THOM CAPTAIN

FRESHMAN CREW YESTERDAY
ELECTED HIM.

Annual St. John's Race Friday—
Academy Has Strong Crew—Work
of the Crews.

Walter Thom who rows second oar on the freshman boat was chosen captain of their crew at a special meeting held yesterday. Thom is a Madison boy and is taking the commercial course. He is a member of the Psi Upsilon fraternity.

Coach O'Dea could not ask for better weather for crew work than we have had for the past few days. Yesterday, being Sunday, the men took a long walk instead of rowing on the lake. The crews rowed to-day in the same order as usual and all prove to be getting on very well with their work. Particular attention will be given the freshman boat this week in order to fit them for the St. John's race scheduled for five o'clock next Friday. Last Saturday they practiced at starting for most of the morning. They seemed to do pretty well at this but some improvement is needed before Friday's race.

The race is to be rowed on Lake Monona, starting from the farther end of the lake and finishing in front of Askew's landing, a two-mile course. If the weather is favorable the rowing will commence about four o'clock. The officials are: Starter, Gibson; Referee, Sutherland; Timers, for Wisconsin, W. Anderson, for St. Johns, E. E. Smythe; Judges of finish, for Wisconsin, Warner, for St. Johns, Beule.

The Delafield men will row in a new shell built in Davie's shop in Cambridge, Massachusetts; it is a very fast boat and will put the visitors on an equal basis with the freshmen as far as equipment is concerned. Two crews have been rowing regularly at St. Johns, and the result is sharper training and more men to choose from. For this reason the strongest crew in years will represent the Academy, and the crew officers say the University men will have the hardest kind of pulling to keep their shell to the good.

The association has chartered Askew's largest and fastest boat to follow the race throughout; it will leave the dock about four o'clock and will be in time to see the rowing from start to finish. The fare has not yet been fixed.

The race means a great deal to the freshmen; it will decide largely whether they will be taken east with the Varsity. The revenue derived from the steamer and the shore tickets, after the expenses of the race are paid, will be turned into the fund to take the crews east. Under these circumstances the association wish to see the students turn out in force, not only to encourage the freshmen to row their best and to see a good crew race, but to help contribute to the badly needed money for the eastern races.

The law crew is showing up well and is sure to set a good example to all future crews from the junior law class. Not much is being said of the Varsity crew at present as so much interest centers now with the freshman eight, but the cardinal defenders are rowing consistently every day and may be depended upon when sent to Poughkeepsie in a few weeks to do honor to themselves and the Varsity.

DRAMATIC CONTEST.

Casts in Training Show that it Will be of Considerable Merit.

Next Saturday evening, June 8th, the annual Dramatic contest will take place at the Fuller Opera house. Three excellent farces, "Hector," "that Rascal Pat," and "To Oblige Benson," have been selected. They are of such a nature that they are especially suited for a contest of this kind as the plays are of equal merit and each one has such well-balanced parts that no contestant will have to suffer a disadvantage because of the insignificance of his role.

The casts are rehearsing daily, and the parts have been so far developed that those conducting the rehearsals say the contest will be fully up to the standard of past years, if it does not raise it. A change in the method of rehearsing has contributed to the good of the training; this year each instructor instead of having exclusive charge of one play, will in turn rehearse all the plays. The partiality and rivalry caused by the old method is in this way remedied.

The prizes this year are liberal. The cast winning first will receive \$50 and that winning second, \$35. The profits from the receipts of the contest are to be turned over to the Oratorical Association on condition that they first clear up their debts. The Iowa debate resulted in a considerable deficit, but the Association will probably be able to meet it in time to secure the benefits of Saturday night's entertainment. A business committee has been appointed to represent the casts. The members are Ralph S. Gromann, W. S. Kies, J. C. Morgan and Joseph Koffend.

FRATS ENTERTAIN

MANY PARTIES GIVEN DURING INTERSCHOLASTIC.

Rushing Season an Unusually Active One—How the Guests Were Entertained.

The past few days have been very busy among the fraternities and sororities. The fraternities especially, have had their hands full with rushing. The fine weather has permitted many small picnics and other outdoor deals, and the livery men have been besieged with orders for rigs.

Phi Delta Theta used their new sail boat to advantage. Saturday evening they chartered one of the lake steamers and rode around the lake.

Dr. Frank H. Edsall entertained Beta Theta Pi at the Country Club's new home at Maple Bluff Saturday evening.

Delta Gamma had a picnic at Ethelwyn Park Saturday morning.

The Tri Deltas had an informal party at their chapter house Saturday evening.

Kappa Kappa Gamma were entertained by Mrs. John M. Olin at a dinner party Saturday evening.

Gamma Phi Beta had a picnic across Lake Mendota yesterday.

The Phi Kappa Psi fraternity entertained a number of the out-of-town visitors last Friday and Saturday evenings at their chapter house.

On Saturday evening Phi Rho Beta took its interscholastic guests for a launch ride on Lake Monona, after which an entertainment was given at the chapter house.

Theta Delta Chi entertained informally Saturday for their out-of-town guests at their chapter house. Mr. and Mrs. Hiestand and Mrs. Sumner Collins of Milwaukee acted as chaperones.

Kappa Sigma gave a boat ride and dancing party at the new pavilion across Lake Monona, Saturday evening. Mr. and Mrs. Hobbins were the chaperones.

Kappa Alpha Theta had an informal party at their house Friday evening.

Alpha Phi had a party at the Guild Hall Friday evening.

Phi Delta Phi Banquet.

Next Tuesday evening the annual banquet of the legal fraternity of Phi Delta Phi will take place at the guild hall. The fraternity was founded about twenty years ago by the students of the Michigan law school, and is composed exclusively of law students selected from the most promising members of each class. Frequent literary meetings are held throughout the year when leading members of the profession or of the faculty address the members. The banquet this year is expected to draw a larger crowd than usual owing to the fact that it is the last time that Prof. Charles Noble Gregory will be able to be present. He will act as toastmaster. The following will respond to toasts: Phi Delta Phi, Mr. Arthur Fairchild; The Law It Has Honored Us; May We Honor It, Gen. Edwin E. Bryant; The Harlan Chapter, Mr. Henry H. Morgan; We Surgeons of the Law Do Wondrous Cures, Sir, Prof. Howard L. Smith; The Seniors, Mr. Frank W. Lucas.

—Miss Margaret Moran, '04, visited at her home in Windsor over Sunday.

THE SENIOR PLAY.

"The Professor's Love Story" will be Presented June 18.

During the last few weeks and in spite of the interest in the dramatic contest, work has been going on steadily with the senior class play. The cast has been putting in an average of two hours a day in rehearsals and the play is advanced considerably more than is usual at this time of the year. "The Professor's Love Story" (by J. M. Barrie) is a heavier piece than is usually attempted by amateurs and the fact of its being the only amateur presentation of the play permitted in this country makes it of unusual interest.

The second act is laid in a wheat-field and special arrangements have been made for the accessories of this act. The third act takes place both inside and outside of a Scotch cottage and Mr. Howard Tuttle, the scenic artist of Milwaukee, has painted special scenery for this act. Either Reuter of Milwaukee or Hepner of Chicago will have charge of the wigs and make-up.

The play takes place in the Fuller Opera House, Tuesday evening, June 18. It promises to be an even more than usually prominent part of the Commencement week celebrations. The direction is by Edward D. Jenner and the business management by Robt. H. Downes.

Varsity Defeated at Ann Arbor Saturday.

Wisconsin was defeated in the game with Michigan Saturday by a score of 10 to 2. Reidal's low drops, however, gave Michigan some trouble. If Michigan can get one of the two remaining games with Chicago she will put up a claim to the western championship. The detailed score follows:

The Inter-scholastic.

The Inter-scholastic like the Conference Meet at Chicago, contained not a few surprises. It was generally believed before the contest, that first place lay between West Side of Milwaukee and Madison and a battle royal was expected between these two schools. Consequently the victory of Milwaukee Academy was entirely unexpected. But of course no one begrudges them their victory on that account, and their small but successful team deserves great credit for its fight.

Unlike most previous years, more smaller schools scored points this year than ever before. This is an encouraging feature, as these smaller schools have no systematic coaching or training and winning a few points will stimulate them to send a larger team next year.

The meet was well-managed, although some of the events could have been run off more promptly. The meet was also free of any serious accidents something unusual for the Inter-scholastic.

The Conference Meet.

The results of the big athletic meet at Chicago Saturday though prophesied in a good many respects, nevertheless contained some very surprising features. Chief of these was our failure to capture the high jump, Merrill's work in the dashes, Kellogg's phenomenal run in the two-mile race, and Wisconsin's failure to win this last named event. Michigan's success was generally foretold, but in the hundred-yard dash, the hammer throw and two-mile run she surprised those who assume to know, and the "I told you so's." Wisconsin has naught but congratulations to offer to her successful rival.

Our showing on the whole was a credit to us and to Coach Kilpatrick. With Bredsteen in poor form, and no reliable men in the dashes, we had but a fighting chance, and the team deserves great praise for its plucky fight. Schule's work was of a very high order, and his loss next year to the Varsity will be a difficult one to overcome. Keachie's victory in the mile run was another example of what work and coaching will do.

On the whole, Wisconsin's showing was the best since the days of Maybury and Cochems. With almost the entire team back again next year, the cup ought to be returned to Wisconsin.

One cannot help being impressed with the manner in which Wisconsin's opportunities were improved to the utmost. No superfluous material was taken and everything possible was done to secure points in the events in which Wisconsin was thought to be a factor. It is the only system through which ultimate success can be attained.

Preliminary Games About all Played.

Twelve fraternities have entered the baseball contest for the championship prize offered by Dr. Elsom. The rivalry has been keen among some of them, so much so that some of the defeated teams have had games among themselves to settle some differences in opinion that naturally have arisen. The lower campus for several days past has been occupied by some of the fraternity baseball enthusiasts.

The preliminary games have all been played now with the exception of the game between the Sigma Chis and the Theta Deltas. Arrangements were made to have this game played last week, but circumstances prevented. The Chi Psis and Phi Gams who qualified in the preliminaries held their game last Friday, the Phi Gams winning by the score of twenty-four to seven. This places them in the final game.

Thus far the Beta Theta Pi, Phi Rho Beta, Chi Psi, Phi Psi, Kappa Sigma and Psi Upsilon fraternities have been disqualified. When the Sigma Chis and Theta Deltas have their game, the winner will play with Delta Upsilon. The winner here will either play the Phi Gams or the team who succeeds in winning in the game between the Delta Taus and Phi Deltas.

It is thought that the final game will be played at Camp Randall and a nominal fee charged, the proceeds to go to the support of the crew.

Michigan wrested the top place in the percentage column from the Badgers during the last week. The Wolverines have played consistent ball this year and deserve the lead through their previous record. Illinois was downed for the third time and Wisconsin added another scalp to their week's trophies. Chicago defeated Iowa and Northwestern but their boost was not sufficient to raise them a notch in the column. Wisconsin started her trip by being defeated by both Beloit and Michigan. It is not at all unlikely that the annual toboggan slide will take place during the away-from home games.

RAHR ELECTED.

At the last meeting of Hesperia, the program was made up of sophomore orations. The best ones delivered were by Barry and Rahr. These two ran very close in the election of Junior ex orator. Finally Louis F. Rahr, of Kenosha, received a majority and was declared Hesperia's representative in the Junior Ex. contest next year. Mr. Rahr received second place in the sophomore open this year and is developing considerable ability in oratory.

Officers for next year were elected as follows: President—Brindley, Vice president—Haight, Secretary—Pomeroy, Treasurer—Horsfall, Censor—Parker, Assistant Censor—Davies, Corresponding secretary—Ottlie.

No more meetings are to be held this year.
