UW SPORTS NEWS SERVICE

THREE DOWN, six to go! That's the pleasant news for all Wisconsin football followers following the Badgers victories of the season over Miami (Fl.), Marquette, and Purdue in the first three games of the season. In three games the Badgers have shown a varied offense, one that can be wide open and exciting, one that also can feature the power laden drives of hard charging fullbacks and halfbacks and the option-keep series of two talented quarterbacks.

On defense, the current edition of the Badgers is being likened to the 1951 'Hard Rocks', and certainly the Badgers are opportunists; they take advantage of every opponent misfortune. When you can do that, you don't always have to grind out those long marches for the touchdown.

Wisconsin 20, Miami 0

September 26

WISCONSIN'S highly touted football team survived a battle of bally-hoo and whipped Miami's Hurricanes 20-0 in the Orange Bowl to open their 70th football season on the winning foot. 62,034 football fans sat in the sweltering stadium to witness the night game, and Wisconsin was in command all the way, taking advantage of breaks—a fumble and an intercepted pass—and stopping the heralded Hurricanes on every occasion short of the goal line with a stout defense.

Pre-game publicity gave equal billing to Miami's top rated quarterback, 5-9, 148 pound Fran Curci, and of course, the heat and humidity which would prevail at game time. The Badgers were unawed by what they heard and saw, and proceeded to make the Miamians their first victims of this 1958 season.

Coach Milt Bruhn matched Miami's talented Curci with a 1-2 punch at quarterback—senior Sidney Williams, and junior Dale Hackbart, and the Badger mentor could not help but be pleased at the results. Williams, a 6-1, 193 pounder from Little Rock, Ark., pi-

loted the Badgers on their fourth quarter 98 yard march that put the game beyond reach of the Hurricanes, and also did a good job on defense. Hackbart, 6-3, 195 pounds, from Madison, was at the helm for the Badgers' TD drives after a recovered fumble (42 yards) and the intercepted pass (8 yards), and his passing was threading a needle all night. He completed six of eleven attempts for 61 yards. Williams completed three of seven aeriels for 32 yards and a touch-down pass to halfback Ed Hart.

Miami won the toss of the coin, and surprised by choosing to kick-off to start the night's action. Hurricane Coach Andy Gustafson placed much confidence in his defense, and gave the Badgers first opportunity at moving the ball. The Badgers gained two first downs to the Miami 40, then stalled. Miami took over at that point after a fourth down screen pass, Williams to Steiner, was incomplete.

Miami, aided by an interference call, moved down to Wisconsin's 27 yard line, then sent Curci ten yards for an apparent first down, but offensive holding was detected, and instead of gaining a first down, Miami punted into the Wisconsin end zone.

With Dale Hackbart at the pilot post, Wisconsin moved down field for four first downs, and reached the Miami 25 yard line before the march stalled, and a fourth down field goal by Jon Hobbs fizzled. Good running by sophomore fullback Tom Wiesner, who was the game's top rusher, and Hackbart aeriels to ends Jim Holmes and Henry Derleth, the latter a sophomore, featured the 55 yard drive.

Two plays later Curci fumbled after a 20 yard gain and Lowell Jenkins recovered the ball for the Badgers 42 yards away from the Miami goal. Eleven plays later Hackbart scored the game's first tally on a one yard smash over center. The Badgers strung together first downs on Miami's 32 and 19 yard lines, then suffered a loss of ten yards in three plays as Miami stiffened its defense. A five yard penalty on the southeners for offside gave the Badgers the opportunity to re-run their fourth down play—Hart had picked up 11 yards, but was short of a first down—and Hackbart threw 17 yards complete to Dave Kocourek for a first down on the 7 yard line. On fourth down, with just two

seconds left to play in the quarter, Hackbart scored. "Nervous" Paul Shwaiko converted the extra point.

Neither team could do much with the ball in the early part of the second quarter, though Wisconsin had the opportunity to score again when Miami Captain Joe Plevel's fourth down punt slithered off the side of his foot and went just 9 yards. The Badgers had a first down on the Hurricanes 33, but punted on fourth down from there when three running plays gained nothing.

Miami started on their own 12, got a first down on the 28, then had to kick to Wisconsin on the Badgers' 43. Two first downs were strung together despite a 15 yard holding penalty, then Tom Wiesner went back to punt after two incomplete passes and Dale Hackbart had lost six yards on an option play.

4:11 remained to play in the first half, and Miami, with second team quarterback George MacIntyre at the helm, moved 16 yards to a first down on the

Miami 32, then lost three on a pass completed behind the line of scrimmage. On third down, MacIntyre was rushed hard by the Wisconsin line, yet managed to throw a pass downfield which George Chryst intercepted on the Hurricanes 38, and raced back 30 yards to the Miami 8 before he was bounded out of bounds.

Bob Zeman cracked over guard for two yards on first down, then Miami was offside on second down, and the Badgers had the ball on the one yard line. It was easy for Hackbart to sneak into the end zone from there with 1:17 left in the half. Paul Shwaiko again converted.

The final minute of the half was packed with action as Curci returned Fraser's kickoff 36 yards to the Miami 46, then proceeded to move the Hurricanes down to Wisconsin's 22 yard line before the clock stopped him. This was Curci at his best, and he ran wide, passed when hit, and in general created his most disturbing noise of the night,

The Orange Bowl spectators had visions of a glorious second half Miami rally. It came, but Wisconsin met the challenge.

Wisconsin controlled the ball for the first six minutes of the third period, moving to Miami's 21 yard line before the drive stalled on a 15 yard holding penalty. Curci then led Miami from its own 33 to the Badgers 21 yard line, twice utilizing fourth down calls to get the vital first down. With the ball on the Badger's 20, however, and third down, Curci lost three yards on a fumble, and on the next play, Danny Lanphear charged through a big hole at tackle to smear Curci for a 7 yard loss.

Wisconsin, again thwarted by a 15 yard penalty, had to punt after three plays, and Miami embarked on its biggest scoring threat of the evening, a 51 yard march to Wisconsin's one yard line where on fourth down George Chryst slammed the tricky Curci to the ground for a yard loss on what was to have been a 'keeper' play. A 29 yard pass, Curci to left end Doug Hildebrandt set up the Miami threat inside the Wisconsin ten yard line, after a fourth down plunge by Fullback Frank Bouffard had created a first down on the Badgers 42.

Unsung hero Charley Sprague, playing his first collegiate game at left tackle on Bruhn's second team, halted Bouffard on third down, after Curci had moved 8 yards in two plays to Wisconsin's one yard line. Here, Chryst rose to the occasion.

The Badgers, aptly fired, then moved 98 yards in eight plays for the game's final touchdown. Sidney Williams moved the team out of immediate danger with runs of six and three yards, then handed off to sophomore Wiesner, and he moved 63 yards to Miami's 26 yard line. Five plays later Williams tossed a four yard pass to Ed Hart in the right corner of the end zone for the score. Williams tried to run the required three yards for the two points under the new conversion rule, failed, and Wisconsin led 20-0.

The game's remaining eight minutes saw the teams spar at or near mid-field, and both teams generated drive's beyond their opponent's 40 yard line, but that was all. The Badgers left no doubt about their win, excelling on defense, and performing adequately on offense. The offense was not polished, but on this

night it didn't have to be. There will be future Saturdays on the schedule when it will function the way the coaches want it to.

Individually, the standouts for Wisconsin were end and Co-Captain Dave Kocourek with seven clean tackles on defense; the twin quarterback threats of Hackbart and Williams; and the running of Neenah's Tom Wiesner, a big lad who has many of the running characteristics of a former Badger great—Alan Ameche.

Coach Bruhn appears to have the necessary depth that will pay off in the Big Ten race, though like everyone else we'll know better at the end of the season.

Wisconsin 50, Marquette 0

October 4

WISCONSIN'S Badgers rolled to a relatively easy win over an improved Marquette football team by a 50-0 margin before 42,513 spectators this warm autumn day. The win gave the Badgers their 15th consecutive win

over their intra-state rivals since the Warriors last won in 1943, and continued the dominance which Milt Bruhn-coached Wisconsin teams have had over them. In three games since Bruhn took over the head coaching job, the Badgers have posted 41-0, 60-6, and 50-0 victories.

The Badgers proved themselves to be opportunists of the first rank this day, intercepting six Marquette passes, four of which opened scoring drives for the winners, one of which stopped Marquette's only serious scoring threat of the day; recovering two Warrior fumbles, and returning six punts for 118 yards, one a 73 yard touchdown run by junior quarterback Dale Hackbart.

On offense, the Badgers sputtered on the attack on occasions, yet managed 279 yards net on the ground in 53 rushes, and added 99 yards by passing on six completions in 18 attempts. The defense was adequate, limiting the losers to 72 yards on the ground, and yielding 105 yards in the air, as Marquette completed eight of 23 passes attempted.

Marquette presented an improved

team over that of a year ago, and they hung 'tough' well into the second quarter, before the Badgers' depth finally began to tell upon them. It was 8-0 at the first quarter mark, and until the final running play of the first half it was only 16-0, when a brilliant piece of razzle-dazzle netted the home team a TD that seemingly spelled the end of any chances Marquette might have entertained of winning, or at least of keeping the score close.

Marquette kicked off to Wisconsin to open the game and the Badgers were rudely jolted on the first series of plays when the Warriors pushed them back ten yards in two plays after Bob Zeman's first down smash of seven yards had moved the ball to the Badger 45. Both teams exchanged punts—Marquette lost two yards in their first three plays with the ball. Then Wisconsin moved for three consecutive first downs, reaching the visitors' 18 yard line before a fourth down Hackbart pass was knocked down by Warrior quarterback Pete Hall to stall the drive.

Sophomore Tom Wiesner intercepted a deflected Hall pass three plays later—a Hall to end Silas Woods pass had gained a Warrior first down—and in two plays the Badgers rolled to their first score. Bob Altmann slashed over tackle for six yards, then 'old reliable' Sidney Williams tossed a pass to Ed

Hart on the sidelines and the Kenosha junior sped into the end zone, a 29 yard TD play. The conversion attempt stemmed off a fake place kick situation, and Hackbart tossed to sophomore end Henry Derleth for two points.

Marquette failed to gain much after the kickoff, punted to Wisconsin, and when the Badgers looked like they were ready to go marching again, left guard Lou Casto intercepted Hackbart's pass on the Warrior 43 on the first play of the second period.

The compliment was returned two plays later when Hackbart intercepted Hall's pass on the Badgers 40, returned six yards to the 46, and the Badgers proceeded to march 54 yards in 12 plays, despite offsides and clipping penalties that momentarily delayed the march. Jon Hobbs bulled over from the one yard line, and Hackbart tossed a pass to Badger Co-Captain Kocourek for the conversion points, and Wisconsin led 16-0 with 7:58 to play.

The Warriors took Jim Fraser's ensuing kick-off and following Frank Reginaldi's 31 yard return to the Marquette 33, went marching down to Wisconsin's 18 yard line in nine plays.

The tenth play in the latter series was a pass, also, and Dale Hackbart intercepted it in the Badgers' end zone, giving Wisconsin a first down on the 20.

An exchange of punts, as both teams

were bogged down by penalties, gave Wisconsin a first down on its 32, and five plays later—with just 26 seconds left in the half—the Badgers had scored again. Essentially the march started Hackbart. He passed complete to co-captain Dave Kocourek for 19 yards, then ran for seven yards, stepping out of bounds to stop the clock. After an incomplete pass, he found right half-back Bob Zeman open for 20 yards and a first down on the Warriors' 22, with 32 seconds to play.

A short pass over the line was complete to left halfback Ron Steiner for 9 yards, and Steiner, when hit, lateraled to Jon Hobbs, who ran the final 13 yards, and Wisconsin had a 22-0 lead. The conversion by running was not successful.

After yielding a first down to the Warriors on the first series of downs following the kickoff for the second half, Wisconsin's defense, led by the hard-charging Jim Heineke, sturdy right tackle, halted the Warriors, and Hall had to punt. His 42 yard kick was fielded by Steiner, who reversed to Hackbart, and behind tremendous blocking, the latter went 73 yards for the TD, with 3:30 of playing time elapsed.

The punt return was the first that a Badger player had turned into a score since Jim Miller's 49 yard return against

U W-M Breaks Even in Four

By the time the University of Wisconsin-Milwaukee's football *Cardinals* had completed their first three games they had assured themselves of a state college conference record to equal that of 1957.

With a veteran backfield—crippled though it was with the loss of veteran Ronald Bekken in the first game against Moorhead (Minn.) State—a top-flight crew of ends and All-Conference center and team captain Dom Cucinello, the UW-M opened its fall campaign with probably the brightest prospects since it became the UW-M three years ago.

Coach Armin Kraeft could look to a sturdy line to pave the way for plays called by Jack Loyda, a junior quarterback in his third year of varsity ball. And the Cards showed promise in that first game, rolling over Moorhead 19-6.

In the next game, however, Oshkosh State—UW-M's only conference victims in 1957—took advantage of their home field to come up with a 22-0 win.

Rebounding, the Cards began October with a bang by powerhousing their way to a 41-0 victory over Stout State college.

On Oct. 11, UW-M had its own psychological advantage working—it was Homecoming, and spirit was high. But 2,200 fans saw Stevens Point rally in the third quarter to win 19-12, thus maintaining their mastery over the UW-M team since 1951.

The Milwaukee outfit from here on in will face Platteville (the 1957 champions who were held to a narrow 7-0 margin by UW-M last fall) on Oct. 18; Whitewater on Oct. 25, La Crosse on Nov. 1 and Ferris Institute of Big Rapids, Mich., on Nov. 8. The only home game will be the Whitewater tilt.

Iowa in the 1955 Iowa game, and the 73 yards of the return takes its place as the third longest in Wisconsin football annals. Earl Girard's 85 yard return in 1947 against Iowa takes first place, and in 1954, also against Marquette, a sophomore, Jim Bridgeman, ran one back 77 yards to score.

Marquette again made one first down before giving up the ball on a punt, and four plays later Wisconsin had scored again. Ed Hart ripped for five yards to start the 58 yard march, then Sidney Williams ran right end for ten yards. On a beautifully executed reverse play, Hart bulled for 15 yards. Then Williams, on a keeper play, ran for seven, lateraled to Hart when hit, and the latter hustled into the end zone unmolested.

Paul Shwaiko kicked the extra point, just as Jon Hobbs had kicked the extra point after the punt return. Wisconsin elected to run or pass after the other five TD's, and converted three times for the two points, all on passes.

A booming 56 yard punt out of bounds by Tom Wiesner put Marquette back on its four yard line late in the third quarter, but the Warriors gallantly made a move downfield, picking up two first downs to its 28, then a first down Hall pass was intercepted by Billy Hobbs, third team left halfback, and he returned 18 yards to the Warrior 25. Five plays later, aided by a roughing penalty on Marquette, the Badgers had tallied, Wiesner pounding over from the one yard line. The conversion attempt failed from the one yard line, the ball being placed there after an offside penalty on the losers. Those final yards inside the five yard line are tough to get, even in a 50-0 game!

The Badgers struck quickly for the game's final score, and again an intercepted pass triggered the touchdown. Sophomore quarterback Francis "Shorty" Young intercepted Hall's first down pass three plays after the kickoff and the Badgers had an apparent score.

Not so, ruled the officials. Young had lateraled to Hart on the Warrior 30 when hit, and the Kenosha junior legged the ball into the end zone for the score, but the officials ruled a foward lateral and Wisconsin was penalized five yards from the point of infraction. One play netted the score, though, as Young pitched out to Billy

"Bullfrog" Hobbs, and the Eau Claire junior rambled 36 yards to score. Young passed to Boscobel's Allan Schoonover for the extra two points.

The rout was completed, though 11:20 remained to be played. The two teams sparred the remainder of the way between the 20 yard lines, and no serious threats to either goal line materialized.

Wisconsin 31, Purdue 6

October 11

WISCONSIN'S BADGERS took advantage of every Purdue misfortune this sunny, cool autumn afternoon and registered a rousing 31-6 over the invaders from the banks of the Wabash River and continued their mastery of recent years over the Boilermakers.

The game had been labeled a battle of unbeaten, and untied, and unscored upon teams, and Purdue followers were calling this one of their best teams in recent years, and surely an old score would be settled this day in Madison before an audience of 51,028 fans. The Badgers did not go along with that thinking, and when the battle had been decided, the old battle cry "Wait until next year" could be heard across the field from the faithful followers of the Boilermakers.

Not since 1945 has a Purdue team registered a win over Wisconsin, and ten times since then they have tried, and only in 1956 did they get anything for their efforts but a defeat; then it was a 6-6 tie. Only in the years 1948, 1949, and 1952 could a Purdue follower breathe easy as the season progressed—the "Battlin' Badgers" were not on their schedule.

The game followed a pattern of frustration for Purdue all day, and right from the start. Able to gain nothing in three rushing attempts against the Badger forward wall, following the opening kickoff they sent halfback Clyde Washington back to punt, but a low pass from center, plus a rugged charge by the Badgers resulted in Jim Fraser, 218 pound senior left guard, blocking the punt. The ball rolled loose until halfback Bob Zeman picked it up and ran down to the Purdue three yard line. In two plays, Dale Hackbart had sneaked the ball across the goal line for

a 6-0 Wisconsin lead. Just 2:26 of the game had been played! Remember last year's game? Jon Hobbs blocked a Purdue punt on the first series of Purdue plays, and Wisconsin had scored in the first 2:20 of play.

Rocked back on their heels, Purdue came roaring back and marched to Wisconsin's 23 yard line in 14 plays, overcoming a 15 yard holding penalty en route. A fourth down pass was incomplete, and the Badgers took over, failed to move the ball in three plays, and Tom Wiesner punted out of danger. Two plays later, Wiesner recovered a Purdue fumble and Wisconsin had the ball on the opponent's 39 yard line.

Again the Badgers stalled, and following Wiesner's kick into the end zone, the Boilermakers moved 80 yards in ten plays for the tying score with just 59 seconds played in the second period. Senior quarterback Bob Spoo engineered the drive, and used Purdue's wide open attack to good advantage.

Wisconsin struck right back, and went 66 yards in eleven plays for the winning touchdown. Dale Hackbart mixed up the attack on the ground, using fullback John Hobbs on six plays for 17 yards, Bob Altmann on one play for four yards, and himself on four plays

for 45 yards, including runs on the option for 11, 19, and 14 yards, and he capped the drive with a dive over the massed Purdue line for the score. Paul Shwaiko kicked the extra point with 8:58 left to play in the first half.

Shortly thereafter, Wisconsin took over following a Purdue punt—a 15 yard penalty on interference with a fair catch started the drive, and a 15 yard penalty on Purdue for an illegal substitution sustained it—and the Badgers drove 41 yards in 12 plays for another score, with Jon Hobbs tallying from the one yard line. Paul Shwaiko converted, and the Badgers had a 20-6 lead with 2:18 left in the second quarter.

Intercepted passes set up Wisconsin's second half tallies, an 18 yard field goal by Shwaiko with 1:51 left in the third quarter, and a 36 yard return of an interception by Tom Wiesner for a touchdown with 1:27 left to play in the game. Hackbart set up the field goal by snaring Spoo's pass on the Purdue 39, and returning 14 yards. When the Badger attack stalled on the 11 yard line, "Nervous Paul" kicked the sixth field goal of his collegiate career, all in the Big Ten, since he first donned a Wisconsin uniform in 1952.

Not only interceptions hurt Purdue's

chances. So did fumbles, and they ended a Purdue threat early in the final quarter when the Boilermakers had a first down on Wisconsin's two yard line, and following Earl Hill's punt out of danger, a fumble on first down halted them on the Badgers 27. Center Dick Teteak, and right guard Jerry Stalcup made the recoveries that stymied the Boilermakers in these situations.

Homecoming Set Nov. 7-8

Homecoming 1958! The campus will be a huge "Badger Showcase" the week-end of November 7 and 8. The Badgers will meet the Northwestern Wildcats at 1:30 on Saturday at Camp Randall.

The Homecoming Show Friday night in the Fieldhouse will be the Broadway production of "Li'l Abner". Of course, there'll be the traditional house decorations, parade, pep rally, reunions, and parties. Homecoming 1958 promises to be a week-end filled with fun and frivolity.

We hope you'll be able to make it!

BUCKY SAYS:

*"It takes every man on the team
to stay on top."*

It may be the half-back who steps over the goal line for the winning touchdown, but without the linemen clearing the way, without the quarterback calling the signals, and the end faking a pass play, no team would get past the kickoff.

It's like that in a quality heating system, too. Every component of the system must be perfectly engineered individually, and then combined into a working team for maximum comfort protection. Mueller Climatrol heating units have design-mated construction. Large, centrifugal blowers move lots of air quietly, imperceptively. Efficiently designed heat exchangers squeeze the most out of each penny's worth of fuel. Oversize filters remove dust, dirt, pollen, and bacteria from the air. Burners, gas or oil, mix just the right amount of fuel and air, meaning savings in heating bills. Cabinets are air-lock tight, specially treated to prevent rust, and finished in baked enamel inside and out. After assembly, each and every Mueller Climatrol unit is run tested to assure proper, efficient operation as a whole.

Whatever your comfort need, Mueller Climatrol has the unit for your home.

Mueller Climatrol Type 105-1 "Traditional" Winter Air Conditioner

The ultimate in fine warm air heating. Designed for the addition of summer air conditioning (cooling). Gleaming Mountain Spring Green and Gold colors.

Mueller Climatrol Number 10 Boiler

Gas-fired boiler for use with hot water or steam heating systems. Compact and efficient in design. Clean, gleaming white enamel casing.
