & Behnke, 16 1/2 E. Main St., Evansville.

BOOK NOTES

It is intended to notice in this department books and other publications by alumni, students, and faculty of this University. Reviews in most cases will be by alumni. To insure attention it is urged that copies of publications be sent in immediately upon publication to

ALUMNI HEADQUARTERS

Everyday Problems in Child Training, a 12 mo. cloth of 259 pages (Drake & Co.), is the fourth of the series of four volumes prepared for the Parents' Library by Prof. M. V. O'Shea. This practical book relating to the care and culture of the young concerns itself with such important problems as helping children to form good mental habits, individual differences among children in a home, the value of money, seeing with an eye single to the truth, the effects of stories, the home and the community, the country home and the country school, first weeks of school, the community and the group in school discipline, secret societies, objectives of education, and other questions asked by all parents. A final chapter lists books relating to child training.

The aim of all four of these books has been to help in the solution of real problems of childhood under conditions prevailing in the home, the school, and the community. They should serve a large field of usefulness.

WISCONSIN

By J. F. A. PYRE

Net \$3.50

Professor Pyre's attractive account of Wisconsin fills a well defined need. It is accurate and carefully written, yet running through the facts, are threads of college life as it was, stories of celebrated exploits, anecdotes of Wisconsin men, Wisconsin's place in sports and the doings in the past of the college societies, which make up Wisconsin's seventy odd years of strenuous activity.

Contents:—The State; Anniversaries and Origins; The Town and Campus; The Days of the Chancellors; Bucolics; War Times; The New Era; John Bascom; Growing Up; Towards a University; Student Life; Under Van Hise; Appendix; Index.

ARCHITECT'S DRAWING OF PROPOSED UPPER CAMPUS, 1851

JOHN H. LATHROP
Chancellor
1849—1859**THE UNIVERSITY—PAST, PRESENT,
AND FUTURE***Continued from March*

In 1866, in accordance with the Morrill Act of Congress for the establishment of a College of Agriculture and Mechanic Arts, the selection of its location came up for consideration, and the legislature at this session reorganized the Board of Regents and provided in the act that: "Immediately upon the reorganization of the Board, it is their duty to make arrangements for securing without expense to the State or to the funds of the University suitable land in the immediate vicinity of the University not less than two hundred acres, including the University grounds for an experimental farm," and authority was given to Dane County by the Dane County Board of Supervisors to issue \$40,000 worth of 7% bonds for the purchase and improvement of land for the agricultural experimental farm. This provided for the addition of the campus west of Charter Street.

The story of North Hall, the oldest campus building, is an interesting one. Originally constructed in 1851 with the first three floors as dormitories and the fourth as classrooms, museum and offices, this building was later used entirely as a dormitory, and still later for classrooms and a pharmaceutical laboratory. Until recently it housed the Departments of German and Commerce, was used for barracks during the war, and has just been remodeled with new fireproof stairs and halls, making a thoroughly modern building of classrooms and offices for the Department of Mathematics. The original cost of the building was \$17,800 and the State Architect has calculated that if to this is added such modern improvements as steam heating, electric lighting and plumbing, the cost per cubic foot is substantially the same as for

some of the most recent University buildings constructed just prior to the war.

As a foretaste of University building problems, it may be noted that the original furnace system of heating was found to be inadequate, although according to the records of the building committee, "they had been diligent in securing the opinion of experts before selecting the system installed." Some years later, because the cost of wood fuel was considerably above the budget estimate, it was decided to take out the furnaces and require the students to furnish their own stoves and fuel, thus relieving the administration from the expense of providing heat in the dormitory.

It is also apparent from the early records that estimates of the financial status of the University were necessary in order that plans for the future could be prepared. One estimate made in 1856 on the future status of the land grants was based on the assumption of a 7% interest return, and did not anticipate later legislative action on the sale of these lands at very low prices. In consequence these estimates are just a hundred per cent above the actual receipts of what is sometimes termed the endowment of the University. With total annual expenditures now approximating \$3,500,000, about 60% of which is paid by the State, it seems almost absurd to speak of the \$12,500 received annually from the original land grants as "receipts from endowment" yet it was on this financial basis that the University was brought into existence, and with this income it struggled successfully for a position among other universities and gradually won the confidence of the people of the State and the generous support of the legislature.

The student body has increased practically 40 per cent at the University since 1917.

CAMPUS NOTES

A **Chinese Bazaar** was held in Lathrop Hall on Feb. 19, the proceeds of which went toward the Chinese Famine Relief Fund.

The **Civil Engineering Society**, composed of students and faculty members of the College of Engineering, has been notified of its acceptance as a student branch by the American Society of Civil Engineers, a national society that contains 10,000 members.

The **Western** division of Delta Tau Delta fraternity held its thirty-fifth annual conference at the house of the local chapter early in March.

The **Annual Engineers' Parade** was held on Saturday afternoon, March 19.

All-commerce week was held at the University from March 7 to 12, the program including two big convocations, with prominent out-of-town and faculty speakers, and throughout the week a personal campaign was undertaken to arouse commerce spirit in every student in the course.

Gilbert K. Chesterton, renowned English essayist, philosopher, dramatist, poet, and novelist, spoke in Madison on March 9. His subject was "The Ignorance of the Educated." Mr. Chesterton was brought to Madison under the direction of the *Wisconsin Literary Magazine*.

The **Wisconsin Athletic Review**, a student publication of forty pages, recently made its appearance on the campus. The first number is primarily a basketball edition and is dedicated to Dr. W. E. Meanwell. There are also sections devoted to football, swimming, track and baseball with pictures accompanying the articles. The Big Ten Chatter section promises to be one of the features of the magazine. Here will be run short comments and news of Wisconsin men who are active in conference athletics.

"**Miss 'Quita'**" is the name of the play that has been chosen by Haresfoot for their twenty-third annual production. The play will be presented in various cities of Wisconsin and Illinois during the spring vacation.

The **annual dinner** of the faculty of the Engineering Department was held in the new engineering shops on Feb. 10.

The **University Post** of the American Legion held a reunion for ex-service men on March 2 in the auditorium of the Engineering Bldg. Co-eds assumed the roles of canteen workers and served the refreshments. Several automobiles visited the nearby hospitals and sanitariums and brought to the meeting men who were wounded or disabled in service.

Plans have already been accepted for a new University Y. M. C. A. building

and dormitory to be located on the site of the present structure at 740 Langdon street. The building will be one of the most modern of its kind and will be considerably larger than the present one. The front will be on a line with the front of the gymnasium and the rear will extend over the present shore line of Lake Mendota.

"**Newspaper and Magazine Departments of Interest to Women**"—the first course of the kind to be given in any school of journalism—was introduced into the Course of Journalism at the University at the beginning of this semester, under the direction of Mrs. Genevieve Jackson Boughner who has had many years' experience in conducting departments of this kind.

H. L. Ashworth, executive secretary of the Memorial Union Building Committee, has been appointed to edit the historical account of the roster of membership of the Board of Regents.

Dean F. Louise Nardin has been granted sick leave.

The **Men's Glee Club** appeared in very successful concerts in Beloit, Rockford and Madison during March and on April 13 will begin its annual concert tour through Wisconsin.

The **Tripp Fund** has been accepted as a trust fund by the Board of Regents, the principal to be invested and the income only to be used for such purposes, from time to time, as the Board may determine. The sum of \$200,000 from the Tripp Fund is pledged to the Memorial Union Building Committee on condition that the commons feature of the building be designated Tripp Commons.

Prof. F. G. Hubbard is steadily recovering from an operation which he underwent some time ago and will be able to resume his University work in a short time.

Howard Murray Jones, assistant in the College of Agriculture, recently won the *Outlook* prize contest for the best criticism of that periodical.

Dr. J. S. Evans, who has been on sick leave, is expected to return to his work at the University shortly.

A **Red Cross** life saving corps of young women is now being organized at Wisconsin, about twenty women students having signed up for the tryouts. Each applicant must pass eight of the 16 tests required for a Red Cross emblem. When the students are ready the Red Cross will send an official for the try-out, and those who qualify will receive the Red Cross emblem. A charter for the new corps may be obtained when ten women have received their emblems.

P. F. Hanley, representative of the John Price Jones Corporation of New York made an analysis of the campaign for the Wisconsin Memorial Union Building which he submitted to Regent Kohler, and Professors Thorkelson and Goodnight on March 8.

The Regimental Band, directed by E. W. Morphy, gave a concert of unusual merit at the gymnasium on Feb. 27.

Sherwood Eddy, noted lecturer and religious worker, led the annual religious conference held at the University, March 4, 5, and 6. The conference, which is undenominational, is held each year to place before the students the claims of religious life among their other activities.

The Little International Stock Show was held by the College of Agriculture on March 12. A unique feature of the affair this year was a "Wild West" show at the stock pavilion.

Professor Julius Olson, '84, was the principal speaker at the Founders Day celebration observed by the Sheboygan County U. W. Club.

Many teachers from other universities and schools will join the faculty of the 1921 Summer Session, June 27 to Aug. 5. Prof. C. H. Woolbert, chairman of the Department of Speech at the University of Illinois, will lecture on public speaking and the psychology of reading and speaking. R. A. Kent, superintendent of schools of Duluth, will lecture on reading and other problems of elementary education. Supervisor Estaline Wilson, of the grade schools of Cincinnati, will give courses in the teaching of arithmetic, spelling, and grammar. Prof. L. N. Flint, chairman of the Department of Journalism of the University of Kansas and author of *The Editorial*, will lecture on advertising and editorial writing in the Course of Journalism. Prof. R. R. Barlow, of the journalism faculty of the University of Minnesota, will teach newspaper reporting. Miss Eudora Bishop, supervisor of art in Cleveland high schools, will teach freehand drawing, water color, and design. G. B. Cox, assistant supervisor of manual arts in Huntsville State College, Tex., will give courses in wood working. F. D. McElroy,

assistant supervisor in the Akron, O. schools, will teach organization and technic of continuation schools. Prof. R. H. Tanner, of Denison University, will teach Greek, and J. B. Titchener, University of Illinois, will conduct Latin classes.

Professor A. B. Hall addressed local U. W. Clubs in Chicago, Ill., La Fayette and Indianapolis, Ind., March 11 and 12.

The Assembly reconsidered and killed the bill which would require graduates of the College of Law of our University to take the State Bar examinations.

The number of students attending the University out-numbers the graduates of the past sixty years who now reside in the State.

Two freshmen women were dismissed from the University for drinking intoxicating liquors last semester. Neither were residents of Wisconsin. Certain city papers gave prominent news notices to this action of the discipline committee. In a university community where there are thousands of estimable young women the fact that two were so careless in their personal conduct is to be deeply regretted, but probably few large high schools can look back over any considerable number of years without finding equally unfortunate and sad cases of misconduct on the part of one or two students.

Prof. S. W. Gilman, '99, addressed the local U. W. Club at Ames, Ia., on Feb. 24.

COLGATE'S

"HANDY GRIP"

The Refill Shaving Stick

*You don't throw
your pen away
when it needs
refilling*

NOR is it necessary to buy a new "Handy Grip" when your Shaving Stick is all used. Just buy a Colgate "Refill," for the price of the soap alone, screw it into your "Handy Grip," and you are "all set" for another long season of easy shaving.

The soap itself is threaded. There is no waste.

Use Colgate's for *Shaving Comfort*, as well as for the *Convenience* it affords. The softening lather needs no mussy rubbing in with the fingers. It leaves your face cool and refreshed.

We took the rub out of shaving originally, in 1903.

COLGATE & CO.

Dept. 212

199 Fulton Street, New York

The metal "Handy Grip," containing a trial size stick of Colgate's Shaving Soap, sent for 10c. When the trial stick is used up you can buy the Colgate "Refills," threaded to fit this Grip.

Over 46% of the Insurance

Issued in 1920 by

**The Northwestern Mutual
Life Insurance Company**
