The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

INTERVIEW

WITH

ROBERTA FELDMAN

May 3, 2003

ROBERTA FELDMAN LIVES ON BLACKHAWK ISD.RD. (Phone: 563-5760)  
# W.7269

She was born on the Island and remembers Lorine quite well.

She remembers visiting Lorine in her little cabin and in walking along the road.

Her greatest treasure is a Peterson Bird Book which Lorine gave her and signed.

She will search for photos she has packed away of Lorine.

We visited the H.Museum and she will be back with her family and daughter.
